DISTRICT GOVERNORS MESSAGE FOR APRIL

Dear Lions,

I will start this message with a big thankyou to each and every one of you for your combined effort in moving your District forward.

As I write this, our membership numbers are the best they have been for a long time. We are slowly turning the corner.

To further this wonderful improvement please attend the Districts rebuilding workshop on Saturday 21st April. Learn some new ideas, share your successes and how you achieved them. Let's network together utilizing the skills of PCC Lou Onley. Lunch and refreshments will be provided, and a fun and informative day is guaranteed.

Don't forget for the March to May membership drive District will pay the new member joining fee of \$50 as an incentive to recruit and induct new members.

Our District PR trailer has been out and about lately, and other Districts have been impressed with the visual impact it makes as it has travelled the state. Its travels have been shared on Facebook many times. Having the trailer in action at events e.g. Tunarama, Glendi, Skin cancer screenings, field days has resulted in quite a few new member leads which are currently being followed up.

The Australian Lions Foundation Ltd has initiated a "National Appeal" in support of those affected by the recent flood waters which have inundated parts of Queensland, and the fires still burning in New South Wales and Victoria. Many homes have been lost in both the floods and fires. Cyclone Marcus has passed over Darwin, also leaving a path of destruction.

It is sad to see so many impacted with all these events and this includes members of our Lions family. Houses lost through fire, severe damage because of the floods and damage through cyclone winds... it impacts the basics of our lives.

Clubs who wish to donate should send your cheque direct to the Cabinet Treasurer who will process them and send through to the Australian Lions Foundation. Please consider your support for this appeal to help those in need. Remember the support our District received for the Sampson Flat and Pinery bushfires. (SEE PAGE 2)

Handovers are starting to be organized as the Lions year draws to an end and now is the time to consider awards. This link will take you to a wealth of information regarding awards <http://lionsclubs.org.au/members/awards/>

Peter and I hope to catch up with many of you in Townsville for the Multiple District Convention 4-7 May. There is still time to register. <http://lionsclubs.org.au/conventions/townsville2018/>

NEWSFLASH March 2018

National Flood and Fire & Cyclone Appeal Queensland, New South Wales, Victoria, Northern Territory

To all Lions, Leo and Lioness Clubs – Multiple District 201, Australia

Please give consideration to this Appeal

With the approval of Council Chairman Malcolm Peters, the Australian Lions Foundation Ltd has initiated a “National Appeal” in support of those affected by the recent flood waters which have inundated parts of Queensland, and the fires still burning in New South Wales and Victoria. Many homes have been lost in both the floods and fires. Cyclone Marcus has passed over Darwin, also leaving a path of destruction.

Emergency Grants are available from the Foundation for all Districts impacted as initial support and we will administer the funds received from the Appeal direct with the Districts.

The Foundation has already provided \$100,000 to District Q2 to assist with the relief efforts for Ingham and surrounding areas. Contact has been made with all other impacted Districts and Governors are assessing their needs.

It is sad to see so many impacted with all these events and this includes members of our Lions family. Houses lost through fire, severe damage as a result of the floods and damage through cyclone winds... it impacts the basics of our lives.

Clubs who wish to donate can follow the normal procedure and send your cheques direct to your Cabinet Treasurer who will process through to the Australian Lions Foundation. The public may also donate direct to the Foundation by using the “GiveNow link” button on the Multiple District Website and the Australian Lions Foundation Website. All public donations received over \$2 are tax deductible.

Please consider your support to this appeal to help those in need throughout our impacted areas. If you require further information, please contact your State ALF Director.

ZONE 11 & 12 GATHERING AT CUMMINS

The day was held at the Cummins RSL instead of the Triangle because we were concerned about the weather. That worked fine and we thank the RSL for the use of their premises. A lot of planning went into holding this day to suit everyone and it was great to see it happen.

I was tickled pink with the response from all clubs to this concept, it was a huge success and goes to show Lions are alive and well on Eyre Peninsula.

What a great day was had by all, we had 100 people attend, far exceeding my expectations. It was great to see so many Lions Ladies present also.

Five clubs in the zone were well represented with only one club unable to attend because of commitments they had to fulfil.

We even had ten members from the Whyalla Lions club attending, they are in zone 11.

Also from cabinet we had 1st VDG Phil Bowman, Cabinet Secretary PDG Don Pritchard and Gillian, PDG Dean Noel and Dorothy and John Barnes. John was kept busy all afternoon with one on ones with MYLCI.

Thank you guys for coming all the way to Cummins, it was much appreciated.

The buzz around the room was at times deafening, that meant all were enjoying themselves. Hopefully this will inspire more Lions to attend District functions such as training days and the next convention.

Tumby Bay Lions are eager to host this day next year and we are looking forward to making it bigger and better.

Thank you to the Cummins Lions for hosting the day, you did a fantastic job. Proceeds of \$600 on the day will be donated to RFDS. "Well done Cummins."

I would encourage other Zones to hold a day such as this at least once a year, it helps each club to get to know other clubs and members in their zone and puts a bit more enthusiasm back into a lions without that word, "meeting".

MESSAGE FROM VDG PHIL BOWMAN

"All the Presidents / DGE's Men"

The Zone 12 social function on Sunday March 18.

Presidents, Zonies and Cabinet Members at the Zone 12 social lunch in Cummins.

OVER 100 Lions members and their partners enjoyed a great lunch, a drink and each other's company. No official business was conducted.

1 DGE, 2 PDG's 2 Zonies and 6 Club Presidents. Well done team. And of course I always forget someone, District Admin Guru John Barnes was tucked away in a room giving one on one "My LCI" Tutoring to club Secretary's. Thanks to John and everyone for a great social day on the Eyre Peninsula.

Now waiting for another zone to organise a similar function.

Well done to Zone Chair Gavin Roberts for organising.

D G MEGAN IS PLEASED

Dear Lions member,

I'm writing to share some wonderful news and to say thank you to you all for your contribution in increasing our District membership numbers and slowing down our drops.

Today our District membership numbers are the same as the beginning of this Lions year.

Our membership numbers are at **1220**, 98 new members, 98 dropped members. This is not the 1250 needed but I am positive we will reach that number. We had dropped to 1203 members so this is a great achievement.

Don't forget as part of the March to May membership drive your District will pay the LCI new member joining fee for any new member your club inducts. Your club has received information on how to claim reimbursement.

Please also attend our club rebuilding workshop on 21st April to gain some additional skills to continue building on our successes.

Keep up the great work and thank you for all you do all for your club, community and District.

Regards,

Megan Butler

TUMBY BAY CITIZEN OF THE YEAR

Tumby Bay and District Lion
Ned Roberts –
SA Citizen of
the Year 2018

During our last dinner meeting we celebrated the wonderful achievement of Ned. He has given so much to our community and is still doing it.

Besides doing his Lions duties, he is the treasurer of the Tumby Bay And District Community Bank and still a JP after 39 years. Other long service roles include CFS 46 yrs. and being a life member of both footy and cricket clubs.

In his real job as the Town Clerk, his vision to drive the facilities in this area has been remarkable. The amount of work done above and beyond his duty is huge. He helped to establish the aged homes in 1980 and only recently relinquished the voluntary job of administering these. The Marina in Tumby Bay and the extensions to our towns were largely due to Ned.

At our dinner we also paid tribute to his wife, Madelynn, who has supported Ned in all his various community roles.

MESSAGE FROM PUBLIC RELATIONS CHAIRMAN

Time is still very busy supporting Megan in her role as our District Governor, and still very enjoyable. You the Members and Clubs are the source of the best Public Relations Material and I thank you for the information that you pass on to Megan and I. Please remember the more we tell people about the incredible work we do the more the community talks about us in a positive manner which will lead to Members.

We are the best advertisement for our organisation and the way we present ourselves to our communities is vitally important. It is about the impact we have in our communities and how we make people feel. Every small caring action changes the life to the better some someone.

Some of the things that have been achieved over the last 6 to 8 months are as follows:

- Email and letter regarding speech from the Honourable Mr. Tony Piccolo, which outline specifically the Gawler Club in his parliamentary speech and volunteers, passed on to National Office to be utilised as Testimonials. This speech is available through the Parliamentary website.
- Requested and received Testimonials from his Excellency the Honourable Hieu Van Le, The Right Honourable the Lord Mayor of Adelaide Martin Haese, and the Commissioner of Police South Australia Mr. Grant Stevens and passed to National Office. I would like to outline the invaluable help from Lion Petrea Stacey from the City of Adelaide Club and thank her on behalf of the National Office and myself.
- Email from Hannah Mills Lions Australia PR Officer requesting testimonials – This email was forwarded to all C1 Clubs for help
- South Aussie with Cosi contacted for Testimonial and to run story on Hearing Dogs – Cosi also filmed an episode of South Aussie with Cosi during the 2017 Playford Alive Community Fun Day. So far, no response, I have followed up to get traction, looking for the episode that has the Playford Alive Family Fun day.
- Major coup – Advertiser story dated 06 Nov 17 about placement of Sadie with Craig Yates, big thank you to Lion Robert Klose for his contacts and driving the story and PDG Frank Gratton for providing input to story. Story was also run in the Northern Messenger.
- Trailer has been in good use over this period a big thank you to PDG Dean Noll for helping make the Trailer available from its place of Garage, also all those that have manned the Trailer and towed it to and from.
- The Trailer has been on the road during the whole of March 2018, travelling from Pt Lincoln for the Tunarama, Maitland, on to the Lucindale Field Day and then to the Glendi Festival in Victoria Square.
- I contacted all Clubs for pamphlets about their Club and Projects, these pamphlets will be used in the PR Trailer for use to advertise the work we do in our District to the People of South Australia. I am still waiting for pamphlets from most Clubs or response, this is rather disheartening, especially with some members trying with everything they have, to drive this District out of Transition.
- I am still asking Clubs to forward articles to our Bulletin Editor Ted Osborn and to let me know of special events that are coming up. We are still trying to build up a calendar of annual events that happen in our District. Remember the more we advertise the better off we are.
- Golden Grove Lions had the unveiling of their Centennial Project, a Rotunda at Goldenfields Reserve, a very beautiful location. The opening was attended by the Mayor of Tea Tree Gully, several Councillors, Mr. Tony Zappia MP, our District Governor Megan I hope the Rotunda will be utilised to its fullest, it is a wonderful location for Photos for weddings, formals etc. please pass this on.
- The Hellenic Lions Club ran the GLENDI Festival, in the heart of Adelaide in Victoria Square on the 23rd, 24th and 25th March 2018. As some of you may have noticed the Channel 7 add for the GLENDI did have the Lions emblem for all to see. Our stand with the PR Trailer was share with the Australian Lions Hearing Dogs, who again stole the show. How can anyone compete with cute furry and cuddly, a thanks to Lions David Horne for the support he and Hearing Dogs give to our District. It was great to see many Lions help over the weekend with not just the PR Trailer, Hearing Dogs but also the Drinks Tents. Well done to Evelyn and John Chefalachis and the Hellenic Lions.
- The LIONS Awareness Day was held on Saturday the 3rd of March 2018. Sadly we did drop the Ball a little on this as a District, some Clubs did get out there and showed who they are and where they come from and what they do. Well done to those Clubs.

PUBLIC RELATIONS CHAIRMANS MESSAGE CONTINUED

Continued from Page 4

Whilst accompanying DG Megan to the January Council meeting, we utilised the services of Andrew's Airport Parking where Megan and I struck up a conversation with the Manager Mathew. This has lead to us selling Mints and Mini Cakes at the Facility and more importantly the possibility of a mutually beneficial relationship. Matthew was very interested in how our organisations can help each other. Andrew's Airport Parking will place a monthly ad into the MD201 edition of the LION Magazine, which they are happy for us to place copies in their waiting lounge. We have also placed other LIONS information material into the lounge, Andrew's Airport Parking will over LIONS Members 10% discount on their services when they show their LIONS Membership Card. Other opportunities are being investigated on how our organisations can best work together.

I ask all Zone Chairs to talk to their Clubs, that they ensure to pass all information regarding future events to Ted Osborne and myself so to help us get the information out. Also should you hear about upcoming events, please pass this on, as I would be great to see Lions supporting Lions, and more importantly increase our Public awareness. Remember the Zone Chairs are your direct line to the District Governor and the Cabinet, who are there for you.

I once again ask that you to urge your Clubs to pass on any photos and articles, to Ted Osborne our Bulletin Editor, and to me, so that I may load that to our Facebook page and send it to local and State Media. I also still ask that should you have any guidance and Ideas on how I can do the Public Relations Job better, to not hesitate to contact me. It is through you that I can sell our Clubs, District and Lions the best way possible, this I hope will help our Clubs in many ways including Membership.

A great effort by all in starting to grow our District again.

"A Worthy Recipient"

The Lions Club of Gilbert Valley held their March meeting at the Gilbert Valley Hotel recently, where a presentation was made to one of their long term members. A lady named Anne Gilfillan joined this Lions Club in 1991, and having reached the age of 92, Anne is still an active member and helps at the Australia Day Breakfast, Murrumbidgee Rodeo and also helps out cooking donuts at the local football matches. Anne has held many positions within the club over the years including Senior Citizens and Club Care Director, and is considered to be a very valuable member. As a "Privileged" Lions Member, Anne only needs to attend Dinner meetings when she is able to. Anne obviously adheres to the Lions motto, "We Serve".

Also visiting on the night was Vice District Governor Kevin Masters, a member of the Wallaroo Lions Club. Kevin was there to present a rare Certificate of Achievement Award to Anne, which was signed by the Lions International President Nareesh Aggarwal. Anne was also presented with a bouquet of flowers sent by District Governor Megan Butler and the Cabinet Members of District 201C1.

Congratulations Anne Gilfillan.

A WORD FROM YOUR NEW LIONS MEMBER

I am your new Lions member satisfy my wants with personal attention and a friendly smile and I will become a walking advertisement for this organisation.

Ignore my wants, show carelessness, inattention and poor manners and I will simply cease to exist. I am sophisticated – much more so than a few years ago I have grown accustomed to better things I am socially aware, I am proud, and I am assertive

My ego needs the nourishment of a friendly personal environment - of feeling accepted

It is important to me that my commitment and input is appreciated – just a simple thank you is all I ask.

I am a perfectionist I want the best for the time and commitment I give When I say I am unhappy or unfulfilled – take heed.

The source of my discontent lies in something my membership has failed to provide. Find the source and correct it or you will lose me.

I am fickle. Other organizations continually beckon me with offers.

To keep my membership, you must offer something better than they.

I am your member now, but you must continually reinforce to me that I have made a wise choice in selecting this organisation above all others.

If you do I will be your member for life.

FROM TORRENS VALLEY CLUB

Torrens Valley Lions Club has another new member! Vice District Governor Phil Bowman inducted Rebekha Sharkie on Tuesday night.

Welcome Rebekha.

Our club is being kept busy with various activities and will help out at Harmony Day on Saturday 24th March.

Arrangements are in progress for our Club to host Lions Youth of the Year State Final being held at Gumeracha Hall on 7th April.

Preparations are well underway for the Club's 50th Anniversary Dinner to be held at Gumeracha Hall in October. Details later.

A man was filling out a job application. When he came to the question, "Have you ever been arrested?" he wrote, "No." The next question, intended for people who had answered in the affirmative to the previous question, was "Why?" The applicant answered it anyway: "Never got caught."

FROM PARALOWIE CLUB

Paralowie Lions and Rotary working together Don't throw away those ring pulls

The humble ring pull,... pull it once and just become scrap along with the rest of the can.

Pull it off and place it in a container and its on its way to provide a prosthetic limb to one of Asia's many landmine victims.

Indiscriminate laying of mines during the many years of turmoil in Thailand, Cambodia, Laos and Viet Nam, have turn vast areas of agricultural land into killing and maiming grounds, claiming hundreds of victims each year. Survivors of the blasts will often lose one or both of their legs. The foundation gives these victims a second chance in life by providing them with the prostheses free of charge. A mobile unit goes out into the regional areas to get those who have no way of getting into the foundations headquarters.

The ring pulls also help finance three orphanages two in Viet Nam and one in Cambodia run by Viet Nam Vets in Australia.

The ring pulls are sent to a scrap metal facility and weighed, the money raised go to the projects mentioned. 2500 ring pulls provide approximately 1 kg of aluminium and 1kg of aluminium can provide 7 sets of joints for prostheses.

Rotary have been collecting well over 15 tones. of ring pulls for the past 10 years. . It is a great project for much needed cause, we are proud to be a part of this project.

Get you whole community involved, schools, aged care facilities, hotels, sporting clubs , your lions club and individuals. The Lions Club of Paralowie would gladly receive them.

Thank you.

FROM CABINET SECRETARY PDG DON

Greetings,

It's that time of the year again when our District Leadership Team will be conducting the Club Leadership Forums for Club Executives for the coming Lions year.

The first (of 3) will be held in the metropolitan area on the 22nd April. An exciting programme is being arranged for not only the Club Executives, but all Club members. We have a special guest, Past Council Chairman, Lou Onley OAM joining us for the day and if you haven't witnessed Lou's enthusiasm previously, you're in for a real treat.

Please mark this in your calendar. A personal invitation will be sent to you by District Governor Elect Phil Bowman when full details are known.

Best wishes and looking forward to catching up on the 22nd April.

Cheers,

An Irish Family Tradition.

Paddy had long heard the stories of an amazing family tradition.

It seems that his father, grandfather and great-grandfather had all been able to walk on water on their 18th birthday.

On that special day, they'd each walked across the lake to the pub on the far side for their first legal drink.

So when Paddy's, 18th birthday came 'round, he and his pal Mick, took a boat out to the middle of the lake, Paddy, stepped out of the boat... and nearly drowned!

Mick just barely managed to pull him to safety.

Furious and confused, Paddy, went to see his grandmother.

'Grandma,' he asked, "It's my 18th birthday, so why can't I walk 'cross the lake like my father, his father, and his father before him?"

Granny looked deeply into Paddy's, troubled brown eyes and said, "Because your father, your grandfather and your great grandfather were all born in December, when the lake is frozen, and you were born in August, ya idjit.

CLUB DONATES TO CULTURAL AND HERITAGE GROUP.

Minlaton Lions and Lioness Clubs donated the purchase price of a laser printer to be used by the Curramulka Cultural and Heritage Group. The printer will be used for printing records and proposed information and booklets. The Group have been placing markers on unmarked graves in the Curramulka cemetery, and recording historical events in the Curramulka District. They will soon celebrate to 140th Anniversary of land distribution in the Curramulka area.

FROM MALLALA & DISTRICT CLUB

On Monday night (March 12th) the Mallala & District Lions Club proudly welcomed three new Lions members to their Club.

Kym and Tracey Cranwell along with Bill Carroll were inducted by Zone 8 Chairman of Lions Club International, Lion Pat Williams. Their sponsors Jan Taylor, for the Cranwell's and Geoff Donlon for Bill Carroll presented each new Lions member with their pin and certificate of Centennial Membership. Members then congratulated the inductees as part of the Centennial year of Lions International.

FROM TEA TREE GULLY CLUB

Tea Tree Gully Lions Club once again presented their Art Show at the Council Library, and it was a great success, to the extent that the Tea Tree Gully Council are considering to make it an annual event.

A lot of hours organizing and hard work, by the three organizers (pictured) and other club members, went into making this a very successful event. There were over three hundred items exhibited, with a great variety of, Paintings, Ceramics, and hand painted Porcelain China, all by many local talented artists. Monetary prizes were awarded for each of the categories on the opening night and were presented by the Mayor of Tea Tree Gully Kevin Knight.

The graveside service just barely finished, when there was a massive clap of thunder, followed by a tremendous bolt of lightning, accompanied by even more thunder rumbling in the distance... The little old man looked at the pastor and calmly said, "Well, she's there"

Thank you Stansbury Dalrymple

Apology from Editor. I have not been able to include the new members list this month due to the lack of space caused by the inclusion of some important full page articles.

The list of new members will be included in the May edition.
