News from the District

And beyond

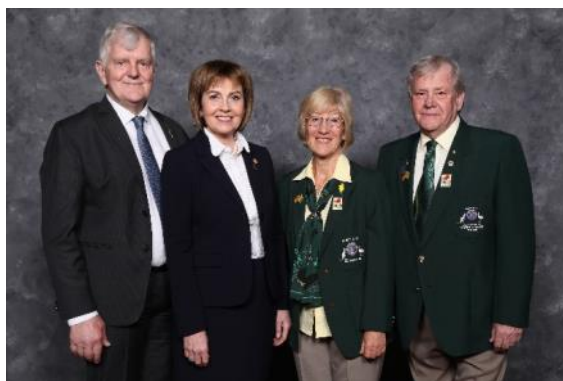

AUGUST 2018

WOW what a way to start a new year in LIONS. Jeanette and I have just returned from the International Lions Convention in Las Vegas, where Gudrun Yngvadottir was elected as the first Female International President and, also the first Lion from Iceland to become International President.

During the final plenary session of the Convention, Gudrun was sworn in as International President together with the 740 District Governors - Elect from around the world, who were then inducted as District Governors, by the new President.

4,319 delegates attended the convention and our name tags had a chip implanted which gave us access to our meals and access to venues. Security was very high as President George W Bush was one of the keynote speakers.

Lion Clubs International Fund (LCIF) Campaign 100 was launched at the Convention to raise US\$100million a year for three years, to provide funding for LCIF to support the five global causes adopted by Lions, being Childhood Cancer, Hunger, Environment, Diabetes and Vision. LCIF also provides support to clubs in Emergencies and disasters such as Cyclones, floods and bushfires at home and also around the world. What a sensational Convention although very HOT on a daily basis with temps hovering around 110 deg F.

At home, IPDG Megan had a wonderful night celebrating her year as District Governor with more than 140 Lions, family and friends, the most we have seen for many years at a District Handover.

IPDG Meg gave several awards including the International Presidents Medal to Lion Pat Williams, well done Pat.

Of course another highlight of the night was a BIG CHEQUE for more than \$6500 to Geoff Thomas and Jerry Pack-er from Motor Neurone Disease Association of South Australia.

Unfortunately a clash of events meant that we at District C1 were unable to attend the Multiple District GAT, GMT, GLT, GST get together in Melbourne on the same night as our Handover.

So our good friend PDG Ann Eldridge who is the MD 201 GMT Area Coordinator offered to come to Adelaide on Saturday 28th July to give those who missed out the low down on what the weekend was all about. About 20 members attended gained some valuable tips from The Global Action Team.

Please don't forget that if you would like assistance in any way on anything don't hesitate to ask, we are here to help.

My uncle spent days looking for his new hat. Finally, he decided that he'd go to church on Sunday and sit at the back. During the service he would sneak out and grab a hat from the rack at the front door.

On Sunday, he went to church and sat at the back. The sermon was about the 10 Commandments. He sat through the whole sermon and instead of sneaking out he went to talk to the minister.

He said to the minister, "Father, I came here today to steal a hat to replace the one I lost. But after hearing your sermon on the 10 Commandments, I changed my mind."

The minister said, "Bless you my son. Was it when I started to preach thou shall not steal, that changed your heart?"

My uncle responded, "No, it was the one on adultery. When you started to preach on that, I remembered where I left my hat."

FROM PARALOWIE CLUB

OH WHAT A NIGHT

The Lions Club of Paralowie celebrated their handover on July the 2nd at the Salisbury North Football Club with an attendance of over fifty five people.

It was a relaxing fun filled night, fortunately most of the previous executive members remained in their role of last year with two new members, Lion Heather Osborne as Lion Tamer and Lion Shirley McRae Membership Coordinator.

Two of our members, Lions Julie Pickles and Judy Croucher received a well deserved James D. Richardson award. Congratulations to both lions for their generous and tireless involvement with Lions and the community.

Lion Charlie Morgan received the Community Service award for time and effort and plain hard work in preparing the Community Fete in November 4th this year to be successful. Congratulations Lion Charlie.

Several other members received certificates of appreciation, that is more than well deserved. Congratulations to them all.

I must add that none of us are in Lions for Kudos and recognition. It is nice when we are noted but it is not the reason we have joined Lions or work in the community. We do it because there is a need and we want to meet that need.

GILLES PLAINS VISIT TO FRIENDS IN NURSING HOME

The Lions Club of Gilles Plains members visited old Lion friend Mick Girke and Partner Pauline in the Fullarton Lutheran homes recently. A short meeting was held and we listened to Mick reminiscing about the good old days when he was very active in the club. Mick served two terms as President and several years as barbecue chairman. Mick had an old Bedford truck, (which he restored) and would arrive at the BBQ venue with all of the equipment on the back of the truck. He was our official taster and it was not permitted to sell a sausage until Mick had given his seal of approval—sometimes needing two sausages to make sure that all is OK.

Mick was a William R Tresize Fellow having been awarded in 2001.

President Ted Osborn presented Mick with a Certificate of Appreciation for 35 years of outstanding service to Lions, and a Certificate of Recognition to Pauline in recognition of her support for Mick in his Lions Club interests.

Sadly Mick passed away peacefully in the early hours of Friday 13th July. His funeral was held at Lutheran Church Greenacres, and was attended by many relatives, friends and several Lions Club Members.

T20 CRICKET COMES TO NORTH SHIELDS

The following article was written by the "player" in question (alias Gavin Roberts). This match was called at the North Shields Hostel last Saturday night after a couple of reds. A little poetic licence, however, why confuse the truth with a good story.

Unfortunately, the Channel Nine cameras weren't operating that night so no photo evidence. I'm sure that a mocked up photo could be arranged through the Pt Lincoln Lions Club.

Some spectacular catches were taken particularly by the ladies even if they couldn't bowl.

However, thought the article was worthy of a reprint in the Bulletin.

The indoor cricket match held at the Lions Hostel, North Shields, was declared a tie when Port Lincoln's star batsman went down with a serious hamstring injury attempting the winning run.

This was later over ruled when it was found a serious ball tampering event had taken place., Sand paper was found on or near PDG Don Pritchard who was bowling at the time.

Port Lincoln was declared the winner.

The injured player would like to thank the nurses and staff at the Hostel on the night for their care and concern,(in between their uncalled for comments, like which leg is it) especially the drink waiters who stopped him from dehydration.

Also the gentleman who made a dash to the servo for a bag of ice. (that was not to keep the drinks cold) The player in question is slowly recovering and in about four weeks may be able to swing a golf club.

Let's know if you need any further information.

Cheers,

Don Pritchard

MESSAGE TO CLUB WEBMASTERS

I will be the District Webmaster again this coming year.

While working on the website, the thought came to me that ALL clubs with websites should update the information that is recorded in the pages. If you have a club website, it is no use if the information is not up to date.

Several clubs use the Oz Clubhouse system and when I enter the visit dates into the District site, the information will automatically populate to those club sites

Some clubs are using websites that are designed on different platforms and the information will need to be updated by the Club Secretary or whoever has editing rights.

Many clubs do not have a website, so they have an easy time.

If any club requires assistance with their Oz Clubhouse site, please give me a call and I will try to help you out.

WHY AM I A LION

Lions are groups of service-minded men and women who are interested in improving their communities. To be a Lion is to be an active volunteer, a member of a respected international organization, a leader in the community and a friend to people in need. The 1.4 million members that serve in over 45,000 clubs from over 200 countries make Lions Clubs International the world's largest Service Club organization.

Lions move to make a difference locally and globally. Lions are best known for their efforts to eradicate preventable blindness, but also participate in many other kinds of projects, including assisting those in need, sponsoring international exchanges for young people, providing supplies to victims of natural disasters and bringing clean drinking water to remote villages. Whenever a Lions Club gets together, problems get smaller and communities get better.

Lions have the opportunity to meet new people, cultivate lasting friendships, and grow personally, to acquire new skills -- and have fun at the same time. Each Lion contributes what they can.

Lions help where help is needed -- in their own communities and around the world -- with unmatched integrity and dedication.

When it comes to meeting challenges, the Lions response is simple:
We serve.

After 10 years, the wife starts to think that their child looks kind of strange, so she decides to do a DNA test. She finds out that the child is actually from completely different parents.

Wife: "Honey, I have something very serious to tell you".

Husband: "What's up?"

Wife: "According to DNA test results, this is not our kid"

Husband: "Well you don't remember do you?? When we were leaving the hospital, we noticed that our baby had pooped. Then you said: - Please go change the baby, I'll wait for you here. So, I went inside, got a clean one and left the dirty one there".

MESSAGE FROM IMMEDIATE PST DISTRICT GOVERNOR MEGAN

Dear Lions

Thank you to my Club Elizabeth Playford for hosting a wonderful handover with 140 Lions and guests in attendance and for organising the Navy band for entertain us.

The last 3 years have gone so fast and what a journey it has been and what a privilege it was to be District Governor of this District.

Peter and I have met some wonderful people, made many new friends, heard of the wonderful projects and activities undertaken by the clubs and travelled many roads visiting clubs.

Club visits were varied and interesting and it certainly was a pleasure visiting so many clubs.

A huge thank you to the City of Adelaide club convention committee for putting on a great Convention.

The family fun day on the Sunday was a great day and attracted many families from the community.

Thank you to all clubs who donated money for MND SA. The amount so generously donated certainly exceeded my expectation. At the handover I presented a cheque for \$6767.70 to MND SA and have since received another cheque for \$100 which I will forward to them.

Each District receives a rebate based on the numbers of Christmas cakes purchased from Top Taste and funds were distributed at the handover.

MOBILE SKIN CANCER SCREENING UNIT VISITS MAITLAND

Over the weekend of the 23rd and 24th of June Maitland and District Lions Club played host to the Lions Skin Cancer Screening Unit.

The unit was parked at the Information Centre car park and over 150 locals and visitors were screened with 3 examination rooms been used to carry out full body screening.

The service provided was a screening service only. It was made very clear to all those who were screened that it is their personal responsibility to follow up any identified skin cancer issues with their own doctor for diagnosis and treatment.

The local Lions provided a BBQ with tea and coffee. They also ran a raffle and sold their famous Christmas cakes.

The Lions greatly appreciate of all the support and assistance from the local community.

The 50-50-90 rule: Anytime you have a 50-50 chance of getting something right, there's a 90% probability you'll get it wrong.

“ PROVIDING SERVICE IS THE NUMBER ONE REASON WHY PEOPLE JOIN LIONS “

Lions Clubs International launched combining the existing Membership & Leadership portfolios, then included a new Service portfolio, thus having one unified structure, the **Global Action Team (GST)**. The new Service structure means a key to increase **Membership** through happy & enthusiastic Lions conducting meaningful projects, developing **Leadership** opportunities & supporting our **Lions Clubs International Foundation (LCIF)**.

FIVE PILLARS of SERVICE have been announced, supporting **DIABETES**, **ENVIRONMENT**, **HUNGER RELIEF**, **VISION** & **CHILDREN'S CANCER**.

Briefly let's look at each one, many I am sure your club's already support.

DIABETES : Clubs will be asked to promote awareness of Diabetes issues & promoting Lions Diabetes programs.

ENVIRONMENT : Clubs are asked to conduct programs such as tree plantings, beach and roadside cleanups and involve in Clean Up Australia Day.

HUNGER RELIEF : Donations to L.C.I.F. will support Global Food Relief efforts, involvement in School Breakfasts or in support of Food Banks.

VISION : We are sure most clubs support our Lions Health Program (LEHP), and /or collect and recycle eye glasses.

CHILDREN'S CANCER : Our well known Australian Lions Children's Cancer Research Foundation (ALCCRF) deserves our fullest support by club donations or participation in their World's Biggest BBQ or their other promotions, where you are already strongly supporting this Children's Cancer Pillar of Service.

MAWSON LAKES BLANKET SUCCESS

Blanket Salisbury with Love

Thank you to everyone who was so generous and donated to the recent "Blanket Salisbury with Love" event on Saturday 21st July held at the Mawson Centre courtyard, Mawson Lakes from 10am to 4pm.

The response from the community was incredible and I am so proud to be involved with a community that cares so much for those around us.

This event collected thousands of spare blankets, clothing, bedding and non-perishable food, with supportive local businesses covering the cost of sausages, onion and bread for our hot charity BBQ.

On behalf of the Mawson Lakes Lions Club Branch and Anglicare SA – I thank you for your support and hope that we can run future events to continue to help the community.

Thanks to our new District Governor Phil Bowman and Lions from across the District that brought donations and visited our project directly across from the Handover event.

Thank you to IPDG Meg Butler for donating \$250 to our project.

We are considering running this again in November for a Christmas Appeal and welcome any Lion club support to run an even bigger and better event.

Thanks,

Beau Brug

FROM TORRENS VALLEY CLUB

Local MP becomes a Lion

Member for Morialta, John Gardner MP, was inducted into the Lions Club of Torrens Valley at the recent Handover Lunch. Since the state electoral boundaries of the area were changed, John has shown a keen interest in the local community, taking part in many local events and had shown an interest in joining the local Lions Club.

The Lions Handover ceremony, which was a lunch held in Birdwood on July 1st, included a Toast by John Gardner MP to Lions International, before he was inducted into our Lions Club. John praised the work of Lions International, it's nearly 1.5 million members worldwide and the continuing work of the local Lions Club. John was sponsored by Lion John Hall.

The Handover Lunch also included the changeover from 2017-18 President Pauline North, the first female President of the Club, to the current President Peter Milsom. President Peter. During the first week of July one of our Members, Phil Bowman, was "sworn in" at the Las Vegas International Convention as our District Governor and in our Club's 50th Year! Congratulations DG Phil.
