### DG MEGAN'S MESSAGE

My time as District Governor is coming to an end very soon and I think to myself, where has the year gone?

This certainly has been a year to remember. From visiting clubs, to meeting wonderful passionate Lions, celebrating with Lions members, seeing some brilliant projects, attending Conventions, Council meetings and travelling around this great District, it certainly has been memorable.

Thank you to the clubs that have already banked their clubs donation for MND SA. For those who need the bank account

**BSB: 105057 Acct no:029004140 Acct name : District 201C1 activities account.** As the reference put in your club name and the words MND. Could you please bank your donations ASAP so I can keep a tally. I look forward to presenting the donation from our District to MND SA and hope it helps them with the great work they do.

Our District held its last Cabinet meeting on Sunday 27<sup>th</sup> May in my year as DG and it was a very successful meeting. We had a couple of special guests attend- Oscar, a 'Hearing Dog puppy' and PDG Terence Mangan from Ireland.

PDG Terence attended the Lions Club of Care's 50<sup>th</sup> charter anniversary night and Oscar attended because anywhere Bronte Cameron goes Oscar goes (well maybe not everywhere).

Cabinet officers on Sunday made a donation for their lunch because lunch was generously provided FOC by the Clare Lions Club- the amount donated was \$140.80 for the MND SA fund. Thankyou to all cabinet officers.

### Membership

At the time of writing this our District numbers are the lowest they have been in 2017/2018, currently we have 1198 members.

This is disappointing however I have heard a number of clubs are planning to induct new members in the month of June at handovers.

The good news is that LCI will waive all new member fees for the period 8-30<sup>th</sup> June. This is a continuation of what this District implemented for the March to May membership drive. Further information is in this bulletin and has been sent to all clubs. **Details Page 8**

If you need help rebuilding your club or are after ideas please contact the GMT coordinator Pat Williams- he has sent emails to clubs and members with membership ideas. Please take the time to read the information he sends out.

Peter and I recently attended the MD Convention in Townsville. It was lovely being in the tropics but a bit of a shock coming back to Adelaide's cold weather. Prior to the Convention I attended the Council of Governors meeting.

Some outcomes from the Council of Governors meeting and the MD Convention appear elsewhere in this bulletin. **Details Page 10**

**District Governor Megan Butler**

MND tins- are your tins nearly full? Have you banked the money?

The bank account for depositing your clubs donation is

**BSB: 105057 Acct no:029004140**

**Acct name : District 201C1 activities account.**

As the reference put in your club name and the words MND.

I am hoping as a District we can make a substantial donation to MND SA at the end of my term but need your help to do so. **DG Megan Butler.**

### WELCOME TO OUR BRANCH CLUB

The Lions Club of Athelstone Inc is pleased to announce that its Branch Club, Adelaide Lions Against Violence, has been formally registered with Lions Club International as our Branch Club.

The Club has a specific focus and meets on a monthly basis. Many congratulations are extended to the Branch for the wonderful work it is doing for those in less fortunate circumstances in our Community.

The Club was formed under the guidance of IPDG Paddy McKay who saw a need and acted upon it. Paddy has spent much time and effort in forming the Branch Club and recruiting members.

The President and Members of the Parent Club, Lions Club of Athelstone Incorporated, congratulate IPDG Paddy for establishing the Branch Club and for the many long hours expended in the formation and registration of the Branch.

The Parent Club welcomes the Branch members as members of our Club and we look forward to working with them as they grow.

Thus far the Branch Club has received a Grant of \$25,000 and it has an Art Show planned for November 2018.

May it achieve its goal of helping those affected by violence of all kinds.

John Heffernan

Secretary

### FROM ONKAPARING LIONS CLUB

#### WALKING

The Lions Club of Onkaparinga have come up with a novel idea to make Walking a safe and pleasant experience when sharing paths with Cyclists.

Several Lions members, who are regular walkers, have noticed it has become increasingly difficult to have a peaceful, reflective and healthy walk especially on the shared Amy Gillett Path at Woodside.

We know that people walk for many different reasons , to lose weight , to maintain circulation, to grieve over a deceased loved one, to reflect on lost relationships and to just enjoy Nature.

Many people find it hard to maintain a 'walking regime '. The Danish Philosopher, Soren Kier-Kegaard has a quote to assist:

*"Above all, do not lose your desire to walk. Everyday I walk myself into a state of wellbeing and walk away from every illness. I have walked myself into my best thoughts and I know of no thought so burdensome that one cannot walk away from it."*

It follows then that Walking can be a rewarding and healthy experience and should be encouraged wherever possible.

Sadly, this is becoming increasingly hard to achieve with some Cyclists 'whizzing ' past a walker with no warning at all.

It is for this reason that the Lions Club of Onkaparinga will be introducing to the community their - "RING-A-DING-DING" ( RADD ) Project. The 'RADD' project will have as it's theme "CARING CYCLISTS WARN WALKERS".

It's really not that hard for the cyclist.....a simple cheerful warning at least 10 metres before approaching a 'walker' or even the use of a 'Bike Bell' would suffice. We are hoping to restore the humble" BIKE BELL " to it's former glory.

In the Dept. of Planning, Transport and Infrastructure 'Cycling and the Law' document on page 22 it states:

*"...when riding on any path you MUST :*

- *Exercise due care and consideration for pedestrians and other users*
- *Give warning to pedestrians or other path users by sounding your bell or horn or by other means, if necessary for the purpose of averting danger ."*

BICYCLEFIX (the Woodside Bicycle shop) is a passionate supporter of the Cycling community and they have agreed to partner with the Lions Club in this project.

The Lions Club is mindful of the fact that Amy Gillett was a world class cyclist and that this track was built with a view to providing a safer experience for cyclists. We feel proud and privileged that this track runs through Woodside to the surrounding district. The Lions Club is hopeful that by re-introducing the humble bike bell, safety on the track for all users will be increased and we would hope that all 'walkers' will respond positively to those cyclists who have embraced the Lions Club "RADD" theme.

The Lions Club of Onkaparinga have already started 'the wheels turning' by introducing their 'RADD' project to local primary schools.

They will attend the Woodside Primary School on 11/4/18 to donate 269 Bike bells ( one for each student ) and to recognise the students who also produced posters as part of the School's Bicycle Safety Awareness Project. BICYCLEFIX ( the Woodside bike shop ) will also present a short talk on Bicycle safety and etiquette.

The Lions Club has also be contacted by the Lobethal Primary school who wish to participate in this "RADD" project. The Lions Club welcomes more schools to be involved and they can contact Lion Sharon Shillabeer on mobile 0455 139 083.

*Woodside Primary School students Rebecca Wall , front left, and Mitchell Beeknan were two of 269 students to receive a bell from Corry Moors, back right, of the Onkaparinga Lions Club pictured with Dan Wade, back left, of BicycleFix.*

Further to this , President Brenton Heinrich and myself donated another 170 Bike bells a the Lobethal Primary School on Monday 7th May at a school assembly to launch their 5 week Bicycle Safety Awareness Course .

Currently I am negotiating with Oakbank Area Primary School, Hills Christian College at Verdun and the Lobethal Lutheran Primary School for more visits and Bike Bell donations.

It's turning out to be a real 'RADD' project .

### WHAT'S BEEN HAPPENING AT THE LIONS CLUB OF THE CITY OF ADELAIDE?

We have had a few busy months, with lots of great guest speakers, events, working with other clubs and more. We thought we would share a few of the things we have been up to.

March certainly lived up to its name, Mad March, with so many events and festivals held through the month. Adelaide Hellenic Lions Club jumped right into Mad March and held the Glendi Festival in Victoria Square. What an amazing event! A number of members from the City of Adelaide Lions Club volunteered their time at the Festival whether it was on the bar serving drinks or selling raffle tickets. Our members were proud to support another Lions Club and a sensational event. Our hats go off to Adelaide Hellenic for organizing such an incredible event.

In March, Lions were cooking up a storm for the homeless and hungry in the city for Fred's Van. We also opened nominations for the 2018 Lions Children of Courage Awards. These awards recognise the efforts and achievements of children living with a physical and/or mental disability.

Nominations close in early July 2018.

A group of primary school friends, including the children of a couple members, have been collecting bottles and cans wherever they go, and raised over \$70 and donated it to our Club to be used to help the community. A great effort by our future Lions.

In April, we ran a fundraising BBQ at the Eighty-Eight O'Connell Street party in North Adelaide on the old Le Cornu site. A beautiful hot day with a great crowd and atmosphere. Due to the change of date of this event, it clashed with another event. Thankfully our friends at Prospect-Blair Athol Lions Club were able to support us and run the second event. Great to know we can call on another Lions Club when needed. They

did an outstanding job. Thank you.

We also fed the homeless and hungry in the city for Fred's Van for another month. And then came Anzac Day. Lions and friends arrived at the Torrens Parade ground from 4:30am to setup and cook a bacon & egg breakfast and sausage sizzle. We had a very busy period after the Dawn Service, and this continued on and office throughout the day with the Anzac Day March starting from North Terrace, and the festivities continuing back at the Torrens Parade Ground after the march. We were honoured to be asked to help cater for the event and appreciated the support of the Adelaide RSL and Adelaide City Council.

May has been a busy month for events so far. On the 3rd of May, our Lions supported the 'Paint the Parks & Gardens REAd' project launch, supporting the Parks Children's Centre. We cooked up a storm on a cold and wet afternoon/evening for those in attendance. This program is all about getting the whole community involved in getting children to read, talk, sing, draw from birth. A great initiative. On Sunday May 6th, members set up the BBQ once again at Kensington YMCA to fundraise for the club while a sporting event was held in the stadium. Bacon and egg sandwiches, and a sausage sizzle. How can you resist that smell on a cold morning?

On May 10th we catered for the 'Kids for Country' event in the city. A fantastic event with over 650 kids and 100 adults in attendance. For this epic event, we not only called on our members and a few friends, but we had the support of our friends at Prospect-Blair Athol Lions Club. A massive thank you for joining forces with us to cook a mammoth BBQ. It was a chilly, windy, wet day (on and off), but a fantastic one. It was so great to see so many kids running around smiling and having a great time. It was a great event to be involved with.

Thank you once again to our Lions members, families, friends and supporters for all that you do!

My high school assignment was to ask a veteran about World War II. Since my father had served in the Philippines during the war, I chose him. After a few basic questions, I very gingerly asked, "Did you ever kill anyone?" Dad got quiet. Then, in a soft voice, he said, "Probably. I was the cook."

President Dean presented Stirling North CFS cadets \$1000 to them for the promotion of the cadets on the 11th of April.

It was well received by them all and now they can purchase much needed training equipment.

President Dean and Lion Mike presenting cheque to Stirling North CFS Cadets.

#### HOW TO INSTALL A HOME SECURITY SYSTEM, (Aussie Style).

1. Go to a second-hand store and buy a pair of men's used size 14-16 work boots.
2. Place them on your front porch, along with a copy of 'Guns & Ammo' Magazine
3. Put a few giant dog dishes next to the boots and magazines.
4. Leave a note on your door that reads:

...

*Hey Blue,*

*We've gone for more ammo and beer. Be back in an hour. Don't mess with the pit bulls; they attacked the mail-man this morning and messed him up real bad. I don't think Killer took part, but it was hard to tell from all the blood. Anyway, I locked all four of 'em in the house.*

*Better wait outside. Be right back.*

*Cheers,*

### LIONS HEARING DOGS PUPPY PROGRAM

Text supplied by David Horne,  
CEO Lions Hearing Dogs Centre

The popularity of the Australian Lions Hearing Dog (ALHD) program has significantly increased over the last two years with waiting times to receive a Hearing Dog rising to 12 – 18 months. A shortage of suitable recruits from traditional sources such as pounds, shelters and rescue organisations has led ALHD to look at alternative ways to get Hearing Dogs to people in need.

2018 has seen the introduction of a pilot Puppy Program, where puppies are purchased from well respected, registered and ethical breeders and placed, for six months, in homes where they can learn how to be a normal dog and start the socialisation process.

The initial four puppies in the program have been Labradoodles, sourced from both SA & QLD, who have been placed in local homes in the greater Adelaide area. Our second pair, Oscar and Lulu, have been placed with carers who are both Members of the Elizabeth Playford Lions Club. The puppies

have been generously sponsored by the Lions Club of South Vermont, V5, who as part of the sponsorship were able to name Oscar and Lulu and will receive regular updates on their progress and training.

If you are interested in participating in the ALHD Puppy Program as a socialiser, please contact CEO David Horne on 8388 7836 or [ceo@lionshearingdogs.com.au](mailto:ceo@lionshearingdogs.com.au)

### WHAT A SPECTACLE!

Every year, the Clare Lions Club asks members of the community to donate their pre-loved glasses to the Lions Recycled Glasses Project. In fact, this occurs Australia wide, and over 500,000 pairs of glasses are collected annually and sorted. About 400,000 pairs of these are found to be suitable to send overseas. After sorting through and discarding damaged and scratched glasses, they then have their lens prescription checked and confirmed before being sent overseas to various Third World countries. Our local collection point again this year is, Beyond Bank, 350A Main North Rd., Clare. Step inside, and you will find the staff happy to assist.

### Did You Know?

Every day, all over the world, over 1.4 million Lions members perform over 1,500 different services in our communities. Name any humanitarian cause, and it is almost certain that Lions are involved at some point.

### HIGHLIGHTS FROM MD CONVENTION

#### The Lions Advisory Board

The Lions Advisory Board motion was not accepted by a majority of the delegates in Townsville and therefore those who applied for the positions were not appointed. This board was hotly debated and if you need further information about the discussion please speak to your clubs delegate or someone who attended the convention.

#### White shirts

Another controversial discussion was the motion to change the Lions uniform of 'wattle' shirts to 'white' shirts. The debate was very emotive, with opinions given on image, tradition, the difficulty of washing white shirts, obtaining yellow ones and others. The result was the motion was defeated and the 'wattle' shirts stay for now.

#### YOTY

The Youth of the Year was brilliant as always and the calibre of the entrants was magnificent. The Public Speaker winner was Lucy Witherdin - Newcastle NSW and the Youth of the Year winner was Tom Rockliff of Sheffield Tasmania.

#### Leo of the Year

The other competition run is the Leo of the Year. Sadly there was no entry from the C Districts again this year but I am hopeful there will be an entrant next year. We have the possibility of 3 new Leos Clubs in the next 12 months so it would be wonderful to have a C District Entrant. The Leo of the Year winner was Leo Matthew Boggon from NSW and the Public Speaking Winner was Leo Kieran Azzopardi from Victoria

### YOUTH EXCHANGE URGENT REQUEST

#### HOST FAMILIES URGENTLY REQUIRED.

The Lions Australia Youth Exchange Program URGENTLY require host families for about 70 incoming Youth Exchange student arriving in Australia from 30<sup>th</sup> June 2018 from a number of different overseas countries. Unless sufficient host families are found before June 8<sup>th</sup>, it will be necessary to cancel the Australian holiday for some of these students. This situation must be avoided.

The Youth Exchange Committee seek the assistance of ALL Lions to consider hosting one or more of these overseas students from 30<sup>th</sup> June for about 3 to 4 weeks. Information on hosting is available from the Lion Australia or District 201c1 websites, or contact District C1 Youth Exchange Chairman, PDG Tom Martin, 88532183, 0417846910, or email on [martintj@netyp.com.au](mailto:martintj@netyp.com.au).

### FUN NIGHT AT GILLES PLAINS

On 15th May, instead of the usual Dinner Meeting with a Guest Speaker, the club combined with the Windsor Hotel patrons in the dining room, and shared the weekly Quiz Night. It was a fun night, and we found that the club members are not very knowledgeable about current affairs and items of general interest. The club used the opportunity to promote Lions by placing LEHP coasters and Two More Hands brochures on each table. Thank you to Lion Jo Kirlew for organising a great night.

Ted Osborn, President.

### FROM MODBURY CLUB

#### SOUTH PACIFIC SCHOOL AID

Dear Alan

Thank you for the donation of \$300 from the club for the book project.

Please give our thanks to the members for their ongoing support and they can be assured that we will diligently ensure that the gift will be used in a most practical and efficient manner.

So far this year we have packed 18 pallets of books of around 25,000 books, for a variety of countries and schools who have requested shipments.

Our new home at Underdale is getting a good workout and we seemed to have used all of the space available with incoming deliveries, etc.

We have had excellent support from our helpers who have worked very hard to achieve all this and Lion Graham and Liz have been very helpful in using his trailer and skills in collecting uniforms and placing excess books.

We would be pleased to show members around should they be down our way.

Yours sincerely,  
Peter J Kirk, OAM  
Coordinator

#### JULIAN BURTON BURNS TRUST

Julian Burton spent many months in the Royal Adelaide Hospital Burns Service recovering from injuries he sustained in the October 2002 Bali Bombings. He was inspired to give something back to the people who supported him and the many others who were affected.

Julian discovered that burns are one of the top three injuries suffered by Australians every year and that Australia did not have a national burn care community organisation

The Julian Burton Burns Trust was incorporated in 2005 and is a leading non-profit organisation dedicated to burn injury, committed to influencing social change to reduce the incidence and impact of burn injury.

The Julian Burton Burns Trust is committed to:

Implementing school, community and Aboriginal burn **prevention** and first aid programs

Advancing world class **care** through National Community Grants and patient care services facilitating and enabling **support** programs for burn survivors and their families

Establishing and nurturing mutually rewarding **partnerships** to deliver a sustainable community organisation committed to the prevention, care and support associated with burn injury.
