## District 201C1 Bulletin

October 2017

### DISTRICT GOVERNOR MEGAN'S OCTOBER MESSAGE

Greetings everyone.

I hope you are starting to enjoy the slightly warmer weather now after a cold winter.

By the time you read this we will be days away from the start of the Convention, your AGM and your opportunity to listen to the speeches, vote on notices of motions, listed to some inspiring guest speakers and have fun at the family fun day amongst many other activities. The committee has been working hard to plan an exciting program which I'm sure everyone who attends will enjoy.

Club visits are continuing and meeting you all is a pleasure, we love hearing of your projects and the pride in your voices when you tell us about them. These projects vary but the passion behind them is the same for all.

I have also had the pleasure of inducting new members at these visits including the first female Lion into the Adelaide Italian Club, what an honour that was.

I had had some queries already regarding the banking of the money from your MND tin. The account to bank the money into is

**BSB: 105057 Acct no:029004140 Acct name:** District 201C1 activities account  
and as the reference put in your club name and the words MND i.e. West Beach MND

A big thankyou to the clubs that are participating, busy filling those tins with loose change but if you haven't received your tin please speak to your Zone Chairman.

On Sunday 24th September Peter and I attended the open day at the Lions Hearing Dogs training center. What a wonderful day it was despite the rain, lots of stalls, demonstrations and a chance to check out the kennels and meet the dogs currently undergoing training. I think I fell in love with all the dogs as did many of those who attended. We are very lucky as an organisation to have a great facility with some wonderful trainers led by the David Horne. You will have the opportunity to hear David speak at your Convention on Saturday morning.

Please continue recording your members service hours on MyLCI - the recorded hours are on the increase so thankyou to all those wonderful secretaries who enter the data every month.

All clubs have been notified of the passing of Past International Director Lion Dr. Bob Coulthard AM - he has been a great friend and supporter to all Districts and attended many Conventions both in Australia and Overseas. He will be sadly missed. His funeral will be held on Tuesday 3rd October.

Until we meet again - keep up the great work you do supporting your community, helping those that need a helping hand and keep smiling.

DG Megan Butler

### WHY DO WE ATTEND LIONS CONVENTIONS?

When we join Lions, we are told that we are joining the world's largest Organization. Very few of us seem to experience the privileges that can ensue from reaching out on a basis wider than our own Club. Lions Conventions (District, Multiple District and International) all provide a vehicle to **NETWORK** with other like-minded from respectively Our State, Our Country or Internationally. When you have your service activities as an ice breaker it becomes easy to make conversation.

**NETWORKING** can provide new friends from all stations in life, it can provide ideas to take back to your Club and it can provide a learning environment in which to develop new skills.

The Convention is an **AGM** of Lions Centres of Organization. Delegates are an important part of *Voting for New Officers* for the Coming Year, *Deciding on Combined Projects* we undertake and to *Celebrating Successes* of Projects and Individual achievements and *Hearing Important Debates or talks of Future Directions*.

Conventions have demonstrations, Information Booths and Seminars where you can **LEARN** about Lions Projects, New Skills to make you and your Club Members more effective in your serviced. There is ample chance to share experiences with others who too can learn from you.

And to add some cream, Conventions are places **TO HAVE SOME FUN**. Organizing Committees are responsible for arranging a variety of Functions at which to enjoy each others company. Please be aware that all Convention Committees from Host Clubs take this aspect as a Challenge to Club Pride.

### MAWSON LAKES LIONS BRANCH CLUB INFORMATION NIGHT SUCCESS

An exciting new Lions group has opened its doors led by Zone Chairman Lauren Brewer and past Zone Chairman Beau Brug. Mawson Lakes Lions are passionate South Australians who want to offer a helping hand in their community.

We had an exciting Information Night at the Food Barr, a local Mawson Lakes café, which provided great food and coffee sponsored by Lions. We advertised via social media, Eventbrite and letterboxed some of the neighbourhood.

Armed with the PR trailer (thanks Dean Noll), the backing of District (thanks to DG Meg and her Cabinet) and some senior Lions (the Bradford's, Pat Williams and Ted Osborn) – we had a great informal information night. The community engaged and the conversion rate has nearly been 100% from the event, with additional interested members attending our following meeting.

The Mawson Lakes Lions has been set up to offer the community of Mason Lakes, Mawson Lakes UniSA students, residents of surrounding suburbs and professionals working within the local suburbs an organized, respected and active outlet to serve their community. The club will offer its members long lasting friendships and professional development all whilst helping the Mawson Lakes community.

Now with a core group of twelve and further interested parties in the wings we are well on our way to starting a new modern Lions club. We would appreciate the support of all clubs, because as you would be aware there are many costs and challenges involved with launching a new club, so if your club wishes to contribute to help us get off our feet that would be amazing. We would also love you to come visit us (Meetings; 1<sup>st</sup> and 3<sup>rd</sup> Saturday 10am) or 'like' and share our social media it helps show everyone we are all one Lions Pride.

*A teacher asked her students to use the word "beans" in a sentence. "My mother grows beans," said one girl. "My father cooks beans," said a boy. A third student spoke up, "We are all human beans."*

### **Children's Mobility Stamp Collection**

It is astounding how much money can be raised from things that we throw away!

The Australian Lions Stamp club presented a Cheque for \$4600 to the Australian Lions Children's Mobility Foundation at the Canberra Convention and at the Convention in Tamworth we received another cheque for \$7000 and Newcastle saw us receiving a cheque for \$9200, and in Echuca the foundation received a Cheque for \$13,500!! However, at the Hobart Convention a larger cheque for \$15500 was presented to the Foundation.

This stamp collecting project is something we can all contribute to, with little effort and no expense. It is for this reason that we are asking all Lions in Australia to collect used postage stamps, by placing a container in your home, and perhaps an office or building that you have contact with. Someone may even have an old stamp collection from their earlier days that they are willing to donate.

You can help the club by preparing the stamps for sale.

Please clip around the stamps leaving an edge of about 3 to 4mm, no more and no less, between the stamp and the edge of the paper.

When clipped, they could be sorted into 5 groups.

Australian- On paper clipped and under 60c

Australian- On Paper Clipped 60c and over 60c

All other Australian soaked off paper

Foreign – on paper Clipped

Foreign- soaked off paper.

When clipping the stamps, please discard any stamps that you accidentally cut and all stamps where someone has scribbled a biro or texta through the stamp.

The Australian Lions Stamp Club places these into 1kg bundles and they are then sold at Stamp Auctions.

Please support this simple request and help Australian Lions Children's Mobility Foundation. We look forward to being inundated with stamps.

Angle Vale Lions celebrated its 3rd birthday at our dinner meeting on 23rd, August, hats were the order of the night and VDG Kevin Masters joined in with us to celebrate,

We are looking forward to inducting 2 new members at our next meeting on the 13th September,

Please also note that as from 1st September 2017 Angle Vale Lions will only be having 1 MEETING PER MONTH, (2nd Wednesday) With once Every quarter going out for dinner.

We are also seeking advice/help from DG Megan on a proposal to deliver a container of medical and other items from the old Royal Adelaide hospital, we are asking if this be a District project. All relevant information on this have been obtained and is all ready to go if we can get DG and district approval. Cost for sending this container full is approximately \$16.500.00.

We have a wish list from the village in Zimbabwe which is where the container will go and have been in contact with Rotary (who have the contract to move everything from the Hospital) regarding this matter.

Many thanks

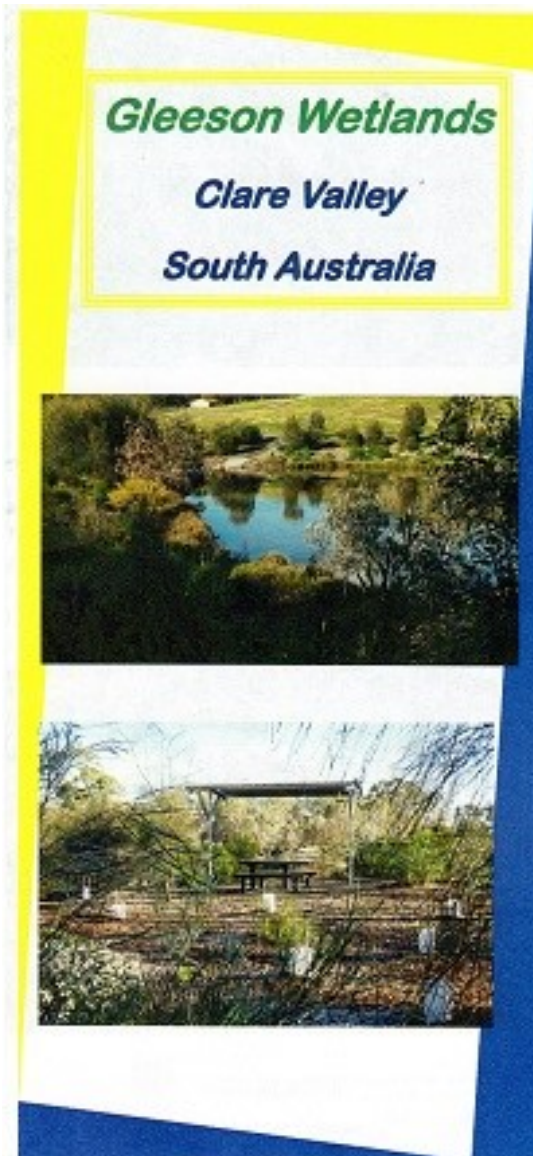

Dot Lewtas

### FROM CLARE DISTRICT GLEESON WETLANDS PROJECT

"On the 24<sup>th</sup>. August, 13 students from Vineyard Lutheran School arrived at the Gleeson Wetlands to help members of the Green Team plant some seedlings and cuttings. These groups were supervised by Dave Clarke and David Kleinig. The third group, who were spreading mulch, were under the watchful eye of Yvonne Bradford. Three adults, two mums and a teacher, were also there to assist and Pat Williams wrapped up the day with an informative discussion on the wetlands and Lions involvement in the project.

They were a good lively bunch of students who all eagerly agreed to visit again in 3 weeks' time.

This school would like to complete two of these visits per term well into the foreseeable future."

### HOW TO GET THERE

#### Gleeson Wetlands

Enter the Wetlands from either:

*Christison Avenue* where it's a 5 minute walk to the southern pond or park at the end of *Phoenix Avenue* (past Lakeside Railway) from where it's a short walk to the central pond and the Torii.

Allow half an hour if exploring all the paths.

### FROM WHYALLA CLUB

#### ALDAF Grant

Two years ago, a local group called Ripples was established in Whyalla to support the families and carers of drug addicts. Their aim is to make Whyalla an ice-free community. A subgroup, Beginnings, supported by Kelley Burns from Country and Outback Health, asked for our assistance with basic cooking lessons. Kelley had applied for a grant of \$1000 from Australian Lions Drug Awareness Foundation (ALDAF) to buy food for the program.

Each week on Friday afternoon the group of recovering addicts meets at Gabmididi Manoo on Hincks Avenue. Presently there are 5 girls who help to prepare the food of the day. They then take home the recipe, food and equipment to make the same thing at home. The aim is to make wholesome, budget friendly food. In the first 3 weeks, we have made sausage rolls and pin wheels, scones – both sweet and savoury, mini quiches and zucchini slice.

Recently President Eira Yarwood and Meg Hill attended a session to present the \$1000 cheque from ALDAF. The girls are enjoying the sessions and thank Lions for their support.

Thank you to our Lions Club for supporting this venture and approving money to be spent buying cooking equipment for the participants. The girls really appreciate to have the gear needed to make basic meals for themselves and their families.

Garry and Colleen Pattingale

#### MORE NEW MEMBERS FOR MAWSON LAKES CLUB BRANCH

On 19<sup>th</sup> September District Governor Megan Butler and Lion Peter visited the Lions Club of Gilles Plains and inducted two more members for Mawson Lakes Club Branch

The two new members were the result of the membership Information night and drive which was held in early September.

Lion Janet Sargent is a returning member having been a member previously and Lion Thamizhko Gopalakrishnan (nickname Ko) is new to Lions This brings the membership of the Mawson Lakes Club Branch to 12 with another 4 to be inducted shortly. Dg Megan congratulated the leaders of Mawson Lakes in the excellent progress being made in recruiting interested young people for this Branch. DG Megan addressed the members on her role of District Governor and the need to recruit new members throughout the district as new members bring new ideas and new energy to clubs. Monarch presentations were made to Lions Nancy Marchant, Jo Kirlew and Wayne Howard on reaching 15 years of membership. Congratulations.

Lion Beau Brug, new Lion Jan Sargent, DG Megan, new Lion Thamishko Gopalakrishnan, and GP President Ted Osborn

## FROM PORT LINCOLN CLUB

The Port Lincoln Lions Club has won the national award for top Lion Mint & Christmas Cake sales. Zone chairman Gavin Roberts said winning above every other Lions club in the country made it a prestigious award. Lions Mints and Christmas Cakes are sold all year round and are distributed to local businesses to sell and collate profits for charity. Mr Roberts said the Lions Christmas Cakes were seasonless and always in demand. The cakes are purchased from a Queensland outlet and some get donated to food centres and homeless organisations such as Saint Vincent De Paul.

LIONS CLUB of  
TORRENS VALLEY

Club members spent Saturday morning removing lower limbs off the large trees in the Cemetery at the rear of the Uniting Church, Kersbrook. This will make it easier for visitors to find gravesites that have been hidden for quite some time.

We are looking for a someone who has a large chipper we could use to chip the cuttings. Please contact President Pauline - 0411 420 223 if you can assist.

### Just who are these Lionsonoz?

The Australian Lionsonoz Lions club was formed and Chartered in 2008 to cater for the huge number of Lions who retire, sell their homes, buy a Mobile Home or a caravan and set off to see Australia. We were losing them as Lions.

Lionsonoz was formed to cater for these "Grey Nomads" and keep them involved. It worked!

Lions transfer to Australian Lionsonoz and when their travels are over they then transfer back to a "Main Stream" Lions Club of their choice.

Suddenly there was a Lions Club who could cater for Lions who's Club had folded and they were at a loose end. Also it catered for those ladies who would like to become a Lion but the local Lions Club would not accept ladies.

Australian Lionsonoz does not accept new Lions because we meet on the internet once a month and a new member would not have other Lions to help them become acclimatised. We also do not conduct our own projects due to the fact that we have members in every state of Australia as well as New Zealand, but members are encouraged to contact the Lions Club in the towns in which they find themselves and volunteer in their projects.

Please visit our website [www. Lionsonoz.nsw.lions.org.au](http://www.Lionsonoz.nsw.lions.org.au) to see just what we are about.

PDG Warren White.
