### **Paddy's Panegyric September 2106**

#### **August report for September**

This month's message includes a challenge for all clubs and comes about as a result of a change in our District's status. **We are a District in trouble** because we have fallen below the deemed district membership number of 1250 members. This means that we have been placed in "transition" with LCI. The time for talking and putting the head in the sand is over. It is now time for urgent action not excuses.

Please read the information below, not as a negative but a challenge that could lead to a new reinvigorated District and a new vibrancy in our clubs. We can turn a threat into an opportunity with desire, determination and commitment.

Whilst many wonderful things occur in our district and we make a huge difference in many people's lives, the fact of the matter is that our district is in trouble. It has financial implications and will ultimately limit our ability to serve. Less members = less funds = less service

At the MD Lions Council of Governors meeting in Sydney, Council determined that the 6 districts in Australia that are in transition status are to begin a rebuilding program as a high priority. This is the first step in a process that could see the districts re-aligned and reorganised. Support and help will be given by the Multiple District but we need to have a firm plan in place.

Now, we can beat ourselves up, debate what are the factors that have caused this or we can get on, "bite the bullet" so to speak and change our situation.

If each club was to have a net growth of one member we would no longer be in transition but I do not believe that this will save us in the long run. A rebuilding program will need to be done throughout the district and ultimately with all clubs.

We need to take a long hard look at our clubs and make positive changes to attract new members who will take this organisation forward. We need to move out of our comfort zone and take up the challenge, take some risks and grow. To this end I have invited Lou Onley from Multiple District membership team to Adelaide to run a rebuilding workshop for the executive of cabinet and an invitation was sent to all clubs. By the time that you read this it will have happened and we will hopefully have some more insight into how we go about this rebuilding process. District will lead this process but we cannot be successful if clubs do not take up the challenge.

Over the next few weeks the DG team and executive members of Cabinet will be contacting clubs that either have requested help or

we feel need help, to setup a priority order for the rebuilding of this District. Guiding Lions will be appointed where possible and plans put in place for positive actions. We must have a clear plan of attack that the clubs will support – remember members are members of a club and clubs are members of district. We cannot force clubs to be a part of this rebuilding program and therefore our energies and very limited resources will go where the chance of success is the most likely. New clubs, new members are important but so too is retention of members. This process of rebuilding will not be easy and may in fact be a painful exercise as some clubs will need to look honestly at their attitudes, processes and procedures and changes will need to be made if we are to be successful.

Whilst this situation is concerning considering the huge amount of work ahead of us, I believe that what looked to be a negative can be turned around into potentially the best positive action for growth and therefore service to our community that this District will have taken in years.

Regards

Paddy

## Newsletters

It is interesting to read about all of the things that other club do. Those clubs who send me a copy usually have something to tell us but other clubs send me their club newsletters on a regular basis even when they do not have anything new or special and I still like to see them too.

It is nice to see that the remaining Lioness club in our district is active.

If any club has a newsletter I would be glad to see it. If anything can be used in the District Bulletin, I will include it. If your newsletters are in file format, this make my job a lot easier. I now have a pdf editor which makes it much easier to manage this format.

Keep your news coming

Harry Webb, Editor

## Read in Newsletters

Modbury Lions are supporting NECAP, an organisation providing invaluable service to low income earners living in the Tea Tree Gully area and nearby suburbs

Barossa Lions have an ongoing project “Tinkers Shed” This project is not only increasing in size with more members, but also attracting a lot of community support which shows how much the service is needed and appreciated.

The solar lights project in Papua New Guinea was a major project of the Gilles Plains Lions. They ensured a remote village had lighting so that the children could do homework after dark.. Lance Crook spent 13 days in the village installing them. Well done Gilles Plains and especially Lance.

## Youth Exchange Burnside Lions

During the last week of July, Trevor & I were lucky enough to host a Lions Exchange

Student, named Cody Asbroek, from The Netherlands.

Cody had been in Victoria for three weeks – two with a Host Family in country Merino, and one week at a Lions Camp, with 16 other exchange students, near the south coast.

Hosting a 19year old did have it's challenges, but generally we enjoyed his company. Many years have passed since Trevor & I toured Amsterdam but we remember it well. Cody was able to give us a little insight into the modern day youth of that country, which seems very similar to Australia. Our week went quickly with Cody happy to 'see the city sites', do some shopping & 'party a little' enjoying some young company ( with many thanks to Cassy). He enjoyed visiting Chinatown and the Market and our lovely beaches. One very wet Sunday we drove to Lobethal and enjoyed mingling with the lunch crowd at “The Ale Hause”, where a variety of beers were available to taste. The Tap Inn was popular as was the Norwood Parade. Although we were told our homes were cold, Cody stated that this was the warmest winter he had experienced. He wondered why double glazing and central heating were not common and was told to come back in Autumn, Spring or Summer!

Giving a young person the opportunity to travel and stay in safe surroundings is, I believe, very worthwhile, hoping to bridge the gap between young and old, different cultures, climates and country. I encouraged Cody to come back in a few years, with a friend and visit many more parts of this big country that we call home.

**Julie Denman. (Youth Exchange Host)**

## Think About It

If you want a job in the moisturiser industry, the best advice I can give you is to apply daily.

What do you get hanging off banana trees? Sore arms.

I hate perforated lines, they're tearable.

A man tried to sell me a coffin today... I told him that's the last thing I need.

I was in an 80s band called The Prevention. We were better than The Cure...

If you ever need to hide a dead body, you should place it on the second page of Google search results.

Why was the electrician always angry? Because he had a short fuse

A friend claims his dog can retrieve a stick from 5 miles away. Sounds a bit far-fetched to me.

When my wife told me to stop impersonating a flamingo I had to put my foot down.

## Email Address Changes

### Lions Club of Athelstone

kalaba1@bigpond.com

**Lions Club of West Lakes Seaton**  
mumanddadathome@bigpond.com

**Lions Club of Gilles Plains** nanna\_jane@hotmail.com

**Lions Club of Paralowie** bandemarch@bigpond.com

**Zone Chairman** Tony Pederick tpederick@forerunner.com.au

**Peace Poster**, Helen Martin, martintj@netyp.com.au

**Lions Club of Angle Vale**. Updated details (different to directory 2016/17) are as follows:

President: Dorothy Lewtas (08) 8121 3179

Meetings: 2&4 Wed 6:30pm Clubhouse, Gabriella Court, Angle Vale SA 5117

At the start of each new Lions year, the Immediate Past International President automatically assumes the role of LCIF Chairman, and of course this year is no different with IPIP Dr Jitsuhiro doing just that. One of his first duties to us is to advise of what LCIF achieved during the previous year, and I have great pleasure in advising the following.

### Grants approved during 2016 - 2017

More than US\$44 million was awarded in LCIF grants during the 2015-16 fiscal year. These grants are providing clean water in Haiti, measles vaccinations in Zimbabwe, children's cancer research in Australia, flood relief in India and Pakistan, and so much more. Lions will help millions of people worldwide

**Lions Clubs International  
FOUNDATION**

through these grants, which were made possible through your generous support.

In Australia we received grants totalling over AUD\$2,815,000 but the clubs in MD 201 (Australia) donated approximately AUD\$712,455. So you can see that not only does EVERY DOLLAR that clubs in Australia donate to LCIF stay in Australia for Australian purposes, but LCIF very often adds funds to that to enable us to successfully carry out the amazing work that we do.

### Contributing Member Program

Additionally with regards to the LCIF Contributing Member Program, there have been some exciting changes announced. As you should be aware, every gift, helps further LCIF's mission, and of course each dollar raised helps Lions to make the world a better place. As of July 1, 2016, contributing member donations of US\$20, US\$50 and US\$100 will be credited toward the credits your club has with LCIF towards Melvin Jones Fellowships or Progressive Melvin Jones Fellowships. So, PLEASE - Make a donation today.

If you are not aware of what The Contributing Member Program is, very briefly – it is a donation program LCIF has that allows clubs AND individual members to donate to LCIF. With as little as US\$20 (approximately \$27) you can personally assist LCIF continue to carry out the amazing work that they have

been doing since 1968.

Should you wish more information on this program please visit <http://www.lcif.org/EN/support-our-work/contributing-member.php> BUT remember - in Australia we send ALL funds/ Award applications to LCIF via our Cabinet Treasurer Lion **Jenny Rayner at PO Box 55, Lyndoch SA 5351**. This will ensure your donation is received, banked and credited to your club in a timely fashion whether the funds are your club's or those of an individual.

**PDG Lyn Shoemark**

District C1 LCIF & International Relations Chairman

## Golden Grove Lions

The Golden Grove Lions recently assisted "Fred's Van" in Church Street, Salisbury.

As so many Lions attended the task of preparing burgers and sausage sizzles for over 40 people was not onerous.

*Lions Christine Gale, Gerry Van Niekerk, Harry Webb, Tony Fortanier, Lyn Webb (obscured) Geoff and Lyn Shoemark, Graeme Pascoe and Margaret Ramsay.*

## More Jokes

Did you hear about the runner who was criticized? He just took it in stride

Singing in the shower is all fun and games until you get shampoo in your mouth.... Then it's a soap opera.

The rotation of earth really makes my day.

You know what they say about cliff-hangers...

My Czech mate is surprisingly bad at chess.

Archaeology really is a career in ruins...

And how long does it have to be before it's considered archaeology instead of grave robbing?

Why did the fish cross the sea? To get to the other tide

How many actors does it take to change a light bulb? Only one. They don't like to share a spotlight.

Firstly, my sincere thanks to all clubs in District C1 who supported Lions Clubs International Foundation (LCIF) last year via a donation or by purchasing a Melvin Jones Fellowship.

Due to the increase in the number of clubs supporting LCIF it appears that my monthly information article is providing valuable information.

As such, I intend to continue to provide short updates on a regular basis for both the District Bulletin and the Monthly Mailout to clubs.

I hope this continues to assist everyone and I encourage every Lion to support the Foundation throughout the year.

#### The LCIF Mission

Lions Clubs International Foundation was founded in 1968 to take the mission of Lions Clubs International to new heights by tackling global problems, as well as assisting Lions with large-scale local humanitarian projects. LCIF's history is filled with high-impact projects, meaningful partnerships and the kindness and efforts of Lions. With continued support, you can count on LCIF to continue and expand programs to improve lives around the world far into the future. Every day, Lions Clubs International Foundation (LCIF) works to fulfil its mission:

**"To support the efforts of Lions clubs worldwide in serving their local communities & the world community as they carry out essential humanitarian service projects."**

These projects include:

**We give sight.** LCIF is providing vision for those in need all over the world by combating eye diseases, creating infrastructure to improve eye care delivery, increasing the number of trained eye care professionals & making vision care more equitable & sustainable.

**We support youth.** All young people deserve to have an education, feel cared for & experience healthy development so they can have the chance to achieve their dreams. Through its positive youth development program, Lions Quest, LCIF is helping children learn to work together, make positive decisions & serve their communities. The Foundation also supports youth through constructing schools, youth centres & vocational training centres.

**We provide disaster relief.** Lions are often some of the first to arrive at a disaster to provide relief, & Foundation support is right there with them. LCIF helps devastated communities survive after disasters & bring hope by assisting in long-term efforts of rebuilding of homes & lives.

**We address humanitarian needs.** From working to combat global health issues such as measles & diabetes to empowering those with disabilities to lead more independent & fulfilling lives, LCIF is dedicated to a range of humanitarian

service projects. The Foundation continues to develop & expand programs that meet emerging needs worldwide.

**PDG Lyn Shoemark**

District C1 LCIF & International Relations Chairman

## Presentation to Legacy

### Glenside Lions

*Max, Alastair and Bruce with the cheque*

Glenside Lions Club was honoured by the presence of Legacy SA Past President Max Lemon and his wife Meredith to receive our donation of \$20,000 with funds raised by this year's Art Show held in May. Max is a retired Army man with vast experience in many senior positions in the Australian Army. Max gave us a bit of the history of Legacy. A staggering 60,000 Australian soldiers died in action in WWI with a total of 250,000 dead or wounded. If you take the perspective of the Australian population of 5 million at that time, you can see the high percentage per capita this would have meant. This is not counting the number of shell-shocked soldiers, which we now know as PTSD or Post Traumatic Stress Disorder! That was why Legacy was founded, that is to look after the families of fallen or wounded soldiers. Max said currently their oldest beneficiary is a 106 year old war widow and their youngest is a 2 year old child. The volunteers in Legacy are called Legatees and they do a great job looking after the families of our fallen soldiers. The cheque was presented by President Alastair Birse and Art Show Chairman Bruce Spangler. Max thanked our Club for this generous donation on behalf of Legacy.

Lions Hearing Dogs Inc.

### **Paralowie Lions**

The Lions Club of Paralowie has donated a shed to the Burton Primary School Community Garden. It was officially opened on the 8th July by President Libby March, who handed over the key to the Principal of Burton School, Alison Lynch. We were very fortunate in getting an ALF grant to go towards the funding of the shed.

So on behalf of all club members who worked so hard at the Bunnings and SNFC BBQ's, who raised the monies for this project to be completed, thank you.

Julie Woodward from Leesa Vlahos MP office, first advised us of this project, and we have now given over \$43,000-00, not only the shed but garden beds, fruit and citrus trees.

*From left—Julie Pickles, Alison Lynch, Libby March, Julie Woodward.*

# The pride of Lions

**Louise Michael reports:**

LIONS Clubs and their members around the district have been recognised for their outstanding efforts since the Pinery fire at the District Governor's Handover dinner in Tanunda recently.

Balaklava's Kossie Chegwyn, Gawler's David Schwartz, and Mallala's Kym Taylor and Geoff Donlon, all received personal appreciation awards for outstanding effort in regards to the Pinery fire, while Mallala's Peter Kirvan also received an award for his efforts as a guiding Lion for the newly formed Two Wells Lions Club.

Balaklava, Mallala and Gawler Lions Clubs also all received awards for their dedication and tireless efforts in the co-ordination and implementation of various activities and support during and after the fire.

Out-going district Governor, Rob Royal, presented the awards and thanked the Lions members for living up to the motto of "We serve."

Zone Chairman, and Clare Lions club member, Pat Williams, was stunned when he was presented with the highest award possible in Lions, the international Melvin Jones Award, for his efforts during the fire and also within his own club.

Lions has distributed about \$300,000 in emergency cash funds directly to those who lost their homes during the fire, and has also distributed funds via recovery grants for recovery projects.

One of those projects was a \$20,000 grant to Owen Community Shed to purchase and install a dust extractor, air conditioning and other tools and equipment, while funding for Phase 2 of the Mallala Men's Shed is under way.

The Bendigo Lions Club is also sponsoring Owen Primary School under the Schools Garden Development project, setting up raised garden beds and starting a garden.

If you'd like to see what the Lions Clubs are all about, there will be an information tent set up on Balaklava Show Day, with Lions club members from Balaklava, Mallala and Clare attending.

And of course, the tent won't be far from the famous Lions donut van, where you can taste the best donuts in the world!

Ken Montgomery (left) and Peter Kirvan right congratulate Pat Williams of Clare (centre) on receiving the Melvin Jones Award.

Kossie and Peter Chegwyn, Balaklava, and Kym Taylor from Mallala.

Kossie Chegwyn, Balaklava, Pat Williams, Clare, Ken Montgomery, Geoff Donlon, Kym Taylor and Peter Kirvan all of Mallala. Absent: David Schwartz, Gawler.

## Presentation at Owen Community Shed

### Inside this issue:

Adult Learners	3
Owen Red Cross	3
Pest Plant Control	4
Did I Read That	5
Grant Writing	5
Basketball AGM	6

### Special points of interest:

- Grant writing workshop 23rd August Tarlee Hall
- Basketball AGM 24th August Owen Hotel
- Adult Learners Week 6th September Avon

In March last year an idea was put forward to the Owen locals to build a Community Shed, and by September the framework and cladding were completed. On the 25<sup>th</sup> November, the worst natural disaster in living memory occurred, the Pinery Fire. With hot temperatures and high wind speed, many thousands of hectares of farmland were lost, along with dozens of homes. This became a time for the locals to rally and support one another.

To assist this project, **The Balaklava Lions Club** asked the members for a wish list, "what do you need to complete the internal fitout?" Armed with a wish list and quotes, an application was presented to the ALF, **The Australian Lions Foundation**, through the **Lions Disaster Relief Program**. Within a few weeks, the members of the Owen Community Shed were advised that their application had been successful! On Tuesday 19<sup>th</sup> a "cheque" for **\$20,000.00** was formally presented to this group. This money will purchase a Dust Extractor, Air conditioning and a number of other essential items. Congratulations Owen, excellent work!

*Kevin Bubner from Balaklava Lions Club presents Brian Parker with a \$20,000 Cheque*

*Presentation of a Certificate of Appreciation*

## Lion Noel O'Brien Celebrates 50 years Service

Noel was inducted into the Lions Club of West Wyalong on 1st August 1966. Two years later he transferred to Gunnedah and was a Lions member there for ten years. Transferred to Adelaide by the company as SA & NT Manager he joined Campbelltown Lions. Settling in Tusmore a year later became a Charter Member of the Glenside Lions Club, chartered in 1980. Noel has held many positions in the Club, President twice, Art Show Chairman and was very involved in the early development of Glenside Lions Bookmart which is now a very large fundraiser for the club. Noel is a Life Member of Glenside Lions has received the J D Richardson and the William R Tresize Awards as well a number of District Governor Awards. He has been on the District C1 Cabinet for sixteen years as Zone, Region Chairman, MERL Team and the Health Chairman for many years. Conducted free Lymphoedema screenings for three years with assistance of Professor Neil Pillar from Flinders University screening over 1500 people throughout the State. He then organized blood pressure and blood sugar levels testing. Tests with local Lions Clubs throughout the State have resulted in over 4,000 people being tested and the tests are still ongoing. More recently he has been the organizer in C1 for Lions Free Skin Cancer Screening, having screened 2,353 in the last two years with eleven Clubs.

Noel is now Chairman of the C1, C2 District Health Committee who are now, with the support of the LMRF Foundation, planning to have a mobile screening unit available at the end of 2016 for use in C1, C2 districts similar to the one used by Lions in WA. Lion Noel has been strongly supported by his wife Annette who has always been involved in the Glenside Club particularly in the Club's early years. Noel's 50 years as a Lion is a great example of the Lions motto "We Serve".

Submitted by Lion Yee Cheng Leong, Glenside Lions Club 201C1

## **Port Augusta Lions**

The 2016 Port Augusta Cup race meeting was held on Sunday 10<sup>th</sup> of July and the Lions Club of Port Augusta again had the chip van on course. It was a cold and windy day but a dedicated crew cooked for the race goers. The menu comprised of chips, chips and gravy, hotdogs and the famous lions' donuts. A big thankyou to all helpers.

*Lions Vicki and Andy on the donuts*

## **Port Lincoln Lions**

The new Hostel website is now up and running. This will be a valuable tool for promoting the Hostel and the Lions Club. The Club is thankful to the Lions who worked so hard to get this project completed, specially Peter

You can get to the Web Site by typing in [portlincolnlionshostel.org](http://portlincolnlionshostel.org).

Across the top is all the Sections you can get in to, just click on the section will open up info for that area. News is the section that we use for promoting the Lions Club

## FREE SKIN CANCER SCREENINGS

### Mobile Screening Unit for South Australia and Northern Territory

The need for a mobile cancer screening unit to service regional communities has never been more critical with the latest screening results from C1 and C2 pointing to a very alarming situation indeed.

From the screenings completed on 5,386 persons suspect at risk lesions found totalled 2,176 with 983 deemed to be life threatening; the number of persons referred to their GP's totalled a staggering 1,319 ..... This is unacceptable and requires urgent action!

With that in mind Lions clubs from right across South Australia and the Northern Territory have come together to help fund the building of a Mobile Screening Unit to better serve the needs of the Rural and Regional Communities.

Thanks to the generosity of Lions members, LCI and the ALF, the total funding of over \$200,000 dollars required for the project is well on the way to being achieved, and construction of the Mobile Unit is now underway with a completion date of January 2017.

Lion Caroline Walters, resigned and was dropped in October 2015 but reported on MyLCI as “Deceased”. Caroline is, in fact, hale and hearty and after a period of rest and relaxation was reinstated to Quorn Lions this month with no break in service. Please accept the apologies of our Membership and Club Records Officer for any distress that may have been caused when Caroline’s status was incorrectly reported last year.”
