SEPTEMBER 2018

TIME FLIES

This month has gone through one door and out the other, so very quickly. I can't believe that the first 2 months have been and gone.

Anyway great meetings attended across the State and a lot of questions, which I hope were answered. If you have any questions about anything Lions, please don't hesitate to contact me or anyone else from the team for that matter.

Some photo's are shown on page 8.

Congratulations to one and all for the response to the Drought Relief Appeal which has to date raised over \$300,000, with donations still coming in to Australian Lions Foundation daily. This money will be distributed to those in need.

Convention is not that far away and Chairman Dean Parish and his team are adding the final touches with sponsors still coming in the door.

The Black and White Dinner on Saturday night is a chance to dress in your "Black and White outfits". Gonna be a great night of fun and fellowship.

Don't forget to buy raffle tickets on Saturday Night with the major prize of 3 nights in the Arkaroola Lodge.

During the Convention you will hear from guest speakers Past International Director Cliff Haywood, Lions Australia Executive Officer Rob Oerlemans, Royal Flying Doctor Service Dr Bas Kirmani and Lions Hearing Dogs.

Don't forget the Pichi Richi Railway trip on Sunday morning with Brunch and the final sessions to wind up the weekend being held at Woolshed Flats.

Membership is always an issue and I encourage you to seek out those members of the community that have "not been asked" but would like to be members of the Lions Family.

We are down at an all time low as of today of 1192 where we have so far this year added 14 new members but we have dropped 26 which gives a nett increase of -12.

The DG Team and the Executive Team continue to use "ZOOM" to conduct meetings. On a weekly basis the DG Team reflects (late into the night) on the week that has past including clubs visited and any issues found. This is a great way to conduct extra meetings that may occur from time to time at club level.

Zoom is available for use for up to 40 minutes Free of Charge, give it a try.

Again, If I or any of our team can assist in any way please don't hesitate to call.

Keep up the good work.

ADVERTISING THE DISTRICT AND YOUR CLUB FUNCTIONS

From time to time I am asked to place a flyer into the Bulletin to advertise a club function. This takes up a lot of space in the Bulletin. I try to keep the Bulletin to 12 pages or less. I also try to keep the file size to less than 2mB. As some members mailboxes will not accept larger files.

So in future, the function will be placed on the District Website under "DG Visits & Club Events" and shown on the appropriate date and accessed from this page.

Thank you Ted Osborn, Bulletin Editor & Information Chairman

NEWSFLASH July 2018
UPDATE

“National Drought Relief Appeal”

To all Lions, Leos and Lioness Clubs – Multiple District 201, Australia

Your Support so far has been Outstanding

Thank you to the many clubs who have already responded to this appeal. The media covering what Lions Clubs are doing has been great and the many posts on Facebook have been seen all around the world.

We are also very grateful to our Multiple District office for their support in using many channels they have to spread the word through the media of what Lions is doing throughout Australia for our needy farmers.

The Foundation has contacted many outlets, provided media releases to TV and Radio stations advertising this Appeal through Lions. We have also seen an increased support direct from the Public which is fantastic.

Support for this Appeal is growing in all sectors. The Foundation has had a number of approaches from individuals and organisations in various States who wish to support our Appeal. They will be doing their own fundraising efforts with funds coming into the Foundation for distribution.

Clubs and individuals that wish to donate can follow the normal procedure and send your cheques direct to your Cabinet Treasurer or you can send your cheques direct to the ALF Treasurer. Clubs wishing to make donations electronically may donate to the following account.

Account Name: Australian Lions Foundation General Account

Bank: Westpac BSB & Account Number: 036 048 44 0704

If making a deposit electronically please email the ALF Treasurer (alf.treasurer@lions.org.au) with deposit details to confirm and reconcile. Please use your LCI Club number as a deposit reference.

So far, through the generosity of **your Lions Club**, the Appeal is going well. We have also had excellent response from the public, including some significant corporate donations of \$10k, \$20k and \$50K, and this has come about because of the Lions name being a trusted organisation in the community. The appeal officially finishes at the end of August; however, we will be more than happy to accept donations after that deadline.

If you require any further information please contact your local ALF State Director for assistance.

FROM PR CHAIRMAN PETER KORNDORFER

Article 1 of 5

Three Characteristics of a Public Relations Campaign

A public relations campaign is a series of activities that are planned in advance and relate to a specific goal. This contrasts with other areas of PR, such as general ongoing publicity tactics, paid advertising, and reacting to events. Ultimately, a public relations campaign has three characteristics: identifying an objective, finding the message that will help achieve that objective and communicating that message to the appropriate audience.

Specify an Objective

A good public relations campaign will have a clear objective. In theory this could simply be to raise awareness of a product, service or brand, but ideally it will be more specific. This could include a company increasing sales of a product or a pressure group changing public or government behavior. A specific objective not only makes it easier to focus the planning and execution of a campaign, but also to quantify its success. For example, an objective to increase positive consumer opinions by 50 percent through the use of social media sets a measurable goal while providing a basic look at a strategic tool that will be utilized to achieve the desired result.

Deliver a Message

Public relations requires a clear message for the organization to communicate. A good rule of thumb is to make the message as clear and concise as possible without losing precision or risking ambiguity. Ideally the message will not just inform the audience of a particular fact or viewpoint but will spur them into taking a particular action. If your company is using a donation drive to promote goodwill, relate basic goals, such as providing dental services in a community where 25 percent of children receive no dental care. Then include a call to action — For every tube of toothpaste purchased in June, our company will donate \$1 to preventative dental care.

Target an Audience

Public relations campaigns occasionally target the entire population but usually need to target a specific group. This should be the group most likely to respond as desired to the message. For a company, this could be the type of consumer most likely to buy a particular product or service, which takes into account interests, tastes and spending power. For a membership group, this could be potential members. For a campaign group, this could either be potential activists and supporters, or it could be people in authority with the ability to make decisions that promote a cause. For example, a promotional effort for luxury handbags or briefcases would fall on deaf ears in an impoverished community while zip codes with high real estate values could embrace the message.

Pitfalls to Avoid

There are a wide range of other factors that can affect the success of a public relations campaign. One is that it operates to a planned budget and that the money is spent in the most effective way possible. Another is that it does not fall foul of any regulatory issues-- for example, by defaming somebody or by breaching rules on incentives offered to public figures. Public relations staff also need to plan carefully to make sure a message cannot be misinterpreted or cause offense.

DATE FOR NEXT YEAR'S DIARY,

DISTRICT HANDOVER

**SATURDAY 13TH JULY 2019, GUMERACHA TOWN
HALL, HOSTED BY TORRENS VALLEY LIONS CLUB**

KADINA CELEBRATES FIFTY YEARS

In 1968 we were listening to John Farnham sing Sadie and watching Bellbird every night for 15 minutes before the National news on ABC television. John Gorton was the new Prime Minister and Rain Lover won the Melbourne Cup. The Kadina Lions held their charter dinner on the 10th February in the town hall with guests from all over Australia. 1968. Kadina Lions celebrates its 50th year Anniversary. The club was formed on the 28th September 1967, the first Dinner Meeting on the 2nd of October 1967.

This event was celebrated at a luncheon Kadina on Sunday 19th August with all the DG team present, Phil, Kevin and Tony. Several PDG's the local Mayor Paul Thomas and Local MLA Fraser Ellis. However, it was Charter President John Sullivan who stole the show speaking about the chartering and history of the club. Along with Past President and Charter member Maurice Materne he then cut the decorated cake made and decorated by Kadina newest member Skippy Skipworth.

Awards were presented at the meeting by District Governor Phil Bowman and President Carol Barnes these were Merit Medals to Lions Ted Bussenschutt 36 years of service as the current longest serving Lion of Kadina club. He was President in 1991/92. In his many years in Lions he has been involved many varied fundraising events and projects including the building of the ablution blocks at Kadina Caravan park, bikeathons for Crippled Children's association and cropping that was very financially viable for the club. A second medal was presented to Ian Whale for his ongoing work and support of the community as President and Secretary on many occasions across his ten-year membership, organizing Lions district conventions and most recently being involved in the Wine Wheels and Whiting events.

Most Lions join our association for the opportunity to serve and use their time and talents to help those who are less fortunate. Lions at all levels recognize that some of the members go far and beyond what is expected from the average member. They become outstanding leaders and high achievers for our organization. Even though they do not seek recognition, it is fitting that outstanding Lions are recognized by their peers from the local Lions Club level all the way up to international level. Many Lions have no idea what some forms of recognition mean or just how rare and important some are.

Lions Clubs world-wide recognize outstanding individuals by bestowing on them an award that is named for its founder, Melvin Jones. This award is the highest form of recognition and embodies humanitarian ideas consistent with the nature and purpose of Lionism. We are proud to have within our past and current membership individuals that have received the Melvin Jones Fellowship Award. Past awards have been made to Lion Dean Newbold in 2002 and Lion Harvey Rodda 1994.

Melvin Jones Fellowships were presented to Lions Dave Goold and John Barnes. John has held the role of secretary and president, is a guiding Lion supporting

Coober Pedy club, and has been zone chairperson for the Barossa zone and in the following year Zone Chair for the YP zone.

He is the district administration officer and, in this role, responsible for membership data base, and district Grants officer advising members on grant applications.

Lion Dave Goold, a member 27 years coming to Lions from a service background with Apex. He has been Treasure of Kadina Lions for the past 7 years. He is currently responsible for coordinating sales of Lions cakes and mints within the town. He has with his wife Sue undertaken many catering events to provide a revenue stream for the club.

He coordinates service activities for the club and is that rare member who will step in to any role and undertake any job that needs doing. If this was a sporting team he would be the MVP or all-rounder.

The lunch was a great success and Kadina club thanks all the visitors who attended and joined in celebrating.

World Sight Day 2018

World Sight Day (WSD) is an annual day of awareness held on the second Thursday of October, to focus global attention on blindness and vision impairment. World Sight Day 2018 is on 11 October 2018.

This year LEHP is focusing their promotional and marketing efforts towards the importance of Children's Eye Health. We need all Lions clubs to get involved in order to make an impact! We are implementing a 2 stage promotional initiative!

Indonesia, hit by disaster - again

Dear Lions,

On Sunday 5th of August the island of Lombok experienced a devastating 6.9 magnitude shallow earthquake. Over 100 people have been killed, and aftershocks have continued as strong as 5.4 magnitude, damaging buildings as far away as Denpasar in Bali. Thousands of houses have been severely damaged, and hundreds of people are injured. Both airports on Lombok and Bali have been closed, leaving thousands of tourists from around the world stranded.

Among the first to respond have been the Lions family of Indonesia, in helping their communities to receive food, clean water, clothing, shelter and medical supplies. The Lions are supported by emergency grants from LCIF, and more will be needed as the devastation is evaluated.

Your donation to the **LCIF Disaster Relief Fund** will enable much needed assistance to be given to those people affected. **Send your cheque in Australian Dollars to your District Cabinet Treasurer.** Your donation marked as such is eligible to go towards a Melvin Jones Fellowship or Progressive Melvin Jones Fellowship. Your Club could conduct a bucket collection in your local community.

100% of every dollar donated to LCIF goes to the people in need. **Please help.**

Yours in Lionism,

Nigel Jeny

Why Do Lions Need to Use Social Media?

Member numbers continue to drop in our District C1, and it is time to take advantage of a FREE tool that is available to everyone!

The use of Social Media, (Facebook, Instagram, Twitter etc), has been an accepted medium of communication for quite a few years now. Social Media can reach out to your local community and is able to let them know about your various club events and activities, especially about your Membership Drives.

This was proven recently by the Mawson Lakes Club Branch who used Facebook to publicise their very successful "Blanket Salisbury with Love" event.

The use of Social Media will enable clubs to reach a far wider and a more targeted audience when they wish to advertise their upcoming events. Remember that there are many organisations out there, and they all have the same objective. Like us, they are looking for more volunteers, who we hope will become new Lions members. This is a relatively simple tool to use.

So, based on the preamble above, would you mind answering a few questions and return your response to me please?

1. **Would your club like to gain some more members?**
2. **Are you curious about how to use Social Media?**
3. **Would you attend a 2-hour Information session about the basics of Social Media?**

All other comments are welcome

Patrick Williams. The Membership Guy.

MAWSON LAKES BRANCH AND GILLES PLAINS COLLECT FOR DAFFODIL DAY

Mawson Lakes volunteers

Mawson Lakes Club Branch and Gilles Plains Club members supported the Cancer Council daffodil day selling daffodils and merchandise on Friday 24th Aug.

Mawson lakes were in attendance at the Mawson Bus Interchange and Gilles Plains were at Paradise Interchange and Gilles Plains Shopping Centre. A great success at all venues with money raised for cancer research. Thank you to all who helped.

BEACON LIGHTING PROMOTION BBQ

On Saturday 11th August, West Beach Lions were asked to have a BBQ at the Beacon Lighting store at Mile End to help with their promotions and special sales day. It was a wet, windy day, a challenge to put the marquee up. We started cooking about 11.00am and a hail storm went through a half hour later. All hands available to hold the marquee down. From then on it was smooth sailing.

We took this opportunity to speak to people about Lions, sell our Christmas cakes and puddings and to inform people about our project of replacing the caravan at the West Beach Caravan Park for Camp Quality. Although no one took advantage of filling out the "Do you want to be a member" slips, a few people did take the information brochures about our club. The public were very generous in their donations towards the new caravan. \$334.70 was raised in 3 hours.

Although it was very cold and wet, every member there were amazed at the generosity of the public in their donations.

FROM ONKAPARINGA CLUB

ONKAPARINGA CELEBRATED TWO NEW MEMBERS IN 60s STYLE.

When new members Ros Bowering and Cheryl Keating were welcomed into the Lions Club of Onkaparinga at their August dinner meeting, theirs was an induction ceremony like no other! Just to bring some fun back into club meetings, new president Kingsley Blenkiron had urged members to come dressed in 60s style. And just to add to that fun, the retired school teacher teased them with a few posers- Do you know how many metres are in a mile? What year decimal currency came in? When television arrived in Adelaide? How much one pound fifteen shillings and tenpence times by ten is? Ah!!! But most members knew the words to their favourite songs from that era, and they even had the publicans at the Charleston Hotel singing along. Despite all the frivolity the club still managed to get some business done, including the induction of their two new members, Ros Bowering (second from left) and Cheryl Keating (fourth) by PDG Garth Beckwith, ably supported by their sponsors Sharyn Shillabeer and Kingsley Blenkiron.

President Ray Brussow welcomed Members Partners and Guests.

Also discussed the year that has just completed, we had our 50 Year Celebrations on Saturday night the 25th November 2017 at Nixon's Restraunt. Our Guest speaker was one of our Foundation Members Humphry George who spoke about memories from the years beginning of the Club. On Sunday afternoon 26th November we had an opening of the Baraq that the Club donated to the Gawler Community for their use in Lions Park opposite the Caravan park and the Swimming Centre this was a cost of \$30,000. Where we had afternoon and the Barq was opened by Mayor Karen Redman.

President Ray Brussow also spoke on the Clubs achievements for the past year. Our fundraising areas of Catering and our Sunday Markets and thanked all members and partners for their assistance.

Also thanked Andrew and Fiona Culbertson for supplying the 50 Year cake, also Lion Jim a Gaye Downer for collating the book on the 50 years of the Gawler Lions club.

President Ray Brussow presented awards to Lion Dean Noll for his Life membership, Lion Malcolm Arthur for the Dr Bob Coulthard Recognition Award, Lions Maggie Graham and David Schwartz the James D Richardson Honour award, and Lion Malcolm Arthur the Lion of the Year award.

During 2017-2018 the Club made donations to the value of \$57,600. These being to local community groups and National programs. Some of these were to Gawler Cancer Council, Brody Staker for his dog, Craniofacial Australia, Seeing eye Dogs, The Salvation Army, Royal Flying Doctor, Gawler Community Child Care, Gawler Health Services, BBQ, Gawler RSL, Lions Prostrate Cancer, St John Ambulance, Lions Medical research Foundation and some others. Our spectacles collection this year collected 1,381 pairs of glasses to be sent overseas to under privileged people.

Our Sunday Markets and Catering are still our major fundraisers for the Club.
