Hi everyone

Just returned from the Council of Governors Meeting and the MD Convention in Geelong. Great to catch up with friends again and enjoy the many sessions in the program.

I guess of note to C1 was the entry of Georgia Thomas into the YOTY Quest, after winning the State Final between C1 and C2 in Berri. She did very well although against top opposition with entries from 5 other Districts. (Photo on page 7)

So far we have held 2 Club Leadership Forums with 75 attending the Metropolitan Session in Elizabeth and 40 attending the Rural Session at Port Pirie. Be great to finish this year with some great numbers attending the Port Lincoln day.

This month we have lost a couple of our members in Lion Lawrence Linke from Barossa and Lion Lyne Skinner from the City of Adelaide previously with Unley.

DG Elect Kevin shortly heads off to the UK for a break prior to joining the other 750 DGE's at the final training and then attending the International Convention in Milan Italy.

We wish Kevin well for his trip and hope that he "enjoys the ride" as DG of 201C1 as much as I have.

Don't forget the District Handover on Saturday 13 July in the Gumeracha Town Hall, contact Acting Cab Sec Yvonne for reservations.

Finally our numbers seemed to be turned around with Mawson Lakes Branch having lifted to 22 and ready to Charter. Looks like we have turned around a couple of our not so healthy clubs as well, with Coober Pedy on the way up again.

Following some great work by VDG Tony Pederick we may be able to revise Unley and also turn the Salisbury Club into positive numbers.

Look forward to catching up at the many Club Handovers that I will be attending this coming month.

Best Wishes

DG Phil

HAVING TROUBLE WITH MyLCI

Message from John Barnes (Admin & Club Support)

Sorry about all these emails, but all I know is there are many of you who have difficulty trying (and some have given up trying) to register your new Universal Password. Please pass this information on to your members

In attempting to help members register, I'm gradually learning ... yes, I know – surprising isn't it?

HINTS/CORRECTION/PREREQUISITES

1. You need to enter both your email and phone number when initially registering using a computer! I thought it was either.

a. Email must be the same as recorded in MyLCI

Phone must be entered by:

Ensuring AUSTRALIA is selected as the country

Enter your number as per normal, but drop the initial zero, i.e. mine is 0448 895 170 so enter 448 895 170 (no spaces, obviously – 448895170)

2. Your D.O.B. must be the same as is recorded in MyLCI that is it must now include the month/day/year. **If you have not been diligent in entering your member's D.O.B. during the January Members Details Update process, you will find your members' D.O.B. recorded as 01/1/yyyy where "yyyy" is the year of birth.** In this instance, if you enter your correct D.O.B. it can be assumed an error will be generated.

Because you now do not have access, email me your D.O.B. and I shall enter it for you. You can then hopefully access MyLCI and fix your members' entries.

3. Although this is also inconsistent (my password is all lowercase with a number because of the way I registered), *your password should be at least 6 characters, include an uppercase letter, a lowercase letter, and a number.* It tells you what is required below where the password is to be entered.

4. Don't forget to scroll you webpage down so you do not miss further instructions such as checking the agreeing to privacy policy and conditions of use. Many have got to the second re-enter password field and put the password in, hit enter and waited. And waited – not knowing there were the other items to action of screen at the bottom.

5. And of course – the 'CONTINUE' button.

6. If you have a break through and succeed in registering, if you can remember how you did it please let me know so I can pass the 'trick' on.

SUPPORT CAN BE FOUND HERE:

MINLATON 50TH ANNIVERSARY

Reprinted from May Bulletin

The Minlaton and Districts Lions Club celebrated its 50th Charter Anniversary at the Minlaton Bowling Club on Sunday 14th April. Special guests included Fraser Ellis Member for Narungga, Yorke Peninsula Council representative Councillor Leanne O'Brien and District Governor Phil Bowman, past Charter Members Geoff Frost, Deane Litster, John Croser and current Charter Member Tom Martin and Lion Helen. Also present were Jean McIntosh (Thamm) and Carlene Cook, partners of past Charter members.

After a wonderful meal served by the Minlaton Bowling Club members Lion Robert Kidd proposed a toast to "The Charter Members", giving details of the Charter members present and especially the many years of community service given by Tom Martin to the Minlaton Club and Lions District including the office of District Governor in 2008-09.

Australian Lions Foundation State Director Yvonne Bradford presented Tom with the Australian Lions Foundation Award to Honour 50 Years of Service to Lions. Tom thanked everyone for attending and spoke about his experiences in Lions over those many years.

The afternoon concluded with the cutting of the anniversary cake.

Lions and Lionesses are Collin Fullgrabe, Lioness President Margaret Button, Kingsley Clift, Robert Kidd, Helen Martin, Margaret Hamilton, Marie Meaney, SYP Basketball members Peter Wilson, Jodie Stanley and Emma Reade.

The Minlaton and Districts Lions and Lioness Clubs have donated a heart defibrillator to the SYP Basketball Association. This was funded by a grant from Australian Lions Foundation which covered half the cost, together with donations from the Minlaton Lions and Lioness Clubs and Minlaton Basketball Club. The defibrillator will be kept in the Minlaton Basketball Stadium.

The stadium is utilised all year round with basketball, netball, soccer and school events with a huge number of participants and the matches attract large numbers of spectator crowds including the players' siblings, parents, grandparents and friends.

A defibrillator has been donated previously with the assistance of the Australian Lions Foundation Grants to the Minlaton Golf Club and to the Community, being placed outside the Minlaton Foodland in the Main Street.

LCIF SHARE SUPPORTER PINS

Dear Club Presidents and L.C.I.F. Co-Ordinators,

As part of Campaign 100, LCIF have issued Lions Share Support Pins, and I now have a stock for sale

The pins are available for purchase by Lions and families as a great present and if you wish, you can claim tax deductibility by making the donation for the pin to "Lions Australia Fund for LCIF Inc." Perhaps it is just the present for those who have everything but at the same time, can assist the needy of the world.

100% of every dollar donated to LCIF goes into LCIF Grants to help disadvantaged people in their communities.

Pins can be ordered directly to myself with payment direct to Cabinet Treasurer VDG Tony OAM.

Attached are the images of the pins and Australian costs.

I look forward to receiving your support and your orders to assist your Foundation, LCIF.

Yours in Lionism,

PDG Lance OAM,

189 Kingston Road,

Port Pire, SA 5540.

A lawyer, who had a wife and 12 children, needed to move because his rental agreement was terminated as the owner wanted to reoccupy the home. But he was having a lot of difficulties finding a new house. When he said he had 12 children, no one would rent a home to him because they felt that the children would destroy the place. He couldn't say he had no children because he couldn't lie - and we all know lawyers cannot and do not lie. So, he sent his wife for a walk to the cemetery with 11 of their kids. He took the remaining one with him to see rental homes with the real estate agent. He loved one of the homes and the price was right - the agent asked: "How many children do you have?"

He answered: "Twelve."

The agent asked, "Where are the others?"

The lawyer, with his best courtroom sad look, answered, "They're in the cemetery with their mother."

MORAL: *It's not necessary to lie, one only has to choose the right words.*

ZONE 10 PICNIC AT YALUNDA FLAT

Around 80 Lions and Lions Ladies attended the district 201C1 Zone 10 Picnic / get together on the 24th of March at Yallunda Flat Showgrounds.

They included 1st VDG Kevin, Cabinet Secretary Don & Gillian and John Barnes, all clubs in the zone were well represented.

The day was extremely windy but the venue was at the shearers pavilion, that sheltered you would not now it was blowing.

What a great venue for this event.

Tumby Bay & District Lions Club were the hosts, providing a scrumptious lunch consisting of roast beef, roast chicken, baked potatoes and a choice of salads.

That was followed up with Lions Christmas Pudding smothered in custard and cream.

After lunch a golf challenge was held on the oval, a bottle of wine was placed and competitors had one shot the get nearest the bottle.

Much fun was had and Jill Kaden from Cowell was declared the winner.

Everyone retired to the pavilion for more fun, fellowship and the odd red.

Tumby Bay lions are to be congratulated for organizing a great day of food fellowship and frivolity.

The event will be held again at Port Lincoln in 2020, we will keep you posted

LITTLE ROARERS CUBS CLUB REPORT

I attended the Club Development Training with Lions from across the C1 District last month. I learnt more about Lions and the role of President.

I was excited that I was asked to speak to everyone there about being President and tell them all about The Little Roarers Cubs Club. I hope everyone enjoyed hearing about what we have been doing at our Club.

Last term at Cubs Club, we learnt about people living with different disabilities and the challenges they face. We started our first project which involved collecting glasses for the Lions Recycle for Sight project. We also started our own club project, which involved making items and activities for sick children. This was the idea of one of our year 5 members, Kara.

We have already made lots of beaded key chains, bookmarks and pom poms. We are also making board games, finger puppets and a few other things too. We will continue with this project this term.

We are also learning about public speaking and building on our skills. Cubs Club has given me the opportunity to build my confidence in speaking in front of people.

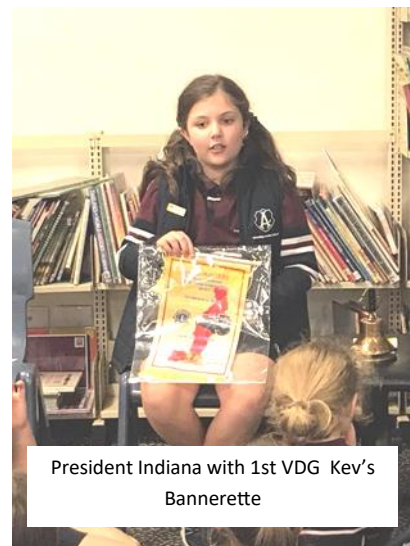

We will also be following the journey of our lions hearing foster puppy. For those of you who don't know, we voted and our puppy's name is Spud. He is a cute black labradoodle with phantom tan marks. He's adorable. We will keep you posted when we find out more about him.

I am half way through my term as Club President and excited for what we will be doing this term. We look forward to sharing this with you.

FROM CITY OF ADELAIDE CLUB

Our Club has had another busy couple of months involving a wide range of activities, events, inspiring guest speakers, and of course inducting new members.

We were excited to join members of The Little Roarers Cubs Club on their visit to ALHD to learn about the program and meet the puppies. We made a donation to sponsor a foster puppy, which we are very excited about, but not quite as much as the Cubs.

Our members were involved in the annual Parkinson's SA Walk-a-thon, supported the Roady 4 Roadies event, cooked up a storm at Fred's Van, supported a local school's sports day, and provided a bbq for the extras and fillers on the set of the film 'Never Too Late' starring Shane Jacobson, Rob Billing and Jacqui Weaver, just to name a few.

FROM WHYALLA MT LAURA CLUB—COLD CAP MACHINE

A \$45,000 cold cap machine which can reduce hair loss during chemotherapy by up to 85 per cent has been purchased for the Whyalla Hospital thanks to the fundraising efforts of volunteers in the community.

The Paxman Cooling System, now located in the hospital's Cancer Resource Centre, features a small refrigeration unit that circulates a coolant at minus four degrees Celsius through to a specially designed cap.

Patients wear this 'cold cap' which slows down the blood flow to the scalp and decreases the amount of hair loss chemotherapy drugs cause. It's a twin system, so two patients can use the machine at the same time.

Consulting Oncologist Professor Sankha Mitra said losing hair was a very big issue for female cancer patients because they lose their anonymity

"There are also issues of body image and maintaining a positive outlook while undergoing intensive chemotherapy," she said.

"There have been patients in the past who have had to go to Adelaide for the cold cap treatment. The whole aim was to get cancer treatment as close to patients' home as possible. "Having the cold cap machine here is a big advantage because Whyalla is the regional cancer centre."

The Whyalla Pink Spirits contributed \$20,000 to the system, with part of those funds raised by chemotherapy patient Sharon Powell, who organised a [fundraiser earlier this year with her daughter-in-law Chloe Coles](#). Ms Powell, who lost her hair during chemotherapy, said it was a big win for female patients to hold on to some of their hair while undergoing treatment. "Now we have our machine it will be interesting to see how it really works," she said.

Ms Coles said she was 'very excited' to hear the machine was coming to Whyalla after their hard work raising funds. Pink Spirits President Raelene Williams said she had met many women who had lost their hair during cancer treatment through her support group.

"A product like this is what your sausage money goes to," he said. It's something that affects ladies more than anything else because it's so visual. If this machine does what it is meant to do, it will be really beneficial for the people who use it," she said.

The Whyalla Ladies Auxiliary (\$10,000), Mount Laura Lions Club (\$3000) and the Lions Club of Whyalla (\$2000) also chipped in to secure the machine for Whyalla.

Mt Laura Lions Club Past President Brian Marshall said the purchase was proof that funds raised by their sausage sizzles went to something valuable.

VOLUNTEERS: From back, left, Meg Hill and Graham Campbell (Whyalla Lions Club), Consulting Oncologist Sankha Mitra, Brian Marshall (Mt Laura Lions Club), Raelene Williams (Pink Spirits) and Director of Nursing Julie Marron. ANYONE FOR GOLF??

During my physical examination, my doctor asked me about my physical activity level. I described a typical day, "Well, yesterday afternoon, I took a five hour walk about 10 kms through some pretty rough terrain. I waded along the edge of a lake. I pushed my way through blackberries. I got sand in my shoes and my eyes. I avoided standing on a brown snake. I climbed several rocky hills. I took a few 'leaks' behind some big trees. The mental stress of it all left me shattered.

At the end of it all I drank eight beers." Inspired by the story, the doctor said, "You must be one hell of an outdoor person!" "No," I replied, "I'm just a bad golfer."

MASSIVE DONTION BY STAMP CLUB

Through the sale of postage stamps (new and used), albums and collections, the Lions International Stamp Club in Australia has donated \$48,000 to the Australian Lions Childrens Mobility Foundation. Secretary of the Stamp Club Lion Ross Payne made the donation to Foundation Chairman Vaal Dix, at the recent MD Convention in Geelong. Lion Ros stated that this donation was nearly double of what was donated in 2018. The Foundation thanks all Lions and Supporters for donating their stamps and postal products.

MESSAGE FROM MULTIPLE DISTRICT

Dear Lions

I would like to draw your attention to this notice in the current edition of The Lion. Please note that your District Convention this year would need to consider the endorsement of any candidates to be considered at the Adelaide Convention, and that candidates must deliver a Notice of Intention to nominate 60 days prior to the District Convention. Would you please raise it with your cabinet and circulate as part of your Newsletter.

Legal Officer David Skinner would be happy to answer any questions you have about the process.

Regards

Rob Oerlemans Executive Officer

CANDIDATES FOR THE OFFICE OF INTERNATIONAL DIRECTOR 2020-2022

The Multiple District Convention to be held in Adelaide in 2020 will consider candidates for the office of International Director to represent Constitutional Area 7 for the term 2020 -2022. Intending candidates should refer to clauses 85-93 of the Multiple District Constitution and By-Laws.

In particular please note:

85. Subject to the provisions of the International Constitution and By-Laws, any member of a Lions Club seeking the endorsement of the Conventions of his/her District and of the Multiple District as a candidate for the office of International Director and/or International Second Vice-President shall:-

85.1 Deliver (by mail or in person) written Notice of Intention to seek such endorsement to the Cabinet Secretary of such District (in the case of a proposed District Convention endorsement) and to the Executive Officer (in the case of a proposed Multiple District Convention endorsement) no less than 60 days prior to the convening date of the relevant Convention at which such question of endorsement is to be considered.

85.2 Deliver with the said Notice of Intention evidence of fulfilment of qualifications for such office as set forth in the International Constitution and By-Laws.

CASH FOR PORT PIRIE'S LIBERTY SWING

Motorcyclists from across the state gathered in Gladstone to raise funds for the Lions Club of Port Pirie's Liberty Swing project for the Mid North Education Centre.

About 60 motorcyclists from seven clubs spent a night at the Gladstone Gaol, enjoying themselves and dropping as much cash as they could.

Over the night, \$1,600 was able to be fundraised towards the \$40,000 swing which from community help and hard work was more than half-way to being bought.

Trevor 'Grump' Muggleton led the idea of the fundraising and explained that motorcyclists complete many charity runs over a year and after seeing the recent fundraising completed by the Flinders Touring Motorcycle Association, he too wanted to help.

"I spoke to the fellas in concern and from there we put this up. It took about six weeks to do it, 60 people had a good time, we left about \$1,600 behind and now we hope we can do some more for the Lions club.

"People sold up, we sold our raffle tickets, we had a barbecue tea, everybody had a really good night. We had a live DJ from Adelaide up here, lighting effects. Everybody sat back and had a really good night," Mr Muggleton explained.

The money raised on the night was in collaboration with the Lions Club of Port Pirie, whose president Laureen Hardiman had set that as her fundraising project.

Her vice president, Michael Baldock, explained that they have been working on fundraising for the swing over the past 12 months.

"We had the prostate group in Port Pirie donate \$8,000, the Australian Lions Foundation have done \$10,000 and these guys here have fundraised just over \$1,600, so that is great," Mr Baldock said.

The Lions Club of Port Pirie were very grateful for the motorcyclists who came together, raising a significant sum in only one night.

"It is fantastic. It is really heartening to see these guys put together something, have a bit of a show and raise some money for something worthwhile," Mr Baldock explained.

PDG CARLENE INDUCTED INTO ALF HALL OF FAME

TOP HONOUR: Lions Club of Port Pirie member Carlene King OAM was inducted into the Australian Lions Foundation Hall of Fame.

At a state and national level, it has delivered help when it is needed most, from the devastation of Cyclone Tracey in 1974 to helping drought-affected farmers and communities.

Speaking of her local club, she said it was very community focused and described it as a successful club in the community.

"They have completed some wonderful projects," she said.

Her involvements with Lions over the years have meant she has met people all over the world.

She has provided training for Lions at both a national and international level and also served as national manager for youth and community projects for 12 years.

"I have given to Lions but I have received back ten-fold," she said.

"It has given me such wonderful opportunities and experiences in my lifetime that I wouldn't have otherwise been given."

One of the things that impressed her the most about the organisation, and still impresses her today, is that every dollar raised from the public is used on projects.

"The strength of Lions is that they're the biggest service club organisation in the world," she said.

"When they're called on to do big things, they always deliver."

"When big things happen in the world, Lions are always among the first on the scene."

Three decades as a Lion has taken Carlene King OAM around Australia and the world, now her extensive work with the service organisation has been given a high honour after being inducted into the Australian Lions Foundation Hall of Fame.

She is the second Port Pirie Lion to be bestowed the honour, following the induction of club treasurer and past district governor Lance Leak OAM.

The Australian Lions Foundation plays an essential role for the service organisation in Australia and consistently supports clubs in delivering community projects.

NEWS FROM GOLDEN GROVE CLUB

Great Zone Challenge

On Sunday the 18th of May the Great Zone Challenge was organised by Lion Annette of Golden Grove Lions at Salisbury Bowland.

Although most participants were from Golden Grove Lions, they were joined by Paralowie and Elizabeth-Playford Lions Clubs too. The groups were mixed so that each lane had bowlers from more than one club. We even had a small cheer squad to encourage the bowlers. There was a mix of at least three generations taking part so that there was a real family atmosphere- kids, parents and grandparents all involved.

Each of the lanes had electronic score boards that not only showed the scores but also commented on how well (or not) the bowler was going. On the whole Lions were very encouraging of all who had a go, no matter what ability they had. Just to make sure talent really showed, we did without the rails to prevent gutter bowls. There were some who had much more ability than others as we suspected would be the case especially when one Lion partner turned up with a very professional looking bag containing their own bowl and gear.

We always say that Lions should be fun and this event certainly showed that. No matter how old or how well the participants played there was a lot of laughter. The event showed that if you plan it, an event can be both social and lots of fun. How wonderful it was to not be planning work activities, working the barbecue or any volunteer work for the afternoon.

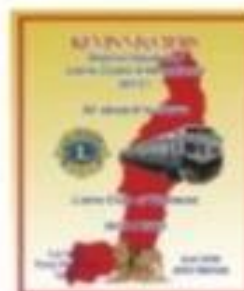

At the end of two hours of fun, Lion Annette presented certificates to those who covered themselves in glory. The cost was very reasonable so the Golden Grove Lions would like to continue this as an annual event for our zone and any other clubs who would like to join in.
