December has been a busy month, Christmas parties, Christmas Day and bushfires, early this year! Not sure about climate change but it has been hot. So far we have a few fires already in Stansbury, Maitland and the ongoing Adelaide Hills Fires, I did go down to Stansbury and with PDG Tom Martin to see if Stansbury needed any help with paperwork for grants, Cab Sec Yvonne Bradford had it all in hand also took some Lions Cakes down to be passed out.

Next fire was at Maitland started by dry lightning burnt all night, went down to Artherton which had become the base of operations for the fire, I did go down the next morning to help Maitland Lions who had been cooking all night feeding the fire crews, also to catch up with Sandy Royal who is the Disaster Relief Coordinator. We cooked all day till late afternoon then packed up when the last fire truck was sent home, thank you and well-done Maitland Lions, also their new trailer performed well. Meanwhile the Adelaide Hills fires had started, Sandy and Rob were of again the next day to assess the situation, and set up relief centres in Highbury and with help of C2 Mt. Barker, and unfortunately fire crews and Lions had to work through Christmas, again thank you to all the Lions who helped out. And on behalf of the District a big sorry to Lions who lost houses in the fire, and do not hesitate to ask for help if needed.

Thank you Elizabeth and Playford Lions Club for a Very Merry Christmas party a very enjoyable night.

On a sad note we lost another Lion, Carlene Cook from the Minlaton Lions Club who passed away, I attended her funeral down in Minlaton on the 19th Dec. Carlene was one of 4 Lioness I inducted as a Lion a few years ago down in Minlaton.

January is going to be a busy month as well, I will be the attending Council Meeting in Sydney, also 1st VDG Tony will also be attending as this will be the start of his DG training before he goes to Chicago in Feb (Don't forget the gloves and Beanie it will be cold very cold and don't get lost in the snow) Also incoming Cab Sec Petrea Stacey will also be starting her Cab Sec training as well.

Again, thank you to all those Lions who helped in the fires, and unfortunately, I don't think these are the last of them. Anyhow you all have a HAPPY NEW YEAR.

WALLAROO LIONS HOSTS DISTRICT GOVERNOR'S DINNER

During this year's Lions District 201C1 Convention, The Wallaroo Lions hosted the District Governor's Dinner at the Wallaroo Community and Sports Club, with 113 guests attending in the spirit of fellowship. These Conventions are an important way for Lions members to share ideas, catch up with old friends, meet new friends and celebrate the year's achievements.

It was a special night, with a cheque for over \$32,000, donated by local Lions clubs and individuals, being presented to CEO of Australian Lions Foundation, PID Tony Benbow, for the National Disaster Appeal Fund, to aid those so recently affected by bushfires throughout Australia. A timely donation; given the recent devastation experienced by the people of Yorktown, Edithburgh and surrounding areas. Raffles and money envelopes were also run on the night, with those funds being added to the appeal as well. The generosity of all who attended spoke volumes on the success of the night.

DG Kevin

Masters handed out Certificates of Appreciation to the committee members, who worked tirelessly to bring the 3 day Convention together, with both Irene de la Haye of Wallaroo Lions and PDG Glenn Herbert of Bute Lions, receiving well deserved International Presidents Certificates of Appreciation, acknowledging the huge amount of work and hours they both committed to the Convention.

An International Award was presented to PDG Carlene King OAM, on her retirement from the Global Leadership Team, acknowledging her dedication and contribution to the team for over 30 years.

Members wish to thank the members of the WCSC for helping with setting up and serving, Cathy Vluggen for co-ordinating the event, Greg and Brian (our barmen), Wendy and Al for the lovely meal, Makin' Tracks for the great entertainment, and all of the businesses and individuals that donated prizes for the raffle. Well done! A fun night

was had by all.

Please remember, if you have any interest in joining Lions, the Wallaroo Club would love to hear from you. There is always room for new

MORE FROM GILLES PLAINS—BBQ AT MARGARET IVES CHILD CARE CENTRE

Good day with fun, yes we did our last for 2019 and it was full of laughter just how it should be. Well In one of the photos is Nicole and she required information on how to cook a BBQ for her daughter.

As daughter said mum sucks at it so she inquired and Lion Joe helped her out.

We asked her permission to take her photo and asked her name its Nicole she and cooks on a Webber Q.

Oh and there it a couple of odd balls in there too but that's life you have to be happy and that's what we are

With over 30,000 members, Lions Australia is Australia's largest service organisation dedicated to supporting others in key service areas such as disaster relief, health and medical research, youth development and environmental issues.

On Saturday 7 March 2020, thousands of Australia's most dedicated and hard-working volunteers will be on deck to let you know more about what Lions Australia does.

After more than a century of helping others, we know our role as a service club is only becoming increasingly important.

It may be providing emergency relief during natural disasters or supporting farming communities during drought, supporting critical medical research into childhood cancers and diabetes, or working on local environmental programs – the work of all of our members is valued, and critical.

We hope you'll take the opportunity to join us at one of the many events that will be held across Australia, talk to a Lion and ask them why they decided to give some of their time and effort to help others.

That's why we are taking the opportunity to tell our story on Lions Awareness Day. We want the rest of Australia to know more about what we do and the causes we support.

PORT AUGUSTA HAS NEW CATERING FACILITY

With the purchase of our new food van and grant monies from ALF things have been moving quickly and the van was used for its maiden outing at the pageant last Friday night. There are still some things to be completed such as sponsorship badging and setting up the doughnut machine. Whilst we have spent money on new tyres etc. the additional good news is that we have sold our old chip van to the Tea Tree Gully Lions Club. *(For sale notice appeared in last Bulletin)*. The handover happened at Red Hill yesterday and we wish them well in their endeavors' with their new van.

2019 LIONS GUMERACHA SHOW & SHINE REPORT

The 8th year of this event proved again to be successful with a large number of never entered before cars and motorcycles. The weather was excellent with a top of 23 degrees.

The day officially commenced at 11am with the 101 year anniversary of the Armistice. We recognized the fallen from our clubs.

The Lincolns provided top rate dance music which had the dance floor filled to capacity at all times.

After paying for minimal expenses to stage the event we were left with \$2300 which we donated to Camp Quality, our 2019 beneficiary.

The Lions clubs of Golden Grove and Torrens Valley catered for the food and drink. Coffee and Ice Cream vans were onsite as well.

Without the support of our sponsors, putting on a show like this would be impossible and my gratitude goes to Shannon's

Insurance, Adelaide Car Valuations, Marque Restorations, Vili's Family Bakery, The Wanderer's Rock & Roll Car Club, Cruizin' Magazine, Bob Jane Modbury, Auto One Clovercrest, Meguiars, and Wheel Masters.

Finally, I have to say a big thank you to the entrants. Without entrants you don't have a show. This year saw a lot of new cars and bikes. We thank you for your support and attendance.

Yours faithfully,
PDG Peter Panagaris Event Co-ordinator

CAMPAIGN | 100
LCIF • EMPOWERING SERVICE™

Currently, there are over 100 bushfires burning across the country, 55% of these bushfires are uncontained. As temperatures continue to rise as we head further into summer, the risk of these conditions worsening increases exponentially. As of the 19th of December 2019, the NSW Premier has declared a State of Emergency in response to this current crisis, and bushfires raging across Victoria, South Australia, Queensland, Western Australia and the Northern Territory approach critical levels.

To date, LCIF has granted in excess of A\$160,000 towards bushfire relief and the purchase of water tanks. This response by LCIF will assist displaced families and elderly Australians return to their homes in time for Christmas.

How can you help?

Donating directly to LCIF is the quickest and easiest way to get involved, and ensure that efforts to assist people affected by bushfires are continued.

Donations should be forwarded to your District Treasurer in the usual way.

They can be designated in one of two ways.

1. Disaster Appeal
2. Area of Most Need

If you choose "Area of Most Need", you will be credited for MJF and PMJF.

Your donation will also count towards the Campaign 100 program.

Lions of Australia, let's help these families get back into their homes as soon as possible.

NEWS FROM ONKAPARINGA LIONS

GIFTS FOR THE CHILDREN

Traditionally, members of the Lions Club of Onkaparinga have brought presents along for each other when they get together for their annual Christmas dinner. The one night in a busy season that they party among themselves. But the past two years have seen a difference; instead of gifts for each other, they have assembled a swag of presents for children going through crisis in our northern suburbs.

Past president Lynn Howard found the need existed when she moved address to Hillier, and her fellow members were delighted to be able to support her in helping make Christmas more enjoyable for families associated with the Northern Domestic Violence Centre - for a second year in a row. In addition to a Lions Santa sack full of toys for the children, the club this year also gave a sponsorship cheque for \$1,000 to help the group... proceeds from another successful year of raising funds in their charity Shed at Woodside.

Onkaparinga Lions Lynn Howard, left, Andrew Mann and Roz Bowering parcel up the Christmas gifts for children impacted by family violence. The presents were gathered unwrapped to help the group in distribution.

A man was driving down the road and ran out of fuel. Just at that moment a bee flew in his window.

The bee said, 'What seems to be the problem?'

'I'm out of fuel' the man replied.

The bee told the man to wait right there and flew away. Minutes later the man watched as an entire swarm of bees flew to his car and into the fuel tank. After a few minutes the bees flew out.

'Try it now' said one bee.

The man turned the ignition key and the car started right up.

'Wow!' the man exclaimed 'what did you put in there?'

The bee answered "BP!"

AUSTRALIAN LIONS HEARING DOGS.

2020 – A very Happy (& busy) New Year.

Here we are January 2020, our New Year has started with a rush. We're up to "our ears" and "doggy ears" training our next group of Australian Lions Hearing Dogs that are currently in various stages of training, some just beginning their journey, whilst others are part way through, and several are in the final stages before delivery.

It's wonderful to see the look on the new owner's face when we arrive, and then at the end of the week as we leave, they know we will not forget this dog we've trained and delivered, nor do we forget the owner. We're always there if they need us, only a phone call away any time.

Multiple District 201 Convention - Adelaide SA. From 15th – 18th May 2020.

How time flies – 4 months to go. Mark your Calendars and Diaries now so you don't forget. We hope as many Lions and Partners as possible Australia wide will come to Adelaide to: **"Meet us in May."**

Lions **"Make a Date" to visit our ALHD stand at Convention**, where we'll have trainee Australian Lions Hearing Dogs in

attendance and you're encouraged to meet and greet our staff members all weekend, and you never know, you may also find some of our Foster Puppies and their Carers there too. Then we would love you to **"Make the Time" to visit our Training Centre.**

There will be organised tours through our Training facility on both Friday and Saturday which will include dog demonstrations, and for anyone unable to make it on one of the tours during Convention, we plan to open the training centre to all who wish to visit on the days following the Convention. We've made several opportunities available for Lions and Partners to learn more about the ALHD Program during and after the MD Convention, so now it's up to you to **"Take up our offer"** whilst you're in Adelaide. **What are you waiting for?** See you soon!

Celebrating over 20 Years Service to Australian Lions Hearing Dogs.

Former CEO PCC Bill Holmes OAM retired in 2016, and was presented with the first "Bill Holmes" award. This new award was created as a way for ALHD to acknowledge those who support, promote and contribute to the program in the same spirit that Bill has for over 20 years.

Linda Harvey: received her award on 9/10/16 at our Open Day. Linda started work at the training centre in 1996, and has trained numerous dogs, however her two favourites were kelpie crosses named Copper & Lexy. She said it was a pleasure to work with them. Linda believes our program at ALHD is amazing, & feels very lucky and incredibly proud to be part of it.

Belinda Henschke: her first role at ALHD was Kennel Manager in 1999 before becoming a dog trainer. Her first dog to train and deliver was Isabella in 2000. Early this year Belinda completed 20 years service to ALHD and was presented with a "Bill Holmes" award. She is now the ALHD Office Manager and will have a hands on role in pushing the training centre into the exciting future.

Mary Knight: celebrated 20 years with ALHD on 1/11/2019. Starting as Kennel Manager before moving into dog training. Mary has been involved in over 100 placements, with 70 of those being dogs she has personally trained. In the last 18 months Mary has been instrumental in developing our Puppy Program, and utilising her vast experience to help ALHD grow. Mary received her "Bill Holmes" award at the recent Christmas Luncheon.

Congratulations to our staff members above. So proud you're on our team!

Catch up again next month.... *The Board of Directors, CEO & Staff.*
