Hi There

Starting with a sad note PCC Lance Gliddon passed away, this makes three great Lions who have passed this year (Garth Beckwith, John Tayler and now Lance). PDG Lance Leak and PDG Carlene King and 2nd VDG John Barnes attended the funeral in Pt. Pirie.

Myself and 1st & 2nd VDG's are still working our way through club visits, I am still doing Metro club, but did go over to visit Pt Lincoln LC and was well looked after By ZC Gavin Roberts.

Hope to have all club visits done by Nov. Then this will leave me clear to do other club visits in the District later in the Lions year.

The Mawson Lakes Lions Branch Club members have all but been transferred to Salisbury LC and I have Inducted the new board for the club. We wish them well on their on their new path as a Lions club

Most clubs would have received the list of prospective members that were gathered at the booth in the Royal Show this year, we seem to have few strikes bit a lot of misses, it will be interesting to see what the outcome will be

I did my stint as donut cooker with the Wallaroo Lions at the York Peninsula Field Days. It was good to see all the other clubs there, Kadina, Bute Stansbury Dalrymple Maitland.

2nd VDG John Barnes attended the C2 Convention in Mt. Gambier in my place as I had to attend a wedding on the same day.

The Convention is getting closer I hope you all have your registrations in it will be a great weekend. Convention Chair PDG Glen Herbert and his team have been working hard to make it a great convention, the Guest Speakers will be PID Tony Benbow and Blair Boyer MHA (Member for Wright) Unfortunately DG Tom Kimber and Gill will not be attending the Convention as he also has family commitments also, in his place will be 1st VDG (elect) Daryl Morley, please make him welcome.

Membership we are 1220 not quite there but 1st VDG Tony says we will make the magic number by Dec. Please do all can to help him, other districts are also improving as well.

As this will be my last report before Christmas, I wish you all Merry Christmas and a Happy New Year but above make it a safe one! And see you all next year.

DISTRICT CONVENTION AT THE COPPER COAST

District Convention is moving closer, this year it is being hosted by the combined clubs of the Copper Coast: Bute, Kadina, Moonta, and Wallaroo.

As you know Wallaroo is the home of our current Governor.

The Copper coast is a much loved holiday location of many South Australians and has lots to offer as a destination of choice. Pristine beaches make swimming, fishing and kayaking activities that can be enjoyed, you may choose to add a few days of relaxation before or after convention. Discover the Cornish mining history of the area.

The Keynote speaker this year is Tony Benbow OAM, who has completed a two year term as an international director for Lions International. He is sure to be both interesting and motivational speaker.

Follow the links to convention website or fb page.

SPECIAL INITIATIVE at CONVENTION

You will all be aware that the Bushfires in Northern NSW and Queensland have had a devastating effect on the lives of many of our fellow Australians. We are asking that all clubs make a donation, no matter how small, as every little help, to the National Disaster Appeal Fund, as detailed in the Australian Lions Foundation Newsflash which was distributed to clubs recently. Bring your donation, or pledge to the Convention and see how much we can collectively raise. Funds will then be forwarded to the Australian Lions Foundation Disaster Appeal, and as PID Tony Benbow, Chairman of the Australian Lions Foundation will be our Keynote Speaker at the Convention, this would be an ideal time to make a presentation to ALF from the Clubs of our District.

BEEN BUSY AT WEST BEACH CLUB

On Saturday, 28th September 2019, the members of the West Beach Lions Club came together to give the residences of Disability SA's Parkhouse Avenue, Seaton property a helping hand with a full garden makeover.

The backyard was a dust bowl in the morning and by lunchtime, a planter box had been installed, including a veggie garden; area leveled out with lawn planted; garden bed mulched with paved area.

The garden beds along the driveway were weeded; tidied and mulched.

The front garden was weeded, mulched with easy care bushes planted.

Neighbours also gave the members a helping hand with mowing the footpath, lending tools; and then the footpaths were weeded and mulched.

On this occasion we also had a volunteer, Phillip Stamatelopoulos help us with the project.

Also, we had a visit from Spud, Lions Hearing Dog, who has been hosted by President Zig and his wife, Lion Jennifer for the past 5 months.

DONUTS DO IT AGAIN AT WALLAROO

Seven members of The Lions Club of Wallaroo took their Donut Van to the Illuminart show held on August 16. We cooked donuts and chips for the amazingly patient crowd for two hours; with a wait line was so long I couldn't see the end of it when taking orders. At least the patient munchers were able to enjoy the show while they waited.

Well done all who attended the show, and to our small but committed group of members for manning the Van for the evening. The \$900 raised in that 2 hours was donated straight to the New Year's Eve Committee, with President Keith Brooks presenting a cheque to Brett Gill of the New Year's Eve Committee, supervised by our Administration guy, Peter Hatcher.

It was a great example of the community dollars raised, benefiting the community, to ensure all will get to enjoy a fantastic New Year's Eve celebration. Well done everyone involved, especially those patient children and parents.

With thanks
Barb Newman, Secretary, Lions Club of Wallaroo

LIONS SANANANDA PIGGERY PROJECT

Sanananda Village Piggery Report October 2019

Gilles Plains Lions Modbury Lions, Rostrevor Lions, Charles Sturt Woodville Hindmarsh Lions, Prospect Blair Athol Lions, Athelstone Lions. Special Thanks to Lions Joe & Jane Gilles Plains, Lion Deborah Swamidoss Gilles Plains

Sanananda Village Piggery was established in September of 2017, 7 pigs were purchased 2 Males and 5 females and put into the care of John Awari who is the son of the late Albert Awari Chief of the village.

Soon after this one pig ran away and another died!

Probably from stress.

This year September of 2019 I returned to Sanananda Village to check on the progress as there has been a communication problem and I have been worried sick about the project, but after talking with one of the elders Dixaford I was given information which was later confirmed when I sat and talked with John Awari. Situation is that the 5 pigs are now numbered 34 Yahoo

There has been a few used for various reasons

The education of one student

Medicines for the village malaria tablets

Running maintenance for the generators yes the old and the new one.

Clothing for the family.

The wake of an elder

All of these things were confirmed when I talked to both separately.

I also discussed the management of the baby pigs born and trading the males to another Village to protect from in breeding, they have also established a new stronger pen which will be used to pen the breeding females.

I told the people in the village that I was very happy with the project and it is doing what I set out to achieve.

Bringing them wealth and opportunity

With the success of the piggy in the village I have had a similar request from villagers on the other side of the lagoon for help maybe in the way of a smaller piggery working on the same principals which would mean a donation of \$1000.00 to establish 2 more small ones, with the outcome from Sanananda and what it has done for the village word has spread.

RECYCLED GLASSES

My trip to the village was also an eye opener hahahahaha

Yes I took around 150 pairs of glasses to the village and with the help of a school teacher Caedmon Jr. And his sister Renee I was able to give better sight to all that received the gift of sight, for this I give thanks to Lions Gilles Plains for believing in me and the projects I dearly support.

The village can now see a brighter future.

Lions Lance Crook

Lions Club of Gilles Plains Inc

It was very rewarding when I unpacked the box of Recycled reading glasses and asked two people in the village to help me, Renne and her Brother Caedmon Jr. Caedmon use to be the head master of the Sanananda Elementary school.

All I can say is that I cried seeing all those people that couldn't afford to have glasses and now can read their Bible and smile Knowing someone cares. What a fantastic experience being part of Lions and remembering those words

GUEST VISITS PORT LINCOLN

This should be interesting. Our guest speaker, Michael Wynne, (would be known to some Rocky River Lions) had live props including Grettel, the 8 foot python, who Gavin got close to.

Zone Chairman Gavin Roberts (Zone 10) tries to entice a new member to join Port Lincoln Lions

The old man stood over his wife's bed shaking her awake. 'It was a miracle! He shouted, when I went to the bathroom just now the light came on, though I hadn't touched the switch – and then, when I had finished, the light went off again, all by its self. I tell you it was a miracle!'

It wasn't a miracle, George; his wife sighed, 'You've just peed in the refrigerator again.

"Doctor, can you give me something for my hands – they are shaking all the time".

"Do you drink a lot?"

'No doctor I spill most of it'.

Thank you Port Augusta

MESSAGE ABOUT ALHD OPEN DAY

Good Morning All

Please find attached some pictures from our Open Day compiled by Lion Maureen Capizzi. Our Annual event occurred on Sunday the 22nd of September.

On the day there were more than 700 people in attendance despite the weather putting a bit of a dampener on the day. This was by far the biggest attendance that we have had in a number of years. We had new sponsors on board, Mt Barker Pet Care Centre and Black Hawk who are now our nutritional sponsors for ALHD supplying premium dog food free of charge. They also gave out over 450 free show bags on the day. Additionally to this we had the Australia Hearing Bus to do hearing checks as well as Alpaca patting and our Foster Pups.

Many market stalls on the day added to the event and they were well supported by the visitors on the day.

Kind Regards

A mother took her five year old son with her to the bank during the busy lunch time. They got behind a very fat woman wearing a business suit and complete with pager. After waiting patiently for a few minutes, the little boy said loudly, "Wow she's fat". The mother bent down and whispered in the little boys ear to be quiet. A couple more minutes passed by and the little boy stretched his arms out as far as they would go and announced, "I'll bet her bum is this wide". The fat woman turned around and glared at the little boy. The mother gave him a good telling off, and told him to be quiet. After a brief lull, the large woman reached the front of the queue, Just then her pager began to emit a "beep, beep, beep" The little boy yelled out "Run for your life—she's reversing".

VOLUNTEERING VS. LIONISM, A DIFFERENT APPROACH

There is a difference between asking someone to volunteer, and asking someone to join a Lions Club. One volunteers at a soup kitchen for an evening, or walks to raise money for the needy or joins in to help out a neighbour at no cost and then they are done. We are asking people to join us in a club, pay dues, attend meetings, embrace traditions, attend conventions, buy clothing, climb ladders, attend training sessions, join a family, socialise and become a Lion for life.

Comment from PDG Megan Butler

SALISBURY LIONS CLEAN UP PROJECT

Several members from the Lions Club of Salisbury gathered on Sat 26th Oct to collect rubbish and debris from the area surrounding Mobara Park in

Mawson lakes. This project is becoming a regular activity for the members who were formerly Mawson Lakes Branch Club members. Congratulations on the initiative.

A father and son went fishing one day. After a couple hours in the boat, the boy suddenly became curious about the world around him.

He asked his father, "How does this boat float?"

The father thought for a moment, then replied, "Don't rightly know, Son."

The boy returned to his contemplation, then turned back to his father, "How do fish breathe underwater?"

Once again the father replied, "Don't rightly know, Son."

A little later the boy asked his father, "Why is the sky blue?"

Again, the father replied. "Don't rightly know, Son."

Worried he was going to annoy his father, he says, "Dad, do you mind my asking you all of these questions?"

"Of course not, Son. If you don't ask questions, you'll remain ignorant and never learn anything." Thank you Modbury

LCIF \$2 DROP PROGRAM ANNOUNCEMENT

At the September 2019 Council Meeting, I presented to the attending Governors a new fundraising program "The LCIF \$2 drop programmer" and encouraged them to promote this program to the clubs they visit, at their Conventions and through the LCIF District Coordinators.

The program is designed to encourage Lions members to support LCIF and also to approach members of the public to help in our humanitarian efforts.

The folders and inserts outlining the operation of the program and provide subject matter on what Lions do for the community and enable discussions with a wide section of the community, including friends, family, neighbors, ships, doctors, dentists etc.

A \$2 donation per week for a year raises over \$100, which is a tax deduction. With a Lions population of 25,000, even if 50% participation rate, 12,500 members and each Lion participating obtaining two people, this would raise \$50,000 per week or over \$2.5 million per year. This will also assist with Lions in Australia and around the world in their endeavors to raise \$300 million to serve a world in need. As challenges facing our world expand, so must our capacity to combat them.

To build a future comprising even greater service impact, LCIF, your international foundation will expand Lions commitment to our communities empowering service.

TODAY 253 million individuals are blind or visually impaired 2/3 of children report being victims of bullying.

EVERY 2 MINUTES a child is diagnosed with Cancer.

EACH NIGHT more than 800 million people go to bed hungry

EVERYDAY 245 people die from measles.

Many say the world's need are too great. Many say there's nothing that we can do. Lions say "WE SERVE" – we are 1.4+ million men and women strong. We are Lions – Alpha and Omega. We are Lions Clubs International Foundation, the only foundation to empower the service of Lions on a global scale.

As you can see with a little bit of heart and effort, we will make a difference.

Not only is this program a fundraiser, it also provides a great opportunity while talking to the public about what Lions do in the community to invite new members to join the organisation.

Please note – To enable Tax Deduction you must record the name and address of the donor as per the Q&A flyer.

Lou Onley OAM

Past Council Chairman, LCIF Australian Area Leader.

Weekly Deposits, Positive Impacts

Convenient location. Deposits that grow. Bankers who share your savings goal. That's \$2 Drop.

While \$2 Drop branches will never dot street corners across The Great City and Plains, \$2 Drop is open for business to Lions of Australia! With convenient weekly deposits and powerful annual yields, \$2 Drop is the simple way to ensure your service through your saving! Here's how:

- **TAPE** a \$2 coin to this bank book each week. Set your bank book somewhere noticeable, and make your "deposit" the same day each week so saving becomes routine. Some months you'll save four \$2 coins, some five.
- **TAKE** this bank book to your "banker" – your club LCIF coordinator, president, or treasurer – each month. Your \$2 coins go to the Lions Australia Fund for LCIF, then to LCIF's Empowering Service Fund. Then, take a new bank book and begin another month of saving!
- **TALK** with Lions and others about your savings plan, which supports **Campaign 100: LCIF Empowering Service**. Your weekly \$2 gift and annual compounded savings will make life-altering impacts in Lions' global cause areas.

1 \$2 drop a week. 52 \$2 drops a year. Annual yields with impacts like these.

CITY OF ADELAIDE CLUB

The 30th Annual Lions Children of Courage Awards SA 2019 marks the 30th year of The Lions Club of the City of Adelaide running these special awards and what an honour it is to be able to recognise these amazing children alongside the Governor of South Australia at Government House once again this year.

These Awards recognise the tremendous effort made by children living with a disability in overcoming their personal challenges. These Awards also recognise the love and dedication of the parents and guardians of these children for their total devotion in supporting their child's development and to reach their goals.

Each child nominated was presented with a special medalion by His Excellency, the Honourable Hieu Van Le AC Governor of South Australia, in the Ballroom at Government House on Wednesday October 9th, 2019.

We also have three (3) special awards that are judged and presented. The judges for the 2019 awards were Libby Kosmala OAM, Patricia Brougham and Neil Sachse. We sincerely thank them for performing this task again this year, it certainly is not an easy one. Each nominated child is deserving.

This year, we received twenty-three (23) nominations from a range of organisations, with nominators including physiotherapists, speech therapists, occupational therapists, social workers and many more. Nominations came from across metropolitan Adelaide and regional parts of South Australia.

We look forward to continuing these awards and holding our 31st Lions Children of Courage Awards in 2020.

GUMERACHA SHOW AND SHINE

The Lions Gumeracha Show & Shine will officially finish this coming **November 10th**. The show has become quite dependant on a lot of time that I don't have at the moment and it will be taken over by a reputable car club which will grow the event even further. The Lions clubs of Golden Grove and Torrens Valley will have the rights to continue selling food and drink for the foreseeable future. The name will change with Lions being removed from all advertising material. It has been a great honour to have worked this event with my fellow lions who have shared the passion of all things automotive. It served as a vehicle for fundraising but even more as an event that promoted fellowship and bonded clubs and members together.

Several thousand dollars have been donated to various support groups such as Defence Force families with children requiring special medical needs, the View Club, Salvation Army, The Smith Family and Camp Quality. It also served as a great promotional vehicle for Lions medical screening programmes such as Blood Sugar, Blood Pressure and Skin Cancer screening. Over the past 7 years quite a few people have been diagnosed with a high risk indicator and encouraged to see their doctor for continued monitoring and treatment. Thank you to all of the doctors and nurses who gave freely of their time, labour and means to perform these tests.

In closing I wish to acknowledge all of the people who made this event possible. You know who you are and I sincerely thank you. My committee need to be named individually for their input and service. Lions, Graeme Pascoe, Warren Hendriks and Ray Johnson. Lion Ray Johnson from the Torrens Valley Lions club and myself will continue to support this event with the new caretakers until they don't need us anymore and can manage the event on their own.

Yours in Service,
PDG Peter Panagaris,
Event Chairman

ROYAL SHOW BOOTH REPORT

This year in conjunction with C2 we jointly had a Lions booth at the Royal Adelaide Show between the 30th August and 8th September. The booth was manned each day by 12 Lions, 4 by each District in three shifts. The support given to this project by the individual clubs from both Districts was the best I have seen since becoming a Lion 10 years ago. On behalf of the Cabinet I thank each Lion who assisted this project.

This project was successful on many counts. It allowed Lions to tell the community of our varied and interesting community projects. It allowed us to distribute information at the five Citizenship ceremonies held between Monday and Friday at which over 350 persons became naturalised and to start a relationship with the Home affairs Department of the Commonwealth Government, which we hope will become beneficial to our Districts as the relationship develops. In addition we gained some new members, not as many as we would have hoped, but we most certainly planted the seed and should reap the benefit in coming years.

It is a project worth considering doing again with a little bit of tweaking to try and achieve an even better result

Lions Australia Public Liability Insurance Certificates of Currency

These Policies expire on the 1st September each year, and the 2019 – 2020 CoCs are now available and can be downloaded from www.lionsclubs.org.au/insurance go to Forms & Certificates. Remember, if any Property Owner requires a Certificate that includes their name as An Additional Named Insured, you must send their full Name(s) and the date and the location of the Activity to be and I will send the appropriate certificate.
