Dear Lions

It is pleasing to see our district starting to move forward as most clubs are now out of hibernation, despite Covid-19 restrictions that are still upon us.

Membership is increasing as many new members are being inducted in several of our clubs, both metropolitan and regional. It is imperative that this continues as the District strives to attain and exceed the magic number of 1,250 members.

It is disappointing that we are unable to have the District Convention due to the main venue at Peterborough being unavailable due to Council Covid-19 restrictions. We did try to move this to a neighbouring town, but the facilities were unsuitable.

In place of the convention, we will be having an annual general meeting at Port Pirie on Saturday, 17 October 2020, where elections for elected cabinet positions and notices of motion will take place.

We must maintain, at all times, a positive attitude to combat the various difficulties that these uncertain times challenge us with.

One of the most important things that Lions must continue to do is to respect the opinions of all Lions. When making decisions, keep in mind the interests of our individual Clubs, District and Lions Clubs International. At times, some decisions will be made at all levels of the organisation which we as individuals might disagree with, but the majority collective view of your Club, your District and Lions Clubs International must prevail and be fully supported.

All clubs are urged to have a Covid-19 Plan and to have appointed a Club Safety Officer/ Covid Marshall.

Keep safe and I look forward to meeting many of you during my District Governor visits.

Tony Pederick OAM

District Governor

CONVENTION CANCELLED

Please note that the 201 C1 District Convention at Peterborough between 16th and 18th October 2020 **has now been cancelled** due to the local Council's Covid-19 restrictions.

The Annual General Business of 201 C1 District will now be held at Port Pirie on Saturday 17 October 2020 commencing at 10:30am at which delegates will vote on all elected positions and Notices of Motion which had been submitted for the District Convention.

A copy of the agenda for the AGM will be sent to all Lions Clubs in District 201 C1 after the cabinet meeting on 30 August 2020.

Kind Regards,
Tony Pederick OAM
District Governor

LIONS CLUBS INTERNATIONAL FORWARD

Congratulations on serving over **275 million people!**

Five years ago, we created LCI Forward, a strategic plan to serve 200 million people around the world each year before 2021.

That may have seemed like a lofty goal, but when Lions come together, we can achieve great things. And today we're celebrating because we've not only hit our goal — we've surpassed it.

This year, Lions far and wide have served more than 275 million people. But what does that actually look like?

Let's break it down.

5,734,744
people served through vision screening

4,361,416
people served through environmental clean up and restoration projects

14,756,467
people served through food collection and meal preparation

2,925,727
people served through education, literacy and reading programs

1,377,427
people served through clean water and sanitation

600,000
people served through Lions Quest programs

2,278,223
people served through childhood cancer awareness, education and advocacy

1,337,746
people served through type two diabetes risk awareness and screenings

5,762,256
people served through tree planting and tree care

2,172,113
people served through eyeglass collection and recycling

31,410
people served through trachoma surgeries

8,500,000
people served through river blindness treatments

And that's just a fraction of the work our Lions have done this year.

Together, we're making our communities and the world a better place. Celebrate this momentous milestone with us — we couldn't have done it without you.

PUBLIC RELATIONS STRATEGY

6 Tips For A Strong PR Strategy

Planning and hosting a promotion takes a lot of work. Sure, the days and nights of putting together and executing an event are important, but if no one shows up, then all that hard work is for naught. That is why having a strong public relations strategy can make a forgettable event into something people are talking

about for months.

"It's exciting to put on an event, and there are many elements involved in creating a successful one, including promoting it.

1. Execute. Execute. Execute. Execution should be The Public Relations Officer and Clubs top priority. Promoting your event is only as good as the event itself. "Just as much effort that is put into promoting the event should be put into the execution. You want to ensure your guests have a great experience after all the time and money spent on getting them there."

2. Make friends with the media. "Reach the media in a creative ways, it is suggested creating a special VIP pre-event for media so they experience the event beforehand, for the big events examples are our GLENDI and The GUMERACHA SHOW N SHINE. Are they able to speak with participants? What will get them to cover the event for their outlets; the event to "create buzz." For example, using current Media interests, what are the stories going around, Disasters, Health related stories etc..

3. Be innovative. "Continue to keep your Club innovative with new ideas, including charity partnerships, industry events or juxtaposition events." Thinking outside the box creates an opportunity for added publicity.

4. Form a long-lasting bond with PR agencies. Do not wait till the last minute to start building that relationship with your local News Paper or Radio station, Start interest by these agencies before events, get their interest levels to a point where they are willing to listen and even come to you for that next story. Work with the media's lead time to garner pre-publicity for events to reach their and your audience."

5. Create buzz. Social media, *the great-untapped resource by most of our LIONS Clubs*, can build excitement around an event. The use of social media like "Twitter, Facebook and Instagram" to promote your event are becoming paramount. They are "all great platforms to reach your audience and share exciting events and details," and they work. Remember our younger audience lives on these media.

6. Have a game plan. Above all else, you and your Club should include a PR strategy into your promotion planning. "Make sure you go into any opening, event or promotion with a strategic plan, including marketing, publicity and execution." This planning should also be part of your strategic plan to grow and promote your Club throughout the year.

REMEMBER: If you need any help, we now have a PR Committee in our District that are more than willing to guide and help you. All you need to do is ASK!

GILLES PLAINS FAREWELLS LONG SERVING MEMBER

Long Serving member Lion Nancy Marchant was farewelled by members of the Gilles Plains Club at a recent meeting. Nancy joined Lions on Nov 1st 2002 and was one of the first women to join our club. Nancy went on to be club President for two years (2009 to 2011) and was a regular helper at Bunnings Barbecues for many years. She proudly accepted a James D Richardson Honour Award in 2009. Nancy was well loved by club members and enjoyed her company at many Lions functions that were held during the time of her membership. Nancy was presented with a Certificate of Appreciation for her work with Lions and as the photo shows club members gathered to wish her farewell. Nancy stipulated that she was not resigning but "retiring" and we wish her well in her retirement. A recent involvement was the knitting of beanies for Hands of Hope Foundation and Anglicare which she hopes to continue in her retirement. Thank you Nancy for your commitment to Lions and to the club. Members intend to keep in touch and to keep you informed.

Submitted by Ted Osborn, Immediate Past President, Lions Club Of Gilles Plains Inc.

AROUND THE CLUBS

GOLDEN GROVE NEWS

The Lions Club of Golden Grove conducted its Handover Dinner on Tuesday 28 July at The Village Tavern. What a pleasure it was to finally get together for a dinner! Our members were so pleased to be able to attend our Handover, after being forced to delay it for a month due to COVID-19 restrictions.

Tony Zappia, federal member for Makin, proposed a toast to Lions Club International, and spoke highly of our service to the community, both locally and globally. In her reply, Paula Luethen, state member for King and member of our club, echoed Tony's remarks and thanked him for his longstanding interest in Lions.

GAT Chairperson Peter Korndorfer inducted the new Board of Directors, and DG Tony Pederick OAM spoke to us about his goals for the new year. We had PDG Megan Butler and Alex Coates, President of Salisbury Lions Club, in attendance also. A highlight of the night was hearing recipient, Adrienne Williams, tell us about how her Hearing Dog Merlin has made such a difference to her quality of life.

It was a great pleasure to witness the granting of life membership to Harry Webb. Harry has been our club President twice (2007-08 and 2018-19) and has also held C1 District positions, namely Zone Chairperson, Assistant Cabinet Secretary, Cabinet Secretary and Bulletin Editor. His enthusiasm and work ethic are second to none, making him a very worthy recipient of this honour. Harry was presented with his framed award and pin by DG Tony Pederick OAM, after Lion Graeme Pascoe OAM spoke about Harry's achievements.

Many other certificates were presented on the night, with Lion Tamer Warren Henriks giving out several humorous awards. There were raffle prizes for almost everyone, as our members generously donated so many.

The general opinion at the end of the night was that it had been a very enjoyable event, with delicious food and great company. We felt lucky to have been able to celebrate the past year's achievements together, and we are looking forward with optimism to another year of service.

A thief fell and broke his leg in wet cement. He became a hardened criminal.

ELIZABETH PLAYFORD CLUB EVENTS

Like most Clubs we have started our Face to Face meetings again, our first having been our June Supper meeting. The members found it fulfilling and exciting to be able to meet face to face once again, which was evident by the chatter during the meeting. This meeting allowed us to present PDG Megan Butler with her 30 Year Monarch, an amazing effort to serve your community for 30 year with Lions. "Well done Megan".

Our 1st works meeting in July was busy catching up on correspondence, updating Standing Orders and passing motions to support another ALCMF mobility device for a Child in Elizabeth Down for \$1,000.00 Elizabeth, also \$1,000.00 to the Northern Area Domestic Violence Service, also \$100.00 to ALDAF. We also authorised the purchase of a trailer for our annual Christmas Trailer Raffle.

In lieu of a Supper meeting in July we held our Handover Dinner on the 24th of the month, a fantastic event, with The Bottega Restaurant at Uleybury Winery opening especially for the night and we thank them deeply. We thank DG Tony and Marilyn, Lee Odenwalder MP and Jon Gee MP and his wife Wendy and President Alex from Salisbury Lions for their attendance. Other Guests of note where Kayleah who was our PDG Joan Ceely Book scholarship winner for 2020, the UBER cute Pandora the newest Foster Puppy for Bronte Cameron. A special thank you to PDG Don Pritchard for being our Master of Ceremony and installing the President and Board.

AROUND THE CLUBS

NEWS FROM PETERBOROUGH

On Saturday 25th July, Shirley, Vanessa and Judy enjoyed the District Governor's Handover in Wallaroo with other guests.

It was lovely to catch up with so many friendly faces after such a long break and during these challenging times. It was a great night.

Vanessa was Lions Hearing Dog Chairman on IPDG Kevin Master's Cabinet. Shirley was a Zone Chairman on his Cabinet, too.

Shirley continues on as Zone Chairman on District Governor Tony Pederick's Cabinet.

Vanessa and Judy then went to the Cabinet meeting on Sunday, as visitors, whilst Shirley attended the meeting.

Shirley, who is our Club's Convention Chairman, gave a report on the event to the Cabinet and encouraged everyone to attend.

Our low key 41st Handover, which was to have been held on Sunday 9th August, is now being held on Sunday 16th August at the Railway Hotel.

This will be a luncheon with Lions members and partners and a few guests. Members are looking forward to the Handover. More details next Bulletin.

Our Club decided to become host for the local Markets on Sunday 4th October over the Long weekend. This includes local stall holders with their own insurances. This would be subject to Covid-19 requirements.

Our small Committee for the Lions District Convention, continues to meet fortnightly in readiness for this exciting event for our Club and town, which is to be held on 16-18 October!! Make your booking now and don't miss out!! More details on the website!!

CONVENTION CHAIRMAN SHIRLEY DEARLOVE ADDRESSING THE GATHERING

What happened to the man who didn't know the difference between putty and toothpaste? All his windows fell out!

WALLAROO HOSTS D G HANDOVER

On Saturday July 25th, the Lions Club of Wallaroo hosted the District Governor (DG) Changeover Dinner at the Wallaroo Community and Sports Club (WCSC), where outgoing DG, Kevin Masters of the Wallaroo Lions Club, handed the reigns to the incoming DG, Tony Pederick OAM of the City of Adelaide Lions Club.

A formal affair, it proved an evening of celebration, with a fabulous 3 course meal, prepared and served by WCSC volunteers. Wallaroo Lions and WCSC members attended the bar, serving a welcome drink on arrival.

MC for the evening was Port Pirie Lion Lance Leak OAM, with the handover ceremony conducted by past DG, Megan Butler of Elizabeth Playford Lions. Funds raised from the evening were donated to Lions International: Campaign 100, as requested by Lance. Wallaroo Lions President Keith Brooks handed the *District Governor Home Club* banner to City of Adelaide President Petrea Stacey, and the new DG, Tony, introduced his cabinet, who were warmly welcomed by all.

Various awards were presented by DG Kevin, including the *James D Richardson Honour Award* to Wallaroo's Barbara Newman for 'Dedicated Service to Lions' and the annual *Footprints Award* to Stansbury's Chris Duncan. This award was put into place by PDG Lyn for a person who 'Works consistently in the background' for the cause of Lions in the C1 district. Congratulations to all of those who's dedication to Lions ethics were acknowledged on the night. Kevin Masters presented Tony Pederick the C District gavel and gong, officially handing over District Governor responsibilities to Tony.

As a token of his appreciation, outgoing DG Kevin presented each of his Cabinet members with a lovely keyring from the Milan convention.

All in all, an enjoyable and entertaining night for everyone. Many thanks to those that participated, especially the gals and guys of the WCSC, with a special thanks to Cathy Vluggen for her efforts in ensuring the evening was a great success.

AROUND THE CLUBS

FIRST BUNNINGS BBQ FOR GILLES PLAINS CLUB

On Sunday 25th July, Gilles Plains Lions were invited to conduct a sausage sizzle at Bunnings Windsor Gardens. The was conducted under the new rules set by Bunnings.

Club members worked with a Bunnings staff member and things went well. The public was glad to see BBQ's back.

When she saw her first strands of grey hair, she thought she'd dye

ANOTHER NEW MEMBER FOR SALISBURY

Congratulations Blair Boyer MP!

Today at our Breakfast Meeting at the Mawson Lakes Hotel and Function Centre, we were pleased to induct a very special new member - Blair!

Great to have one of our local State Members of Parliament join our club. He was sponsored by Beau Brug and inducted by our new President Alex Coates!

We are so excited to have you join us and look forward to seeing what you will do for our community through Lions!

SOME ONE-LINERS FROM COWELL CLUB

This lock-down is getting old and frankly I've had enough. I've discussed the matter over a cup of coffee with the kitchen sink, and we both agree that the experience is draining.

I didn't mention anything to the washing machine as she puts the wrong spin on everything.

The door knob was more forthcoming - told me to get a firm grip on the situation and move on.

The front door declared I was unhinged and so the curtains told me to.... you guessed it right - pull myself together.

Then the chair told me to table it, and the table remarked I didn't have a leg to stand on.

When I told the table to break a leg, the mirror said that my comments reflected poorly on my thinking.

NEWS FROM MODBURY CLUB

TREES FOR LIFE

A property at Manoora was the recipient of our trees this year. Of the ten boxes received, we had twelve different species. A couple of varieties did not germinate as we would have liked, but others flourished. After last year's success of "no backups required", we needed to top up a couple of species. Where possible, we planted an extra box rather than replant from multiples later. We finished with approx. twelve boxes of trees. Some varieties still had some growing to do, but overall, it was a good result. The trees were collected by the property owners in early June. Thanks to Peter for his assistance with a special thanks to Merv who again recruited assistance from his Village to assist with their green thumb skills

S.P.S.A. (South Pacific School Aid) report they have just dispatched six pallets of school books and resources to the Solomon Islands and Tonga. This makes 26 pallets of books, etc, sent this year, despite having been closed for 12 weeks. In addition, many cartons of school uniforms collected by our Graham and Liz from Pulteney Grammar and other schools will be shipped along with books to various countries. Our financial support of S.P.S.A. is appreciated by the volunteers at Underdale, and the schools in developing countries that benefit by their efforts.

The professor discovered that her theory of earthquakes was on shaky ground.

AROUND THE CLUBS

PORT PIRIE HANDOVER AND DONATION

The Lions Club of Port Pirie roared into action after a brief hiatus due to the Covid-19 pandemic and donated three new heart holer monitors to its local hospital.

The monitors are a small wearable device that record a patient's heartbeat remotely, without the need for a stay in hospital.

When accepting the equipment from the club at the August dinner meeting, hospital representatives said they previously had a waiting list to use the devices.

The hospital thanked the club for their generous contribution, and for the work it does in the community.

The club thanked the Adelaide Chapter of the Heathens Motorcycle Club and the Gladstone Community Service Group for contributing \$4000 towards their fundraising efforts.

Club president, Michael Baldock, said it was a pleasure to be able to contribute much-needed equipment to the hospital,

PHOTO: Port Pirie Health Service director of nursing and midwifery Jodie Bowman and head of nursing Andrew Taylor were presented with a cheque for \$12,090 by Lions Club of Port Pirie president Michael Baldock, Adelaide chapter Heathens member Trevor "Grump" Muggleton and Gladstone Community Group volunteer Jan Martin. The money went towards the purchase of three new heart monitors for the Port Pirie Hospital. Photo courtesy *Port Pirie Recorder*.

GILLES PLAINS NEED FOR WOOL

We need 8 ply wool (any colour) so that we can continue to knit beanies, scarfs, gloves and blankets for Hands of Hope Foundation. We are appealing to clubs and members to support us in this venture. Please

search your cupboards etc. for any wool that you may wish to donate. Any donations are much appreciated. Jane Sommers, Secretary. 0414 958 445

PORT LINCOLN HANDOVER

The Port Lincoln Lions Club held their handover with a dinner at the RSL catered for by Port Lincoln Executive Catering.

47 Lions, Lions Ladies and visitors attended including PDG Kevin Masters and Zone 11 Chair Allan Zerna.

Lion Robert McDonald was MC and Lion Gavin Roberts conducted the Handover ceremony.

Two new members were inducted by PDG Kevin, they were Jane Intini And James Garner. This could be the start of many more. PDG Kevin handed the club a club excellence award.

Awards were handed out, they included the club prestigious Dan Maskell award to Lion Michael Sanders for a Lion who's service has been outstanding, a Lions Inovative award to Lion Iain Adams, two Club five year service awards to Kelvin Mickan and Michael Sanders.

A ten year Monarch award to Lion Terry Aldenhoven and three 15 year Monarch awards to Lion Peter Milczarek, Lion Iain Adams and Lion Gavin Roberts.

A 30 year Monarch award was also handed to Lion Malcolm Bagnell.

The big one was Lion John Leech presented with a **55 year Charter Monarch award**.

A great night was had by all attending, it was good to be able to meet face to face again.

Thank you to PDG Kevin and Zone 10 Chair Allan for travelling to be with us on the night.

AROUND THE CLUBS

BUSY AT CHARLES STURT WOODVILLE HINDMARSH

At our Lions Meeting recently I had the pleasure of giving out two awards for excellence. The first was to Gabby Floreani a past Treasurer, (now retired), for her many years of dedicated service and some one who still volunteers for our Bunning BBQs, and Tim Colgan a long serving member, A Melvin Jones Medal recipient, past President for seven years and someone who continues to serve and support the Club. Both are extraordinary individuals who can be very proud of their efforts in Lions.

We also welcomed some new visitors and potential Members. I am looking forward to 5 new Members being inducted at our next meeting.

We allocated part of the meeting to honouring a former member of our Club, Anthony von Einem, who moved at Christmas time to join his father in Queensland, but who sadly passed away peacefully in his sleep on 11th July. He was just 48. Rest in peace Anthony. You were highly regarded, loved and respected and will not be forgotten. A special thank you to Anthony's Aunt Lou Williamson for sending us a beautiful thank you card and his sister Nicole Gray for making a video available for us to play at our meeting that was screened at Anthony's funeral.

Gabby Floreani and President Marijka

Tim Colgan and President Marijka

We missed out on The Adelaide Convention so let's not miss out on the Canberra Convention. Put it in your diaries and start planning your trip to Canberra in 2021

Canberra
your meeting place

HEAR ME ROAR

Come along and support The **Lions Club of the City of Adelaide** with the Hear Me Roar! Project. We make multipurpose cushions and port pillows for patients across South Australia. It's a lot of fun, great to catch up with friends and make new ones, while volunteering your time for a great project.

Come along for an hour or 2, or stay for the day, any time you can spare is appreciated. No experience necessary. Sew on the sewing machine, stuff, hand sew, or draw and cut. There's lot to do

Held at Comfort Inn Regal Park
44 Barton Terrace East
North Adelaide.

Located opposite the parklands in North Adelaide, a short trip from the CBD and attractions such as Adelaide Oval, Festival Centre and Entertainment Centre

September is **Childhood Cancer Research** month. This is an opportune time to conduct a fundraiser BBQ for the Foundation. Please register for your BBQ, information is available on the Foundation website alccrf.lions.org.au/biggestBBQ

BBQ's are now back on at Bunnings, Stratco and other venues. It is what Lions do well.

Please support the foundations **Belief that every child deserves a Chance at a Healthy life.**

PDG John McIntosh, ALCCRF Chairman 201-C1

FUNNIES AND TALL STORIES

The old lady handed her bank card to a bank teller and said, "I would like to withdraw \$500, please."

The teller told her, "For withdrawals less than \$5000, please use the ATM." The old lady asked, "Why?"

The teller irritably told her, "These are the rules. Please leave if there is no other matter. There is a queue behind you" and returned the card to the old lady.

The old lady hesitated, then returned the card to the teller and said, "Please help me withdraw all the money I have."

The teller was astonished when she checked the account balance. 'My apologies Granny, you have \$3.5 million in your account and our bank does not currently have so much cash. Could you make an appointment and come back tomorrow?'

The old lady then asked, "How much am I able to withdraw now?"

The teller answered, "Any amount up to \$300,000." The old lady told the teller she wanted to withdraw \$300,000."

The teller did so quickly and handed it across respectfully.

The old lady put \$500 in her bag and asked the teller to deposit the balance of \$299,500 back into her account.

Don't be difficult with old people. We've been around a long time.

A Texan farmer goes to Australia for a vacation. There he meets an Aussie farmer and gets talking. The Aussie shows off his big wheat field and the Texan says, "Oh! We have wheat fields that are at least twice as large."

Then they walk around the farm a little, and the Aussie shows off his herd of cattle. The Texan immediately says, "We have longhorns that are at least twice as large as your cows." The conversation has, meanwhile, almost died when the Texan sees a mob of kangaroos hopping through the paddock. He asks, "And what are those?" The Aussie replies with an incredulous look, "Don't you have any grasshoppers in Texas?"

LEADERSHIP MATTERS

Thankyou to everyone who has participated in the training sessions that has been offered in our District so far.

Zoom has become the norm for many of the activities that have always happened face to face. Well done to everyone who has embraced this- it has allowed us to continue with the training of new officers. However, for many face to face will always be the preferred method for training. Many of us have missed catching up with our friends.

2 Club development days were held via Zoom - a learning curve for everyone but very worthwhile.

There is an opportunity for some catchup President, Secretary and Treasurer sessions if there is a need.

All Zone Chairs attended the Zone Chairpersons training also delivered by Zoom- this was the first time all Zone Chairs had been in attendance, a great outcome.

Guiding Lion training was also successfully delivered via Zoom recently. Another session will be scheduled later this year for other interested Lions.

This training is best delivered in small groups via Zoom to allow everyone to be part of the group discussions.

There is a myriad of training packages on the Lions Learning Centre- if you need any assistance in locating some training please speak to your Zone Chairperson or a member of the Global Leadership Team

Other training offered by Multiple District and LCI

Regional Lions Leadership Institute

Dates: 19th to 21st February 2021

Location: Current proposal is to hold this Institute in Tasmania - TBC

WHAT DO LIONS DO — a one liner statement that could be used at projects and recruiting displays when we are asked “What do lions do”?

“Lions change people’s lives every day, whether that be through conducting fundraising activities to fund medical research or provide medical equipment, development opportunities and activities for youth, supporting disadvantaged elderly or infirm within our communities, protecting our environment, or providing recovery support following natural disasters. Lions make a difference every day.” **Statement by PDG John Muller, Multiple District GST Area Leader.**

GLOBAL MEMBERSHIP TEAM

As you can see by our DG's message, we are starting to slowly grow our membership. I congratulate each one of you on the efforts you are putting in to grow your Clubs. I have seen and heard of many inductions, which is fantastic and is keeping our DG team busy and making them earn their keep. Please ensure that when you induct those new members you also add them to MyLCI, I am aware of several new members that have not been added to the Data Base. If you find difficulty in using MyLCI, please do not hesitate to contact your Zone Chairpersons, the DG Team, the GLT Megan Butler, myself as you GMT and our wonderful Bulletin editor Ted is always happy to help out.

We are now getting well into the 2020/21 Lions year and also back into the swing of running BBQ's, small Events and some Projects and most importantly serving our Communities. Remember, these are all great opportunities to look for those new members and we should always strive for those new member opportunities. Have that extra Club member at these events, your Membership Chair or PR officer, to hand out pamphlets and talk to people about what your Club is doing for your community.

Take these opportunities to ask your community what they feel is needed, in your Town or Suburb or Council Area (A small Needs Assessment). This is a great way to get ideas for your next project and a good way to get those new members. Ask those that give you ideas if they would be willing to help with this project, if yes get their contact details, you aren't asking them to join – YET – invite them to attend your projects and events, to help out and to get to know who you are as a Club and get that thirst to serve.

You will soon get to know people and those you can invite to join your Club. The first few times can be hard and might put you out of your comfort Zone, work with someone and together you will find it easier – "Just Ask"

But as we venture back out into the service activities, let's also take some time and reflect and check on our most important members of our communities: *'You the members of our great organisation'* without you we can't do any service. I ask that you all provide the most important service we can deliver, that of caring for each other, which will ensure we "Stop The Drop". Some simple things we can do for our Fellow members are:

- Offer to pick up those that do not drive and bring them to our meetings, Fundraisers and Events,
- Pick one Member each week and ring them up to see how they are,
- Ask other members of their opinions during meetings, ensure you involve everyone equally,
- Go and meet for coffee.

If you do have questions, need any information and support with membership please don't hesitate to contact me via email: korndogg1866@gmail.com. We hope to have District Membership training available soon, this is currently being developed by our MD GMT PDG Ann Eldridge.

Together we will make our District grow – till next month
Peter Korndorfer, District GMT Coordinator

SALISBURY MEMBERSHIP DRIVE

Our Membership Information Night (featuring Free Pizza) went off very well Thursday evening at the Mawson Centre.

Despite COVID19 restrictions, we enjoyed an informative night where attendees left with a greater understanding of what Lions/we do locally, as a District and beyond internationally.

We had many people in attendance and we will follow up on their interest with the hope we can secure some more members.

A new and easy test for the horror of Covid 19 is doing the rounds and it's simple, quick and positive (or negative if you see what I mean).

Take a glass and pour a decent nip of your favourite

Single Malt Scotch into it; then see if you can smell it.

If you can, then you are halfway there.

Then drink it.

If you can taste it then it is reasonable to assume you are currently free of the virus because the loss of the sense of smell and taste is a common symptom.

I tested myself 7 times last night and was virus free every time thank goodness.

I will have to test myself again today because I have developed a throbbing headache which can also be one of the symptoms.

I'll report my results later.

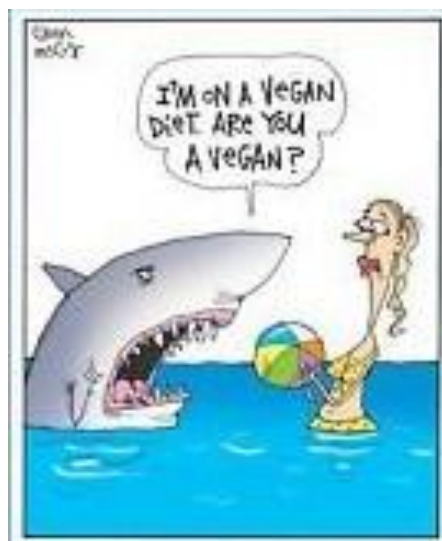

DID YOU KNOW

How to play Cricket explained to a foreigner

You have two sides, one out in the field and one in. Each man that's in the side that's in goes out, and when he's out he comes in and the next man goes in until he's out. When they are all out, the side that's out comes in and the side that's been in goes out and tries to get those coming in, out. Sometimes you get men still in and not out.

When a man goes out to go in, the men who are out try to get him out, and when he is out he goes in and the next man in goes out and goes in. There are two men called umpires who stay out all the time and they decide when the men who are in are out. When both sides have been in and all the men have been out, and both sides have been out twice after all the men have been in, including those who are not out, that is the end of the game

Yes Its old but its a goodie!!

NOT MANY PEOPLE KNOW THE WORDS TO THE WHOLE PEOM, BUT MOST WOULD KNOW THE SECOND VERSE

My Country

The love of field and coppice,
Of green and shaded lanes.
Of ordered woods and gardens
Is running in your veins,
Strong love of grey-blue distance
Brown streams and soft dim skies
I know but cannot share it,
My love is otherwise.

I love a sunburnt country,
A land of sweeping plains,
Of ragged mountain ranges,
Of droughts and flooding rains.
I love her far horizons,
I love her jewel-sea,
Her beauty and her terror –
The wide brown land for me!

A stark white ring-barked forest
All tragic to the moon,
The sapphire-misted mountains,
The hot gold hush of noon.
Green tangle of the brushes,
Where lithe lianas coil,
And orchids deck the tree-tops
And ferns the warm dark soil.

Core of my heart, my country!
Her pitiless blue sky,
When sick at heart, around us,
We see the cattle die –
But then the grey clouds gather,
And we can bless again
The drumming of an army,
The steady, soaking rain.

Core of my heart, my country!
Land of the Rainbow Gold,
For flood and fire and famine,
She pays us back threefold –
Over the thirsty paddocks,
Watch, after many days,
The filmy veil of greenness
That thickens as we gaze.

An opal-hearted country,
A wilful, lavish land –
All you who have not loved her,
You will not understand –
Though earth holds many splendours,
Wherever I may die,
I know to what brown country
My homing thoughts will fly.

Famous Australia Poem by Dorothea Mackell

BRUSSELL SPROUTS

I've eaten all me dinner dad, i really have been good,
Except for that which smells so bad, So can I have me pud
No son you must clean your plate, Before you get dessert.
Just eat your sprouts and nominate, A belting that will hurt.

Dad I promise I'll be good at school, And study really hard,
You'll never see "He plays the fool", Reported on my card.
Please dad I'll wash up every dish, And dry them all as well,
I only have one single wish, Don't make me eat that smell,

His father gave a smile, and served his son ice-cream,
Then pointed to the dishes pile, His son would have to clean.
And clear them all away he did, and at the end of term,
His grades were in the upper grid, His father was to learn,

I think there is a lesson here, Or moral thereabouts,
Perhaps good kids can be raised through fear
Of eating brussell sprouts

GLENSIDE LIONS CLUB BOOKMART

On Tuesday, August 4, a massive explosion rocked the city of Beirut, Lebanon. More than 300,000 Lebanese have been displaced from their homes, thousands injured, over 100 confirmed dead, and many more missing. Glenside Lions have donated \$5000 to LCIF's disaster relief fund to support Lebanese families affected by the explosion. Our response follows an appeal by LCIF Chairperson Gudrun Yngvadottir. LCIF is the Lions Clubs International Foundation.

MORE FROM GLENSIDE

Glenside Lions have donated \$5000 to Catherine House women's shelter. We believe that in the current difficult times we need to support women in need in our community.

Catherine House provides supported accommodation services to women experiencing homelessness, who are 18 years and older, and unaccompanied by children in South Australia. They accommodate 54 women every night in the CBD, with a further five in units in the northeast suburbs. In addition to this, they further support 30 to 35 women who have left the service through the Outreach Program. Catherine House is full every night of the year. There is no shortage of demand for their services with approximately 25 to 30 women at any time on our waiting list.

The primary focus at Catherine House is to end a woman's homelessness.

But what they know is that this is much more than finding her a roof over her head and a warm meal. It is providing her with the tools to make a lasting change in her life.

Key to their success is providing their wrap around support services, particularly education and employment opportunities. These services develop not only practical skills such as literacy and numeracy, job seeking, but also a self-development course that helps women who have experienced trauma to rediscover their voice, learn to make good decisions for themselves, and make plans for their future. The opportunities provided at Catherine House can be the difference that changes her life and ends her homelessness, for good.

What a great achievement - congratulations on a lovely partnership and a generous donation

We love supporting our friends at Backpacks 4 SA Kids Inc and the amazing work they do. We have delivered another 201 handmade kids cushions to provide comfort and smiles.

The temporary Australian Lions HQ

It's almost been a month since our office was damaged in a fire from a neighbouring building. With the boardroom, bathrooms and kitchen badly damaged and the rest of the office affected by smoke and water, we made the decision to find a temporary location while repairs are underway. We are pleased to now be fully operational at our temporary location in Broadmeadow, Newcastle. Our team have worked hard to ensure a smooth transition given the somewhat challenging circumstances. Club Supplies is now back up and running and we would like to thank those waiting on orders for your patience during this time. Thank you to [Little](#)

Solution on Back Page

A new teacher was trying to make use of her psychology courses. She started her class by saying, 'Everyone who thinks they're stupid, stand up!' After a few seconds, Little Harold stood up. The teacher said, 'Do you think you're stupid, Harold?' 'No, ma'am, but I hate to see you standing there all by yourself!'

Harold watched, fascinated, as his mother smoothed cold cream on her face. 'Why do you do that, mommy?' he asked 'To make myself beautiful,' said his mother, who then began removing the cream with a tissue. 'What's the matter, asked Harold 'Giving up?'

The math teacher saw that Harold wasn't paying attention in class. She called on him and said, 'Harold! What are 2 and 4 and 28 and 44?' Harold quickly replied, 'NBC, FOX, ESPN and the Cartoon Network!'

Harold's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the 10 most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. 'Yes,' said the policeman. 'The detectives want very badly to capture him. Harold asked, "Why didn't you keep him when you took his picture ?"

Little Harold attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Harold asked, 'Dad, why are you doing that?' His father replied, 'Because when I'm buying horses, I have to make sure that they

are healthy and in good shape before I buy. Harold, looking worried, said, 'Dad, I think the UPS guy wants to buy Mom'

SKIN CANCER SCREENING PROGRAM

With the Covid Pandemic all screenings were Initially postponed until the end of July.

The management committee met on July 22nd to discuss the ongoing impact of the covid pandemic on the program and the ability to recommence screening.

Because of the problems associated with being in very close contact with persons being screened, the difficulty in completing screenings whilst wearing gloves and face masks, very small consultation rooms and the risks to both our volunteers and the general public after much discussion it was decided unanimously to further postpone screenings.

Current as of July 22nd all screenings are postponed until mid-October 2020. The management **committee will meet again in September to review the possibility of recommencing the program.**

All clubs who have had screenings postponed will be contacted by the club liaison Ruth Pearsons C2 or Carol Barnes C1 to let them know how and when their screening dates will be rescheduled. All new requests for a screening should be directed through these lions.

Meanwhile this group is working on our covid safe plan and PPE policy, an OHWS manual and we are developing and reviewing forms.

The committee farewelled Marilyn Millar from the committee welcoming Dot Marschall and Tom Kimber on to the committee.

It was acknowledged that Marilyn had provided a wonderful service to this project and she will be very much missed. Phillip Donato chair of the LMRF said that we send true thanks to Marilyn for her hard work and energy she is to be sincerely thanked by us all.

VOLUNTEERS

DO THEY HAVE A FUTURE

"Australia must recognise that the practice of volunteering is evolving. Volunteering models both here and overseas are shifting.

One lesson to emerge is that not for profit groups, corporates and governments must adapt if the next generation is to fill the volunteering shoes of their parents and grandparents. **The voices of young volunteers must be heard!**

That means refreshing the image of volunteering, using new media, Facebook and the like, creating opportunities/projects that suit their lifestyle.

The traditional perception of volunteering as a long-term commitment is fast disappearing, giving way to one-off spur of the moment events. Understanding the motivation behind the new age volunteer will be critical in forging the future direction of volunteering, both in Australia and worldwide.

Shoe Boxes of Love in Adelaide is an example of this new way of working. In 2012, this not for profit group used Facebook and other social media platforms to organise up to 25,000 people to send 10,000 comfort boxes to Queenslanders caught in the floods. Since then, people, including families, increasingly search out Shoe Boxes of Love to help when disaster strikes.

Volunteer groups that have already heeded the call are transforming their operational model so that they are more in tune with today's fast paced lifestyle. They have mastered social media tools to reach out to these young people, closing the gap between more traditional volunteers and the volunteers of the future". (Brett Williamson. CEO. Volunteering Australia.)

So, for Lions to continue to thrive, Social Media must be a tool that is used to attract new members and to help spread the word locally and beyond about the work we do in the community. Please, use Facebook as often as you can, "brag" about the projects your club is involved in; there is nothing wrong with being proud of your achievements. Ask other fb users to "like and share" your post.

Submitted by

Lion Pat Williams, Environment Chairman, Lions Club of Clare District.

Lions History Project

In the previous DG bulletin I circulated an invitation to all or any Lions to assist me with the establishment of a proposed **C Districts Historical group**. This was done with the approval and support of both the current C District Governors.

Sadly, to date, nobody has made contact re this but I have received some very interesting additions to my collection of memorabilia. I continue to collect PDG banners and pins but it seems to be quite difficult obtaining a response from many of our past governors.

I recently acquired a gold medal presented to C Districts for their contribution to the Special Olympics in 2010 along with a small statuette presented by Breast Cancer Australia to MD 201 for their support of the Polly Letofskys fund raising walk across Australia.

One of the most interesting items received is the "Clarendonger" created by the Clarendon LC in 1974. This was found in the shed of the Richmond LC club president. A money box slot can be seen in the photo and inside we found a 10 year old cheque for \$100.

I am still looking for "the Waddi." This was apparently an "S" districts initiative presented to new clubs as they were chartered. The picture shows it being held by McLaren Districts club member Jim Turner.

I would welcome contact from anybody knowing the whereabouts of this item or anything else considered worthy of being included in the collection.

So, if you have any interest in this topic and would like to be involved or if you have any memorabilia that you would like to donate to this project please contact me via email at bandk392@bigpond.com or 0410539274 or as an alternative any items can be forwarded to my home address at 105/91 Main Road, McLaren Vale SA 5171.

Initially it was intention to make items available for viewing at C District Conventions however after discussion with Lion David Horne, CEO, Hearing Dogs Centre and zone 5 chair, he has assured me that space will be made available for display of the memorabilia in the proposed extensions to the Hearing Dogs Centre. This will mean that all material collected will be on permanent display to Lions and members of the public who visit the centre from all round Australia and overseas.

The "Waddi"

AUSTRALIAN LIONS
**CHILDREN'S
MOBILITY
FOUNDATION**

A few months back I attended a meeting of one of our Western Suburbs clubs where I enjoyed hearing about some of their recent activities, and

in a most delightful finale, I gratefully accepted a cheque in the amazing amount of \$25,000!! which will help several children towards the possibility of their own individual and independent mobility future.

This hardworking club, Richmond, work incredibly long hours in their op shop which is the size of a gymnasium, and where they are open on Wednesday mornings and the first 1st and 3rd Saturdays.

They have nineteen members and 20 volunteers. On Tuesdays and Fridays they pick up and deliver stock and sort the many donations of household goods. clothing, hardware, electrical, dvds, cds. Jewelry, furniture and books etc.

On the books, I was interested to hear that hard and soft covers are removed along with any glossy pages then the rest, in 1 tonne lots, are taken to a place in Lonsdale that transforms it into kitty litter. Our paper waste helping our furry friends get rid of their own waste!!

A great result!!

Electrical goods unsuitable for sale are stripped to salvage metal which is sold or placed in the Ewaste bin.

Goods are also donated to other needy charities such as Re-born, Adelaide Day Centre, Second Chance and others.

ALCMF Trustee

The club has three major projects each year,

a Lions Foundation, and this year it was the Australian Lions Children's Mobility Foundation,

a Medical project which for 2019/20 was funding for the Port Broughton Hospital to help fund the building of a Helipad

and a local project, which was funding to local kindergartens, primary and high schools.

Recently, it was my very great pleasure to revisit this magnificent club and present them with not one but two of our Annual National ALCMF Awards. First the Award for the Club raising the most funds in one year, and secondly the Award for the Club raising the most funds per capita in one year.

A fitting acknowledgement for a club that certainly lives by our motto "We Serve."

Thank you Richmond for all that you are and all that you do.

Vaal Dix – C1 District Mobility Coordinator and C District

Australian Lions Hearing Dogs.

Paws for a purpose:- Featured in our 2021 Calendar are our very own “Calendar Girl’s” (and Boy’s).

In 2019, we trained and delivered 23 dogs. Our aim for 2020 was to deliver 27, but we've increased that total now - to 30 by Christmas.

For quite a number of years now it has been common practice to have a Calendar printed featuring 12 of the dogs from the previous twelve months. We endeavour to have an attractive photogenic Dog Calendar that portrays a good selection of our dogs in photographs that appeal to everyone. All our

dogs are worthy of starring in the Calendar, so I'm sure you understand our difficulty selecting 12 photos when they're all in one class or another of intelligent, cutest, adorable dogs.

Our Australian Lions Hearing Dogs Calendar is always released at the Multiple District Convention in May, and so it was to be again, this year. In readiness for the Convention we took delivery of a large consignment of printed Calendars well ahead of Convention, and then the unthinkable happened. May 2020 MD Convention due be held in Adelaide was cancelled.

Where does that leave us? With a lot of boxes of Calendars that have been paid for, and a store-room and CEO's office that is rather cramped for space at the moment.

Consequently with the unusual circumstances we all find ourselves in now - District Conventions cancelled, District Chairs. unable to attend Club's etc. (other than via Zoom Meetings), and also unable to have Display stands in shopping centres etc. due to Health and Safety issues. The usual places they would sell Calendars are not currently available.

Please, We need your Help! We are in a totally unexpected situation, that we need to ask the Lions Clubs of Australia to help us sell these Calendars by Christmas, and that doesn't give us very much time. Just an idea - they make useful Christmas gifts and Dog Lovers love them.

If your Club could sell 5, it would be good, 10 would be great, & more than 10 - fantastic. All money raised is used in the training and care of the Hearing Dogs.

The Calendars sell for \$10-00 each.

Please place orders with our Office Manager: Belinda Henschke .

Email: belinda@lionshearingdogs.com.au

Phone: 08 8388 7836.

Many thanks for your consideration: *Board of Directors, CEO & Staff.*

Australian Lions Hearing Dogs.

Emergency Medical Information Book

More than 1.4 million Emergency Medical Information Books have been distributed throughout Australia by Rotary & Lions Clubs with the support of a variety of organisations.

The books can be purchased online in quantities of 250, 100 or 50, including postage to locations Australia wide.

Books are printed with a Rotary or Lions logo and Club name, with the name of a supporting organisation, if appropriate.

Coin collection boxes are available to place books in business areas and on shop counters so they can be seen by people who may need them. A gold coin is requested for each book which creates a self funded project.

'Pocket version'

The EMIB 'pocket edition' has been designed to fit a standard wallet or pocket so that you may carry it with you at all times.

Information in the 'pocket edition' does not replace your own Emergency Medical Information Book, but rather be a prompt for contact details, medications and medical conditions.

The Emergency Medical Information Book has saved many lives and we know many people have purchased another book so they can carry the second copy with them, especially when travelling. We have responded with these requests by creating a 'pocket edition' with most of the details recorded in your main Emergency Medical Information Book..

It will be important to keep both copies updated especially with changes to medications etc.

In the event of a medical emergency, you can feel at ease that your medical records will be with you and able to be handed to a paramedic or medical personal.

THIS BOOK HAS SAVED LIVES

A Community Service Project by Rotary & Lions Clubs

Please visit the Website
www.emib.org.au

Would you love to hold a **super positive** event in term 3 or 4?

Then look no further than Freedom to Feel Fantastic your positive body image and self esteem campaign designed to celebrate us all having the freedom to be who we want to be judgment free.

FREE Body Image and Self Esteem Event Pack

Sign up for **FREE** and receive access to our **2020 Digital Event Pack** full of ideas and resources to help put together a great event, plus if you tell us your event date we will post out our *reframe your thinking* activity pack.

A great opportunity for a student-led event

Freedom to Feel Fantastic is a great opportunity for a student led event - each year young people amaze us with the ideas they come up with to help support themselves, and friends, to feel good about who they are. Perhaps they might run a Splat the Negatives Wall, a Freedom Fashion Show, or hold positive cupcake stall.

Inspire young people to be body & self positive

With all that has happened in 2020, Freedom to Feel Fantastic is even more important, giving us a boost and reminding us of the positives we hold as individuals and how we can share this with others to inspire us to be body and self positive, a key issue of concern for young people.

New in 2020 we have also created the **'My Wellbeing Booklet'** which brings together many of our resources into a journal style book for students focusing on their wellbeing. Just sign up to receive access to this for free.

Join us to celebrate your

FREEDOM TO FEEL FANTASTIC

We hope you can join us by running an positive event or even class-based activities at your school.
