Fellow Lions,

The last month has been an interesting one for C1. We have now increased our membership to 1,171 members; a net increase of 48 since July 1st, a great effort by all concerned.

Last week, we held our first Diabetes SA awareness event at Clare, which was a great success both from the organisational side and for promoting Lions. My thanks to all involved. We now look forward to the coming events over the next three months.

As a result of our recent services workshop, we have arranged a fitness challenge for all clubs in C1 under the banner "C1 Making Strides". All members from our clubs are invited to take part in the challenge by measuring the distance they travel either by walking, swimming, running, roller skating or cycling from 1 April to 30 June 2021. A leader board will be published each week showing the amount of kilometres travelled by each club for that week and cumulatively to date (a collective total of clubs across the district will also be listed). The winning club at the end of the competition will receive a \$500 amount to assist their service activities. This will be presented at the district handover on 17 July 2021.

The purpose of the challenge is to encourage our members, their families and friends to improve their fitness and wellbeing, as part of our district contribution to the Diabetes Awareness Program.

A special project pin is also in the process of being produced, and once ready they will be available from the Cabinet Secretary at a cost of \$5 per pin. I'm looking forward to your participation.

Last Saturday, our district final of the Youth of the Year was held with candidates from the Lions Clubs of Balaklava, Maitland, Athelstone, Golden Grove and Whyalla. The standard of the competition was very high and the sponsoring clubs are to be congratulated in putting forward their candidates. The state final will be held at Golden Grove on 18 April.

Subject to Covid 19, Lions are encouraged to attend the National Convention in Canberra in May.

Yours in Lionism

MD201C1 & DIABETES SA & PHN COUNTRY SA DIABETES AWARENESS & SCREENING PROJECT

On Thursday 25th March, the Lions Club of Clare District hosted the first of ten Diabetes Awareness and Screening clinics to be held in the north and west of the state.

This major project is a collaboration between **Diabetes SA (DSA)** (provider of the 6 health professionals and also funder of an associated PR campaign “face the facts”), **phn COUNTRY SA** (funding the regional events) and **Lions District 201C1 and local Lions Clubs** who facilitate the events locally.

Lions also funded the purchase of three of the POC HbA1c testing machines along with other supporting material. The testing machines and iPads will stay with Diabetes SA, while the additional banners and tear drop flags, De-fib unit and first aid kit will stay with the District and will go with the PR trailer/kits.

At all locations the halls are setup in a way to facilitate the safe (COVID-19 Virus Compliant) and efficient movement of people through the process. This worked very well. The process simply is people check in at one desk, and whether they have already registered via the web site or not they are directed to an appropriate desk which then guides the people through a Risk Assessment review (AUSDRISK).

If this assessment returns a high-risk level, the people are asked to go to the Point of Care test using the sophisticated (and expensive) HbA1c machines which returns an average sugar level for the previous 3 months (it is not affected by size and time of last meals). Visitors, and Lions of course, could then attend a short lecture/presentation on Diabetes and its management. The DSA professionals were at all times available to discuss any associated issues including dilatory information.

What a team. Dr Foorough (DSA), David Bond (Clare Lions identity), Emma Young (phn COUNTRY SA – part funder of the project) and Cathy Whiteley (DSA)

Interesting stats from this first event showed 56% of people screened recorded a high risk for type 2 Diabetes and of those who then had a Point Of Care (POC) HbA1c test, 10% returned a positive result for Type 2 Diabetes. All those screened that returned a high-risk score were given a letter of referral for their GP.

It should be noted that people who have already been diagnosed as Type -2 Diabetic, and under professional care, were not , and will not be tested. The DSA Health professionals will of course discuss any issues relating to risk reduction or Diabetes management with those who attend.

The handout material is excellent and will help people to minimise their risk and manage, where required, their condition. Of course, there was plenty of Lions info available, not just on Lions generally, but importantly about the local club, hosting the event. In fact, the Clare event should lead to 3 new members to Clare Lions and it certainly helped cement the club's reputation in the local community. So, besides the good it does detecting people with high risks of contracting Type 2 Diabetes (and as such reduce their and the country's health costs), it also enhances Lion's reputation in their community and importantly should attract new members to hosting Clubs.

Screening events are still to occur to the end of June and include locations in the west coast, Yorke Peninsula and the mid north. Go to the web site www.facethefacts.org.au for more details on Diabetes risk factors and the dates and locations of the next 9 screening events.

Detailed info packs are being sent to each location's coordinator and includes location specific posters, details on tasks to be performed on the day, in fact everything that local lions need to know. A Zoom meeting will be scheduled soon to discuss all the issues and expectations etc for the remaining nine events.

It's a great project, and it deserves everyone's support. For those clubs that are involved, it is a real chance to grow your brand in the community and to increase your membership, not just members of the public that attend, but the local Diabetes health professionals in your community who are invited by Diabetes SA to participate in the events.

The poster pictured (on the following page) is the Clare specific poster. Each location will have its own poster as the QR code on each is unique. This will take the person to a web site that not only has all the information on Diabetes and how to reduce the risk of getting it or managing it, it will also include details of the event and a booking function for those who want to make a specific time for their screening.

About Australian Lions Hearing Dogs

Since 1980, Australian Lions Hearing Dogs (ALHD) have provided a set of “furry ears” to over 600 Australians, all made possible from the ongoing support of our generous donors and Lions Clubs across Australia. Each Hearing Assistance Dog costs ALHD upwards of \$37,000 to train, deliver and support, and is gifted free of charge, to its deaf or hard of hearing new owner.

As a Lion, how can I help?

By serving our local District as a Lion, you DO help! You can also spread the word about the great services that ALHD provide and promote further within our community. Most importantly, through our **Puppy Champion** program, you can directly support our puppies in training like Bella (above) by making a monthly donation for as little as \$10 per month. In return, you will receive exclusive monthly updates on Bella’s progress in the Puppy Program, as she continues her journey to become a Hearing Assistance Dog providing life-changing support to a deaf or hard of hearing Australian.

Take the lead and become a Puppy Champion today, and you will be transforming the life of someone who is deaf or hard of hearing.

Scan the QR code to the left to visit our website and sign up, or visit www.lionshearingdogs.com.au/puppysponsor. When you sign up, you will receive a special ‘welcome pack’ to acknowledge your incredible support.

How can my Lions Club support?

Lions Clubs can support ALHD in many ways, and by getting involved as a Club, this promotes community spirit in our Lions network. A great way to get your Lions Club involved is to ‘**name a puppy**’! This is a great group experience to get your Club Members engaged and suggesting or voting on names, or even naming a pup after something associated with your Club!

Some great examples of effective naming opportunities are; Lions Club of Theodore Inc. recently naming a pup ‘Theo’, and Lions Club of Salisbury Inc. naming an upcoming pup ‘Sal’. Upon making a \$3,000 donation, ALHD will work with you to put forward your name suggestions and prioritise your wishes; PLUS a monthly update on the puppy you name will be sent through to you for you to share with Club Members and discuss your impact at your regular meetings. To discuss a naming opportunity please email Fundraising Manager, Alix Katala, at alix@lionshearingdogs.com.au.

Other ways to get involved with ALHD:

Spread the word about our amazing work. We are a home-grown Lions project that is now the only Hearing Assistance Dog provider in Australia; we place dogs with people who are deaf or hard of hearing far and wide!

Volunteer with us and contribute to our daily operations to support our services. You can foster a puppy, volunteer in our kennels, or provide administrative support to our marketing and fundraising team.

Host a fundraiser as part of your workplace, Lions Club, community group, or friends; we can provide resources for you to raise funds to donate back to ALHD.

For more information on Australian Lions Hearing Dogs, to get in contact, or support; please contact our team info@lionshearingdogs.com.au or 08 8388 7836.

AUSTRALIAN LIONS HEARING DOGS

Market and Open Day

We are already into planning our 2021 Australian Lions Hearing Dogs Market and Open Day!

This will be held from 10am-2pm on Sunday the 18th of April 2021 at our National Headquarters 793 Mount Barker Rd, Verdun, SA 5245.

We will have a variety of market stalls as well as a free sausage sizzle run by the Lions Club of Australian Hearing Dogs.

There will be demonstrations of the dogs working every 45 mins and an opportunity to tour our National Training Centre.

There will also be some of the Foster Puppies to meet and cuddle and we are also hoping the wonderful team from Carlisle Alpacas will be back on site.

Entry is free however due to changing COVID restrictions this will be run for the first time as a free ticketed event.

Tickets can be secured at <https://www.trybooking.com/BOFFE>.

Please note at this stage there are only 300 tickets available but we may release more tickets closer to the date.

For all of our clients we will also be holding our Training Day on the Friday the 16th of April 2021. More information about this day will be sent out via email. We will also be holding an online training and information session in August or September 2021.

NEWSFLASH March 2021

National Disaster Appeal – Flooding Queensland : New South Wales : Victoria

To all Lions, Leos and Lioness Clubs,

With the agreement of Council Chairperson David Triffett, the **Australian Lions Foundation** is commencing an appeal throughout Australia to support those residents in the mid coast and inland regions of New South Wales, Queensland's Gold Coast and south to the border and East Gippsland areas of Victoria, who are currently being impacted by devastating flood waters.

If clubs wish to donate, you can either send your cheque directly to the Treasurer of the Australian Lions Foundation or make a deposit direct to the National Appeal Fund Account, as detailed below. If you are making a direct deposit, **please ensure you put your club number as a reference** so that we are able to maintain records. Clubs please note that donations to the Disaster Appeal are not eligible for awards credits.

Account Name: National Appeal Fund

BSB: 036-048

Account No: 440704

Cheques payable to the Australian Lions Foundation can be sent to:

Treasurer Australian Lions Foundation

PO Box 278 Melville, WA 6956

The public may also wish to donate direct to the Foundation by using the "GiveNow link" button on the Multiple District Website and the Australian Lions Foundation Website. All public donations received over \$2 are tax deductible. Please consider supporting this appeal to help those in need. The Australian Lions Foundation will start this appeal with a \$100,000 contribution from funds at hand.

Thank you to those Clubs that have already made donations and pledges of donations to the most recently issued Australian Lions Foundation National Disaster Appeal – Flooding in Queensland, New South Wales and Victoria. Your contribution to the Foundation is greatly appreciated by the Directors. While this particular event does not directly affect South Australia, we have been the recipient of considerable help by the Foundation in the past with Emergency and Recovery grants following bushfires. Please consider donating to this appeal.

MAKING STRIDES

We are excited to announce a new district project called **C1 Making Strides**.

Walk, run, bike, skate or swim ... C1 lion members are encouraged to record their steps/kms to go towards their club's tally (and district total) as we travel around the district, and beyond, virtually.

Get ready to keep track of your progress from 1 April - 30 June, 2021 and send through to GST Coordinator Steve Fawcett & myself at c1makingstrides@gmail.com regularly. The leader board and district total will be updated weekly.

Download the flyer and watch the video promo below:

No formal events need to be organised (unless your club chooses to). Just keep track of your own progress and email us your records to support your club.

Get active, adopt a healthy lifestyle and raise awareness for diabetes. The project commences on April 1st. Will your club take up the challenge?

If you have any queries, please don't hesitate to contact us.

Kind Regards,

YOUTH OF THE YEAR DISTRICT FINAL

The District Final of the Lions Youth of the Year was held on Saturday 27th March at the Comfort Inn Regal Park in North Adelaide.

Congratulations to all 5 students who competed in the C1 Youth of the Year District Final (Brooke, Taylor, Evelyn, Bailey and Sophie). What a fantastic day. It was amazing to hear from these inspiring and passionate students. Congratulations to Evelyn (sponsored by Athelstone Lions Club) on being the public speaking winner and overall winner today.

Congratulations to Evelyn, along with Brooke (sponsored by Golden Grove Lions Club) and Taylor (sponsored by Balaklava & District Lions Club) for making it through to the State Final which will be held on April 18th.

Thank you to all the clubs, families and friends for coming along today to support the students, and for those who had a long way to travel. A big thank you to our judges for their time and participation in this competition. And of course a big thank you to Comfort Inn Regal Park for your support and providing such a fabulous venue for our event to be held in today. Finally, a big thank you to Lion Andrew for running a fantastic and successful event today. The feedback has been outstanding.

ATHELSTONE YOUTH OF THE YEAR

A successful Youth of Year was held at Cafe Va Bene, Campbeltown on March 1st. There were 3 female entrants, one from St Ignatius College & two from St Dominic's Priory College.

President Lion John Heffernan was proud to have his brother Judge Tim Heffernan as the Chairman of our judging panel. Michael Cook was proud too, as he was Club Youth of Year Chairman in 1983-1984 when Tim Heffernan was Youth of Year State Finalist, representing the Athelstone Club. The 3 judges were very impressed with the high standard of the entrants.

Lion Val Jarvis as Y o Y Chairman was assisted by club members who helped organise the judges, venues, certificates & photos. The club's newest member, Lion Jane Moran nominated Evelyn Vincin- Walker to be a contestant & she was our overall winner. A teacher from St Ignatius & a teacher from St Dominic's Priory College attended the meeting on March 1st.

St Dominic's Priory College has supported the Youth of Year program for over 20 years, providing students to the now closed Highbury Club, City of Adelaide Club & Athelstone Club. Next year the teacher from St Ignatius has promised to help our club & Charles Campbell College Principal has also promised to support our club in 2021-2022.

Teachers are the people who support Lions club members to find students to enter the Y o Y programme.

ANGLE VALE RECEIVES ALF GRANT

Yvonne, Ken and ALF Board,

Angle Vale Lions Inc. are delighted to receive the great news regarding our Grant Application to assist Mark Oliphant College by purchasing a trailer for the Pedal Prix Team.

We are sure that Mr. Ames and the Students will be just as excited when we break the news and are able to deliver the trailer.

It will certainly be a huge morale boost to this struggling team and allow them to grow and compete from the start of this season.

Thank you to all involved in this process and we will keep you informed as to the outcome with pictures!

Final Report form will be forwarded to Yvonne on completion.

Yours faithfully,

GILLES PLAINS SUCCESSFUL SKIN CANCER SCREENING

Screening our community for skin cancers

We went home after day one with the knowledge from the Lions Medical Research Foundation's interim report that they had detected seven people with potentially life threatening skin cancers that day. It ended up being a big topic of conversation for the next 24 hours and saw Sunday booked solid with Facebook requests and walk-ins filling all appointment gaps after a post was made encouraging people to come along. In all, we saw approximately 130 people from the community over the two days; with many never screened before.

All Lions pitched in to help the skin cancer screening service run smoothly in a great team effort.

The Lions Skin Cancer Screening program has been operating in South Australia and the Northern Territory since 2011. The geographical area covered by C Districts is enormous, servicing some 135 clubs located throughout South Australia, the Northern Territory and parts of Western Victoria and New South Wales.

Every day, six Australians die from skin cancer.

Quite aside from the human cost, the cost to the Australian health system is over \$1 billion a year; and to the Australian economy in lost productivity over \$2 billion a year. As it is the most common cancer affecting young Australians – we encouraged all, including many teenagers to complete the screening.

Early diagnosis has a dramatic and critical impact on successful treatment because skin cancers can grow rapidly.

We were located in the car park next to Dana Wortley MP offices and she popped in to wish all well over the weekend. Her team had been instrumental in taking the bookings via phone in the lead up for us. Lion Dana is a member of Gilles Plains Lions Club.

Additionally, the Fasta Pasta crew were happy to host us for lunches and toilet breaks! They even sent team members over for screening, as well as one asking about membership – he said, “dad is a Lion in India and thinks of it as a great community service to be involved with”.

All round the weekend was a thorough success, as well as enjoyable.

PROTECT YOURSELF IN FIVE WAYS FROM SKIN CANCER

TESTAMONIALS

I saw online that Lions were having free skin cancer checks so I booked myself and my 18 year old daughter in. We are both fair skinned so it was time, having never had a full check before. We arrived early and were greeted with smiling, welcoming faces who instantly made us feel at ease and well taken care of. A small bit of paperwork and into the trailer we went. I am a bit claustrophobic but felt fine in the surprisingly spacious trailer. A private room was provided for each of us where retired nurses who have undertaken further training searched our underwear-clad bodies for signs of trouble. It was quick, non-invasive and of course, free. A very positive experience over all. Thanks Lions!” Joanne Sanders

Hello

I just wanted to take a moment to say thankyou for the wonderful service provided by the Lions with the mobile skin cancer checking clinic. My wife made arrangements for both of us to attend. I avoid anything that involves any medical tests or check ups but kept the appointment for the sake of domestic harmony. I was impressed with how smoothly and professionally it all went. The Lions people organizing it made it such a friendly and easy process that I was on my way home 10 minutes after I first arrived. Thankyou for making it possible.

KADINA NEWS

Kadina Lions Club held their biannual disbursements night in March and along with approving a new service project for the club that will support children in foster care, they agreed to fund a defibrillator for the upcoming SA Masters Games. This will be the second defib they have funded for the Kadina community, the first is located at the council run Farm Shed. The club pledged ongoing funds to Lions foundations and other charities such as the RFDS and Care Flight. However the largest single donation of the night was \$1000 to fund the training of a skin Cancer screener within the LMRFS Skin Cancer Screening Program. It was a great night and we warmly welcomed 2 prospective new members into the club.

An Easter Raffle was held and won by DGE John who then invited each member and guest to select something from the hamper.

EXCITING TIMES AT THELSTONE LIONS

On 23 March 2021, District Governor Tony Pederick unveiled a Seat and a Plaque at Thorndon Park Reservoir, Paradise, remembering, since the Club's Charter in 1976, recognising all Lions of the Lions Club of Athelstone past, present and to come who have and will continue to work tirelessly in and for their Community and also supporting so many Past, Present and Future Events hosted by the City of Campbelltown Council and the Club at Thorndon Park. Council very generously provided free of charge a Seat and a Plaque recognising the Athelstone Lions Club for its service in and support of Council Events at the Park.

It was particularly fitting that the remaining Charter Member, Former Lion Dennis Ryan and his Partner, were able to attend this very special and historic function. Some other former Lions Members, including a Past President and his Partner attended but unfortunately, invited Widow Partners of deceased Lions were unavailable on the day.

District Governor Tony Pederick unveiled the Seat and Plaque in a simple Ceremony of Dedication. Cabinet Secretary, Petrea Stacey, Zone Chairman Ray Najar and available Members of the Lions Club of Athelstone were present at this Historic Event. Other VIP's who attended were the Local Member of Parliament for Morialta, John Gardner MP, and the Member for Hartley, Vincent Tarzia MP, The Mayor of Campbelltown, Mayor Jill Whittaker, and the Council Works Manager, Mario Scalzi, who helped the Club to bring this Dedicatory Seat and Plaque to fruition. Each gave a short occasional speech.

An added highlight at the Event was the Induction of Vincent Tarzia MP (see previous page) by District Governor, Tony, as a member of the Lions Club of Athelstone, thus steadily increasing our membership.

At our Works Meeting on Tuesday 2nd March, our Council CEO and Community Development Officer attended the meeting and spoke about their proposed Bakehouse in the Main Street and seeking our involvement on a Committee.

Also, at this Works meeting, our Club Elections were held for President, Secretary, Treasurer and Membership Officer.

Our Club enjoyed cooking and serving breakfasts for the 35 Kapunda Car Club members on both Saturday 6th March and Sunday 7th March at Victoria Park, which proved to be a good fundraiser for the Club.

On Saturday 13th March, saw all our Club members busy at the Basketball Grand Finals selling donuts from the Lions Caravan and cooking and serving a Bbq to the large crowds.

Both the donuts and the steak & onion sandwiches and sausage and onion on bread were popular with the crowd and was another fantastic fundraiser for the Club.

Our new members, Julie and Ian were great additional workers, as was Andrew Smith, who will be inducted at our Tuesday 16 March meeting.

Members had set up the van and bbq at 2pm and then finished serving and were packed up by 9.30pm.

While the weekends were excellent fundraisers for the Club, what members really enjoyed was the fun and fellowship of working together and finally being able to work and serve in the community again!!

PARALOWIE CELEBRATING 30YEARS

Recently the lions club of Paralowie celebrated 30 years in service to the community. Several dignitary's and clubs were invited to share the celebrations.

One of our members donated two enormous cakes and had Lions biscuits for sale.

Charter member Glion Graham Duffield received his 30year charter Chevron, well done Graham.

A huge raffle was drawn and we all went home with a Persex coaster as a memento of attendance.

Then there was the clean up Australia day. So don't let Anyone tell you Lions are boring old fuddy duddy's

We know how to enjoy ourselves whilst still serving the community.

Who didn't celebrate St. Patrick's day, all of our members turned up wearing green of some sort, some with ridiculously large green hats that could be seen for a mile away.. Several jokes (From a faraway country of leprechaun's and harps, to be politically correct) Just absolutely love the way our group get into the fun of it. We are not all sausages and boring meetings.

Take for instance our recent High tea held at one of our members home, several diet days after that event

NEWS FROM TORRENS VALLEY

Members of Lions Club of Torrens Valley manned a free bbq, supported by Adelaide Hills Council, for Harmony Day held at Gumeracha Federation Park. Unfortunately the event was cancelled at the very last minute due to a very wet & rainy day.

Couple of members arranged to do a Sunday sausage sizzle at the local hardware and fodder store at Mt Torrens, which went reasonably well for 3 hrs work. They will be there again next Sunday. Thankfully yesterday's rain was nowhere in sight!

Our Club is now collecting single vision glasses as part of Lions Recycle for Sight Australia. The collection points will be at Mt Pleasant Pharmacy, Birdwood Pharmacy, Kersbrook Pharmacy and post office, Gumeracha Pharmacy and Community Centre. Flyers have been delivered to post boxes in the towns and placed on local notice boards.

Our 5c & 10c drive continues as does our support to the

NEWS FROM CHARLES STURT WOODVILLE HINDMARSH

At the General Meeting and AGM on Saturday, 20 March, the Lions Club of Charles Sturt showed unanimous support for the **Diabetes Awareness Project**. Responding to the District's request, resolved to donate \$250 to help finance the travel box.

Following the AGM, they warmly welcomed their guest speaker Rex Buckingham, the Principal Consultant at "LeadershipThinkingAcademy." His very different presentation resounded with the Club Members. They felt that other Clubs might also benefit from Rex's advice and experience.

Rex has corporately managed, owned, or consulted with many industries. His work has encompassed a diverse portfolio, including general management, negotiation, leadership development, marketing, personnel, and strategic development.

A self-described people watcher, Rex works with behaviour and people across all the facets previously mentioned. He highlighted the 'waterfall effect' - to generate good leadership and achieve good staff and volunteer outcomes. Therefore, changes to poor practice need to occur with a top-down approach. To obtain the best results, you must lead by example.

Rex suggested that the word "cannot" not be used in one's vocabulary.

Suppose you want to change what is happening in your life and your relationship with those around you. In that case, it is necessary to change the words and sentences you use in conversation with those people.

People need to change their thought patterns and look at why an occurrence is happening. Rex closed with the concept of "Ask, Listen, Ask, Listen, Ask."

Details for Rex Buckingham can be found on <https://leadershipthinking.academy/>

MARKET AT WALLAROO SUCCESSFUL

Wallaroo Lions Club would like to thank everyone involved for making our Market grand opening at the Wallaroo Town Hall a resounding success. With double the stall holders and attractions, even the intermittent rain could not dampen the enthusiasm of the hoard of patrons.

What a perfect way to showcase our beautiful, historical Town Hall. The comments from people, on how amazing it was, were constant as they entered the main hall. Thank you Copper Coast Council for allowing us to secure our lease. The recent renovations look very spiffy. Stall holders were pleased to have so much space to work within, and we have had many more enquiries about April's market.

A big thank you to our local Police and Ambulance members for coming along to display their vehicles and chat with members of the public; it certainly added a bit of interest to those that wandered around the outside stalls and tents.

Market co-ordinator Sharon Launer had put in a massive effort to get this move completed and operational, and received a resounding acknowledgement of her efforts at our last Lions meeting. Well done Sharon, without you, it would not have been possible. Anyone looking to book a stall for our next market on Sunday April 11, please contact Sharon on Ph:0434048418 or email: shazwallaroomarket@gmail.com.

A vampire bat came flapping in from the night, face all covered in fresh blood and parked himself on the roof of the cave to get some sleep.

Pretty soon all the other bats could smell the blood and began hassling him about where he got it.

He told them to leave off and let him get some sleep, but they persisted until he finally gave in.

"OK, follow me", he said and flew out of the cave with hundreds of bats behind him.

Down through a valley they went, across a river and into a huge forest.

Finally, he slowed down and all the other bats excitedly milled around him, tongues hanging out for blood.

"Do you see that large oak tree over there?" he asked.

"Yes, yes, YES!!!" the bats all screamed in a frenzy.

"Good" said the first bat, "Because I didn't".

We had to have the garage door repaired. The repairman told us that one of our problems was that we did not have a 'large' enough motor on the opener. I thought for a minute, and said that we had the largest one made at that time, a 1/2 horsepower. He shook his head and said, 'You need a 1/4 horsepower.' I responded that 1/2 was larger than 1/4 and he said, 'NOOO, it's not. Four is larger than two.' We haven't used that repairman since...

"Honestly, boss, I'm home sick in bed. That noise? That's the TV, I'm watching a show about motorcycles."

A professor was giving a lecture on company slogans in a college advertising and marketing class. "Joe," he asked, "which company has the slogan, 'Come fly the friendly skies'?" "United." Joe answered.

"Brenda, can you tell me which company has the slogan, 'Don't leave home without it?'" Brenda answered the correct credit card company with no difficulty.

"Now John, Tell me which company uses the slogan, 'Just do it?'" And John answered, "Mum."

28 March 2021.

Dear Club Presidents and Members,

I write on behalf of the Lions Medical Research Foundation Ltd (LMRF) (An initiative of the C1 and C2 Districts) to ask for your support.

Your Foundation exists to promote, foster and fund research and education into the prevention, detection, and cure of disease. Through our work we continue to strengthen communities, enhance quality of living, and foster individual health and wellbeing.

Medical research and the understanding from that research continues to evolve and adapt to the emergent community needs, leading to real, tangible, and validated health outcomes. The current COVID 19 experience in all our communities is an immediate example where there is a need for urgent research to understand the disease, and develop appropriate management strategies, vaccines and suitable pharmaceuticals to quickly save lives. Some of this research is occurring here and now in Adelaide.

Conducting ground breaking medical research is very necessary and essential but expensive. The undertaking and the performance of research requires very dedicated researchers with very special attributes and appropriate equipment. We therefore endeavour to support and develop individual researchers as well as their research.

We at the Foundation due to your ongoing assistance and generosity are very proud of our achievements thus far. We are one of the few research funding organisations that actively encourage and contribute to the development of new research and researchers right here in South Australia.

We continue to dialogue with the Universities and SAHMRI who themselves are continually facing cutbacks. There are urgent growing gaps with the different levels and types of research funding available. We focus on the ongoing development of those relationships, and the opportunity to provide more research funding.

Please help us with urgent ongoing research. Please donate now.

We thank you for your consideration. Please visit us at <http://www.lmrfsa.org.au/>

MyLCI DATA CLEANSING INFORMATION SHEET FOR CLUB SECRETARIES

The following Information Sheet has been prepared to assist each Club to undertake data cleansing exercise recently endorsed by the Council of Governors at the September Council meeting.

Over the next twelve months each Club has to finalised this review and standardise their Club MyLCI records with a view to dispensing with the PU101 in 2022 and the Multiple District Directory compiled from corrected Club MyLCI records.

Mobile and Telephone Numbers:

Based on the standards shown on line, mobile and telephone numbers should be listed as follows –

1. Home or Work No: currently listed as (02) 4823 6358 should be shown as _

Country Code	Area Code	Number
61	2	4823 6358

2. Mobile No: currently listed as 0427 261 361 should be shown as –

Country Code	Area Code	Number
61	427	261 361

Address:

Please do not use abbreviations for Street or Road type and the entire address should preferably be in Capitals.

a. An address shown currently as 120 Green Valley Rd, Goulburn, NSW 2580 should be shown as _

Address Line 1 City State (select from menu) Post Code

120 GREEN VALLEY ROAD GOULBURN New South Wales 2580

Other Contact Information:

- It is imperative **all contact information be as complete, up to date and accurate as possible** unless the Lion involved indicates that some or all of the information is not for publication.
- For example, **if the Lion has an email address that can be listed, please show it (if is in agreeance)**, as that is generally how Lions Clubs International communicate with us.
- If the Lion has a **mobile or home (or other) phone number that can be shown, include the number/s**. For the purpose of future Directories, the default **preferred phone number to be listed should be the Lions Mobile Number**.
- Ultimately it is up to the individual Lion whether they **adopt a separate Officer Correspondence Address from their home address**. If they are one and the same, remember to **tick the check box under their personal address for correspondence**.

Dates of Birth:

With the advent of full dates of birth at the beginning of 2019, most listed birthdays were incorrect because a default 1st January or 30th June date was added to the year of birth already in MyLCI.

The day and month of birth can be corrected at a Club level but if there is an error in the year of birth, that MUST be changed by Lions Clubs International.

When amending dates of birth ensure the check box "Date of Birth is confirmed" is ticked prior to saving.

Other MyLCI Club Information:

1. Club Information -

Club Information is found under My Lions Club Tab and then Club Info. Double check that the meeting venue, day / time are correctly listed. If meeting times and locations vary, or if one meeting is of a different type to other that month, ensure the correct information is shown.

2. Officer Information –

Found under My Lions Club Tab and then Officer Info. Please ensure that all appropriate officers for the current Lions year are listed e.g. President, Secretary, Treasurer, Administrator, Membership Chairperson, Vice President's and Service Chairperson. If they are no listed access to this system will be declined.

I have attached a number of examples of current member MyLCI listings to show where the deficiencies might exist with some private contact details redacted.

Ted Osborn, District Administration and Club Support Chairman.

CLOSURE OF Oz-Clubhouse website

Closure of Oz-Clubhouse Lions Clubs using Oz-Clubhouse should consider alternative options. Background The Oz-Clubhouse system has been provided free-of-charge to Lions Clubs and Districts in Multiple District 201 for a decade. It was put in place to provide a simple website for Lions Clubs, at a time when there were few low-cost alternatives. Oz-Clubhouse was designed and built at no charge, by an Australian Lion. In the intervening period it has been upgraded once and is currently being maintained by the Multiple District. As a custom-built system, it is costly and difficult to upgrade and it is now plagued by ongoing 'bugs' and has become impossible to maintain. The Lions Multiple District Council has resolved to retire the system in the coming months.

*I would be remiss if I did not start my first Newsletter with a big thankyou to
Lion Bernie Donohue for his 13 years of service to this important project, I
have massive shoes to fill.*

*I am pleased to advise that the "quiet period" has produced the delivery of
some 1350 books bringing the year to date total to 8200 coupled with 5 boxes
and 140 pocket editions as well.*

*I can only assume that as Clubs get mobile again after the Christmas break
and of course the many Covid closures that activity regarding orders and
placement of books will increase.*

*I am looking forward to attending the MD Convention in Canberra and
meeting as many Lions at the EMIB Booth as possible. I am hopeful that
some face to face time may result in increased activity across a number of
states.*

Best wishes ,see you at the Convention.
