District Governor's Message

Dear Lions,

It has been an honour and privilege to be your District Governor during the current fiscal year. We started the year well behind the eight-ball because of Covid 19 since February 2020. Through hard work and perseverance by Lions throughout the year, I believe sincerely that we as an organisation have progressed well. Wherein 2019/20 we lost 80 members, this year we will have increased our number by more than 50 members, a truly remarkable turnaround by all concerned.

Last week, the Pedare Pride Cubs Club was chartered with 25 cub members through a partnership between the Lions Club of the City of Adelaide and the Lions Club of Golden Grove. It was a great event with both the Principal and Head of Junior School, together with the local member of Parliament and several Cub's families being present. It bodes well for the future ensuring that the younger generation becomes involved in community service.

This week we will have completed 8 of 10 of the Diabetes Awareness events with Diabetes SA in regional South Australia, with the only remaining events to be held in Ceduna next week and Laura the following week, to complete this year's program. The results have highlighted the problem of diabetes in the community. I thank all the Lions clubs of C1 who have been involved in the project, for their support and assistance to ensure the success of the program.

The C1 Making Strides Project is gathering pace and we now have 30 clubs of C1 District taking part and by this weekend would have travelled over 30,000 km, and well on the way to reaching 50,000 km by the end of June. Thank you to those clubs who are taking part in this project as we show what C1 District is capable of and having fun in doing it. It is gaining quite the following and interest around Australia.

District Governor’s Message Continued :-

Following my trip to Canberra, I issued a challenge to my fellow District Governors and all the clubs in their districts, to form a coin line at each of their handovers to assist the ALCCRF in reaching the target of beating the world record of 75.24 km in respect to the longest coin line, which was established approximately 10 years ago in Austria. I also note my granddaughter’s contribution to this feat by offering to have her hair cut short with a fundraising page in support of the coin line quest. This was launched on May 23 and she has already raised \$500. It will be interesting to see how high this figure can go to.

I have enjoyed my visits to many clubs throughout the C1 district throughout the past year and I’d like to thank you for the warmth and hospitality shown to Marilyn and myself during these visits. We have a vibrant district and I trust it can go from strength to strength in future years.

I particularly thank the members of my cabinet who have supported me as part of my team and contributed to the efficient running of the district during my year as your District Governor. Thank you for your time and efforts, it has been greatly appreciated.

The coming years will continue to be a challenge but providing we have learnt the many lessons forced on the Lions organisation throughout the world due to Covid 19, we as an organisation will prevail and continue to service our communities.

All the very best

Yours in Lionism

Tony Pederick

27th May 2021

HAS YOUR CLUB CONSIDERED SPONSORING A LEOS CLUB?

While your club is planning for the coming Lions year. I ask you to consider whether your club could support the establishment of a Leos Club. Do you have some Lions in your club who are passionate about Lions and passionate about young people who would be happy to assist in recruiting and guiding a Leo Club?

The club can be based in a school or in the community. Alpha Leos Clubs can have young people aged 12 to 17 years and Omega Clubs 18 to 30 years. The set-up of a Leo Club is US\$100 plus paraphernalia and then an annual levy of US\$100 and insurance premiums of AU\$9.90 per head.

Young people across South Australia are looking to support their community through volunteering, can your club provide an opportunity for them to volunteer with Lions?

If your club is interested or would like more information, please contact District Leos Co-ordinator, Alex Coates on 0408 698 337.

MESSAGE FROM CONSTITUTIONAL AND BY LAWS CHAIRMAN

Dear Lions, please be advised of the dates for nominations and Notice of Motions to the Salisbury Convention in October. Forms available on the website and are to reach Cabinet Secretary elect Malcom and myself strictly by the due dates.

CLOSING DATE 16th August

District Governor: 2022/2023

First Vice Governor: 2022 / 2023

Second Vice District Governor 2022 / 2023

C1 Making Strides is continuing to make strides. We now have 30 clubs who have submitted their steps/kms for the project which is fantastic. Keep them coming.

We have now visited all the clubs in the C1 District, travelled over to the Canberra Convention, Lions Australia in Newcastle and up to the ANZI Forum in Cairns. We then continued over to Montreal Canada for the 2021 LCI Convention, down to LCI headquarters in Chicago and we have now almost made it to the 2022 LCI Convention in Delhi, India. On May 28th, the district had reached 33,240km. Amazing effort everyone!

Check out the updates weekly on the District Facebook page (and website), with clubs highlighted along the way and diabetes facts posted too. And don't forget about the project pin that is available for \$4.

The final deadline for ALL steps/kms to be submitted is Monday July 5th to enable the final leader board to be completed.

Remember, every step counts!

Petrea Stacey

Project Pins Have Arrived

The project pins have arrived. They are 25mm and available for \$4 each. You can collect them from me directly, or I can post them to you for an additional \$1.10 to cover the postage.

If you are interested in purchasing a pin(s), please contact me via the below contact details. Payment is to be made to the following account (or cash/cheque when collecting):

201C1 District Admin, BSB: 105 057, Account: 029004140, Ref: Pins [name]

If you have any queries, please don't hesitate to contact us.

Kind regards, Petrea Stacey, 201 C1 Cabinet Secretary

DIABETES SA, PHN & LIONS CLUBS OF DISTRICT 201C1

Diabetes Awareness and Screening Update May 2021

As of Friday 28th May 2021, 8 of the 10 towns to have the Diabetes Screening Team have now been completed. These include Clare, Pt Augusta, Wallaroo, Minlaton, Cleve, Pt Lincoln, Whyalla and Peterborough. That just leaves Ceduna (4th June) and Laura (11th June) to go.

Pre-Event Marketing

Eeny, meeny, miny, moe...

Are you the one who doesn't know?

1 in 6 adults are at risk of developing type 2 diabetes... Could it be you?

face the facts .org .au

Free community awareness and screening events for type 2 diabetes.

Next event **PETERBOROUGH** May 19th Peterborough Town Hall 9:30am - 4:00pm

Next event **MINLATON** May 13th Minlaton Town Hall 9:30am - 4:00pm

facethefacts.org.au

Pre event marketing, controlled by Diabetes SA has included a number of media types including TV ads, (including Classified TV Ads on Regional TV, local paper ads, social media and posters placed by Diabetes SA stakeholders and local Lions club members.

The Most successful medium used to get people through the door – local organizations favorite web sites or Facebook pages followed by on the day spruiking outside the venue!! It's a variance to the old theme, "Just Ask!"

The learnings so far have been fairly consistent. Averages so far suggest 50% People who completed the AUSDRISK Assessment, returned a risk factor considered HIGH. 10% of

those who then had the Point of Care HbA1c blood test returned a sugar level that confirmed they were a Type 2 Diabetic and were totally unaware of it.

Lions and Diabetes SA worked very well together, and each are making valuable contributions to the project.

This is a model that should be used for various projects in the future. Partner with a specialist / professional organisation and the local Lions Club take on the responsibility for local arrangements and marketing using the local clubs resources and community contacts.

Lions, remember, if you are older than 65 years and male you have just scored 11 risk points. There are 8 more questions to go and with just 1 more point we are in a high-risk category. So make sure we all get checked, and regularly.

CLARE CLUB MEMBERS SELLING BADGES FOR ANZAC DAY

PEDARE PRIDE CUBS CLUB

What a pleasure it was to witness the induction of twenty-five (25) students into the **Pedare Pride Cubs Club** on Thursday May 20th when the club was chartered. These amazingly talented and caring students from Years 2-6 have chosen to become Cubs. This club is one of Pedare Christian College’s extra-curricular activities on offer for the first time this year.

This special ceremony was held at the school, and was attended by school staff, Lions Club members, parents, grandparents and friends. The proceedings were led by emcee Lion Andrew Stacey from the City of Adelaide Lions Club. Principal James Tamblyn spoke about the school’s strategic directions, which include service to others. Head of Junior School Randall Pearce reminded the audience about the value of serving others, while District Governor Tony Pederick OAM mentioned some of the important projects led by Lions members around the world.

Year 6 student Indiana Stacey spoke about how she envisioned the concept of the cubs club with the support of her family members, who are all dedicated Lions, and how they developed a program. The first cubs club was formed at her previous school, Annesley Junior School in 2019 which is still going strong. Our new club is believed to be only the second cubs club to be established in the world! It is true to say that Indiana’s concept has received national and international interest from Lions Clubs.

DG Tony then inducted the students into their new club as charter members. They swore an oath to work together in serving the community. Each student was awarded a certificate, two membership pins, a plush lion toy and a membership pack.

There was great excitement when it was time to reveal the names of the inaugural President and Vice President. Thirteen (13) of the members had vied for these positions by delivering speeches at our last meeting. In a tight contest, Jayden (year 5) won the role of President and Alice (year 3) was elected as Vice-President. They were both clearly thrilled to win these roles. DG Tony presented them with their badges and the club charter certificate, together with his bannerette. This was followed by the reading of the club invocation by Jayden, in his first task as President.

The ceremony was the culmination of three (3) weeks of preparation by the students, with school support from Randall Pearce. During this time, they had learnt about the history and purpose of Lions Clubs, as well as the projects Lions are involved with across the world, and what the cubs club program is all about. They also designed possible club logos and suggested club names, before voting to choose these in a democratic way.

Now the service begins! The students will work together to decide upon a project to undertake, and then implement their first actions to make a positive difference to the lives of others.

We would like to thank everyone who has worked hard to make this service club a reality. Lions from the City of Adelaide and Golden Grove Lions Clubs are very excited to embark on this exciting new venture together.

AUSTRALIAN LIONS HEARING DOGS APPEAL

Australian Lions Hearing Dogs (ALHD) have just launched their 2021 May Appeal, seeking support from Lions Clubs across Australia.

The appeal, along with a newsletter especially curated for Lions Clubs and their Members, was distributed via post in late April, 2021.

The newsletter features the story of Danielle (pictured above) and her new Hearing Assistance Dog, Honey. Danielle’s partnership with Honey was delayed by over 6 months as a result of COVID border restrictions, much to the disappointment of both ALHD and Danielle. Both parties worked hard to ensure that once the green light between South Australia and Victoria was given, this highly anticipated partnership could finally happen, and Danielle’s life would change forever.

Hearing Dog Honey will work 24 hours a day, 7 days a week; ready to alert Danielle to common sounds that many of us in the hearing world take for granted. Before Honey, Danielle’s safety was her primary concern; ***“I was afraid I wouldn’t hear things that could protect me from harm, like a smoke alarm”***. Honey will alert Danielle with a ‘touch’ anytime an alarm sounds, to ensure Danielle and Honey can remove themselves from any danger.

A donation from you or your Lions Club can provide a much-needed Hearing Assistance Dog to someone who is deaf or hard of hearing. Danielle is a supporter of ALHD herself and says *“Everytime I see a new puppy come into the program, I am grateful that yet another person will benefit from the amazing services of ALHD and be able to live their best life with an Australian Lions Hearing Dog by their side”*.

To make a donation:

Contact ALHD on 08 8388 7836

Send a cheque made out to ‘Lions Hearing Dogs Inc.’ to PO Box 164 Hahndorf SA 5245

Childhood Cancer Research Foundation

DG Tony's Club Handover Challenge

All funds raised will be donated to the ALCCRF's Longest Coin Line Project.

THE CHALLENGE

At your club handover, set up a table for your own club coin line.

How long will your line be & how much will you raise?

Which club will make the longest coin line?

We Believe every child deserves a chance at a healthy life

www.alccrf.lions.org.au

WE BELIEVE EVERY CHILD DESERVES A CHANCE AT A HEALTHY LIFE

HELP MAKE A DIFFERENCE!

Hi! My name is Indiana and I'm 11 years old.

The world record for the longest coin line made up of 5 cent coins was set in 2011 with a length of 75.24km. The ALCCRF are attempting to break this record in November with all funds going to childhood cancer research, and I'm going to help.

At the end of June 2021, I will be cutting my long hair and donating it, and would love your support in raising funds for the Australian Lions Childhood Cancer Research Foundation (ALCCRF).

Remember, every 5 cents counts!

FOUND ON FACEBOOK

ALL ABOUT PETERBOROUGH

From C1 District Forum Submitted by 2VDG Zig Osis

Where is C1 Making Strides visiting today? Peterborough.

Peterborough was a hero of the 20th century – a hissing, steaming hub of mighty locomotives sitting at the cross-roads of a growing nation.

Today, the spring skies are china blue, the kids no longer have to wipe the clothes-lines clean of soot and the only whistles are from birds among the wildflowers. But Peterborough is still the geographic heart of Australia and visitors still arrive from four corners – although they're usually hauling caravans rather than freight! Today ... we have virtually travelled to this amazing town.

There is so much to see and do while we're here. Visit the Visitor Information Centre at Steamtown, travel, listen and enjoy the Heritage Rail Trail, visit Black Rock Gallery, see the Bob the Dog sculpture, check out the Burg, view the beautiful Federation Quilt, follow the Peterborough Heritage Walk, see the historical artefacts at the Social History Museum, and don't forget the Greg Duggan Nature Reserve & Lookout. And that's just a few of the attractions in Peterborough.

The number 1 thing you MUST DO when visiting is to check out the Steamtown Heritage Rail Centre and Sound & Light Show. You are in for a real treat with this one. It is a MUST SEE and it's spectacular.

Once you've visited Steamtown and simply been blown away by how awesome it is, pop in and say hello to the awesome lions at the Peterborough & District Lions Club which was chartered in August 1979.

This club is just another amazing Lions Club in our district. They make such a difference in their community. They love to collect things – spectacles, hearing aids, stamps, plastic bottle caps, ring pulls and bread tags, the plant trees, sell cakes, puddings and mints, and they maintain the Rose Garden at the local cemetery. But of course that's not all they do, they support the skin cancer project, support the Cancer Council's Biggest Morning Tea, sell donuts, cook barbecues, make donations to charities and organisations ... and if that's not enough, they are also involved in the senior and aged Christmas dinner and concert. And we are certain this list keeps growing by the day. They are a very active and busy club. Amazing!

Well, I don't know about you but after visiting all these attractions, learning everything we can about Peterborough and catching up with the local friendly lions, it's time to travel to our next stop which is a hop, skip and jump away ... Jamestown. We'll race you there!

ENVIRONMENT NEWS

A CORE PROJECT OF LIONS CLUBS INTERNATIONAL

Hi Recyclers,

National Volunteer Week is just around the corner, May 17th to May 23rd, 2021. What will you do to encourage someone to become a volunteer? Surprisingly, there are many people who are willing to Recycle and live a sustainable lifestyle than you may imagine, so the Environment is a great place to start.

I would suggest that you start with something that is a quite common problem, but easily resolved IF you have the correct information to act on! SOFT PLASTICS are what I am talking about. A Soft Plastic is a plastic that you can scrunch up in your hand and will more or less hold its shape. All sorts of plastics fall into this category.

See the LHS of the brochure which will give an idea of just how many soft plastics we handle each day!

Once you know what you are looking for, it is an easy next step to collect at home as you use them, then take them to Woolworths or Coles to deposit in the Redcycle Bin at the front of the store.

Plastics that can be scrunched into a ball are soft plastics.

Woolworths in Clare have a drop off point dedicated for the 'REDcycling' program. The bin for soft plastics can be found along the inside of the front window.

Please find examples below:

biscuit packets (outer wrapper only)	chocolate and snack bar wrappers	plastic carrier bags from all stores
cat and dog food pouches (as clean and dry as possible)	green bags (polypropylene bags)	cereal box liners, chip and cracker packets (silver lined)
pasta bags	plastic sachets	frozen food bags
confectionery bags	icecream wrappers	dry pet food bags
bread bags (without the tie)	cling wrap – free of food residue	plastic Australia Post satchels
Snap lock bags/ziplock bags	fresh produce bags	newspaper and magazine wrap
wine bladders – clear plastic ones only	netting produce bags (any metal clips removed)	bubble wrap (large sheets cut into A3 size pieces)
squeeze pouches with lid on (eg yoghurt/ baby food)	cellophane from bunches of flowers (cut into A3 size pieces)	plastic film wrap from grocery items such as nappies and toilet paper
large sheets of plastic that furniture comes wrapped in (cut into A3 size pieces)	potting mix and compost bags – both the plastic and woven polypropylene types (cut into A3 size pieces) and free of as much product as possible	rice bags – both the plastic and the woven type (if large, cut into A3 size pieces)

For information about this innovative recycling program visit www.redcycle.net.au

Old globes
Pinks Mitre 10 accept all globes; e.g. household, fluoros and spotlights

Old reading glasses and sunglasses
Can be given to Lions Club members, or dropped into Specsavers and will be sent off to third world countries. Clare Valley Christian Outreach Thrift Shop on Burton Street will also take glasses.

Old mobile phones and chargers

Through 'Mobile Muster' items can be dropped into Balaklava Electronics or request a pick up via: www.mobilemuster.com.au

Old medicines and yellow sharps containers

Can be dropped into any pharmacy for safe disposal. They take inhalers too.

This leaflet was produced in June 2019 and collection points may be subject to change.

Produced by the Lions Club of Clare and District in conjunction with The Plains Producer

Recycling Know How...

General waste (140 litre bin)
Old food scraps (if not composted)
Soiled items
Greasy pizza boxes
Used disposable nappies
Plastic bags
Household and garden waste
Broken crockery or glass, ceramics
Clothing
Light wood

Recycling (240 litre bin)
Plastic bottles (clean)
(remove lids, cut rings off the tops of bottles in half & put lids/rings in waste bin)
Metal cans and tins
e.g. empty aerosols, food/pet food cans
Rigid plastic containers/tops off, clean
e.g. plastic takeaway containers, biscuit packet trays
Glass bottles and jars
Paper and cardboard
Magazines
Phone books
Milk and juice cartons

Oil, acid and other chemicals

Concrete, bricks, roof tiles and masonry brought into Clare Valley Waste is repurposed into road base and clean fill. Skip bins of all sizes are available. Enquiries m: 0438 884 340

Click on the link below which will take you to the Redcycle page which contains excellent information on what happens to soft plastics after you have dropped your bag of Soft plastics off.

<https://sustainability.ceres.org.au/resource/the-redcycle-program/#:~:text=The%20REDcycle%20Program.%20The%20RED%20Group%2C%20in%20partnership,into%20the%20resource%20used%20to%20manufacture%20new%20products.>

Once you have this information, find a neighbour or a friend who would like to Recycle and lead them through the process. You will be surprised and excited at the positive reaction you receive.

ENVIRONMENT NEWS CONT

If you have a passion for digging holes and planting seedlings along your local river/creek bank, perhaps think about taking it one step further. A club in Two Wells SA approached their Regional Management Board and suggested that they could produce some seedlings if they had some assistance with a Grant. The funds were used to set up growing benches with overhead spray equipment and then moved onto collecting seeds. This was set up on some unused Council land which happened to be right on the main street!

With such great exposure the project attracted many members of the public who were very keen to help.

This showed me that a great project must not be kept a “secret”, but that sharing the success of the project with the local community is vital to the Sustainability of local volunteer groups.

Make it Happen, Make it Yours

Being outdoors, doing something meaningful for your community, learning new things, helping the environment, having fun while meeting new people, improving your fitness, and feeling better about yourself, are just some of the reasons to be involved.

WHAT ARE WE DOING?

We are setting up a Community Plant Nursery where seedlings grown will be used for community projects and environmental projects within our local area. Tasks undertaken within the nursery will include the following:

- Propagating plants
- Seed collecting
- Field trips
- Revegetation projects in the district

Who: Anyone

Where: Behind the old Council Chambers (off Old Port Wakefield Rd)

CLARE BRANCH GONNA GROUP BUSY AT FARRELL FLAT

The Gonna Group volunteers were on the road again, this time helping an elderly gentleman out near Farrell Flat with carting 12 tonnes of Crusher sand into a back yard with wheelbarrows and levelling it all out to create new surfaces around the home.

Thanks for the scones.

Great group time after the job was completed too. Lots a laughs.

Don't forget to support the businesses that support us: Sunshine Ag Services, Clare Valley Toyota, Kirribilly Viticulture, Beyond Bank Australia (major sponsor), The Sevenhill Hotel, Eldredge wines.

CADETS BOOSTED BY LIONS DONATION

An influx of new members for the Stirling North Country Fire Service (CFS) Cadets has been met with an additional positive - a \$1300 donation from the **Lions Club of Port Augusta**.

Each year the Lions donate \$100 for each new cadet that signs up with the CFS, and this year 13 young people signed up to begin their journey as a cadet.

President Andy Sayer recently presented the cheque to Alicia Clark from the CFS, with the money to go towards clothing and other expenses.

"We like to support them because they originally came to us asking for support, this investment is what we came up with and we doing it ever year," he said.

"Occasionally they have a big meeting and we do the barbecue for it ... we try to support them as best we can.

"That cadets is great, it teaches young people a little self esteem." The Lions raised the funding through endeavours such as their barbecue at Mitre 10 held each Saturday morning and their mid-year raffle.

"If people want to hire us then we do a bit of catering, but that has been shut down a little bit since the COVID-19 pandemic," Mr Sayer said.

"But we've been able to keep our heads above water alright."

A mechanic was removing a cylinder-head from the motor of a Harley motorcycle when he spotted a well-known cardiologist in his shop. The cardiologist was there waiting for the service manager to come and look at his bike when the mechanic shouted across the garage: "Hey Doc, want to look at this?" The cardiologist, a bit surprised, walked over to where the mechanic was working on the motorcycle. The mechanic straightened up, wiped his hands on a rag and asked, "So Doc, look at this engine. I open its heart, take the valves out, repair any damage, and then put them back in, and when I finish, it works just like new. So how come I make \$39,675 a year and you get the big bucks when you and I are doing basically the same work?" The cardiologist paused, smiled and leaned over, then whispered..... "Try doing it with the engine running."

TARLEE ANNUAL BOOK SALE

Wow, what a phenomenally successful and busy weekend! Between 1,500 and 2,000 books snapped up by locals and visitors travelling through on their journey to parts unknown. No pricing, simply load a bag full of books and offer a donation on the way out.

The Book Sale is over for another year, all spare books are stacked away, and the Tarlee Institute Hall has been cleared out and swept out ready for the next local group to use.

There will be more books donated by the local community throughout the year, so next year there will be new and exciting Fiction, Non-Fiction, and Adventure books aplenty, and many other categories too numerous to mention here.

Remember, all funds raised go back into the community in one form or another.

It is time for a break now for these volunteers, rest for a week or two, and then commence the next community project. Where would we be without our volunteers?

For further information please contact Pat Williams 0411 492 223

NEWS FROM BUSY PETERBOROUGH CLUB

The Club recently donated \$150.00 to the Kapunda Car Club when they were here in March.

Lions enjoyed being involved in the Peterborough Art & Cultural Festival by selling donuts at the Markets on Saturday 3rd April in the Main Street near the Town Square.

At the 6th April Works Meeting, members decided to host the Australia's Biggest Morning Tea for the Cancer Council on Thursday 3rd June at the Senior Citizens Hall in the Main Street from 10.00am to noon. Plans are underway for this important event, including ensuring COVID guidelines are in place.

The Peterborough Primary School Choir will entertain the people. Our Club annually supports this worthwhile cause and we are looking forward to hosting it again, after it was cancelled last year.

Within a fortnight, members had worked on pairs to hand deliver the telephone books around the town to people's letterboxes. This is another project that our Club does for the Administration account.

Members had a working bee at the Lions Rose Garden at the cemetery on Sunday 18th April, including weeding, fertilising and mulching the roses, repairing drippers etc.

Two members joined in the District Zoom meeting on Thursday 29th April, and really enjoyed it.

The remaining Club positions for the coming year were filled at the Works Meeting on Tuesday 4th May.

On Thursday 13th May, four members and a potential new member, helped serve tea and coffee to the large crowd at the opening of the local West Playground and the surprise celebrations for Mayor Ruth's 30th year as being Mayor.

The Club is looking forward to being involved in the Diabetes SA Community Awareness and Screening Event to be held in Peterborough on Wednesday 19th May in the Town Hall. Our Club is excited to get involved in this important event.

ANGLE VALE LIONS NEWS

Angle Vale Lions Inc

Lions Club of Angle Vale were pleased to be invited this evening to Dalkeith CFS Station where we presented a donation of \$1000 to be used by the staff toward purchase of a new Thermal Imaging Camera

Our members were given a very interesting tour of the Station facilities and vehicles.

Lions Club of Angle Vale are extremely happy to be able to support in any way we can, this hard working group of volunteers!!

Well done to all of the members.

Angle Vale Lions Inc

Lions Club of Angle Vale yesterday officially handed over our donation of a brand new 12' x 6' tandem trailer to a very excited group of Students and Staff from Mark Olliphant College Pedal Prix Team. The trailer was co-funded 50/50 by funds raised by Lions Club of Angle Vale and a very generous Grant from Australian Lions Foundation.

Without the extra grant funding from ALF we probably would have had to look for a used trailer. Thank you so much ALF and thank you so much Lions Club of Angle Vale Members for your fund raising efforts!!

We hope the students will enjoy the addition to the "Team" and we hope to be invited to watch your competitions. Good Luck for 2021 Season.

GLENSIDE LIONS DONATION (From Facebook)

Photo shows L-R, Nicole and Luke - Eye Bank technicians, Tamme Golding-Hobrook Eye Bank Manager, Dr Richard Mills Eye Bank Medical Director, and Frank and Baldwin - Lions.

Glenside Lions donated \$45,000 in October 2020 to the Eye Bank of South Australia located at the Flinders Medical Centre for biological safety cabinets and a new DMEK microscope. This is our ongoing commitment to the Eye Bank as we have been supporting them in the past few years in terms of medical equipment for corneal grafting procedures. Tamme Golding-Holbrook, the Eye Bank manager gave us an introduction on the work the Eye Bank is currently doing and Eye Bank Medical Director Dr Richard Mills showed some videos of DMEK endothelial keratoplasty procedures. Also present were coordinators Luke and Nicole from the Eye Bank and Ross Verchoor from the Flinders Foundation.

GILLES PLAINS RECOGNITION FOR VOLUNTEERING

GILLES PLAINS AT CLINPATH MILE END

Gilles Plains Lions Club was invited to provide BBQ lunch to staff at Clinpath Laboratories at Mile End. Four members manned the BBQ's and served sausages to the hungry staff.

Lions Ted Osborn, Joe Caruana, Charlie-Helen Robinson and Peter McKinnon worked hard serving the staff.

Happy, Hungry Customers

Gilles Plains members received Volunteering Certificates from MP Dana Wortley (also a Lions Member of Gilles Plains) at a recent meeting. All members were thanked By Lion Dana for the work that they have done over the past years volunteering in the community

YOUTH OF THE YEAR REPORTED IN HILLS NEWSPAPER

HERALD NEWS

IMPROVE PUBLIC SPEAKING

by Phoebe Christofi

The Lions Youth of the Year program is a project supported by Lions Clubs nationwide. It's designed to encourage students to enhance their leadership skills and to bolster qualities recommended when taking an active role in the community.

"I have been passionate about this program for over 20 years, as it gives students the opportunity to build up their interview skills and share their achievements with the wider community," Lions Club of Athelstone secretary and Youth of the Year chairperson Val Jarvis said.

Lions Club of Athelstone is actively involved in the project and in 2021 performed exceptionally well with their student candidate Saint Ignatius College's Evelyn Vincin-Walker.

Evelyn competed against two Saint Dominic's Priory College students at the March 1 final.

"The three girls were interviewed by three judges on the Saturday morning with a scoring out of 70, and in the evening each contestant answered two impromptu questions and gave their five minute speech on their chosen topic," Val said.

Evelyn won the club final and progressed to the District C1 final.

At the final she competed against five other students where she

Evelyn Vincin-Walker and Lions Club of Athelstone secretary Val Jarvis

won the overall and public speaking competition.

On April 18, after progressing to the state final, Evelyn won the Public Speaking Award, however, Cameron Dixon of Glossop High School won the overall competition. He will proceed to the national competition held in Canberra in May.

"As a Youth of the Year chairperson for many years, I have seen students achieve at all levels from club, to district, to state, to national finals," Val said.

"They can use the same five minute speech at all

levels, and at each level the students really improve.

"They even have a certificate for their resumes.

"Next year I hope to have a student from Campbelltown College participating in our club final, and I have already been promised support from Saint Ignatius College."

The competition has been operating for over 50 years, and is eligible to year 11 and 12 students between the ages of fifteen and nineteen.

For more information go to lionclubs.org.au

ST IGNATIUS COLLEGE

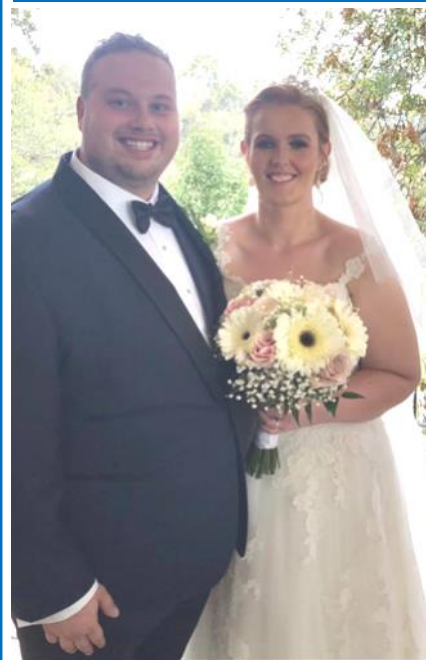

Maddie Noack from St Ignatius College, Marjorie Cook, Michael Cook & Head of school Phillip Donato.

As part of her year 12 Social Justice leadership role Maddie collected used spectacles from the school community & presented them to the Lions Club of Athelstone.

Her grandfather used to be a member of the Lions Club of Gawler so she was aware of the Lions program.

On the first day of training for parachute jumping the man listened intently to the instructor. He told them to start preparing for landing when they are at 300 feet. He asked, "How am I supposed to know when I'm at 300 feet?" "That's a good question. When you get to 300 feet you can recognize the faces of people on the ground." After pondering his answer, he asked "What happens if there's no one there I know?"

The answer may not lie in the bottom of a bottle of wine,
but at least you should check

Every once in a while I run the leaf blower over the driveway,
not because there are any leaves. it's

just to keep my neighbours from coming over & drinking my wine

If you buy a cabbage from Coles you are legally obliged to buy carrots and mayonaise

IT'S COLES LAW

Q. What did the farmer say when he lost his tractor? A, I've lost my tractor.

Q: How did the phone propose to his girlfriend on Valentine's Day? A: He gave her a ring.

Q: How can you tell if a tree is a dogwood tree? A: By its bark.

Q: What happened when the owl lost his voice? A: He didn't give a hoot

I started out with nothing and I still have most of it.

I finally got my head together, and now my body is falling apart.

It was a whole lot easier to get older than to get wiser.

It's hard to make a comeback when you haven't been anywhere.

When I'm finally holding all the right cards, everyone wants to play chess.

It's not hard to meet expenses . . . they're everywhere.

Some days you're the top dog; some days you're the hydrant.

Funny, I don't remember being absent-minded.

I wish the buck really did stop here; I sure could use a few of them.

If God wanted me to touch my toes, he'd have put them on my knees.

The only difference between a rut and a grave is the depth.

First dog: My master calls me Furball. How about you?

Second Dog: My master calls me Sitboy!

Q: What did the Cinderella fish wear to the ball? A: Glass flippers.

Q: Why was the mouse afraid of the water? A: Catfish

Q: What happened when the lion ate the comedian? A: He felt funny.

Q: What's black and white and red all over? A: A blushing zebra.

Q: What is a cow's favourite place? A: The mooseum.

Q: What do fish take to stay healthy? A: Vitamin sea.

Q: What's a dog's favourite food for breakfast? A: Poached eggs.

Q: What do you give a pig with a rash? A: Oinkment.

Q: What's black and white, black and white, black and white and green? A: Three skunks fighting over a pickle!

Q: What kind of mouse does not eat, drink, or even walk? A: A computer mouse.

Q: What do you call a dog with a Rolex? A: A watch dog.

Q: What pine has the longest needles? A: A porcupine.

AMUSEMENTS

Dave and Pete were a couple of drinking buddies who worked as aircraft engineers in Darwin, Australia .

One day the airport was fogged in and they were stuck in the hangar with nothing to do.

Dave said, 'Man, I wish we had something to drink!'

Pete says, 'Me too. Y'know, I've heard you can drink jet fuel and get a buzz.

You wanna try it?'

So they pour themselves a couple of glasses of high octane booze and get completely smashed.

The next morning Dave wakes up and is surprised at how good he feels.

In fact he feels GREAT! NO hangover! NO bad side effects.

Nothing!

Then the phone rings. It's Pete.

Pete says, 'Hey, how do you feel this morning?'

Dave says, 'I feel great, how about you?'

Pete says, 'I feel great, too. You don't have a hangover?'

Dave says, 'No that jet fuel is great stuff -- no hangover, nothing. We ought to do this more often..'

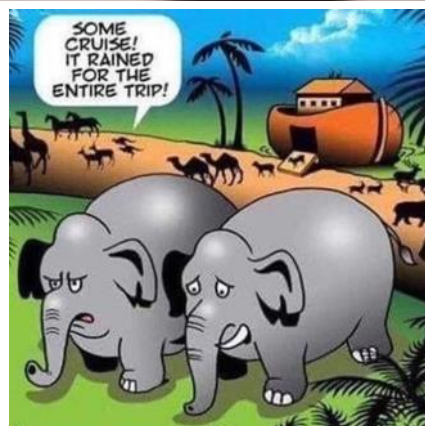

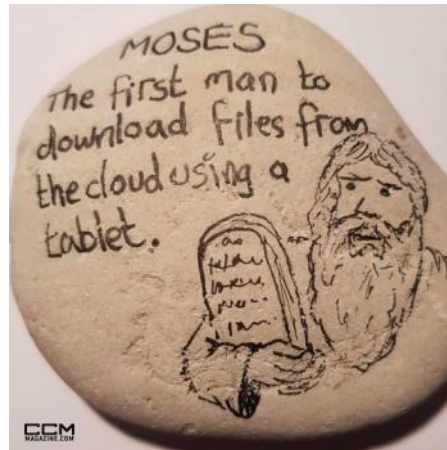

'Yeah, well there's just one thing.'

'What's that?'

'Have you f—ted yet?'

'No.'

'Well, DON'T - 'cause I'm in New Zealand '

They say every piece of chocolate eaten shortens your life by two minutes.

I've done the math.

Seems I died in 1537.

MyLCI DATA CLEANSING INFORMATION SHEET FOR CLUB SECRETARIES

The following Information Sheet has been prepared to assist each Club to undertake data cleansing exercise recently endorsed by the Council of Governors at the September Council meeting.

Over the next twelve months each Club has to finalised this review and standardise their Club MyLCI records with a view to dispensing with the PU101 in 2022 and the Multiple District Directory compiled from corrected Club MyLCI records.

Mobile and Telephone Numbers:

Based on the standards shown on line, mobile and telephone numbers should be listed as follows –

1. Home or Work No: currently listed as (02) 4823 6358 should be shown as _

Country Code	Area Code	Number
61	2	4823 6358

2. Mobile No: currently listed as 0427 261 361 should be shown as –

Country Code	Area Code	Number
61	427	261 361

Address:

Please do not use abbreviations for Street or Road type and the entire address should preferably be in Capitals.

a. An address shown currently as 120 Green Valley Rd, Goulburn, NSW 2580 should be shown as _

Address Line 1 City State (select from menu) Post Code
120 GREEN VALLEY ROAD GOULBURN New South Wales 2580

Other Contact Information:

- i. It is imperative **all contact information be as complete, up to date and accurate as possible** unless the Lion involved indicates that some or all of the information is not for publication.
- ii. For example, **if the Lion has an email address that can be listed, please show it (if is in agreeance)**, as that is generally how Lions Clubs International communicate with us.
- iii. If the Lion has a **mobile or home (or other) phone number that can be shown, include the number/s**. For the purpose of future Directories, the default **preferred phone number to be listed should be the Lions Mobile Number**.
- iv. Ultimately it is up to the individual Lion whether they **adopt a separate Officer Correspondence Address from their home address**. If they are one and the same, remember to **tick the check box under their personal address for correspondence**.

Dates of Birth:

With the advent of full dates of birth at the beginning of 2019, most listed birthdays were incorrect because a default 1st January or 30th June date was added to the year of birth already in MyLCI.

The day and month of birth can be corrected at a Club level but if there is an error in the year of birth, that MUST be changed by Lions Clubs International.

When amending dates of birth ensure the check box "Date of Birth is confirmed" is ticked prior to saving.

Other MyLCI Club Information:

1. Club Information -

Club Information is found under My Lions Club Tab and then Club Info. Double check that the meeting venue, day / time are correctly listed. If meeting times and locations vary, or if one meeting is of a different type to other that month, ensure the correct information is shown.

2. Officer Information –

Found under My Lions Club Tab and then Officer Info. Please ensure that all appropriate officers for the current Lions year are listed e.g. President, Secretary, Treasurer, Administrator, Membership Chairperson, Vice President's and Service Chairperson. If they are no listed access to this system will be declined.

I have attached a number of examples of current member MyLCI listings to show where the deficiencies might exist with some private contact details redacted.

Ted Osborn, District Administration and Club Support Chairman.

CLOSURE OF Oz-Clubhouse website

Closure of Oz-Clubhouse Lions Clubs using Oz-Clubhouse should consider alternative options. Background The Oz-Clubhouse system has been provided free-of-charge to Lions Clubs and Districts in Multiple District 201 for a decade. It was put in place to provide a simple website for Lions Clubs, at a time when there were few low-cost alternatives. Oz-Clubhouse was designed and built at no charge, by an Australian Lion. In the intervening period it has been upgraded once and is currently being maintained by the Multiple District. As a custom-built system, it is costly and difficult to upgrade and it is now plagued by ongoing 'bugs' and has become impossible to maintain. The Lions Multiple District Council has resolved to retire the system in the coming months.

Follow the link for more information

BREAKING NEWS

As there will be no Overseas Youth Exchange again this year, camps are being held within Australia. Twenty Type-1 Diabetic youths, enjoyed a wonderful camp during the last school holidays in Victoria.

The second camp, a first for South Australia, is now being planned for the September school holidays.

NOORLA YO-LONG

The Police Blue Light Camp at Millicent, South Australia.

This will be the place to be, for 15-17 year old young people who wish to have loads of fun, whilst developing leadership qualities, self-esteem and confidence.

The camp dates are September 24 – October 1, 2021.

To register interest contact

Youthexchange.admin@lions.org.au

Or follow this link:

<https://form.jotform.com/211220984489865>

Just three days after announcing this camp, one expression of interest was received from a Leo in Northern New South Wales. We envisage that this will be a very popular camp, so please encourage any young person you know who may be interested, to register his/her interest as soon as possible to avoid disappointment.

Service Clubs Association of SA (SCASA)

Applications are now open for the Premier's Service Clubs Awards so we would love to hear about the activities / projects Clubs have been involved in over the last 18 months . Nominations forms and the criteria for the different categories can be found on our website <https://scasa.org.au/projects-awards>

Have you been involved in a Health , Youth or Social Inclusion activity?
Then tell our about it in 500 words and you may be the winner of the category and win a monetary prize
Each of the winning entries then have the opportunity to be selected as the Premier's Distinction Award

The judging panel for the Awards will be made up of independent individuals who are not part of the committee or are involved in a Service Club but a cross section of our South Australian community

Have you joined with 2 or more Service Clubs on a project?
Have you been involved in a Community Activity or Education
Then please tell us about it and you may be a winner

WE ALSO HAVE SPECIAL INDIVIDUAL AWARDS TO ACKNOWLEDGE PEOPLE IN OUR COMMUNITY FOR THEIR VOLUNTEER SERVICE
HEIDE TAYLOR AWARD Recognises an individual who has shown exceptional Community Service
ALLAN SLOAN AWARD Recognises a young person who has offered volunteer service to the community
HARRY TILLYER AWARD Recognises a school which has encouraged and participated in Community Service
These individuals do not have to belong or be connected to a service club to be nominated

This Year as a once off we are going To offer an Award for a project that has been undertaken due to COVID Bushfires or Drought .

SAVE THE DATE Sunday 31st October for our awards luncheon at the Glenelg Golf Club

Please ensure that all articles are submitted no later than 14th. of each month to-
