News from District 201C1 and Beyond

**AUGUST 2021**

Governors Report July 2021

As I sit here and think about the first month of my Governors year I am reflecting upon my Goals.

**District Governor**

Lion John Barnes (Carol)  
34 Highview Grove  
MOONTA BAY, SA, 5558  
Mob : 0448 895 170

For other District Officers please see page 3

My motto is Fidelity Integrity and Service. To maintain fidelity to our ideals, to treat our members and the public with integrity, to be steadfast to our motto "We serve".

I want a return to serving the Lions member, giving them and their clubs the tools and supports that they need or want to grow, flourish and most importantly to enjoy the time devoted to Lions and through Lions provide excellent service to our communities.

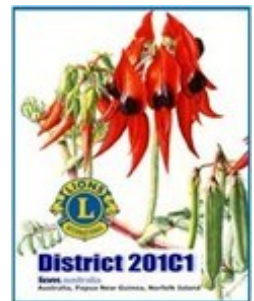

The first month has been incredibly busy from the virtual international convention that streamed out of Chicago, which Carol and I attended, starting each night about 10 pm, and going into the early morning hours, to attending Club handover and meetings. It has been particularly informative to see how each club runs their meetings, some quite informal, some more formal but all with the connecting thread of friendship, respect to each other, and a desire to make a difference in their local community.

We have a number of new faces on cabinet this year and whilst I truly thank every lion who has given time and served on cabinet in any role over preceding years I welcome the new cabinet officers, whilst new to cabinet they are not necessarily new to Lions.

I know they will bring new ideas, new perspectives and diverse vision onto cabinet. Hopefully they will then decide to continue to serve us, the district, into the future as we build and develop a much broader group of Lions with cabinet experience. Who knows there may be a future district Governor among them

Each bulletin I will be asking one or two of them to put a bio into our bulletin so you can get to know them.

You may have noticed a change to our website and Facebook pages. We are very fortunate to have Lion Charlie-Helen Robinson, a PR and marketing professional, a Lion from the Gilles Plains club. She is working on getting everything to look consistent, be a recognizable brand and focused on the message we are delivering. If you need to understand anything in relation to media, social media or your website at your club level, I know she is always ok for a chat. She is very keen to hear what your plans are for the 75th Year Lions Gardens. Have a look at our Facebook and website if you haven't seen them recently.

**District Convention  
Salisbury 15th to  
17th October 2021**

In finishing I want to offer the condolences of myself and Carol to the spouses and families of PDG Bob Rowell (Burnside) and Lion and Lioness Helen Martin (Minlaton). Both these wonderful people served cabinet, district and their clubs at all levels. Each of us will have our own memories and stories of them, we know they are going to be missed and very hard to replace.

District Governor John

ANZI PACIFIC FORUM 2021 — CANCELLED

*'Tropical Kindness— Reef Rainforest Outback'*

Lions Constitutional Area 7: Australia, New Zealand, Indonesia, New Caledonia and the Pacific Region

Newsletter no: 7—July 2021

**ANZI 2021 cancelled**

With the COVID-19 crisis escalating further south, harsher lock-downs imposed, the on-going International Border closures between Australia and Indonesia, New Caledonia and a two month freeze with New Zealand, plus uncertainty as to how the next few months will play out, the Organising Committee for the 2021 ANZI Pacific Forum have had to make the regrettable decision to cancel the Forum planned for Cairns this year.

As at 25 July, a total of 221 registrations had been received for the 2021 Forum. However, only 38% of those registrations are from Queensland and, should our borders be closed to the southern states, the small number of attendees makes the event unviable.

**Refunds are in the pipeline**

As the Forum for this year has been cancelled, all registration monies will be refunded. Registrar PDG Gary Kenny and Treasurer Rachel Davey are working together and will be contacting all registrants with regard to refunds.

We would ask for your patience in this regard, as this is going to be a time consuming exercise, but be assured, you will receive your full refund in due course.

**Pullman refunds**

The Pullman Cairns International Hotel has confirmed they will automatically cancel all accommodation bookings as a block. If you still wish to use your booking, you will need to contact the hotel direct. No further contact is needed by individuals who will not be taking up the accommodation.

**But there is good news**

PDG Engelbert Krampf and PCC Bruce Hudgson, the MD201 representatives on the ANZI Pacific Forum Standing Committee executive, held an emergency meeting with the other members of that committee, with the suggestion to possibly defer the Cairns Forum, rather than cancelling it altogether.

We are thrilled to announce that their suggestion was accepted, with a twelve month deferment granted.

**Put it in your calendar**

Much work has gone into the Cairns Forum over the past nine months and we are looking forward to putting those arrangements to use in 2022.

Organising committee secretary Norm McMullen plans further talks with the Pullman Cairns International Hotel with a view to securing the venue for next September—dates still to be confirmed.

We are hopeful that by this time next year, the COVID-19 situation will have eased, with vaccination roll-outs beginning to make an impression world-wide.

We would like to thank all those who were prepared to take a chance and register for this year. We are as disappointed as you are, but are confident that next year's will prove to be a bigger and better Forum.

Please put us in your calendar for September 2022.

SALISBURY DISTRICT 201C1 CONVENTION INTRODUCTION

**Lions 201C1 Convention: Twenty-One Again!**

**Your 2021 Salisbury Convention Team are excited to finally present the Registration form for the 201C1 Lions Convention being held in Salisbury!**

Hi!

As the Convention Chair for the 2021 Lions Convention being held in Salisbury this year on the 15th to the 17th October, I am excited by what my committee has planned.

While Covid kept most of us separated last year, we look forward to welcoming you with our weekend filled with hospitality; starting with a Mayoral reception on the Friday night, Important business on the Saturday followed by a Twenty-One Again theme celebration dinner and finishing with a Family fun day on the Sunday.

Plenty of work has gone into this weekend and we hope you will join us in the celebrations. We therefore also apologise for the delay in letting you know about our plans.

The week prior and up until the Family Fun Day, our local Council Hub in the City of Salisbury will be displaying the Peace Posters and encouraging visitors to vote. We are also looking forward to hearing the incredible young speakers from Youth Of The Year, who will once again be part of our convention.

We look forward to seeing you there!

Lauren & the Convention Team.

## DISTRICT GOVERNOR HANDOVER

At the District Governor's Handover Dinner, Saturday, 17 July 2021, then District Governor (DG) Tony Pederick OAM presented awards to lions who had excelled in their service during the 2020/2021 term. However, every lion in the 201C1 district is to be commended for the work they have done and are doing, for their own communities. Congratulations to all. **Zone Chairpersons**

Zone Chairpersons are the backbone of our district, and very important in keeping the District Governor up-to-date with what is happening in the clubs, and communicating information to the clubs to the higher levels of the organisation. For 2020/2021 DG Tony created a District Governor's Zone Chairpersons Appreciation Award. This award was presented to express appreciation for the work performed by each of the district's Zone Chairpersons.

The Zone Chairpersons for 2020/21 included:

Ray Najar (City of Adelaide)	Evelyn Chefalachis (Adelaide Hellenic)	Michele Alexandrou (Burnside)
Marijka Ryan (Charles Sturt)	Julie Pickles (Paralowie)	PDG Rob Royal (Clare District)
PDG Don Pritchard (Rocky River)	Steve Fawcett (Port Augusta)	John Reed (Barossa Valley)
Ian Marschall (Maitland & District)	Allan Zerna (Cowell)	

### District Governor's Special Appreciation Award

The first award was presented to Peterborough & District Lions Club for services rendered to the district during 2020/21, particularly in respect to the planning of the aborted district convention which was to be held in **Peterborough** in October 2020. Unfortunately, the convention was cancelled due to Covid-19.

The second special appreciation award was presented to **Indiana Stacey** for initiating and helping develop the Cubs Club Program. This program instils in students, from years 1 to 6, the need to assist the communities in which they live, together with building leaderships skills and developing public speaking skills. It is hoped this program will encourage them to become Lions later in life.

### The Footprint Award

This award recognises the dedicated quiet achievers of District 201C1. This year, it was awarded to Lions **Val Jarvis** from the Athelstone Lions Club for her work with her club and with the Youth of the Year program at club, district and state levels.

### District Governor's Appreciation Medal

This year, three (3) medals were awarded.

**PDG Don Pritchard (Rocky River)** for assisting and advising the District Governor on various issues throughout the past year.

**PDG Lance Leak OAM** for his work as Constitutional and Bylaws Chairperson and Lions Clubs International Foundation (LCIF) representative.

**Lion Helen Martin** for her services to lionesses over the years.

### International President's Certificate of Appreciation

DG Tony awarded four (4) certificates to those Lions who quietly go about their work within their clubs, and communities, year after year, for the benefit of our organisation.

Kingsley Blenkiron (Onkaparinga)

Gary Pavlich (Prospect Blair Athol)

John Chefalachis (Adelaide Hellenic)

Garry Pattingale (Whyalla)

### Star Medal

This award is exclusively designed for those who have rendered deserving services to their clubs or communities.

**Gavin Roberts (Port Lincoln);** for the services he has rendered to the District as a Zone Chairperson, a member of the Global Membership Team (GMT), his club in Port Lincoln, and the community.

**Annette Slater (Golden Grove);** for the work she has done in helping form the Pedare Pride Cubs Club, and as President of the Golden Grove Lions Club.

### Helen Keller Fellowship

The Helen Keller Fellowship recognises a deserving person who has made an outstanding contribution to society. **Vice District Governor Zig Osis (West Beach)** was awarded the Helen Keller Fellowship award for the services he has rendered to the 201C1 District, his club (West Beach) and in particular, to his community.

### James D Richardson Award

This award is organised through the Australian Lions Foundation (ALF) and is presented to honour a Lion for their significant contribution to the community, and Lions. **VALE PDG ROBERT (BOB) ROWELL**

It is with great sadness that I report the passing of PRESIDENT, ROBERT (BOB) ROWELL, on Wednesday 7<sup>th</sup> July 2021.

Bob was a proud Lion who served with great distinction throughout his 48 years of service.

Bob joined The Lions Club of Whyalla (District S2) 1<sup>st</sup> August 1973. He was very active in the Club's Youth Programmes as the Club had a camp at Point Lowly for children of all ages.

Whilst at the Whyalla Club he received a District Governors Achievement Award for his work in uniting Club's in a joint venture to provide the District with an EM-CARE AMBULANCE. He was the Clubs 2<sup>nd</sup> Vice President when his work transferred him to Adelaide.

Bob transferred to the Lions Club of Burnside in January 1979 and has held most Offices in the Club including Secretary, Treasurer and 6 times as President. Such was his contribution to Lions that he held 12 Presidents Appreciation Awards and was awarded a "Melvin Jones Fellowship" (twice) also receiving, a "Doug Coster" Award and a "James D Richardson Fellowship" award.

During his time at Burnside he served on the District S1 Cabinet as a Zone Chairman, Deputy District Governor and the District Governors Bulletin Editor. When the Burnside Club moved from S1 to S3 he again served the New District as a Regional Chairman, Cabinet Secretary and Membership Chairman for South Australia. Bob served in all the 3 "S" Districts of South Australia. Bob was elected the District Governor "S3" for the year 2000—2001.

Bob's Lions involvement extended to being on the Boards of many of the Lions Foundations. Australian Lions Hearing Dogs, Australian Lions Foundation, Lions Medical Research Foundation and the Lions Eye Health Programme.

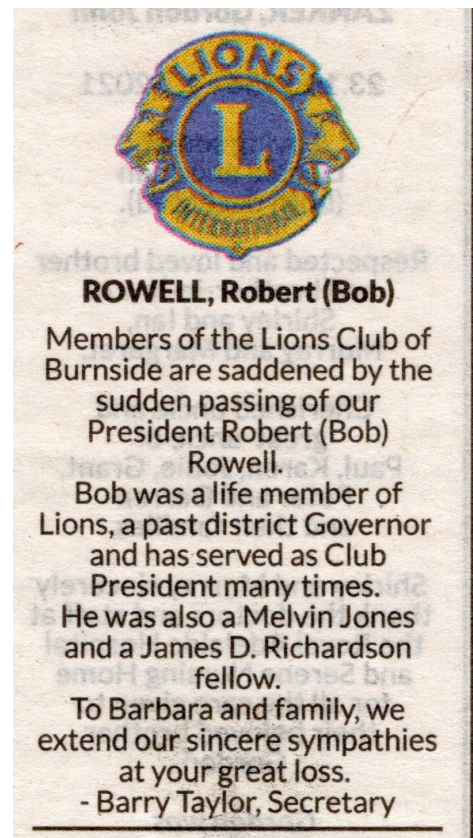

Whilst at Burnside, Bob for more than 25 years was the co-ordinator of the Clubs Annual "Carols in Hazelwood Park" project which drew crowds of 5000—6000 people yearly.

Bob also had a great relationship with St Luke's and the Hutt Street Centre both helping the needy of Adelaide.

Bob was a great family man and together with Barbara (also a Lion) raised 5 children, 1 Girl and 4 boys. The Grand Children kept Bob and his workshop working overtime making toys for all the children and you could have filled a toy shop with the toys he made.

Bob leaves a legacy of service and throughout his long Lions Association epitomised the Lions Motto, "We Serve", and he sure did.

Barry Taylor  
Burnside Lions Club.

**Rest in Peace Dear Friend**

DISTRICT GOVERNOR JOHN'S PROFILE

John was an electrician for Australian National Rail in the '70s based at Port Augusta, South Australia. He worked in various fields ranging from automotive electrical through to HV distribution construction and maintenance; diesel-electric locomotives; and as a Special Class Electrician on complex control systems. Eventually specialising in remote power generation and distribution. John was a member of the Australian Army Reserve (Infantry) for ten years.

He met Carol, a Registered Nurse and they married in 1980. In late 1981 they moved to Darwin where John was to take a position as Tech Officer with the NT Government looking after remote power generation and distribution assets. John never took up this post, instead working for the company which had carriage of the maintenance on the government's remote power stations, this giving him a unique opportunity to visit many remote areas of Australia not seen by most. Carol worked at the Royal Darwin Hospital, training as a Midwife, working in Infection Control and the Accident & Emergency Department, which she loved. They have two children, daughter Tegan and son Rhian.

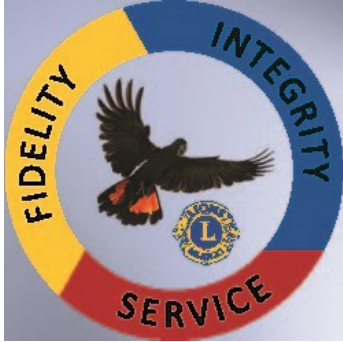

Circa 1990, John was offered another government job relating to remote power stations – in Alice Springs, after having been involved with the design, supply and installation of sophisticated power control systems there. The family moved to the Red Centre, where John eventually became the Remote Power Operations Supervisor (South) covering the Northern Territory from Newcastle Waters to the South Australian border. Carol also continued her professional career and became the Executive Director of Nursing at the Alice Springs Hospital. In this period of sixteen years both Carol and John discovered community service, serving with Quota (Carol), Kiwanis International and the Freemasons.

In 2006 they, along with son Rhian, 'retired' to the Copper Coast on Yorke Peninsula. John semi-retired but Carol took up the position of Director of Nursing for the Wallaroo Hospital. She swapped a campus of 450 employees for one of 45 employees, but ten times the personnel problems, and no resources to manage them with – or so she said.

Living in Moonta, John at once engaged with the community as member of the local Progress Association's management committee and with the local branch of the National Trust including being a volunteer underground mine guide at Wheal Hughes and Secretary of the Mine. In between was involvement leading to chairing of the local Road Safety Committee.

Involvement with Lions began in 2007 when John joined a specialty club – the Lions Club of Yorke Peninsula Rail (a historic railway group) for 2 years, serving for a period as secretary before the club closed when rail operations could not continue. After this, John joined the Lions Club of Kadina where he has served ever since, with Carol joining and serving as Secretary and President for several years now.

Carol is now semi-retired enjoying quilting and kayaking, however she has built her passion in watercolour painting. She is the screener coordinator for the Lions skin cancer screening program and a trustee on the Lions Medical Research Foundation (South Australia). John leads a life of happiness and contentment, according to Carol. This contentment for both is family based with two grandchildren Chase and Asta, with their daughter Tegan and husband Klay living close by.

The Black Cockatoo represents Empowerment, Happiness and Contentment. It is a celebratory totem and usually heralds coming rain.

## SALISBURY LIONS SPONSORS MEDIC ALERT DOG

In the last 40 years, Australian Lions Hearing Dogs have provided over 635 Hearing Assistances Dogs to people who are deaf or hard of hearing in every corner of Australia, and will continue to do so for many years to come. These dogs go out free-of-charge; something they are very proud to achieve thanks to the support from donors and Lions Clubs.

In 2020 they saw an opportunity to further support the Australian community by launching a new Medical Alert Dog program that will harness the high skill level of our Assistance Dog Trainers to train dogs to locate and alert to the scent of a hypoglycaemic event, or low blood sugar, potentially saving lives of children and adults with type 1 diabetes.

They are proud to be the first of our kind in Australia providing these dogs at no cost; as a Lions Australia project, and provide an important community service.

We are proud as a club to sponsor the first dog "Sal" named after our club! Sal recently joined us at our Blanket Salisbury with Love project! 🐾

For more information on the program visit [www.lionshearingdogs.com.au/medicalalertdogs](http://www.lionshearingdogs.com.au/medicalalertdogs) or email Laura Harris, Project Coordinator, at [laura@lionshearingdogs.com.au](mailto:laura@lionshearingdogs.com.au)

## CLARE FURNITURE STORE - JUNE 2021

Lions Furniture Store June 2021 For June we received 91 items of furniture and sold 127. It was a quieter month all round, although the income was reasonable as we sold quite a few more valuable better quality items. We continue to defer some pickups for a few weeks where we can, so the store is not overflowing. Right now we are enjoying having a bit more space to move around in. One of our more notable sales were two corner desks which are now at the Clare Medical Centre. They wanted these desks to set up another spot there for COVID vaccinations. With this extra room the number of doses pre week has doubled. For June May we did 20 pickups and 13 deliveries. Deliveries included three for Uniting Country SA. These were furniture to Burra, a fridge to Eudunda and shifting house from Clare to Blyth. The value of goods donated was \$235. Thanks to all those who have helped out, including volunteers. ## BUSY AT GOLDEN GROVE

### HANDOVER DINNER

On June 22<sup>nd</sup>, the Golden Grove Lions Handover dinner was held in the Dimples restaurant, Tea Tree Gully Golf Club. Visitors and guests included Lions from Paralowie, Angle Vale and Elizabeth/Playford clubs, PDG Paddy McKay with Lion Malcolm McKay and Adrienne Williams, a recipient of a Lions Hearing Dog.

Adrienne proposed the toast to Lions International and told us a story about Merlin, the Hearing Dog. During the training at her home, many of the cues for Merlin to respond were contrived for the exercises which he did well. Recently, however, Merlin responded to a smoke alarm triggered by smoke coming from a microwave oven. Adrienne found it very reassuring to know that although training had finished some time ago, Merlin still remembered to respond appropriately to the alarm. Adrienne was thanked by Lion Paula Luethen who is also the state member for the King elec-

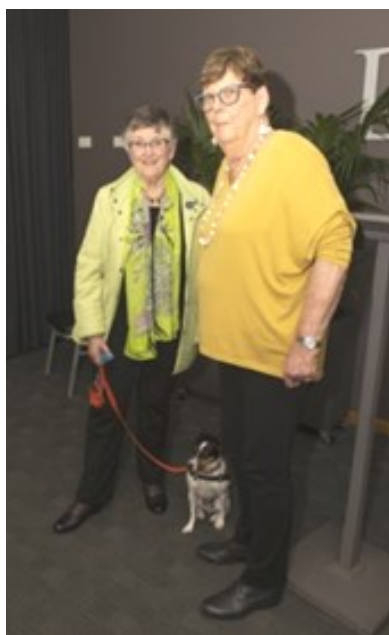

### TREE PLANTING

On Sunday May 23<sup>rd</sup>. and Sunday, the 27<sup>th</sup> June, Golden Grove Lions Club worked with the City of Tea Tree Gully with tree planting. In May, the planting was along the banks of Dry Creek in Surrey Downs. The other planting day was conducted on the banks of the Torrens River at Dernancourt. Both days included a welcome to country by the local indigenous people.

The club catered with the usual sausage sizzle and drinks for the community volunteers. Vegetarian burgers were also provided and all were consumed early at Dernancourt as it seemed that there were quite a few helpers who wanted them. We also used these opportunities to let the local communities know more about Lions.

The day at Dernancourt was overcast and gloomy so everyone was keen to pack up as soon as possible. Our luck did not continue as the rain began to fall as gear was being stowed in the BBQ trailer. After a short wait to see if the rain had set in, there was a mad rush to pack the gazebo with the help of some sympathetic Tea Tree Gully City Council workers. Luckily we have a large shed where we were able to spread the wet gazebo roof to dry out.

Many thanks to the Council workers, community volunteers and Lions

## NEWS FROM ANGLE VALE CLUB

So pleased to be able to post an update on the container we sent to Zimbabwe in 2019 filled with donated goods for Mumbijo Primary School and several local hospitals and clinics. As part of Lions Club of Angle Vale's contribution, we also donated the shipping container to the School. This is being used as a storage shed and for mounting donated solar panels to eventually power parts of the School which is without electricity.

Over the past year or so we have also donated funds to paint the container in School colours and as you can see, a very talented local artist has also painted our Club Logo on both sides. We are delighted to have a presence at this School and continue our support each year by providing funds so that around 40 orphaned children can attend this Primary School. Well done to every Member of Lions Club of Angle Vale Inc for your outstanding and ongoing efforts in this venture!!!

## PROSPECT BLAIR ATHOL HANDOVER AND PRESENTATION

**Race Runner** comes to South Australia at the Prospect –Blair Athol Lions Handover  
The Club’s Handover was held on the 28<sup>th</sup> June at the Empire Hotel, Kilburn. The guests included DG Tony and Marilyn Pederrick, PDG (C2) Bryan and Kay Hearn (ALCMF trustee), Vaal Dix (ALCMF C1 District chairperson), members from Adelaide Hellenic and several past members. In the business section of the evening, outgoing District Governor Tony supervised the installation of the new board for the club.

DG Tony had made a challenge for Handover meetings t to make a coin line for ALCCRF. Members responded and this resulted in \$82.50 (including 1230 x 5 cent pieces) being donated with the line reaching nearly 29 metres!!.

The sorted collection including a couple of foreign coins

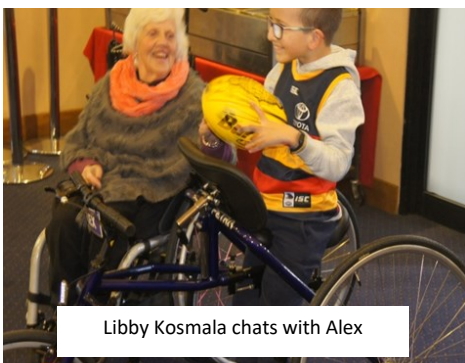

However the evening started with the surprise arrival of a young guest who came to show off his new mobility aid. With everybody assembled in the small dining room, young Alex entered on his recently acquired Race Runner. This is the first of these mobility aids to arrive in South Australia and be engineered by Novita for the use of a disabled youngster. All were amazed at Alex’s demonstration of how the device has given him a new method of motion (he uses a wheel chair much of the time). His big smile and bubbly personality endeared him to all present.

As noted in the funding application *“Alex has limited ability to run but since trialling a Race Runner his mobility has greatly improved and is now able to be involved with his peers. Such an acquisition will also see an improvement to his general level of fitness and physical activity.”*

Alex took great delight in propelling himself around the near deserted hotel dining room showing his new found freedom. He sits on the seat and leans forward to place his upper torso on a specially positioned pad and then uses what strength he has in his legs to “paddle” between the back wheels, resulting in forward movement. The bicycle style front wheel and handle bars enable him to steer around obstacles. He is still getting used to manoeuvring the Race Runner especially as it has a fairly big turning circle requiring many “three point” turns in confined areas.

Alex was presented with a special yellow and black football by Vaal Dix. This football was one from the Bachar Houli Foundation that seeks to involve young people through a football linked pathway. Unfortunately the coloured football clashed with his signed Crows jumper!

The Prospect-Blair Athol club fully funded this device through the Koperlos Trust fund that the club administers. The club had previously funded over 50 mobility aids (walkers, bikes and trikes) through Novita for many young disabled South Australians, a couple of times co-funding with other Lions clubs. We have

Libby Kosmala chats with Alex

subsequently co-funded a second Race Runner with another Lions club.

Of note, Race Runners are now a feature in the Para-Olympics, being included in the Tokyo event later this year.

## GOLF JOKES

**Golf is enjoyable like Eggs:** Golf balls are like eggs. They're white, sold by the dozen, and a week later you have to buy some more.

**Marriage Made with a Long Putt :** You spend too much time thinking about golf! Do you even remember the day we got married? Of course I do! It was the same day I sank that 45-foot putt.

**The Rider:** After they went into the locker room, another golfer who had heard the old guys talking about their game went to the pro and said, "I've been playing golf for a long time and thought I knew all the terminology of the game, but what's a rider? The pro said, "A rider is when you hit the ball far enough to actually get in the golf cart and ride to it."

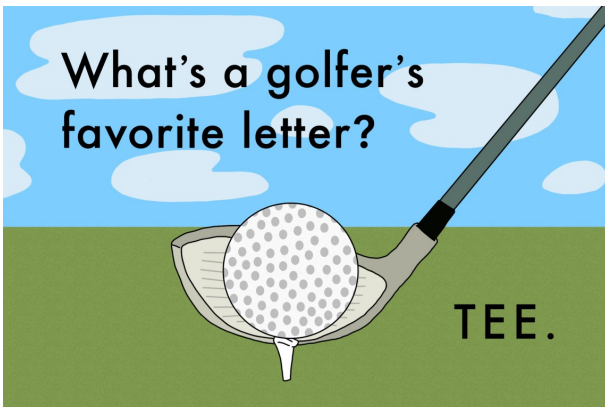

After a particularly poor round, a golfer spotted a lake as he walked despondently up the 18th. He looked at his caddie and said, "I've played so badly all day, I think I'm going to drown myself in that lake."

The caddie, quick as a flash, replied, "I'm not sure you could keep your head down that long."

A young man with a few hours to spare one afternoon figures that if he hurries and plays very fast, he can get in nine holes before he has to head home. As he is about to tee off, an old gentleman shuffles onto the tee and asks if he can join him. Although worried this will slow him up, the younger man says, "Of course." To his surprise, the old man plays quickly. He doesn't hit the ball very far, but it goes straight. Furthermore, the old man moves along without wasting any time.

When they reach the 9th fairway, the young man is facing a tough shot. A large pine tree sits in front of his ball, directly between it and the green. After several minutes of pondering how to hit the shot, the old man says, "You know, when I was your age, I'd hit the ball right over that tree." With the challenge before him, the young man swings hard, hits the ball, watches it fly into the branches, rattle around, and land with a thud a foot from where it had started.

"Of course," says the old man, "when I was your age, that tree was only three feet tall."

Two women were playing golf. One teed off and watched in horror as her ball headed directly toward a foursome of men playing the next hole. The ball hit one of the men. He immediately clasped his hands together at his groin, fell to the ground and proceeded to roll around in agony. The woman rushed down to the man, and immediately began to apologize. "Please allow me to help. I'm a physical therapist and I know I could relieve your pain if you'd allow me," she told him. "Oh, no, I'll be all right. I'll be fine in a few minutes," the man replied. It was obvious that he was in agony, lying in the fetal position, still clasping his hands together at his groin. The female golfer/therapist urged him to let her help him, so at her persistence, he finally allowed her to help. She gently took his hands away and laid them to his side, loosened his pants and put her hands inside. She administered tender and artful massage to his privates for several long moments and then asked, "How does that feel"?

He replied, "That feels great, but my thumb still hurts like Hell!"

## LAWS OF PROBABILITY

The probability of meeting someone you know always increases when you are with someone you don't want to be seen with.

When you try to prove to someone that a machine won't work, it invariably will.

When the body is fully immersed in bath water, the telephone will ring.

Change queues & the one you just left start's to move faster than the one you are in now.

Once your hands become coated with grease, your nose will begin to itch.

Drop a tool & it will roll to the least accessible corner, where it can't be seen nor reached.

When you dial a wrong number, you never get an engaged tone.

If you tell the boss you were late for work because you had a flat tyre, the next morning you will have a flat tyre.

## I AM A SEENAGER

I have everything that I wanted as a teenager, only 60 years later.

I don't have to go to school or work.

I get an allowance every month. I have my own pad. I don't have a curfew. I have a driver's license and my own car.

The people I hang around with are not scared of getting pregnant and I don't have acne.

Life is great. I changed my car horn to gunshot sounds. People get out of the way much faster now.

Gone are the days when girls used to cook like their mothers. Now they drink like their fathers.

I didn't make it to the gym today. That makes five years in a row.

I decided to stop calling the bathroom the "John" and re-named it the "Jim". I feel so much better saying I went to the Jim this morning.

When I was a child, I thought "Nap Time" was a punishment. Now it feels like a small vacation.

The biggest lie I tell myself is: "I don't need to write that down, I'll remember it."

I don't have gray hair; I have "wisdom highlights"! I'm just very wise.

If God wanted me to touch my toes, He would've put them on my knees.

Last year I joined a support group for procrastinators. We haven't met yet.

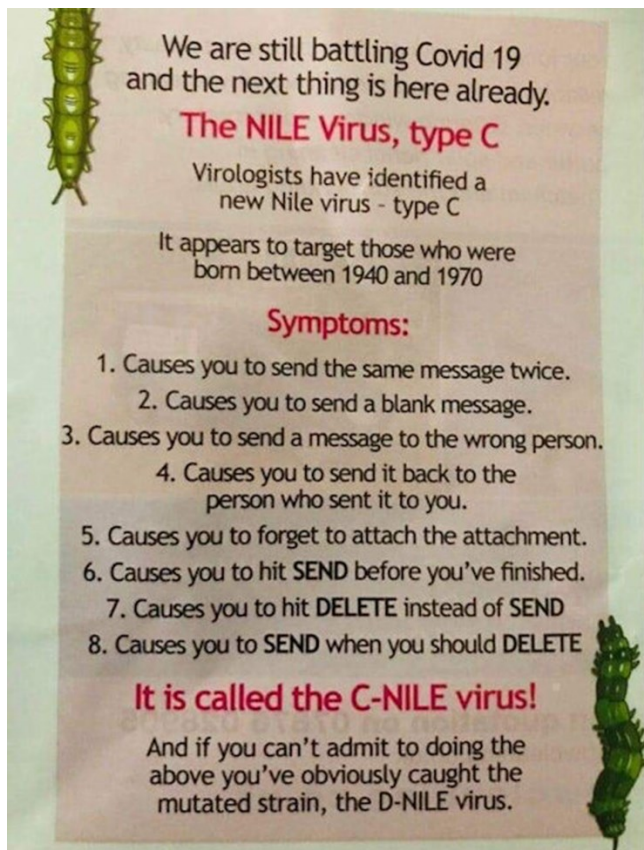

Why do I have to press one for English when you're just going to transfer me to someone I can't understand anyway?

Of course, I talk to myself. Sometimes I need expert advice.

At my age "Getting lucky" means walking into a room and remembering what I came in there for.

I have more friends I should send this to, but right now I can't remember their names.

Now, I'm wondering: did I send this to you, or did you send it to me?

## LAYING IT ON THE LINE FOR KIDS WITH CANCER

Protecting our children and grandchildren from Paediatric Cancers is a cause close to the hearts of parents and grandparents alike throughout Australia. We are sure that all Lions would love to help the Australian Lions Childhood Cancer Research Foundation (ALCCRF) support this essential work. One simple way that Lions and the greater community can help to raise funds is by hosting a "Coinline".

The proceeds of hundreds of individual Coinlines throughout the country will be converted into 5cent coins and laid end-on-end. The objective is to break the current World Record Coin Line, standing at just under 76Km. Our goal is to reach 85Km which will smash the record. When we reach this target, the ALCCRF and Cancer Research will benefit by over \$250,000.

In an age where we predominately use cards before cash, there are still millions of dollars in coins in circulation. Many are just lying around in bowls, jars, drawers, and bed-side tables. Now is a good time to collect up all those coins and create a "Coinline" with your friends.

The ALCCRF has received a great response to the District Functions Challenges at the MD Convention in Canberra, with a total of \$4,000 raised at the dinners held on that one night. The current "Changeover Challenge" is going very well, with numerous Clubs and Districts reporting during June. Particular thanks must go to District C1, with \$2,500.00 donated from their Challenge.

**It is time now that all Lions rise to the Challenge to hold a "Coinline".**

Coins of all sizes are OK, even bank notes if you run out of coins. You can do it on the floor, you can do it on a table. It can be in a straight line or form a pattern. You can make it spell out a name or a message, like "**Coinline for Kids with Cancer**".

It is your "Coinline", so use your imagination, promote it, host it and then photograph it. Send your photos to [coinlineforkids@lions.org.au](mailto:coinlineforkids@lions.org.au) or post them on Facebook at "[Australian Lions Laying it on the Line for Childhood Cancer](https://www.facebook.com/AustralianLionsLayingitOnTheLineforChildhoodCancer)" or on Instagram <https://www.instagram.com/lions.longest.coin.line>. Let everyone know about your successful "Coinline".

When you get to bank the donation, please identify yourself by using **Coinline** and **your Club number** as the reference. All the donations received and identified will get a letter of thanks which will include a calculation of just how much closer we are to beating the World Record thanks to your help.

Please Challenge all the Schools, Businesses, Community Groups and Sporting Clubs in your area to hold their own "Coinline" and dare them to beat your total.

***If every Aussie gave just one cent, we would reach our Challenge goal.***

By now a brochure about the "Coinline Challenge", a letter to all Club Presidents, plus a promotional letter for Clubs to personalise and use, should have been distributed to Clubs by your Cabinet Secretary.

The Challenge runs from July to the end of September (Cancer Awareness Month). If we are successful, the World Record attempt will take place in Maitland NSW in November.

## Why you shouldn't wait until retirement to travel

“Why is your stomach so big?” He asks. “I’m having a baby.” She replies. “Is the baby in your stomach?” He asks, with his big eyes. “Yes, it is.” She says. “Is it a good baby?” He asks, with a puzzled look. “Oh, yes. A really good baby.” The lady replies. Shocked and surprised, he asks: “Then why did you eat him?”

Lions Australia - 75 years of Always being there

Did you know that Lions Australia will celebrate its 75th anniversary in 2022? Today we are incredibly excited to launch our 75th anniversary campaign! Centred around the word 'Always', this campaign presents an exciting opportunity for our organisation to celebrate all that we have achieved over the past 75 years, while looking to the future and the impact that we will continue to make in the lives of people who need it the most. Take a look at our launch video to find out how your club can get involved and help celebrate 75 years of Lions Australia always being there. #LionsAustralia75

OPPORTUNITIES FOR OUR YOUTH

Take a look around your local community ... what is your Lions Club doing to foster the development of your youth?

LEO CLUBS provide a great opportunity for young people from 12 to 30 years of age to get involved in their community, make friends, have fun and make a positive difference in their world.

In my experience, many young people are genuinely interested in 'giving back' to their community but this opportunity is only possible if LIONS CLUBS make the decision to sponsor a LEO CLUB.

As you are making plans for this new Lions year, please consider forming a LEO CLUB in your area. The benefits are immense, and it will not 'cost' your club anything - as it is a club project, the expenses come from your community account.

Please contact me if you are interested in finding out more about starting a LEO CLUB - I would be happy to help you get it up and running.

Thanks,

Lion Beau Brug
