DISTRICT GOVERNOR MESSAGE
A visit to Peterborough Lions for their Hand Over dinner and celebrations was the delightful harbinger of the duties for the month. Carol and I have visited Peterborough Lions for handover on many occasions and always enjoy ourselves. We had a truly delightful weekend in Peterborough catching up with friends, as is always the case when visiting other Lions Clubs.

District Governor
Lion John Barnes (Carol)

For other District Officers please see page 5

A visit to Port Pirie assisting the Lions to celebrate the clubs 'Birthday' was a first-class night whilst filled with laughter and fellowship it still included reciting the national anthem as of course singing was not allowed.

President Betty welcomed guest and Lions in a very warm and enthusiastic way. Wearing masks was required until you were seated, that didn't seem to deter anyone from enjoying themselves. Lions were visiting from Kadina, and Port Augusta, the night was full of friendship and celebration. A Dutch auction had everyone intrigued and those lucky enough to have winning bids all left happy. Particular note must be the excellent auctioneer on the night Lion Leon Darley, who kept the bids and laughs rolling in, and is available for auctioneering duties at any event.

Of course, some business was required to pay for my meal, and I addressed the club delivering the gist of International President Alexander's message for his term of office – Service from the Heart. I expanded on my thoughts we, as Lions should be getting back to where it all started. Where? With one person in Chicago and a few of his business friends giving excellent service back to their community. I may have something there as both Mayor Leon Stephens of Port Pirie R.C. and Hon. Geoff Brock both expanded enthusiastically on the matter of service when they in turn addressed the club. Later Geoff quieted down somewhat and began having hearing problems when I asked about getting state subsidies for community service organisation membership fees. Oh well, one day ...

Carol and I also took opportunity to visit Port Pirie President Betty's shop where she has dedicated a large space to a display about Lions and the work the club undertakes in the local community. It was informative, attractive and certainly an innovative idea, and has the benefit of already attracting new members.

During the month I also attended the Moonta Lions dinner meeting, as I was asked to induct a new member there. Not an official visit, and wonderfully, VDG Zig will also be inducting a new member when he carries out the official DG Team visit.

My last visit for the month was to Burnside Lions. Burnside Lions is a senior club, with their sixtieth anniversary next year having received their Charter on the 4th of May 1962. The club may be senior, and many of their members may be senior but they still have lots of vim and vigour and with twenty-one members and numerous projects at hand they are showing the way to many younger clubs.

Preparation for convention continues with committee meetings. Salisbury Lions are really going all out and working to have a convention that will be memorable. The family day on Sunday at Saint Kilda will be something not to miss. You may not be aware, but Salisbury Council moved their annual Family Fun Day to coincide with the Lions Convention. So time for a bit of support for the Council and get those registrations in. Convention is always a time to learn about Lions, make new friends, and spend time with the many friends we have from across our Lions district. And a chance to see our Lions Foundations on display.

The Constitution and Bylaws committee has convened several times, working hard preparing some proposed governance changes to go to Convention for approval, as has the finance committee.

District Governor Message Cont from Page 1

Carol and I were fortunate to take part in a farewell dinner for his Excellency Hieu Van Le AC, 35th Governor of South Australia and his wife, hosted by the Lions Medical Research Foundation, of which His Excellency is the Patron. The dinner was part of the celebrations thanking them for the service they have given to South Australia. With so many events being cancelled because of the covid situation this was a very special evening.

His Excellency gave a moving speech drawing parallels from his fleeing from Vietnam and arrival in Australia to the current issues in Afghanistan, and it bought many of the attendees to tears. Speaking of their first day in Adelaide where he and his wife had nothing but the clothes they were wearing and the joy and safety he felt with the first Australian who visited them saying the simple words "I'm here to help you". And that generosity of spirit which has motivated him every day since that time; being drawn to service and giving back to the country that accepted him; a country and state that showed inclusivity; is egalitarian and embraced he and his wife as new arrivals who had much to share and give. His sense of service and desire to help all people can really inspire us all in our community service. Not unsurprisingly, his Excellency is a Lions Club member.

Until next month Serve through Diversity, With Kindness and From our Hearts..

Governor John

SUCCESSFUL SKIN CANCER SCREENING ON EYRE PENINSULAR

Skin Cancer Screening West Coast Tour

Submitted by Lion Carol Barnes (Skin Cancer Screener)

Five dedicated members of the Lions Skin Cancer Screening team recently gave up ten days, travelling to the states west coast and undertaking screening events at Port Lincoln, Cleve, Lock and Wudinna.

This has been the largest single event for the program in 2021 after postponing almost every screening planned in 2020 and several this year because of covid it has been difficult getting back on track. This event was a huge commitment to everyone involved from the local club contacts to the team that participated.

The driver and safety officer for the trip was Port Augusta Lion Andy Sayers, he was kept busy because of issues with the generator but he ably managed each situation that arose this included the days it rained making getting clients in and out of the unit tricky.

Meanwhile his wife Lion Moz kept everything running smoothly as admin support, showing client in to the examination areas explaining what would occur and completing data entry. Screeners we're Lion Christine Haar from Renmark, Friend of Lions Mandy Anderson from Adelaide and Lion Carol Barnes from Moonta. Screening days are hard work requiring the whole team to be on site from 8 am to 4pm they can be very tiring. The days in between screenings were spent traveling, relocating and cleaning the unit, with an extended period away from home the team got on very well and enjoyed the trip.

In total 424 people were screened, 124 lesions found with 80 being potentially life threatening with over 300 hours of volunteer time not including travel time. These screenings had been postponed from 2019 when covid shut down stopped everything. The unit has a covid plan, each room and equipment is cleaned after every client with specific antiviral cleaners, and the screeners wear masks and appropriate PPE at all times, so we can protect our clients, protect our screening team and ultimately protect the Lions image.

Any screening event is tiring and being away from home brings another layer of difficulty to the events if only because nothing is quite the same as being home and with family. The hosting clubs took incredible care of us, in fact we had to tell them to stop feeding us!!

Each event has a club contact and coordinator who has liaised with the district screening coordinator to ensure advertising, parking of the unit, and booking of appointments is undertaken appropriately so that everything is ready when the driver and team arrive.

The unit it self is a great advert for Lions and it's always good to have it in a prominent place so the community knows what Lions is doing.

One of the really impressive things about this trip was the number of young (under 40) persons screened and it was commented on in Wudinna that local realised that they need to support events like this to ensure they return to the community and that it is very, very rare to have any health service actually come to Wudinna, usually they have to travel to Cleve or Port

Lincoln.

Did you see any of the daily videos posted to the district Facebook page? If not check them out and hear direct from the Lions what it means to have an event like this in their towns.

ANZI PACIFIC FORUM 2021 — CANCELLED

CAIRNS
Australia

3-5 September 2021

'Tropical Kindness – Reef Rainforest Outback'

Lions Constitutional Area 7: Australia, New Zealand, Indonesia, New Caledonia and the Pacific Region

Newsletter no: 7—July 2021

ANZI 2021 cancelled

With the COVID-19 crisis escalating further south, harsher lock-downs imposed, the on-going International Border closures between Australia and Indonesia, New Caledonia and a two month freeze with New Zealand, plus uncertainty as to how the next few months will play out, the Organising Committee for the 2021 ANZI Pacific Forum have had to make the regrettable decision to cancel the Forum planned for Cairns this year.

As at 25 July, a total of 221 registrations had been received for the 2021 Forum. However, only 38% of those registrations are from Queensland and, should our borders be closed to the southern states, the small number of attendees makes the event unviable.

Refunds are in the pipeline

As the Forum for this year has been cancelled, all registration monies will be refunded. Registrar PDG Gary Kenny and Treasurer Rachel Davey are working together and will be contacting all registrants with regard to refunds.

We would ask for your patience in this regard, as this is going to be a time consuming exercise, but be assured, you will receive your full refund in due course.

Pullman refunds

The Pullman Cairns International Hotel has confirmed they will automatically cancel all accommodation bookings as a block. If you still wish to use your booking, you will need to contact the hotel direct. No further contact is needed by individuals who will not be taking up the accommodation.

But there is good news

PDG Engelbert Krampf and PCC Bruce Hudgson, the MD201 representatives on the ANZI Pacific Forum Standing Committee executive, held an emergency meeting with the other members of that committee, with the suggestion to possibly defer the Cairns Forum, rather than cancelling it altogether.

We are thrilled to announce that their suggestion was accepted, with a twelve month deferment granted.

Put it in your calendar

Much work has gone into the Cairns Forum over the past nine months and we are looking forward to putting those arrangements to use in 2022.

Organising committee secretary Norm McMullen plans further talks with the Pullman Cairns International Hotel with a view to securing the venue for next September—dates still to be confirmed.

We are hopeful that by this time next year, the COVID-19 situation will have eased, with vaccination roll-outs beginning to make an impression world-wide.

We would like to thank all those who were prepared to take a chance and register for this year. We are as disappointed as you are, but are confident that next year's will prove to be a bigger and better Forum.

Please put us in your calendar for September 2022.

SALISBURY DISTRICT 201C1 CONVENTION INTRODUCING KEY NOTE SPEAKERS

The Salisbury “21 Again” Convention Committee is excited to announce that two very interesting Key Note Speakers have agreed to attend the convention. Past International Director Lion Tony Benbow OAM and Past Council Chairperson Lion Phillip Johnson will address the Convention attendees.

Past International Director Tony Benbow OAM

Tony has been a member of the International Association of Lions Clubs for over 36 years, commencing as a Charter Member of the Lions Club of South Vermont in District V5 where he is still a member today.

Tony has had a very distinguished service in Lions at Club, District, Multiple District and the International levels.

Over his career in Lions, he has been the District Governor of District V1, Council Chairperson of Lions Australia and held several positions in the Global Action Team including the head of the team for our Constitutional Area. As well as these roles he was the Vice Chair for the Host Committee for the International Convention in Sydney in 2010 and now is the Host Chair for the International Lions Convention being held in Melbourne in 2024. In 2016, Tony was elected the International Director for Constitutional Area 7 which covers Australia, New Zealand and Islands of the South Pacific, Indonesia and New Caledonia. He completed this role in 2018.

Since that time Tony continues to serve and holds a number of positions in other organisations which include, Chairman of the Lions House Foundation Inc., Chairman and Victorian State Director for the Australian Lions Foundation Ltd. and recently retired as Chairman of StepAhead Australia Ltd after 9 years as Chair. He is currently the Chair of the Multiple District Long Range Development Committee.

Tony’s wife Sue, is also a Lion as well as an active member of the Lions Club of South Vermont Ladies Auxiliary. They have two adult children one who is married and they have a 15 month old daughter (their first grandchild).

Past Council Chairperson Phillip Johnson

Phillip has been a member of the International Association of Lions Clubs for 34 years in several clubs. He is currently a member of Colac Lions Club (V2).

During his career in Lions Phillip has been District Governor in 2014/15 and Council Chairperson in 2015/1 and is currently MD201 GLT Leadership Coordinator, Zone Chairperson and Club President.

He has also been involved in many Lions Institutes namely Faculty Development Institute (2012), Advanced Lions Leadership Institute (2012), Faculty Excellence Series (2016), Guiding Lion (2018) and Lions Certified Instructor (2019). Faculty member for RLLI, FDI and ALLI X 2.

Phillip has been honoured with many awards, both Lions and Civic, including a Progressive Melvin Jones Fellowship, James D Richardson Honour Award, President’s Appreciation Award, Key Membership Award to name a few.

During his professional life, Phillip was a teacher for 40 years, spending his last 24 years in that profession as a Primary School Principal.

Phillip’s sporting interests include going for a daily walk with his wife Anne, and watching AFL football, especially the Sydney Swans. Phillip and Anne have 3 children and 4 grandsons.

Lions 201C1 District Convention 2021 at Salisbury “Twenty-One Again”

Follow our Facebook Page for up-to-the-minute information

As the Convention Chair for the 2021 Lions Convention being held in Salisbury this year on the 15th to the 17th October, I am excited by what my committee has planned. While Covid kept most of us separated last year, we look forward to welcoming you with our weekend filled with hospitality; starting with a Mayoral reception on the Friday night, important business on the Saturday followed by a Twenty-One Again theme celebration dinner, and finishing with a Family fun day on Sunday at St Kilda Beach. Plenty of work has gone into this weekend and we hope you will join us in the celebrations. The week prior and up until the Family Fun Day, our local Council Hub in the City of Salisbury will be displaying the Peace Posters and encouraging visitors to vote. Lots to look forward to, we hope to see you there!

Lauren Brug, Convention Chair & the Convention Team.

Tramway Museum at St. Kilda, S.A. is pleased to announce that after a long closure due to Covid restrictions and regulatory issues we are running trams for the public again every Sunday, so this will be part of the Family fun day on Sunday, after the remembrance ceremony.

TOUR OF SALISBURY HUB

Dear District Governor John Barnes, and Cabinet,

I confirm that I have spoken with Mayor Gillian Aldridge OAM and she has agreed to co-host a Tour of the new \$44 million dollar “Salisbury Community Hub”.

Our Hub is an impressive four storey building on John & Church Street which will be utilised as the venue for the Friday evening opening and Civic Reception.

I confirm that there will be select numbers able to be accommodated and as such, prior to a date/time being set, I am seeking expressions of interest for the tour on a weekend in the coming weeks.

Please respond to this email privately if you are interested in attending.

Thanks,

Beau Brug

To all Constituent Members
Multiple District 201

Dear Member,

As you are probably aware the Foundation is a registered Charity and is entitled to Deductible Gift Recipient status with the ATO. We have been notified by the Australian Charities and Not For Profit Commission (ACNC) that we need to make a couple of minor changes to our current Constitution to retain this status. As it is not possible to hold a special General Meeting to do this (due to Covid) it will be held by email to all Constituent Member Clubs.

There is one Notice of Motion to be put forward at this meeting and this is outlined below.

Please find below a simple voting form to be actioned by your Club and returned to the Foundation by mail or email before 18 September 2021.

I would remind member Clubs that each Club is entitled to one vote.

If you require a full copy of the current Constitution please contact the writer on aldaf@bigpond.net.au

Yours in Lionism,

David McKenzie
Secretary

World Diabetes Day

14th November 2021

There are 2 main types of diabetes.

Type 1 diabetes is a condition where the body is unable to produce insulin of its own. The only treatment is to have insulin either via injection or pump.

Type 2 diabetes can run in families and is a condition where the person may no longer be making enough insulin or their insulin is not working properly. They may be managed with lifestyle strategies, medications and/ or insulin.

Diabetes is relentless.

Every minute of every day, a person with diabetes faces decisions, thoughts, worries and fears about their diabetes care and the future impact the condition may have on their health.

A person with Type 1 diabetes needs to adhere to a complicated regimen and to make an average 180 decisions each day directly related to the management of their diabetes.

Diabetes distress, anxiety and burnout are very real complications of the condition.

Last year Diabetes Australia's theme was 'Heads up on Diabetes' with a focus on the mental and emotional health impacts of living with diabetes.

This world diabetes day, I would like to encourage LIONS to have a conversation about the real impact diabetes can have on a person's mental and emotional wellbeing.

If you are feeling overwhelmed by the burdens of caring for your diabetes or for someone you love with diabetes please contact your Diabetes Nurse Educator or GP for further support

STEPPING UP TO DIVERSITY AND INCLUSION

At the first Lions District 201C1 Cabinet meeting for the 2021-2022 year, we congratulated Lion Alex Coates for being (what we believe is) the first GMT Team Member focusing on Inclusion and Diversity as the Inclusion and Diversity Support Officer and Advocate for our District 201C1.

The role's focus is to consider and better understand how we integrate and support the LGBTQIA+, Multicultural, Indigenous and people living with a disability in our community and within our Lions family.

With pride, Lion Alex Coates reported that in his first tasks as a Cabinet member, he had attended the Better Together – 4th National LGBTQIA+ Conference in Adelaide, attended the Adelaide IDA-HOBIT event and spoke with the many different organisations and people to gain insight and better understanding about how Lions can look to better support and encourage these groups to be more involved with and within our clubs. Alex has drafted our first Diversity and Inclusion Policy Statement which will go to Cabinet for endorsement in the coming months.

In relation to the LGBTQIA+ community, the District 201C1 Cabinet then agreed a motion for Rainbow Lions and Allies participating in the Adelaide Pride march this November 2021.

Lion Alex Coates said, "attending this march will allow the exposure of Lions members and the Lions organisation to the Rainbow community, all while providing greater awareness to the broader community, highlighting Lions as diverse organisations, accepting of all."

This march will be a significant milestone, as it will give our Rainbow Lions members and allies an outlet to express their pride in being part of Lions.

District Governor John Barnes agreed the motion was "very pleasing to see and should be proudly exhibited far and wide."

The Salisbury Lions Club have already developed a Diversity Statement, which is shared here:

We, the members of the Lions Club of Salisbury respect and acknowledge the diverse community we serve including the traditional owners, the Kaurna people, Salisbury residents from across the world and those born in this country.

We also respect and acknowledge community members with other differences including but not limited to differences of ability, belief, gender identity, outlook and sexuality. We agree to treat everyone equally with kindness and through our service improve our community.

We encourage all Lions Clubs to consider their own diversity statement, or adopt the one above.

CABINET POSITION CHANGES

Our Cabinet Secretaries have switched roles - with Lion [Yvonne Bradford](#) taking the reigns as Cabinet Secretary and Lion Malcolm McKay assisting while some health issues are sorted.

Wishing both well in their respective roles going forward. Fun fact - did you know Lion Yvonne is also Chair for Australian Lions Foundation. A credit to her dedication and service to Lions across South Australia and beyond. Thank you for your service

Also please note the Marijka Ryan has resigned as Chairman for Zone 1. DG John is working on a replacement.

75 YEARS IN AUSTRALIA

Did you know that Lions Australia will celebrate its 75th anniversary in 2022? Today we are incredibly excited to launch our 75th anniversary campaign! Centred around the word 'Always', this campaign presents an exciting opportunity for our organisation to celebrate all that we have achieved over the past 75 years, while looking to the future and the impact that we will continue to make in the lives of people who need it the most. Take a look at our launch video to find out how your club can get involved and help celebrate 75 years of Lions Australia always being there.

CHANGES/UPGRADE TO MD WEBSITE

12th Aug 2021

Lions Australia website notice

We will shortly be transitioning to a new Lions Australia website.

In order to manage the change you will notice that the Lions Australia website will be offline for a short period over the next 24 hours. Due to the complexity of the current website and the Oz-Clubhouse system, it may be that the Oz-Clubhouse system is down for a period as well. The current website has operated since 2008 and Oz-Clubhouse since 2010, and the underlying technology has changed over that period.

About the new site

The new website is very much public-facing and we have aimed for a simple, clear interface that promotes our organisation to the world. Some of the text-rich content and explanations have disappeared from the website, in favour of more images, and links through to other sites. Since most users spend less than two minutes on a website, this makes sense. It is also a fact that most of our projects and foundations have established their own websites and there is no need to duplicate that content on the Lions Australia website.

There will be continued refinements to the website when it is in place, particularly over the next few weeks. Please be patient as we work to ensure that the essential content is in place and the website works as it should.

Finally, if you have linked to content on the old website, through your District or Club website, you may need to amend those links.

I would like to acknowledge, in particular the work of PR Officer Hannah Mills in driving this process, along with Elise Murrell. As with most of the work at our office, it has been a whole team effort.

I went to the cemetery yesterday to lay some flowers on a grave. As I was standing there, I noticed 4 grave diggers walking about with a coffin. 3 hours later and they're still walking about with it. I thought to myself, they have lost the plot!

AROUND THE CLUBS

GILLES PLAINS CLUB FUND (FUN) RAISER

Lion Lida and Lion Charlie have crafted a fundraiser for the Australian Lions Children Mobility Foundation via our Gilles Plains Lions Club.

At our last Lions meeting, we (those in the Club) agreed to fund a mobility bike for a local child.

However, the needs are ongoing and every \$helps... so in usual fashion, we'll have some fun as we do it.

All welcome. \$10 to secure entry (due to social distancing and just needing to know who's coming). Event runs from 6-7.30.

Chats by the ALCMF and Leigh Woodrow from Langmeil Winery on the night.

TONY'S BIG BLUE BUCKET

Submitted by City of Adelaide Lions Club

We are very excited to officially announce PDG Tony's Big Blue Bucket total for the [Australian Lions Childhood Cancer Research Foundation \(ALCCRF\)](#) (which has increased since the DG Handover on July 17). The ALCCRF was Tony's chosen foundation to support during his year as DG in 2020/21.

BIG BLUE BUCKET TOTAL: \$2,421

Donations included:

- \$69.45 from Tea Tree Gully Lions Club
- \$170 from [Golden Grove Lions Club](#)
- \$49.65 from [Lions Club Of Whyalla](#)
- \$39.65 from [Lions Burnside Club](#)
- \$262.05 from [Lions Club of Elizabeth Playford Inc](#)
- \$75.15 from [Lions Club of Adelaide Hellenic Inc.](#)
- \$72 from [Lions Club of Paralowie Inc](#)
- \$30 from [Lions Club Port Pirie Inc.](#)
- \$50 from [West Beach Lions Club](#)
- \$82 from [Lions Club of Athelstone](#)
- \$1,521.05 from [The Lions Club of the City of Adelaide Inc.](#)

PLUS \$1,095 from Indiana's campaign = \$3,516

BUT WAIT, THERE'S MORE ...

[The Lions Club of the City of Adelaide Inc.](#) will be donating an additional \$5,000 (including the \$900 donated at our 60th anniversary).

TOTAL DONATION: \$8,516

(this figure continues to grow as we receive more donations)

(Please note that additional donations have been made by a few C1 clubs but they were donated directly to the ALCCRF coin line project and not included in the big blue bucket).

This is amazing! But the fundraising has not stopped here. Clubs, including ours, are continuing to fundraise for childhood cancer and to assist in breaking the world record which has now been postponed to 2022 – so you have plenty of time to get involved. Remember, every 5 cents counts!!!

NEWS FROM TORRENS VALLEY CLUB

While the lockdown and covid slow down our work within our community we are still very active supporting the communities in our local townships.

We recently supported Samuel Morley attend the National Disability Swimming Titles at the Gold Coast, where he was very successful in winning medals. He then attended our Dinner meeting to thank the club for its support and detail his wins. Other donations have been to Lions Foundations (including Drug awareness, Childhood Cancer Research and the Victorian Flood Relief Appeal), Second Chances (SA), RFDS to name but a few.

Our 5c & 10c drive and the support for the community pantry continues. It is good to be back doing the Bunnings bbq on a monthly basis. Club members were to supply & cook a bbq lunch for the Gumeracha Primary School Arbor Day but due to lockdown the trees had not been ordered.

Members conducted a working bee at the clubrooms, rearranging the inside and a tidy up of the grounds, including gutter lights on the front verandah.

Club members will man the bbq at Gumeracha's 5th Sunday Market selling bacon & egg sandwiches, burgers and cool drinks.

CITY OF ADELAIDE CLUB—HEAR ME ROAR PROJECT

The Hear Me Roar! Project is the signature project of The Lions Club of the City of Adelaide and was founded in 2016 after initial discussions and planning during 2015.

The Hear Me Roar! Project is all about:

Smile – Appreciate – Encourage – Support
Help others find Strength and Courage, and Roar like a Lion!

The project initially started with making multi-purpose heart shaped cushions for patients, young and old, and putting together care packs. The project quickly expanded to include personality cushions for kids, and port pillows to be attached to seat belts to provide comfort in the car for anyone with a chest, or abdominal, trauma/surgical or incision site/port etc.

Our special cushions and port pillows have been delivered across South Australia, including 10 hospitals, and more than 10 clinics and support organisations.

In 2018, we extended our reach by donating our cushions to families and organisations that support disadvantaged and vulnerable children, including children in foster care. Our cushions can be found all over South Australia providing comfort and making people smile and feel empowered.

In 2018, we also added a new initiative to the project to support youth literacy. We purchase, and collect, new and second-hand books. We then clean, label, and sort these books before putting them into book bags ready to be donated. To date, we have donated 2,084 book bags (each containing 4 books) with a total of 8,336 books, across SA.

Earlier this year, every child at Elizabeth Vale Primary School received their own bag of books. We continue to receive hundreds of books each month and make regular deliveries. And more recently, we donated cushions and book bags to the Tom’s Court Hotel to support those in quarantine at the medi-hotel.

Our project continues to grow as we make headbands (with buttons to hook masks on during the pandemic to protect behind the ears), scrunchies, baby bibs, book bags and much more.

WE HAVE DELIVERED		
 850 CARE PACKS	1,164 ADULT CUSHIONS	1,848 KIDS CUSHIONS
840 PORT PILLOWS	2,084 KIDS BOOK BAGS	1,011 MISC ITEMS

We have formed many partnerships in the community and continue to do so. We value the support of other Lions Clubs who donate to our project and attend our working bees; their support is invaluable. We look forward to sharing more exciting developments that are currently in the works with you soon as our project continues to support individuals, families, various community groups and organisations across our amazing state.

Focusing on our youth (children and even babies) when their circumstances are hard is valuable and rewarding for all. How better to serve our community than to support those who have no way of supporting themselves. The heart pillows bring smiles of joy to children. A wonderful community project.

Our lions have been busy making our special heart cushions and personality cushions for children in hospital, going through treatments, foster care and more. Providing much needed comfort and support when it’s needed most. Another delivery this week, including book bags filled with great books and heart cushions for adults too. We will keep you posted!

NEWS FROM WEST BEACH

At its meeting on 18th August the Lions Club of West Beach honoured two of its members, Jennifer and Zig Osis, with the presentation of Melvin Jones Fellowships in recognition of their significant contribution to Lions International purposes and local community projects.

Zig is well known as the current 1st Vice District Governor. He has held the office of President of the Club for 5 years prior to which he was Treasurer for 5 years. He has been Zone Chairman for 2 years and been a member of Cabinet for 4 years.

His recent efforts include leading the project for the provision of a new caravan at West Beach for the charity, Camp Quality, which assists families with children receiving cancer treatment. A sum of over \$75,000 was raised with the generous support of other Lions Clubs.

Jennifer has held the office of President of the Club for 2 years and more recently been Treasurer for 3 years. Her enthusiasm and initiative has resulted in several projects, in particular encouraging women to participate in Lions activities for which she has received recognition from previous District Governors.

A dynamic duo indeed and worthy recipients of the award.

President David Parrish, 1VDG Zig Osis and Jennifer Osis

Lions International recognizes outstanding individuals by bestowing on them an award that is named for its founder, Melvin Jones. The Melvin Jones Fellowship Award, presented by the Lions Club International Foundation (LCIF), is the highest form of recognition and embodies humanitarian ideas consistent with the nature and purpose of Lionism. The recipients of this award are model Lions because of their exemplary service to their club and the community which it serves.”

PRESENTATION AT CHARLES STURT WOODVILLE HINDMARSH

At the General Meeting on Saturday, 21st August, the Lions Club of Charles Sturt warmly welcomed their guest speaker David Horne CEO of Lions Hearing Dogs. David thought his visit to the Club was to do a presentation on the work of the Organisation and was surprised and delighted when a cheque was presented by the President, Marijka Ryan, for \$3,000. Accompanying David was one of the Organisation's latest recruits, a gorgeous Tenterfield Terrier called Smithers (note the "L" on his back). Smithers was an instant hit, totally loveable, and so very well behaved!

The Club of Charles Sturt has become a sponsor for a Lion's Hearing Dog. The Club will also get to name the puppy and have regular updates on the puppy's progress.

PORT AUGUSTA REQUIRES SUPPORT

Lions Helping to Make a Difference in Men's Health!

The Lions Club of Port Augusta has approved the featured service project for the current 2020/2021 year.

The district has a number of Lions clubs that are within the surrounding areas that could well be accessing this unit.

As the Zone 8 Chairperson I would like to invite the other Lions Clubs in Zone 8, as well as Zones 7 and 9 to join with Port Augusta to raise this service project as a multizone Zone project. However, all district clubs are invited to support this project.

District Lions Clubs within Zones 7,8 & 9 including: Booleroo Centre & District, Cowell, Jamestown, Kimba, Orroroo & District, Port Pirie, Port Augusta, Peterborough & District, Quorn, Rocky River, Whyalla, Whyalla Mount Laura, and Wudinna.

The unit is expected to be commissioned by June 2022 and will ensure that public patients across the Health Network will have the same level of service that is available in Adelaide.

Lions Challenge:
To raise \$45,000 to match The Male Bag Foundation's \$45,000 grant!

Steve Fawcett

The Service project is to raise at least \$45,000.00 to assist in facilitating the purchase of a leading-edge prostate cancer biopsy machine for the Flinders and Upper North Local Health Network. The transperineal biopsy machine will be based at Port Augusta. The balance of the machine's cost will be assisted by funds raised by the Whyalla Prostate Support Group. With \$45,000.00 being donated by the Malebag Foundation.

Health Network CEO Craig Packard: "...also thanked Port Augusta Lions who saw the unique health value of the project and immediately stepped up to raise funding for the Health Network. The Network and Lions are now in regular contact with the Foundation, and I am confident our shared mission will be delivered on time and have lasting benefits for our community".

NEWS FROM BURNSIDE CLUB

Burnside Lions continues to serve the local community with a number of projects.

Our Digital Images Program under the leadership of Lion John Dunn has been providing audiovisual materials to life-style staff in age care facilities throughout the state as a resource to interest and benefit their residents.

Over a ten year period, the Burnside Lions Club has received Grant's from Local, State and Commonwealth Governments to support our age care projects. Participants from age care facilities and their families provide photos from the past. The Lion member passes the selected photos through one of our portable scanners (takes about 5 seconds per photo) delivering the image onto a USB stick.

When desired the images can be viewed on any television able to play from the USB.

The feedback from those who have taken advantage of this offer has been enthusiastic. The USB of scanned family photos, viewed at the age care facility stimulates conversation and is a great resource when celebrating special life events.

The other major project undertaken by Burnside Lions is the conducting of a monthly sale at its Bargain Centre.

We have been able to gain a Federal Government Supporting Stronger Communities grant to extend our facilities. This will enable the club to manage the wide variety of donations as they arrive plus store club equipment. Members gather at the centre each Wednesday morning to collect and sort donations. The club income from our sales averages at around \$1500 per month

Other ongoing projects managed by Burnside Lions members are Christmas cakes sales, collection of stamps and spectacle and monthly bbq held in conjunction with Bargain Centre sales.

PETERBOROUGH CLUB VERY BUSY

On Saturday 31st July, our Club held it's 42nd Handover at the Railway Hotel, where outgoing President Judy Higginson handed over to incoming President Julie Atkinson and her Board for the 2021-2022 year.

Unfortunately, due to COVID restrictions the large guest list had to be reduced to keep the Hotel within it's legal requirements. Thank you to those for understanding and helping us in this situation.

Members set up the tables at 2.30pm, with the handmade recycled decorations made by Judy.

On each of the 5 tables, was a jar for coins/notes to be collected for the Coin Line for the ALCCRF. competition was held during the night for the table that collected the most money, with the winning table all receiving a small prize of a gift of handmade chocolates, as did the 2nd & 3rd place winning tables.

Vanessa Malycha was the emcee for the night and Vanessa kept the night rolling in between the delicious 2 course meal.

Outgoing President Judy read her Presidents report and advised although there were many cancellations of events, there were also many highlights including, the very successful Diabetes Awareness & Screening Event, with 86 people being tested, the Australia's Biggest Morning Tea, and catering for several functions and also many donations were given out during the year.

A donation of a Defibrillator for the Men's Shed was funded by our Club & the ALF.

Judy gave out the Attendance Badges to all members, including our Charter member, Laurie Edmonds. Well done, Laurie!!

Judy gave an Award to both Shirley Dearlove & Vanessa Malycha for their work during the year. A special presentation was made to Kay Pelton for her 10 years service to the Club, as she will be soon moving to Adelaide.

Judy presented the Hotel owners with a gift pack for their service. Judy advised donations of \$500 each will be made to: Lions Hearing Dogs, Lions Mobility Foundation, and our local Youth Centre.

PDG Lance Leak, OAM, then inducted President Julie Atkinson, who then outlined some of her plans for the year & then Julie introduced her Board.

Thank you to all our guests that attended, especially those from the Lions Clubs from: Adelaide, Port Pirie, Jamestown, and Clare for making the night a success!!

AROUND THE CLUBS

On Tuesday 6th July, President Judy Higginson had the pleasure of inducting new member Debbie Boon into the Club, with her proud sponsor, Shirley Dearlove involved in the ceremony, too.

Debbie has already been involved in several Lions activities and projects, including catering for the West Playground opening, Australia's Biggest Morning Tea and several Lions Rose Garden Working Bees at the Cemetery. Debbie is proving to be a valuable member for our Club.

All Club members came and welcomed Debbie into the Club and congratulated her. Welcome Debbie, we hope you enjoy your time with us! Debbie joins our other new members; Ian Satterley, Julie Grenfell and Andrew Smith, who were all inducted during the 2020/2021 year.

All have become valuable, hard working members for our Club. At the Works meeting on Tuesday 1st June, members gave a \$100 donation towards the Salvation Army Red Shield Appeal.

As mentioned before, our Club hosted the Australia's Biggest Morning Tea for the Cancer Council, on Thursday 3rd June from 10am to 12pm, providing delicious food made by members, and entertainment to the crowd. Unfortunately, numbers were lower this year. We still raised money via the donations, raffles and a game.

On Thursday 10th June, members again cooked delicious food, which was delivered to the business houses by Vanessa Malycha and Judy Higginson. This was a really good fundraiser and between the two events allowed our Club to donate \$1,000 to the Cancer Council.

On Saturday 26th June, Vanessa and Leo Malycha attended and enjoyed the Lions Club of Port Pirie's Handover.

Vanessa Malycha, Shirley Dearlove and Judy Higginson attended the Lions Club of City of Adelaide 60th Anniversary and Handover on Sunday 27th June. We enjoyed a delicious meal and enjoyed the fun and fellowship catching up with Lions friends.

On Sunday 27th June, members had a working bee at the Lions Rose Garden Cemetery.

President Judy Higginson along with other members, will meet with the Men's Shed members on Wednesday 14th July to present a Red Cross Defibrillator, funded by our Club along with a Grant from the ALF. Thank you to the ALF for the Grant and for the speedy way it was processed!! More details and photos next DG Bulletin.

Our members are busily preparing for our 42nd Lions Handover on Saturday 31st July at the Railway Hotel.

SEEDS OF HOPE. FROM LITTLE THINGS, BIG THINGS GROW.

Get set to plant commemorative gardens to mark 75 year anniversary in 2022

The countdown is on for the celebration of Lions Australia’s 75th anniversary in September 2022.

Local Lions District 201C1 clubs are encouraged to start planning and planting commemorative gardens to mark the special occasion.

The goal is for Lions clubs across Australia to plant at least 75 gardens before the official anniversary in September 2022 and DG John Barnes says, “The gardens will be a great way to recognise the anniversary and celebrate the impact of Lions with the local community by creating their own colourful impact. We encourage the planting of commemorative gardens to recognise the significance of the occasion. Lions Australia’s 75-year anniversary is an exciting milestone and a great opportunity to recognise our local volunteers who have made such a difference over the years. We look forward to planting and nurturing our Clubs gardens in the coming months and celebrating within the communities that we serve.”

Early conversations have sprouted ideas such as “sensory gardens”, native bush gardens, joining forces with local community groups on collaborative gardens and simple rose gardens. Each will take on their own life and grow into a lasting tribute to our community.

TYPES:

Sensory Gardens: Include features, surfaces, objects and plants that stimulate our senses through touch, sight, scent, taste and hearing.

Community Gardens: Single piece of land gardened collectively by a group of people. Community gardens use either individual or shared plots on private public land while producing fruit, vegetables, and/or plants grown for their attractive appearance.

Native Gardens: showcase innovative and artistic ways of using native plants on a domestic scale. These include examples of native plants used for hedging, structural planting, screening vegetation, specimen plants, formal and informal garden beds, pots, and as cospes of trees

The District has draft letters for use to send to Councils for permissions to use areas and we are happy to discuss your initiatives to support ideas.

For more information about our 75-year anniversary, contact Lion Charlie, Public Relations 0424644624 charliehelenrobinson@gmail.com

Just What is Sustainability?

The Modern use of the term “sustainability” is broad and difficult to define precisely, but let’s give it a shot anyway!

- Originally “sustainability” meant making only such use of natural, renewable resources that people can continue to rely on their yields in the long term.
- It can also be defined through the following 4 interconnected pillars, being environmental, economic, social, and political.
- A simple definition: “that sustainability is something that improves the quality of human life while living within the carrying capacity of supporting eco-systems”.
- We can also speak of a sustainable global society founded on respect for nature, human rights, economic justice, and a culture of peace.

To me, it all comes back to one thing, live within our means. Why don’t we try:

- Developing and living in sustainable cities and eco-villages.
- Rediscover permaculture, green building and use more sustainable agriculture.
- Using production systems to create a Circular Economy.
- To continue to use science to develop new technologies, renewable energy for example.
- Adjusting our individual lifestyles to conserve natural resources.

The word Sustainability can also imply responsible decision-making and innovation that minimizes negative impact and maintains a balance between economic prosperity and cultural vibrancy to ensure our planet will be a better place for all species for now and into the future.

If you need some advice on how to set up a Recycle station near your club, give me a call.

Patrick Williams.

PEACE POSTER COMPETITION

THERE STILL TIME TO GET YOUR LOCAL SCHOOLS INVOLVED IN THE PEACE POSTER

As Peace Poster Co-Ordinator I urge your club to become involved.

Approach your local schools TODAY to take part in this year PEACE POSTER Contest. This year, Lions and the public at our District Convention in Salisbury will judge Peace Posters, in October.

LIMITED kits are available from me, call me today if you need one.

This year's theme is "We Are All Connected".

If I can help in any way, please feel free to give me a call, 0411637513.

Posters need to be received either by mail to c/- Alex Coates, PO Box 81 Whites Road, SALISBURY NORTH, SA, 5108 by 30th September 2021 or can be delivered to Mawson Lakes Hotel BoardRoom between 10am and 11:30am on Saturday 2nd October 2021.

Thank you

Lions Australia - 75 years of Always being there

Did you know that Lions Australia will celebrate its 75th anniversary in 2022? Today we are incredibly excited to launch our 75th anniversary campaign! Centred around the word 'Always', this campaign presents an exciting opportunity for our organisation to celebrate all that we have achieved over the past 75 years, while looking to the future and the impact that we will continue to make in the lives of people who need it the most. Take a look at our launch video to find out how your club can get involved and help celebrate 75 years of Lions Australia always being there. #LionsAustralia75

OPPORTUNITIES FOR OUR YOUTH

Take a look around your local community ... what is your Lions Club doing to foster the development of your youth?

LEO CLUBS provide a great opportunity for young people from 12 to 30 years of age to get involved in their community, make friends, have fun and make a positive difference in their world.

In my experience, many young people are genuinely interested in 'giving back' to their community but this opportunity is only possible if LIONS CLUBS make the decision to sponsor a LEO CLUB.

As you are making plans for this new Lions year, please consider forming a LEO CLUB in your area. The benefits are immense, and it will not 'cost' your club anything - as it is a club project, the expenses come from your community account.

Please contact me if you are interested in finding out more about starting a LEO CLUB - I would be happy to help you get it up and running.

Thanks,
