## What is Zig's Zoetrope?

### Meaning

#### Zoetrope

Zoetrope is an optical toy in which figures on the inside of a revolving cylinder are viewed through slits in its circumferences, and appear like a single animated figure.

Each month, our district newsletter will feature a new name, but always starting with the letter Z.

What interesting "Z" word will our District Governor use next? There are a lot to choose from, so stay tuned.

MONTHLY NEWSLETTER

Welcome to the April edition of the C1 District Newsletter.

It is always great to see and hear about the activities, events, and projects that clubs around the district, and beyond, are involved with. Make sure you are promoting what your club is doing via this newsletter, your website, social media, club bulletin etc. Share the amazing work you're doing with others and don't keep it a secret.

If there's a project or story featured about another club that sparks your interest, please reach out to that club for more information. Share and collaborate ideas.

Yours in Lionism,  
Petrea Stacey  
Editor

## District Governor's Note

**A**pril, a month in the season of Autumn in the Southern Hemisphere. A month where changes occur, much like every other month when there seem to be a change to something we do.

We start off with April Fool's Day and finish at the end of April with a gathering or members at the Multiple District Convention with knowledge sharing and a rekindling of enthusiasm for Lions projects and programs. This year the National Convention at the Gold Coast in Queensland will look to make some changes to how we operate as an organisation to provide better inclusion of members in voting for Notices of Motions into the future with the proposal to include digital online voting.

This proposal for bringing in online digital voting should be a boost to allowing all club delegates to participate in the future of the organisation even if they cannot attend a Convention, a situation that I am sure our District will explore.

After a relatively quiet Christmas period in relation to Lions activities and business the work in the background continues as this lions year transitions over the next three months into the next year with a new District Governor in Peter Korndorfer and his team.

Much like a Zoetrope members may see the District as a continuous operation but it is a series of single events that when they combine appear as a seamless operation. The District does not operate with just a single leader or small team, so there is always room for additional helpers in a variety of roles both at Club, District and Multiple District level, and any offer to assist in leadership roles is welcome. In order to see more members trained to take on these roles, the District conducts Club Development Days, a necessary day to give new and ongoing officers relevant and current information to make their roles easier.

Please encourage all of your club officers - President, Treasurer and Secretary - at a minimum, attend the sessions being planned. What you may have learnt in attending one of these sessions years ago may no longer be relevant to how clubs must operate in our current climate.

*DG Zig Osís*

## Lions in Turkey Provide Relief

When a powerful earthquake hit Turkey and Syria on Feb. 5, homes crumbled to the ground, hundreds of other buildings collapsed, thousands of lives were lost, with numbers increasing each day, tens of thousands of people were displaced, and communities were changed forever.

When natural disasters strike, Lions are among the first to answer. Lions Clubs International Foundation (LCIF) quickly responded to empower their service by awarding a \$200,000 Major Catastrophe Grant to Lions in Turkey. Grant funds will enable Lions to provide immediate, short- and long-term relief to victims of one of the largest earthquakes to hit the region in more than 100 years.

"The devastation that this earthquake and the subsequent aftershocks brought is heartbreaking, and those affected by this disaster will need support in recovering and rebuilding for many days, weeks, months, and even years ahead," said LCIF Chairperson Douglas X. Alexander.

With this funding, Lions will participate in the immediate and short-term clean-up and repair efforts and work with local organizations on long-term reconstruction projects, filling any gaps in service.

"Lions live and serve in the communities most impacted, and we will be there to support the people there as long as they need us," Alexander said. "Funding from LCIF will help us make an even bigger difference for the people who've experienced so much loss during this unfathomable disaster."

According to International Disaster Database, natural disasters have increased by nearly 400% globally over the last 50 years. LCIF Disaster Relief Grants are designed to support Lions-led relief efforts during various stages of disaster relief operations. Lions are key figures in their communities and play a vital role in this process. They are responsible for assessing the needs in their district to maximize their relief efforts. LCIF grants enable Lions volunteers to have a greater impact in their communities.

Article from newsdirect.com

## LCIF Progress Update

Major Catastrophe Grant award – LCIF quickly awarded a US\$200,000 grant to the Lions in Turkey to begin providing immediate relief to the victims of one of the largest earthquakes to hit the region in 100 years. As new relief needs emerge, additional grants may be awarded. Through LCIF's collaboration with MD 111 and the German Lions Foundation, we are exploring ways to provide earthquake relief in Syria.

## LCIF Helping Earthquake Victims

The earthquakes that struck Turkey and Syria devastated communities, homes and families. When a humanitarian crisis of this magnitude strikes, Lions are among the first to respond. Lions Clubs International Foundation (LCIF) grant funding is making sure Lions can provide immediate, short- and long-term relief to the victims of this unfathomable disaster.

## National Hearing Dog Day

For over 40 years, Australian Lions Hearing Dogs has provided just over 670 Australians a set of 'furry ears' free-of-charge. Each Hearing Assistance Dog provides a significant improvement to the quality of life of their recipients, socially, mentally and physically.

National Hearing Dog Day celebrates the role that a Hearing Assistance Dog plays in the life of someone who is deaf or hard of hearing. The day is recognised annually on the 19th of April, the day the first Australian Lions Hearing Dog, Amber, was delivered 41 years ago this year.

To mark this special occasion, we are celebrating the stories of partnerships between a Hearing Assistance Dog and their deserving recipient. These will be shared on our social media <https://www.facebook.com/australianlionshearingdogs/> and our website.

The success of National Hearing Dog Day relies on Lions' support. Every dollar raised and story told for Australian Lions Hearing Dogs goes towards helping people who are deaf or hard of hearing in your community.

For more information and resources on how to get involved, head to our website at [www.lionshearingdogs.com.au/nhdd](http://www.lionshearingdogs.com.au/nhdd) or contact us at [info@lionshearingdogs.com.au](mailto:info@lionshearingdogs.com.au).

## DG Zig's Photography

This month's DG photograph is of Ambonian Shrimp. The detail that has been captured is amazing.

Ambon Shrimp is found in pairs or colonies, over shallow reefs, living symbiotically with their marine host, of either sea anemones, corals or invertebrates. When excited, it stretches its tail up and waves it about, hence the name sexy and dancing. Colour almost brownish, transparent with white bands and blue outline.

They feed on algae, parasites, and plankton.

Ambon Shrimp  
Photograph taken by DG Zig Osis

Often, if a diver's hand is near to a cleaner strimps, they will hop on board and perform a manicure.

## SPOTLIGHT: Lion Rob Crookall

**Name:** Rob Crookall  
(Burnside Lions Club)

**How long have you been a Lion?**  
Joined in February 2018.

**Why did you join Lions?**

Had retired at the end of 2017, having worked in disaster recovery and social welfare ... seemed appropriate use of skills.

**What Lions positions have you held?**

YOTY coordinator for Club 2019 and 2020.  
Lion Tamer 2019-20  
Vice President 2020-21  
President 2021-23

**What's your favourite memory or experience in Lions?**

YOTY working with candidates

**Favourite quote:** "Grief is the price we pay for love."

**Favourite movie:** Doctor Zhivago

**Favourite Book:** Guns of Navarone

## PR Trailer Bookings 2022-2023

The PR Trailer comes with all the PR materials you need, but you are welcome to utilise your club's own materials. We just ask that the trailer is returned in the same condition it was picked up.

You will need to organise with PDG Dean Noll or VDG Peter Korndorfer, pick up and drop off of the trailer. It is generally housed in Gawler, and the facility is not accessible on the

weekend. The trailer may also be stored at other locations depending on use. Please get in early and organise the pick up and drop off.

Please note that the trailer will need to be signed for when picking it up.

Bookings are below. Remember to plan, and book early.

The trailer will either be at the Lions Club of Gawler or The Lions Club of Elizabeth Playford.  
Contact VDG Peter Korndorfer on 0402 483 059 or korndogg1866@gmail.com for more information.

## News from Gilles Plains

At a recent meeting of the Lions Club of Gilles Plains, several members were presented with awards for service.

The most significant was the presentation of a Senior Master Key presented to Life Member Lion Ray Norton, having introduced 25 members to the Lions Club. Lion Ray has been an active member of the club since he joined in 1980. Lion Ray has served as President on several occasions, Treasurer for five years, and was the District Chairman in charge of property for many years. He has also served as Zone Chairman. Congratulations and well served Lion Ray.

Lion Peter McKinnon, our last serving Charter Member was presented with Progressive Melvin Jones Fellowship in further recognition of valuable service to Lions. Lion Peter received Melvin Jones Fellowship several years ago and the new award is in appreciation of the work that he has done (and continues to do) for Lions. Peter has been President on several occasions, was Treasurer for five years and is the backbone of our Bunnings BBQ team (along with his partner Beth).

Lion Stewart Garvin was presented with a Progressive Melvin Jones Fellowship in recognition of his long serving history with the club. Lion Stewart joined our club in 1980 having transferred from Onkaparinga Lions Club. Lion Stewart received his Melvin Jones Fellowship in 2009 and is a very busy worker for the Bunnings BBQ's. Lion Stewart has also been Club President on several occasions. He is, at present, our Lion Mint Chairman and Club Lion Tamer. Thank you, Lion Stewart. Well served.

Submitted by Ted Osborn

## Lions Biggest BBQ

Members of the Lions Club of Barossa Valley prepared and served sausage sizzles and bacon and egg rolls for the customers of the Mitre 10 Store, Nuriootpa SA on Saturday, 18 March, 2023.

This was the Clubs support of the Australian Lions Biggest BBQ project: 'Australian Lions Childhood Cancer Research Foundation's vision of 100% Survival for kids with cancer because Lions believe that every child deserves a chance at a healthy life'.

All proceeds received from this BBQ will be donated to the Australian Lions Biggest BBQ project.

## Peterborough & District News Update

It is with great sadness, that we advise that our valued member of the Lions Club of Peterborough & District Inc., Leo Malycha, passed away on Monday, 20th February, 2023.

Leo was a very valuable member of the Club since joining in 2001 and held many positions, including President. He was a keen and a dedicated member, who will be missed for his hard work, fun & friendship.

He was always at working bees, or cooking a BBQ, working at the Lions Rose Garden etc., whilst sharing his jokes and laughter and his cheery disposition!!

Leo's funeral was held on Wednesday, 8th March, 2023 in the Town Hall, with approximately 300 in attendance, including many Lions Officials & Lions Members from other clubs. Lions & RSL Members gave a Guard of Honour in the Town Hall, with many from the large crowd also joining.

We will all miss Leo! Deepest sympathy to Vanessa & family at this sad time.

\*\*\*\*\*

Club members were involved with the Basketball Grand Finals on Saturday, 4th March, manning the canteen selling pies, sausage rolls, hot dogs & drinks etc., and cooking steak on the BBQ for the steak sandwiches, which were popular with the large crowd. This was a busy night for members and a great fundraiser for the Club.

President Julie had been manning the canteen during the basketball season on Mon-Tues nights, with other friends with the items being purchased by Lions & the profit then going back to Lions.

Our Club Elections were held on Tuesday, 7th March, 2023. Members continue to do the Bingo in the Main Street.

The Lions Skin Cancer Screening Bus was in Booleroo Centre on the weekend of Saturday, 18th March & Sunday, 19th March.

Lions Club of Booleroo Centre members took the appointments and fed the team, which consisted of 3 screeners, a driver and Vanessa Malycha, who helped with doing the administration.

The 3 screeners screened 55 people on Saturday & 54 people on Sunday, which was great to see these numbers, as it shows how important this project is in the community & region.

Judy Higginson & Debbie Boon have been growing eucalypts, acacias & melaleucas for 'Trees for Life', with 8 cartons of tubestock (60 tubestock per box) for 3 landowners in various parts of the State.

Some of the trees are now up to 3-5cm and some later ones, still emerging. Cool conditions in Nov-Dec delayed some of the growth.

Lyn & Terry Fowler looked after the trees when Judy was away on holidays recently and will also look after a box and help with the transplanting. Debbie & Judy will be doing more transplanting, with any extras to be given to the landowners and they are hoping to help the landowners with the planting, too.

It is hoped that this project becomes an annual environmental project for the Club.

Don't forget the C1 District Lions Convention to be held in Peterborough on Friday 27th October to Sunday, 29th October 2023!! Don't miss out on a great weekend of fun and fellowship with your fellow Lions!!

## Lions & SAPOL Citizen of the Year

The selection of a recipient for The Lions Club of the City of Adelaide and South Australia Police Citizen's Award is made from nominations submitted by Regions, Local Service Areas, branches and sections of SAPOL across the State. Nominations are based on reports, letters and Certificates of Appreciation which may have been presented to members of the public in recognition of assistance they have given to SAPOL in the performance of police duties during the past year.

The Lions Club of the City of Adelaide and SAPOL present the award annually, which consists of an individual and a perpetual shield, funded by the Lions Club. A framed citation outlining the basis for the nomination is also presented.

SAPOL identifies suitable nominees, provides members, host the award selection panel, and coordinates the presentation ceremony.

Former Chief Inspector Cameron Devey and The Lions Club of the City of Adelaide representatives – President Mr Ray Najar, Mr Warren Wood, Mr Greg Kneale and Mrs Christine Kneale reviewed the nominations and selected Amity and Aaliyah as this year's joint recipients.

The panel's selection was endorsed by the Commissioner.

Amity and Aaliyah's nomination was submitted by Detective Brevet Sergeant Tracy Coombes from the Joint Anti Child exploitation Team.

The Citation to the award reads:

*"The 2022 South Australian Citizen's Award is jointly presented to Amity Lobb and Aaliyah Edwards for their outstanding actions in demonstrating quick thinking and*

*courage in confronting an individual who had behaved inappropriately towards them.*

*Amity and Aaliyah's brave actions in reporting and identifying the male, which led to a quick arrest, left a lasting impression on both Investigating Officers and SAPOL members supporting this award.*

*Amity and Aaliyah continued to assist SAPOL throughout the lengthy court process, the male received a four year prison term for multiple Serious Offences. Without their assistance the male would still be continuing his offending.*

*Aaliyah and Amity are highly commended for their actions, which greatly assisted SAPOL in protecting the Community from an individual who posed a significant risk to young women."*

"These women, who were young girls at the time, demonstrated amazing courage and persistence in the face of very confronting circumstances. Without a doubt, they both contributed significantly to the conviction of this man. I thank Aaliyah and Amity for working so cooperatively with police and helping to create a safer community for South Australians." - Deputy Commissioner of Police, Linda Williams

On Wednesday, 22nd March, 2023, a presentation and afternoon tea was held at SA Police Headquarters to recognise and present Aaliyah and Amity with their award. We thank them for their time, dedication and support to SA Police and the community.

Congratulations Aaliyah and Amity.

## Lions Club of Richmond Grant

The Lions Club of Richmond Inc. (LCoR) partners with The Wyatt Trust (Wyatt) to distribute a portion of the Camden Park Op Shop proceeds to projects that target local youth development and engagement.

### Why is this Program Important?

Recognising the growing challenge of youth inequality, financial disadvantage and potential disengagement, the program supports young people to develop the confidence, skills, opportunities and support they need to engage fully in community, education and employment. Youth engagement in community, education and ultimately employment is considered a key strategy for reducing the risk of longer-term financial inequality and potential poverty, an aspiration shared by Lions and Wyatt.

### Project Goals

The types of project goals that we would expect to see in a successful application within this program include:

- Increased participation or engagement in school or early learning
- Increased vocational education skills
- Increased personal resilience, coping or wellbeing skills
- Increased participation in local community
- Increased engagement with family
- Improvement in public health indicators
- Increased digital access or literacy.

Whilst not an exclusive list, a project which aims to achieve these types of goals is likely to positively impact the desired program outcomes of young people developing the confidence, skills, opportunities and support they need to engage fully in community, education and employment.

## Club Charter Anniversaries

## Tea Tree Gully Lions Art Show

The Tea Tree Gully Lions put on their annual Art Show, held at the Council Library. This year was a great success with over 280 exhibits, including porcelain painting,

The Judges had their work cut out trying to select the award winners of the different categories.

We also ran a raffle with 27 donated prizes. It was noted that a few visiting Lions members took out a couple of the prizes.

I would like to thank everybody involved for the hard work and planning in putting this event together.

Yours in Lions.

PP Tom Brewer.

## Key Benefits Volunteering with Lions

There are many reasons why joining Lions Club International and volunteering for your community can be a rewarding and fulfilling experience. Here are some of the key benefits:

1. Making a difference: By joining Lions Club International and volunteering for your community, you have the opportunity to make a positive impact on the lives of others. Whether it's by helping to feed the hungry, supporting people with disabilities, or assisting in disaster relief efforts, your efforts can make a real difference in your local community and beyond.
2. Building relationships: Volunteering for your community is a great way to meet new people and build relationships. By working alongside others in your community, you have the opportunity to form meaningful connections and build a sense of camaraderie with others who share your passion for helping others.
3. Developing new skills: Volunteering for your community can also help you develop new skills and gain valuable

experience. Whether it's learning how to organize events, manage volunteers, or develop fundraising strategies, there are many opportunities to develop new skills and gain valuable experience that can benefit you in other areas of your life.

4. Enhancing your resume: Volunteering for your community can also be a great way to enhance your resume and stand out to potential employers. It shows that you are a motivated and compassionate individual who is committed to making a positive impact on the world.

5. Personal growth: Finally, volunteering for your community can be a great way to foster personal growth and development. By stepping outside of your comfort zone and taking on new challenges, you have the opportunity to learn more about yourself and develop new strengths and abilities.

Overall, joining Lions Club International and volunteering for your community can be a rewarding and meaningful way to give back and make a positive impact on the world around you.

## Shawls for Winter

The ladies at the Paralowie Lions Club has been busy making shawls for winter for the Hawksbury Nursing home residents. Any donations of wool will be greatly accepted, so please contact the club if you can assist.

### Tumby Bay & District Lions Club Community Support

The Tumby Bay Hospital Auxiliary has taken delivery of the newest addition to patient comfort with a new specialist 'Enterprise' hospital bed.

Described by the Tumby Bay nurses as "... just amazing" this new bed was funded by the Tumby Bay and District Lions Club.

At a cost of around \$4,500 the bed and mattress is designed specifically for hospital use.

It features the highest security and safety for patients with minimal gaps between the mattress and side boards, adjustable posture position, height, and length adjustment.

A spokesperson for the Tumby Bay club said, "Tumby Bay Lions club continues to support the community in so many ways and this addition to the Tumby Bay hospital is just one of the benefits the tireless work of club members throughout the year has produced. The Tumby Bay Lions Club meets every month with a large portfolio of projects, events, and social activities. The club is one of the largest clubs in the district and welcomes new members."

**Sharing stores from Lions Clubs around SA!**

## Clean Up Complete

Members of the Lions Clubs of Athelstone and Rostrevor combined on Clean Up Australia Day on 5 March, 2023 to clean up a section of Gorge Road, Athelstone. As usual, much rubbish was collected left there by careless people hoping somebody else would pick up their litter. This has been a project of the Lions Club of Athelstone and this year we welcomed and were appreciative for the help of the Rostrevor Lions Club.

Photos include, John Gardner MP, Lion Trevor Symons (Rostrevor) Lion Di Born (Athelstone), Lion Cameron Wyers and his Son, Jake (Rostrevor) and Lion Michael Cook (Athelstone). Lion Joe Vaiana from the Athelstone Club also helped but he was collecting litter somewhere along Gorge Road when photos were taken.

## Tumby Bay Welcomes New Members

**T**he Tumby Bay & District Lions Club has recently welcomed and inducted two new members.

Welcome to Martin Fitzgerald and David Williams.

**Above:** David Williams.  
**Below:** Martin Fitzgerald

## My Journey in Lions

**M**y Lions Club experience began in early 1971 when I was working as a mechanic in Papua New Guinea.

Growing up in the small farming community of Rudall on S.A.'s Eyre Peninsula, volunteering to assist in the community was a normal part of life.

In late 1970, I moved to Bougainville Island, at the extreme South Eastern extent of Papua New Guinea, to work as a government mechanic at Kieta at the time the giant copper mine was being developed on the island.

I joined the Kieta Lions Club on 1st May, 1971. Sometime later that year we chartered a new Lions Club at Arawa, which was a brand new town built to accommodate families of expatriate workers at the mine, and since my accommodation was nearby I transferred my membership there as it was much closer to where I lived compared with Kieta where my job was based.

In 1973 I relocated to the Eastern Highlands of the mainland of PNG, away from the oppressive hot, humid climate of the coastal regions to a location about a mile above sea level in Goroka and a climate I describe as like a 'Spring day in Adelaide all year around'.

This time my job was as Assistant Manager/Mechanic on a coffee plantation about 20 minutes out of town. I transferred to Goroka Lions Club, and have happy memories of my time there. After my two year contract in the coffee industry was completed I managed a small workshop in Goroka.

Eventually, having now a wife and a six month daughter, we decided it was an appropriate time to leave PNG and meet my wife's family and experience life in the USA. I transferred my membership to East Toledo Lions Club, and as always we found we had a group of friends with similar attitudes to community service. Among my many experiences there was the 'Great Blizzard of 28th January, 1978' which was the most extreme ever recorded in North West Ohio. And my co-workers asked, "What's winter like in Orstralia, buddy?"

After two and a half years in Toledo, and with a second daughter, we moved back now to Adelaide and transferred to Modbury Lions Club in January 1980. In May this year I will have served Lions for 52 years. I spent one year as Secretary, 15 years as President, 18 years as Cake Chairman, some 40 years as Bulletin Editor. I have served on District Cabinet as Zone and Region Chairman, and privileged to have been granted a Melvin Jones Fellowship, and Life Membership of Lions as well as minor awards.

In my spare time I also volunteer at the Tea Tree Gully National Trust Museum (over 40 years), Neighbourhood Watch (32 years), and since retirement have added several other commitments.

by Lion Alan Zwar

## Burnside Lions Club Report

Our guest speakers for our February Dinner Meeting were Jonathan Robran, CEO of Operation Flinders, and Colin Cordon, who is a volunteer for this programme and assists our club as a volunteer at our Bargain Centre.

The presentation gave members the opportunity to hear of the work of this organisation and provided an insight into the possibility of our club sponsoring a participant in the programme.

Our club Aged Care Digital Image Project formed the focus of discussion at our Business Meeting. We need to look into the future as Lion John Dunn, our long-term convenor of this project, has indicated at age 85 that he intends to step back from coordinating this project in the coming months.

We congratulate John on this service project that has seen residents of some 200 aged care facilities benefit from packages that have been developed.

This is an opportunity for other clubs to look at how this project can be adapted to help those elderly in their community reminisce using photos of their past scanned onto a memory stick....a service.

If you have elderly family members you could start by gathering your family photos of past times and, using a scanner (Burnside Club can provide), collate these onto a stick to then sit together and watch how lives have changed.... this is known to be of great value to all as we age.

The Adelaide Italian Club has already taken the initiative in this regard.... they invited Vice President Mike to address their dinner meeting on this subject. As a result of discussion and follow up with 3 of their members they indicated the wish to collect family photos from extended family members, to have them scanned and subsequently then be available to relatives in Residential Aged Care Facilities.

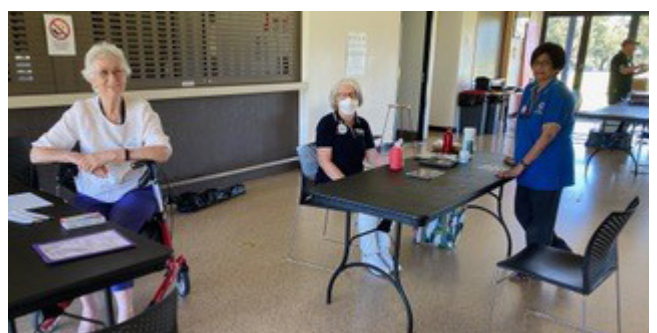

For notice to all who may be contemplating a visit to Burnside Club meetings; we have been advised that The Arkaba will be closed for renovations from April through to next year.

Consequently our Business Meetings will now be held at our Bargain Centre, Glebe Rd., Glen Osmond on the second Tuesday of each month commencing at 1.30. Our April Dinner Meeting will be held at The Robin Hood Hotel on Monday 24th April from 6.30.....guest speaker will be from The Arthritis Foundation The venue for our May meeting is yet to be finalised. Our Handover Dinner will be held at The Maylands Hotel on Tuesday, 27th June.

Once again, members have been very active in this month providing 378 hours of service. On top of this, we had 41 hours served by volunteers making a total of 419 hours. This is made up from hours at Bargain Centre, LEHP testing, Aged Care scanning, collection of stamps and glasses plus attendance at meetings and administration.

The Bargain Centre generated an income of \$2400 for the month. A donation of \$2,000 of this was made to The Lions Club of Mannum to support them in flood recovery.
