

Cabinet 2023/24

August 2023

Lions District 201 C1

Lions Chronicles

Service Projects

In the email I sent to all Presidents and Secretaries of each club in C1, I outlined each club's activities and then categorised them into 'service projects', 'collecting and donating projects', 'community events/fundraising', 'monetary donations/sponsorships' and 'fundraising'. Each activity has a primary purpose. Some activities have a secondary purpose.

To have a productive debate about the

activities we perform in our club, we need to have the same understanding about what these different categories mean.

Definition of a 'service project':

An activity (or project or program, etc), which requires work and effort of some description, that directly benefits people and has no financial gain or profit.

There are 3 elements to this definition:

1. An activity which requires work and effort
 - your club members need to do the work of the project/program. Not offload the work for others outside your club to do. Just donating money is not doing work.
2. Directly benefits people – there is a clear audience that your project/program is targeted at, so that they benefit from your work and effort
3. No financial gain or profit – no financial gain

IPDG Zig's Final Report

At the DG Handover, which was held at the West Lakes Golf Club on July 23, IPDG gave a report on his year as DG before passing the gong & gavel over to our new DG, Peter Korndorfer.

p16

Motivating Your Club

Here are a few strategies on how you can motivate your club and members.

DG Pete's Preamble

Thank you to those Lions able to attend the District Handover, what a wonderful event and I would like to thank Lion Jennifer Osis for organising the night. Handovers, be it Club or District are always very special events as they allow us to celebrate the achievements of the outgoing President or District Governor and their Board or Cabinet. I would like to pass on my congratulations to IPDG Zig and his Cabinet for the work they carried out in the last twelve months, for giving me guidance as I moved from 2nd to 1st Vice District Governor and now as your District Governor. Some great achievements Zig and thank you for your Guidance.

International Convention certainly was a fanfare as always and like all Conventions a great opportunity to catch up with old friends and make new ones. For DGE's it is the last Seminar, a one-day event followed by a dinner to celebrate the journey and get ready for the installation on of the Rising of the Convention (Last day and closing) which signifies one is now a District Governor. Highlights for the 4-day event certainly was first and foremost the International Parade of Nations, International show performance by Queen tribute band Killer Queen, the many stands and information session run on our new Lions Portal to membership and LEOs clubs, just to name a few.

Congratulations District C1, we are off to a flying start with our Membership Numbers adding 33 new Lions to our Pride, dropping 12, giving us a positive growth of 21 Members. Sadly, of those 12 members dropped, 5 passed on to that great Club in the Sky. A big welcome to our new members. Please keep up the great work with growing our District and supporting Lions Australia's "Big Audacious Mission" of 30,000 members by 2030.

More Members means new ideas and more hands to better Serve Our Communities.

Our 4th Thursday of the month Zoom Information Session have kicked off for the year with the first having introduced your Cabinet Officer, who they are and their portfolios. Please keep the 4th Thursday evening free and support these information sessions, they are being put on for the benefit of you the Members. August Session will be Signature Service Projects. How are you going? Do you need any help? Join an info session.

DG Team visits will be taking off this month, with 1st VDG Steve Fawcett dropping in on the West Coast Clubs, 2nd VDG Ray Najar taking care of the Yorks Peninsula and Mid North, and your DG visiting the City Clubs.

The first Cabinet meeting has been held, with great ideas being shared, some good deliberations and forward-thinking motions being passed on how to help you the members and move our District forward.

Have a fantastic August, until the next Pre-amble lands in your in-tray, all the best with your Projects, service activities, stay safe and well.

Come along, have a chat and lots of fun stuffing & sewing cushions for patients & disadvantaged youth across SA.

(no experience required)

AND we will also be sorting, labelling & packing book bags for disadvantaged children.

Drop in and say hi for an hour or 2, or stay for the morning or afternoon. Any time you can spare to help is appreciated.

**Sunday, 6 August 2023
9:30am - 4pm
North Adelaide Community Centre
(176 Tynte Street, North Adelaide)**

Hope to see you there!

fun dog competitions - vet checks - yummy food vendors
and much much more!

Remembering Lion John Stanley

With heavy hearts, we bid farewell to Lion Frederick (John) E J Stanley. He leaves behind cherished memories and a legacy of devoted service to our Lions Club and the community we serve.

Lion John joined our club in 1973, sponsored by Life Member, Lion Colin Goode, and quickly became an indispensable part of our Lions family. Throughout his almost 50 years of unwavering dedication, he held various significant roles, showcasing his passion for service and leadership.

In 1973, he started his journey in Hostel Management and served as Activities Chairman for two years. His commitment and organisational skills led him to assume the position of Club Secretary in 1975-1976, and from there, he climbed the ladder to serve as Convention Secretary and 2nd Vice President in 1976-1977.

Recognizing his exceptional contributions, he was elected as 1st Vice President in 1978-1979, and in 1980, he proudly served as Club President, guiding our Lions Club with wisdom and compassion.

In the years that followed, Lion John continued to demonstrate his dedication, taking on roles such as Convention Secretary in 1984 and Club Secretary for an additional four years. His tireless efforts also extended beyond administrative duties, as he served as Health Officer Assistant, Bulletin Editor, Program & Social Director, as well as Mints & Cake Chairman.

His commitment to Lionism was acknowledged with the prestigious honor of being an International Lions Life Member. Lion John was a true team player, contributing his time and talents to various endeavors like the Merry-go-Round Team and Auction Team, enriching the lives of countless individuals in our community.

Among his fellow Lions, Lion John was revered as the epitome of a Tail Twister, skillfully bringing joy and laughter to our meetings and events.

As we bid farewell to this exceptional Lion, we express our heartfelt gratitude for the invaluable service he provided to our club and community. His memory will forever inspire us to continue the work he was so passionate about.

Rest in peace John. You will be dearly missed but never forgotten. May your legacy of service and kindness continue to shine brightly in our hearts.

Port Lincoln Lions Club

News from Torrens Valley

Torrens Valley members manned a BBQ at the recent Birdwood Primary Farm Day held in the grounds of the Birdwood Motor Museum. Unfortunately we did over cater but, on a good note, the local community Pantry received a big donation of bread and bread rolls, as did ADRA at Gawler.

The Rocking Horse at Gumeracha has new owners, Lion Mel Eren- Penno and partner Mark. As our clubrooms are getting overcrowded, Lion Mel & Mark have kindly offered our Club the use of the Dining Room for our work meeting. The Club has a Wishing Well located in the grounds and members will move it to a more suitable place within the grounds. A combined dinner meeting was held with the Golden Grove Club in May with guest speaker Greg Pattinson from Foodbank.

Our Handover went well with

President Phil Dennis taking on another year. New member, John Mundy, was inducted into the Club.

Members held a working bee at the Birdwood Institute with more work required and work on the bench seat to be completed. Members also attended to the gardens of Lions Lady Kath Phillips, again more will be done as weather improves. Lions partners do so much to support our clubs, it is important to support them as well.

Our Christmas Cake committee has met and has plans to increase sales this year.

Our end of year raffle is being organised and hopefully tickets will go on sale shortly. The coin drive continues as does our support for the local pantry, Gumeracha 5th Sunday Market, bbq's at Bunnings Modbury and our monthly coffee mornings.

Welcome To Our New Lion Members

Welcome to the District C1 Lions Family.

Mental Wellbeing: Engaging Clubs

The Lions Club Mental Wellbeing Portfolio aims to promote mental health awareness and provide support within our communities. By implementing this portfolio in multiple clubs, we can create a calm and inclusive environment while encouraging participation and engagement. Here are five low-key points on how to set up the Mental Wellbeing Portfolio in various Lions Clubs:

Start with Informative Sessions:

Organize low-key, informative sessions within the Lions Clubs to introduce the Mental Wellbeing Portfolio. Emphasize the importance of mental health and the positive impact we can make by addressing it. Keep the tone calm and reassuring, assuring members that this project will create a supportive environment.

Collaborate with Local Mental Health Organisations:

Reach out to local mental health organisations to collaborate and establish partnerships. These organisations can provide resources, guest speakers, or training sessions on mental health topics. Encourage club members to actively participate in these collaborations, fostering a sense of unity and purpose.

Promote Mental Health Education:

Develop engaging workshops or presentations on mental health topics. Present them as opportunities for personal growth and empowerment, rather than alarmist or overly clinical. Cover subjects like stress management, mindfulness, resilience, and self-care. Ensure that the sessions are interactive and inclusive, allowing members to share their experiences and insights.

Foster Supportive Networks:

Create spaces within the Lions Clubs where members can connect and support one another. Establish small groups or buddy systems, where members can form connections and provide a listening ear. Emphasize that these networks are safe, confidential, and non-judgmental, reinforcing a culture of trust and understanding.

Engage in Community Projects:

Design community projects that promote mental wellbeing, without explicitly highlighting mental health concerns. For example, organise activities such as nature walks, art therapy sessions, or community gardening projects. Encourage club members to actively participate and invite the wider community to join, positioning these activities as enjoyable and stress-relieving endeavours.

By following these low-key steps, we can successfully set up and engage multiple Lions Clubs in the Mental Wellbeing Portfolio. By presenting it as a calming project focused on support, personal growth, and community engagement, we can foster a positive and inclusive environment for mental health awareness and wellbeing within our Lions Clubs and the wider community. Together, we can make a meaningful difference in promoting mental wellbeing.

Submitted by Patrick Williams

Life Membership

At the recent handover dinner of Modbury Lions Club, President Alan Zwar presented Life Membership to Robert (Bob) Gregory, in recognition of his 31 years of dedicated Lions membership and active community service.

Congratulations Bob!

Service Projects (cont.)

should be made from your activity. If you raise money from a BBQ, your aim is to make a profit, this is therefore not a service project. To make this activity into a service project, your club would need to provide a BBQ free of charge (i.e. donating your time, effort &/or resources).

Examples of current service projects (not limited to):

- Kadina – maintaining a local playground
- Elizabeth Playford – Fred's van
- Prospect-Blair Athol – tree planting
- Wallaroo – maintenance of historical mural at old railway station platform
- Clare – Youth of the Year

Definition of a 'signature service project':

A service project that your club is well-known for and other clubs or people know your club for it.

Examples of current signature service projects (not limited to):

- City of Adelaide – Hear Me Roar! Project and Cubs Club
- Paralowie – Beanies for Babies, Medic Dolls & Beanies for Lyell McEwin
- Rocky River – Rail Corridor Rehabilitation
- Burnside – Vision Screening and Digital Imaging for the Aged

Definition of 'collecting and donating project':

Collecting items to donate onto another association/charity. This usually means that the items are passed onto people through a 'third party'. This could be thought of a sub-section of service projects.

Examples of collecting and donating project (not limited to):

- West Beach – Recycle for Sight (spectacles)
- Tea Tree Gully – collecting stamps to go towards auction of funds for Aust. Mobility Foundation
- Port Lincoln – collect can ring pulls
- Gilbert Valley – collect second-hand books

Definition of 'community events/fundraising':

A community event is an event of civic, public, or educational nature that highlights a local community and its residents. Events within the community bring community members together to support the event. Some clubs use these occasions to also raise money, whereas some clubs will put these events on free-of-charge (therefore these could also be service project).

Examples of a community events/fundraising (not limited to):

- Angle Vale – markets
- Orroroo & District – Australia Day breakfast

Examples of a community event (free-of-charge):

- Mallala & Districts – Christmas Street Party
- Gilles Plains – Community Family Fun Day

Definition of 'monetary donations/sponsorships':

Donating money to a charity, organisation or foundation for the betterment of their causes. This can also be considered as

'supporting'. Sponsorships are a financial donation to support an individual or group of individuals to achieving something or rewarding someone for their efforts in achieving something.

Sponsorship usually involves partnering with a company or organisation that provides financial support in exchange for exposure or promotional benefits.

Examples of monetary donations/sponsorships (not limited to):

- Jamestown – Lions Eye Health Program (donation)
- Modbury – Operation Smile and Cystic Fibrosis SA (donation)
- Adelaide Italian – Mary Potter Hospice (donation)
- Angaston & District – tertiary student scholarship (sponsorship)
- Athelstone & Rostrevor – students attending YMCA camps (sponsorship)
- Golden Grove – Australian Lions Hearing Dogs (sponsorship)

Definition of 'fundraising':

Obtaining funds from sources outside the club to finance projects &/ or programs or to donate to charities, organisations or foundations.

Examples of fundraising (not limited to):

- Many clubs – Selling Lions cakes, pudding and mints
- Many clubs – Selling hot chips, donuts, etc.
- Many clubs – BBQ's
- Gawler – Biggest Morning Tea
- Charles Sturt – Car park marshalling
- Adelaide West – Casino night

Clubs such as Glenside and Richmond are already very well-known throughout the district for their bookmart and op shop, respectively. It's fair to categorise them as Signature Service Projects. On the other hand, are the purposes of these to fundraise primarily and secondarily to provide a service as a retail outlet? So, under which category would these famous activities fall under – fundraising or service?

All clubs are recommended to review their activities and be clear about the purpose(s) of those activities. Which category would you classify your club's activities? Does this confirm or change the perception of your club and the activities you perform? Does this review highlight a balance or imbalance of service projects compared to other club activities?

Where to from here? When your club is clear about which activities your club performs are your service projects, which one of them will become your signature service project? Or does your club create a new project that you'd like to promote as your Signature Service Project? In setting up your 2023/24 year, these are valuable questions to ask but, more importantly, your answers will dictate what actions you'll put in place for a successful and rewarding Lions year.

Andrew Stacey
District GST Coordinator

Toys for Hearing Dogs

Last term the members of Pedare Pride Cubs Club spent many hours making dog toys for the dogs in training at the Australian Lions Hearing Dogs (ALHD) headquarters in Verdun.

These stretchy toys were made with t-shirt yarn, which was plaited and then woven into sausage shaped toys. The work was laborious, but our Cubs showed great persistence and determination to support the dogs at ALHD.

This project was developed after a visit by two ALHD recipients Adrienne (with her dog Merlin) and Aidan (with Peterson). Our guests demonstrated how their hearing dogs support them in their daily lives by keeping them safe and giving them confidence to leave their homes. The Cubs were most impressed to see the skills of the dogs in communicating with their owners when the phone rings or a smoke alarm goes off.

This visit motivated the students to contact ALHD to find out how they could assist this wonderful organization. Alex gave us the video instructions for making dog toys to amuse the trainee dogs. She then followed up with a visit to the Cubs at the end of term, when they presented 52 toys to her – all made with love and care!

Our Cubs are really experiencing firsthand the joy of giving to others – something we all know so well as Lions.

Petrea Stacey and Annette Slater
Cubs Facilitators

Remembering Lion Gavin Roberts

A tireless and passionate Lions Member who served for many years within the Port Lincoln Lions Club, but also known nationwide for his dedication to Lions International.

Gavin attended countless meetings, and Lions functions, away from Port Lincoln, and was well known and loved by all who he met in his journeys, representing the Club.

Gavin received numerous awards for his service which he hang proudly in his home. He was also recognised as the Citizen of the Year by the Port Lincoln Council for his community service.

A warm, humble and happy man who was always quick to lend a hand, and to build up and encourage others within the club. The embodiment of a true Lions member.

Our thoughts go out to his lovely wife, Lion Lady Christine, and the entire Roberts family.

R.I.P. Gavin, your memory shall live on for many years through those you touched with your gracious and caring spirit.

Sponsored by Life Member Lion Malcolm Bagnell
Inducted by Life Member Lion Trevor Schubert

Committees:

- Hostel Chairman (5 years)
- President (2 years - 2010 & 2014)
- Club Director (3 years)
- Zone Chairperson (2 years)
- LCI Director (2 years)
- Membership Chairperson (3 years)
- 201C1 Cabinet Member (6 years)

Awards:

- DG's Star Award (the only one in Port Lincoln Lions Club)
- Melvin Jones Fellowship (the highest LCI award)
- Club Monarch Awards (many)
- The Dan Maskell Award (the highest Port Lincoln Club award)
- LCI James D Richardson Award

Ring Pull Collection

Paralowie Lions Club is still the place to bring your ring pulls! Our new ring pull coordinator is 1st VP Mary Jarrett. Please contact her on 0400 753 889. Mary is located in Salisbury North. Thank you to all those clubs who support us and the Vietnam Vets.

- President Julie Pickles

The Gilbert Valley Lions Club Riverton Cemetery Restoration Project continues to progress because of the efforts of the Lions Club members working with local volunteers. Working in conjunction with the Clare and Gilbert Valleys Council, the clearing of leaf litter, fallen branches and a general tidy up has made a big difference to the appearance of the site.

Low branches have been removed for easier and safer access, gravel and rubble has been spread to create safe walking pathways. Planting of seedlings and the spreading of mulch, with the help from students from local schools, has also been a great way to have these students connect with the Lions volunteers. Always fun when the students turn up for work ... lol.

L-R: Immediate Past President David Smyth, Penny Prat, Shadow Minister for Regional Health, and Incoming President Lion Marian Lloyd.

Since the project started in January 2021, volunteers have worked 1,217 hours, which converts to \$55,721 virtual dollars. This is a massive saving financially to Council and the community.

MEAT FOODBANK NEWS FROM KIMBA LIONS!

In collaboration with Lienert Engineering, the Kimba Sheep yards will be housing donated sheep for the Meat Foodbank. They are also donating a trailer to move the sheep which will have Lion's signage and imagery on the trailer. Soon a call out will be put on social media, requesting donations of sheep in the Kimba area and that they be 20kg dress weight with older rams and sheep accepted as donations. Any enquiries can be directed to Bevan Forbes and/ or David Head and we would personally like to thank the Lienert Family for donating the trailer and for their support with the Meat Foodbank.

PR Trailer Bookings 2023/24

The PR Trailer comes with all the PR materials you need, but you are welcome to utilise your club's own materials. We just ask that the trailer is returned in the same condition it was picked up.

You will need to organise with PDG Dean Noll or VDG Peter Korndorfer, pick up and drop off of the trailer. It is generally housed in Gawler, and the facility is not accessible on the

weekend. The trailer may also be stored at other locations depending on use. Please get in early and organise the pick up and drop off.

Please note that the trailer will need to be signed for when picking it up.

Bookings are below. Remember to plan, and book early.

Club	Dates Required	Event
Salisbury Lions Club	24 September 2023	Dogs Day Out
Stansbury Dalrymple Lions Club	29 September - 1 October 2023	Stansbury 150 Celebrations
Walleroo Lions Club	14 - 15 October 2023	Skin Cancer Screening
Gilles Plains Lions Club	1 - 3 December 2023	Skin Cancer Screening

The trailer will either be at the Lions Club of Gawler or The Lions Club of Elizabeth Playford.
Contact VDG Peter Korndorfer on 0402 483 059 or korndogg1866@gmail.com for more information.

IPDG Zig's Final Report

Every Year at the end of their tenure as District Governor a report is delivered on the past year.

At the start of my year as District Governor I had a lot of ideas and plans for what I would like to achieve in my year. Now at the close of my year is a time to reflect on those original plans, Increased membership, awareness of the marine environment, more openness in communication, provision of a welcoming message to new members, and updating some of the C1 District systems, procedures and equipment to allow better engagement across the members.

All of these items hinged on having and projecting a positive attitude in my dealings with members across the clubs. I do acknowledge that whilst I have tried to work in harmony with members, some may not have liked my methods, whilst others see the positive benefits of these changes.

We began the year with 1098 members and whilst there had been a downward trend in membership for a number of years, Lions recognised the need for a change and hence the Global Membership Approach (GMA) was rolled out looking at ways to make our organisation more attractive to the public and potential members. We closed the year with 1082 members. The evolution of the GMA will continue in the coming years and has shown that there is indeed an interest in growing Lions so that Lions can remain relevant in the community beyond our time of life.

Awareness of the environment was encouraged with my monthly bulletins showing a variety of marine life that many would never experience, plus the many quirky Z words that are not commonly used in our language. I also supported Pat Williams efforts to expand members knowledge about different aspects of the environment, a Global cause recognised by Lions and one that is becoming more important to the younger generation. Whilst Pat's messages did not necessarily resonate with all, his messages are all relevant for our future and the future of the world as the environmental changes throw up challenges on a daily basis from floods to bushfires and all combinations between.

Bringing changes to our Policy Minutes to reflect current practices was necessary as was the upgrade to our technology and equipment to utilise more modern systems and programs, whilst making sure that the members embrace the changing way Lions needs to operate for the next generation. Traditions are often great to retain however the younger generation, much like we did in our younger days, want changes to meet how they see the world. In the past 30 years we have gone from purely paper based to a hybrid of electronic and paper systems, some good but I believe most for the better with the electronic formats, especially typing documents and spell check, and the ability to edit without the need to start from

scratch or use white out.

My year as District Governor closes with a reflection on the many issues I and the team have dealt with, the new experiences I have enjoyed, and not enjoyed, the new friendship established and a better understanding of how all Lions contribute to the betterment of our communities on almost a daily basis, mostly trying to have FUN whilst serving.

In closing I would like to personally thank the members of my club, West Beach, the District clubs and members, and most sincerely and especially Jennifer for giving me the opportunity, and support to take on the role of District Governor for 2022/23. I believe that I have left the District in a better position to go forward with a positive attitude.

Thank you to all and especially to Jennifer for her patience and support through this past three years in my journey to be a District Governor.

GMA Report

Hopefully by now all members are aware of Lions Australia's Big Audacious Mission (BAM) which is simply a membership target of 30,000 members by 2030 and 50,000 members by 2050.

At the end of June 2023, our district membership numbers were down to 1,063, and as such we are officially "In Transition", and run the real risk of being "Redistricted", ie C1 as it is now will be changed, merged, etc. Therefore, it is now time to take a **serious review** of our clubs, how they are run, the service or projects we have and then **putting in place a well-considered membership drive plan**. If we do that, then we can meet those BAM targets. They are realistic. Just a couple of examples. In the document regarding Membership Retention, which was distributed to all clubs on 9th July, I highlighted the fact that in 2022-2023, of our new members we lost 24% of them after less than 3 years' service and of those we lost over 5% who had less than 1 years' service. Obviously, something is wrong to lose so many after so few years of service. The discussion paper identifies the key reasons as well as a recommended approach to turn that around.

In the same mailout, a document detailed a proven approach (GMA) which helps clubs develop and then implement their membership growth plan. When you break down the targets, the reality is that to reach 30,000 members by 2030 means we need to have just 1 new member (nett growth) per year per club. No one can say that is unrealistic.

Now for the good news update. As of 24th July, our district numbers have grown to 1,080, that's an increase of 17 in under one month. That is a great result, and a credit to the Adelaide Italian, Balaklava, Burnside, Bute, City of Adelaide, Cleve, Cowell, Gawler, Gilbert Valley, Glenside, Mallala, Modbury, Paralowie, Quorn, Stansbury and Wallaroo clubs, all of whom added new members so far this month.

Remember, growing our clubs is not just about numbers for numbers sake. It's about increasing our ability to serve our communities. It means less reliance on just a few regular members all doing the sausage sizzle, or planting trees, etc. So, if you need help developing, then implementing your membership growth plan, please contact the GMA team. That's what we are here for, to work with you to help grow our great organisation and increase the level of service we can deliver to our community. Now that is something worth putting in that special effort to improve and grow our clubs.

For everyone's interest, the GMA team is very active at the moment and we are looking at establishing a new club in the Port Adelaide area, with a major promotion in August at the Port Adelaide Plaza. This promotional event is being done in collaboration with the Uniting SA Winter Appeal. The promotion of Club growth ideas and suggestions will also ramp up in August.

Salisbury Handover

On Thursday 20 July 2023, the Lions Club of Salisbury celebrated the last three years of service and the start of the next chapter of the club.

Thank you to all of the Lions that attended plus members including a number of local Zone clubs and our distinguished guests - Tony Zappia MP, Mayor Gillian Aldridge OAM, Cr Sharon McKell and Derrick McManus.

We enjoyed good food and good fellowship as well as hearing a fantastic insightful speech from Tony Zappia MP and from Shaun Holton with his story of conquering adversity.

Immediate Past President Alex Coates presented his report on the past three years of service promoting diversity, mental health and service followed by his awards before incoming President Beau Brug and his team were installed and he outlined his vision including delivering exciting service events and much more.

Youth Exchange & Camps

Youth Exchange & Camps

These programs are aimed at youth who are 15 to 24 years old for both inbound and outbound youth exchanges, and a variety of camps.

Youth Camps & Exchange

This program aims to create and foster a spirit of understanding among the people of the world.

UNDERSTANDING

Build on your understanding of how other Lions work and how you cope in new environments.

NEW EXPERIENCES

Live with another Lions family interstate or internationally, and experience the culture, lifestyles and customs.

INDEPENDENCE

Develop independence while living with others. Learn to do things for yourself, develop this important life skill.

LEADERSHIP SKILLS

Become a leader and develop your leadership skills such as motivating others, communication, conflict resolution etc.

CONTACT US

erin.rebekah.williams@gmail.com

Contact your local lions club:
www.lions201c1.org.au

Please note: Erin's updated email address is erin.rebekah.williams@gmail.com (not the email address listed in the MD Directory).

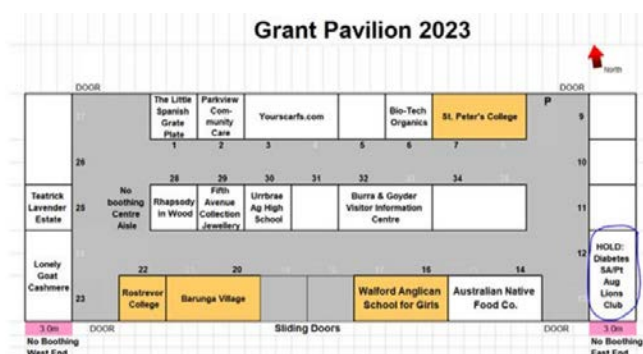

PDG Tony Pederick and 1st VDG Steve Fawcett have been working closely with Diabetes SA to offer diabetes testing at this year's Paskeville field days. Tuesday, 26 September 2023 - Thursday, 28 September 2023.

Established in 1894 the Yorke Peninsula Field Days are acknowledged as the oldest in Australia.

The district has booked an indoor site in the Grant Pavilion near the main entrance. (6x3m) with power.

This is a great opportunity for a club or clubs to be involved in promoting themselves within our site. The event is over 3 days, you may only be able to attend for only one of those days which is not a problem.

Local Yorke peninsular clubs especially may wish to promote their clubs to the locals.

Location Yorke Peninsula Field Days Copper Coast Highway Paskeville SA 5582.

Yorke Peninsula Field Days | South Australia (ypfielddays.com.au)

For further information please contact Steve at 1vdg.c1@lions.org.au or 0477 003 102.

DG Handover Awards

The success of a year as District Governor relies heavily on not just the District Governor but the team of members behind the District Governor who makes it all work in unison. Whilst there was a whole team effort I acknowledge some of these people to say thanks with specific recognitions.

District Level

- Helen Keller Award - John Dunn (Burnside)
- Melvin Jones Fellowship - Tony Barns (Wudinna)
- Ian Stockdale Humanitarian Award and International Leadership Award - Annette Slater (Golden Grove)

LION MINTS NEWSLETTER

LION MINTS NEWSLETTER

July Edition

Stock Update

As you are aware we have been behind with our deliveries. However, we have almost caught up with our backlog and now we are sending our orders from May/June

New Pricing

This new pricing will be effective from 15/05/23. Any orders received from this date will be at the new pricing and any orders we are still fulfilling from the backlog will be at the current prices.

New Order Form

The current order form has been updated due to new pricing. This will be effective from 15/05/23. Please ensure you are using the updated form (attached) when placing future orders.

Lions Header Card

The header card will need to be updated with the new minimum donation price. We have created an easy solution to update the pricing.

Print, cut and glue the attached sheet with the new pricing of 80c for all existing Lions header cards.

Damaged or Lost in Transit Products

If a product is damaged during transit, contact Dollar Sweets. You will need to provide details of the extent and type of damage and the quantity and type of goods affected. Dollar Sweets will lodge a complaint with the freight company on behalf of the relevant Lions Club. Photographic evidence of damaged goods may be requested so it is advised to hold onto any damaged goods until you have spoken to Dollar Sweets.

Goods lost in transit will only be replaced once confirmation has been received from the courier that the order is unrecoverable. Once confirmation has been received, replacement goods will be sent on the next available dispatch day.

Dollar Sweets must be notified as soon as possible of any damaged or lost in transit goods. Credits claims may be rejected if too much time has lapsed.

PO BOX 267 PAKENHAM VIC 3810 admin@dollarsweets.com 03 5945 0500 / Mon to Thurs 11am - 3pm

PO BOX 267 PAKENHAM VIC 3810 admin@dollarsweets.com 03 5945 0500 / Mon to Thurs 11am - 3pm

Vale Bruce Meehan

4 June 1938 - 29 June 2023

Farewell Bruce. "Our donut mixer specialist". A valued member of Lions Clubs in the Northern Territory and the Lions Club of Stansbury Dalrymple since 2009.

Memories of an enthusiastic repairer and maintainer of bikes and mobility equipment will be with us for a long time. His passion for helping the underprivileged was so much part of the man we knew as a Lion and a community member.

How many bikes and recycled computers found their way to Timor we will never know, other than they were sent, and were appreciated.

A true gentleman who always thought about the welfare of others.

Stamp Collecting

The Lions Club of Salisbury collects USED STAMPS to help the community!

Our President, Lion Beau Brug was pleased at the Blanket Salisbury with Love - Winter Appeal to pass over a large amount to the representative for the Australian Lions Children's Mobility Foundation.

We collect them & auction them using the proceeds to support the Australian Lions Children's Mobility Foundation to provide mobility equipment to help local children with cerebral palsy walk!

Motivating Your Club

Keeping club members motivated, especially considering their age and physical abilities, requires a thoughtful approach that takes into account their interests, capabilities, and the changing needs of the community. Here are some strategies to consider:

Embrace new projects: Introduce fresh and engaging projects that align with the evolving needs of the community. By diversifying the club's activities, members can find new avenues to contribute based on their interests and abilities. This could involve initiatives related to community service, environmental sustainability, health and wellness, or addressing specific local issues.

Work smarter, not harder: Recognize the physical limitations of members and explore ways to work more efficiently. Encourage the use of technology, automation, and collaboration tools to streamline processes and reduce physical strain. This approach allows members to focus their energy on meaningful tasks while maximizing productivity.

Seek partnerships and collaborations: Reach out to local sporting clubs, progress associations, and other community organizations. Explore opportunities to collaborate on projects that complement each other's goals and expertise. Building partnerships not only expands the club's reach and impact but also provides an avenue for shared resources, support, and new ideas.

Engage with the local council: Approach the local council and inquire about community activities or initiatives that require assistance. Councils often have a pulse on the community's needs and can suggest projects where the club's expertise and resources can make a meaningful difference. This collaboration can also lead to the establishment of new projects or initiatives tailored to address current community requirements.

Conduct member surveys and feedback sessions: Regularly seek input from club members regarding their interests, preferences, and ideas for new projects. Encourage open communication and create a safe space for members to share their thoughts and suggestions. This ensures that the club's activities remain relevant and engaging, catering to the changing needs and aspirations of its members.

Provide training and educational opportunities: Organise workshops, seminars, or training sessions to enhance members' skills and knowledge. This not only benefits the club's projects but also empowers members to lead and contribute effectively. By providing ongoing learning opportunities, members can stay engaged, feel valued, and develop new capabilities that align with their abilities and interests.

Celebrate achievements and recognize contributions: Regularly acknowledge and appreciate members' efforts and contributions. Celebrate milestones, recognize outstanding work, and create a culture of appreciation within the club. Feeling valued and recognized for their contributions can significantly boost motivation and foster a sense of camaraderie among members.

Remember, maintaining member motivation is an ongoing process that requires adaptability, inclusivity, and a willingness to explore new possibilities. By considering members' age and physical abilities, embracing new projects, seeking partnerships, engaging with the local community, and providing support and recognition, a Lions Australia club can create a vibrant and fulfilling experience for its members.

Adelaide West - 29 August 1997

Celebrating 13 years

Norwood - 24 August 2010

Recruitment & Retention

Recruitment Tips

- Invite potential members to a service project
- Have a queue walker at your BBQs talking about Lions
- Ensure you have a club flyer
- Place your club flyer in the new citizen bags at Citizenship ceremonies
- Place your flyer in real estate offices
- Inclusive tail twisting
- Short quizzes
- Sharing Lions' knowledge
- Regular contact with members
- Open and honest meetings

Alex Coates
GMT Chairperson

Why must we grow as an organisation?

- As our population increases, so do the service needs
- We can only meet this need with more hands
- We need to recover the members we lose
- New members bring new enthusiasm and ideas
- Across Australia, we aim to have 30,000 members by 2030

Club Membership Plan

- Every club must have a Club Membership Plan
- It needs to include a realistic recruitment target
- It also needs to include a realistic loss prediction
- It needs to consider who you will target, how you will recruit, plus how you will retain members
- The club members must 'own it'

What's happening out there

- Our membership numbers are currently positive, so far we have recruited over 30 members since July 1
- It was great to visit the Golden Grove Lions plus guests from Modbury and Tea Tree Gully Lions Clubs
- Clubs should be developing their Club Membership Plan
- Clubs should be considering new service projects
- We should consider the simple theme of our International President, Changing the World! We do it at every service event, let's embrace it and promote it!

SPREAD THE WORD WHILE CHANGING LIVES!

Humanitarian Award

David Stoddart has been a major contributor to this club for many years. He has been our President, club secretary 6 times including currently. He took on the marshalling portfolio at a minute's notice, being thrown in the deep end only a couple of days prior to the Clare show.

David is always willing to volunteer to assist with a BBQ, at the shed, cooking donuts and anywhere else he may be required. He has been a very supportive Secretary for me this year, and I know he will continue to do a

great job for Fred.

David, you have shown that you are truly a humanitarian in the way you care for those around you, both within the membership of our club and the wider community.

It gives me great please to award you with an Ian M Stockdale Humanitarian Award.

Immediate Past President, Yvonne Bradford
Clare District Lions Club

DG Handover in Photos

Spotlight: Greg Clarke

Name: Greg Clarke
(Prospect-Blair Athol)

How long have you been a Lion?

I have been a lion for 18 years, but I was affiliated with the club for 14 years to prior to joining the club.

Why did you join Lions?

My parents in law were PDG Lion Jack Davis and Lions Lady Alice Davis. When PDG Lion Jack died suddenly in 1989 I took over the duties of escorting Lions Lady Alice to all club functions. After 14 years of being asked to join I finally decided in 2005 it was time to finally take up the challenge and join Lions. Best decision I ever made, and as everyone says, I should have done it sooner.

Current club position? Club Secretary

What Lions positions have you held previously? Club President, Zone Chairman, Club Secretary

What's your favourite memory or experience in Lions? When I was Zone Chairman, I was instrumental in raising funds and securing a ALF grant to purchase a Bladder Scanner for the Lyell McEwen Hospital.

Favourite quote:

"The future belongs to those who believe in the beauty of their dreams." - Eleanor Roosevelt

"A life spent making mistakes is not only more honourable, but more useful than a life spent doing nothing." - Mark Twain

Favourite movie: Zulu

Favourite book: "Tinker, Tailor, Soldier, Spy" - John Le Carre

News from Peterborough Lions Club

Our Club held our 42nd Lions Handover on Saturday 1st July, 2023 in the Railway Hotel, with approximately 60 guests, including Lions members from several Clubs, enjoying the night.

President Julie Atkinson handed out the Lions Service Badges to members, including to our Charter member, Laurie Edmonds, a hard working dedicated member for 42 years! Congratulations Laurie and Well Done!

President Julie Atkinson was re-elected to being President for 2023/24 and was inducted by Past District Governor Don Pritchard. Julie then presented her Board for the coming year. We look forward to another busy year.

Our Club always enjoys a pooled luncheon the day after our Handovers, but instead of our Lions Den this year, it was held at Vanessa Malycha's home, located out of town for a more relaxed, social outing. Everyone enjoyed the delicious pooled luncheon, including the desserts!

Members have recently been to several Handovers, including the Lions Club of Port Pirie, and Lions Club of Jamestown. Several members attended the Lions Club of Rocky River Handover, where Don Hucks was inducted as President. Both Don's parents, Les & May were Presidents and members of the Lions Club of Peterborough & District Inc., so it was nice to see Don being inducted. Members will also attend the Rotary Club of Peterborough Handover on Saturday 29th July.

Members Alex French, Jenni Kendal and Judy Higginson were involved in the Council's Community Tree Planting day on Sunday 9th July from 11-1pm, helping to plant approx 200 trees near the drain area, and then afterwards a Bbq was held.

Recently, Vanessa Malycha was involved in working on the Lions Skin Cancer Screening Bus in Laura, with the Screening group and also with

some of the Lions Club of Rocky River members.

Laurie Edmonds, Alex French and Shirley Dearlove helped cook a Bbq for Uniting CountrySA's 'Child Aware Approach Open Day', on Wednesday 19th July, which was enjoyed by everyone.

Our new Lions Van has recently had some wonderful new graphics done on the Van. Later, sponsors names will be added, too. The Van will be down the Main Street to sell donuts, from 10-2pm on Saturday 22 & 29 July.

The new van is lovely and spacious, compared to the previous van and can also be used as an Emergency Services van for the Community.

Plans are underway to make more concrete Lions seats from our Lions mould and then paint the Lions Yellow and bench seat slats bright blue, which will then will be added to the ones which are out at the Cemetery. Others will then be placed around the town and in Yongala.

The Lions Convention Committee continue to plan for the C1 District Convention with fortnightly meetings recently being held on Wednesday 5th & 19th July. So, just another REMINDER:

The Lions Club of Peterborough & District Inc., are looking forward to seeing you at the C1 Lions District Convention in Peterborough on Friday 27-29 October, 2023!!

So, come & enjoy fun & fellowship with other Lions members from the C1 District – DON'T MISS OUT!

Whilst here enjoying the Convention, come & spend a week looking around & enjoying Peterborough & District's many varied attractions!!

Various styles of accommodation are available, so book early!!

Remarkable Journey with Wudinna Lions

In the close-knit community of Wudinna, South Australia, there is a man whose commitment to service and unwavering dedication has left a lasting impact on the hearts of many. Meet Tony Barns, a cherished member of the Wudinna Lions Club for over four decades. Through his journey filled with compassion, resilience, and a passion for helping others, Tony has become an integral part of the community and a source of inspiration for all.

Tony's journey with the Wudinna Lions Club began on a significant day – 25th May 1982, when he joined the club alongside his father, Kevin Barns. Despite facing mild mental and physical health challenges throughout his life, Tony has remained a beacon of strength and positivity in the community.

From the very beginning, Tony proved to be an invaluable member of the Lions Club, contributing in various ways to support the town of Wudinna. He actively participated in community events, making sure they ran smoothly and successfully. Some of his notable contributions include:

Anzac Day and Australia Day Celebrations: Tony took pride in raising the flag during these important national events, showcasing his love for his country and community.

Lions Mints and Christmas Cake Distribution: As the Mints chair, Tony organised the stock and delivery of mints and Christmas cakes around Wudinna, even using a tricycle obtained by the club for this purpose.

Donut Sales: During events where the Lions Club sold their famous donuts, Tony became the go-to “water delivery main man,” also providing lunches and drinks to fellow volunteers.

Involvement in Large Projects: Tony played an integral role in various large projects undertaken by the Lions Club over the years, and his contributions were a source of great pride for him.

Hospital Assistance: Tony extended his helping hand to the Wudinna Hospital, taking on odd jobs under the supervision of Ex Lion Terry Spence, the grounds person. His efforts not only

benefited the hospital but also added to the club's activity reports, making him feel valued and important.

Throughout the years, Tony created many cherished memories through his involvement with the Lions Club. From illuminating the night sky for the Flying Doctor's landing to helping with sports events at Venus Bay and supporting the Outback Bash, Tony's passion for community service was evident in every endeavour.

When the global Covid-19 pandemic struck and lockdowns were imposed, Tony's health and mobility restricted his outings from the hospital. However, his indomitable spirit and exceptional memory allowed him to reminisce about the countless activities and wonderful people he had encountered over the years.

Tony's dedication did not go unnoticed. The Wudinna Lions Club expressed their immense gratitude by awarding him the prestigious Melvin Jones Fellowship. The heartfelt surprise left Tony, a man known for his words, nearly speechless, showcasing the depth of his emotions and the profound impact he had made.

Tony Barns exemplifies the true spirit of community service and the power of perseverance. Despite facing personal challenges, he has been a shining example of selflessness and compassion. Through his contributions and genuine love for Wudinna and its people, Tony has left an enduring legacy within the Wudinna Lions Club and the community as a whole. He is a living testament to the belief that no act of kindness, no matter how small, ever goes unnoticed or unappreciated. As Wudinna continues to thrive, it does so with Tony's spirit lighting the way for generations to come.

Port Augusta Lions Recipe of the Month

Whole Orange Cake

Ingredients:

1 medium size orange, skin on
180g butter, melted
3 eggs
1 cup caster sugar
1 1/2 cup self-raising flour

Icing:

1 cup icing sugar
1 tsp soft butter
Orange juice to mix a soft drizzle consistency

Method

1. Preheat oven to 180oc, (160oc fan forced)
2. Grease and line 2 loaf tins or 8-9inch round tin
3. In a food processor, process orange until well pureed
4. Add all other ingredients and process until mixed very well, spread evenly into tins
5. Bake for 30 – 40 minutes (depending on tin used) check centre with a skewer.
6. Cool on a wire rack for 10 minutes before removing carefully to finish cooling, when cool, drizzle or spread over icing.
