

July 2023

Lions District 201 C1

# Lions Chronicles

## DG Pete's Preamble

**T**hank you Lions for showing your faith in me, it is a privilege and an honour to be this District's District Governor for 2023-2024, something I do not take lightly. I am excited about what lays ahead for our District and what I know we can and will achieve as a team. I see us as the best District in Australia and I know we will show the rest of our country that we are the best of the best.

Let us take a moment to look back, celebrate what we as Lions, as Clubs, and as a District have achieved over the last twelve months. It is important to recognise the fantastic work done across our District at all levels, but most importantly by you the members for your communities. I applaud you all and thank you for your service. I would also like to thank IPDG Zig for his guidance and leadership over the last year and his Cabinet for the tireless work they have put in. Our Lions emblem looks back, to celebrate and recognise our achievements and history, so should we the members. This incredible and worldwide-recognised emblem, we all serve under, also looks forward and as we start a new Lions year, we too must look ahead to look to the future and plan our road ahead. Where is it we want to be, where is it we want to see

### Plan a Sustainable Lions Event

By incorporating these suggestions into the planning and execution of the Lions Volunteer Event, you can create an event that is not only successful but also contributes to a sustainable future.

p15

### Signature Service Projects 2023/24

As all clubs, and most members, should know, service is at the heart of being a Lion and being in a Lion's Club. Our association's motto is: We Serve!

p17

### From District CBL

Dates for nominations and notices of motion for 201 C1 District Convention in October 2023.

## News from Gilles Plains

Our Handover was planned for Tuesday 20th June but due to our President Elect, Lion Deborah Winter being sick and in hospital we have decided to continue but call it a Celebration Dinner at which the usual protocols and procedures will continue.

PDG John McIntosh will be officiating and flying the flag for Lions International.

We have just completed our first BLUE TREE PROJECT. This project highlights mental health. On average, nine people commit suicide in South Australia per week, and the Blue Tree Project supports the need for more

attention to be paid to mental health.

Our Blue Tree is located on the western side of the soccer fields at Para Hills (and is visible from Bridge Road) and is supported by the City of Salisbury Council. The tree was painted by club volunteers on Friday 16th June with council representative present. We thank the council for them giving us permission to partake in this project and they have offered us another tree nearer Bridge Road. The Council also provided the sign.

Remember "It's ok not to be ok"!

### BLUE TREE LIST

TREES REGISTERED TO OUR PROJECT SO FAR...

TREE COUNT = 985

## News from Tumby Bay & District Lions

A great turnout of Tumby Bay & District Lions and visitors attended the annual handover dinner at the Seabreeze Hotel in Tumby Bay on Monday, 26 June 2023.

Just on 50 members, partners and visitors were there to support Zone Chairman Allan Zerna from the Cowell Lions club, and induct the new President, Jeff Blackwell, Horrie Richardson (Secretary), Wayne Branson (Treasurer), David Pearson (V.President) Ren Kelly (Marketing) and members of the Board Mary Baillie Peter Swaffer, Ross Powell, and Peter Nathan for 2023/2024.

Incoming President Jeff Blackwell thanked outgoing President Peter Nathan and his team for the work that the Lions had undertaken during

the year with some outstanding community activities and fundraising.

Jeff welcomed the incoming Board of Directors to their new positions. He said that the program for the coming year would leverage on the past endeavors of the club in supporting the Tumby Hospital Auxiliary, Color Tumby Weekend, Royal Flying Doctor, and the Tumby Christmas pageant.

Recognising the outstanding support of the club and activities during the year, Mary Baillie was presented with the Neil Kopman Award for outstanding service.

Zone Chairman Allan Zerner highlighted the fact that membership of the Tumby Bay & District club is one of the highest, as a percentage

of the population, of all Lions Clubs in Australia, having been incorporated in 1979, and invited all members to attend the big party zone conference in Cowell next year.

Lions Clubs International is the largest service club organization in the world. More than 1.4 million members in over 48,000 clubs are serving in 200 countries and geographic areas around the globe. Since 1917, Lions have strengthened local communities through hands-on service and humanitarian projects, and we extend our service impact through the generous support of our Lions Clubs International Foundation. We are focused on supporting vision, the environment, childhood cancer, hunger, diabetes and other pressing humanitarian needs to help address some of the biggest

challenges facing humanity.

Tumby Bay & District Lions Club meets monthly.

# DG Pete's Preamble (cont.)

ourselves in twelve months' time, what is it we wish to achieve and how shall we attack this uncharted road? I hope like me, your answer is to give even better and more service to our communities, and to continue to strive for greater success, I know we all have that ability in us and by supporting each other and working together as a team, we will again achieve far more than we planned. It is what we Lions do and who we are.

As a District Cabinet Team, we have been planning for some months on how we can best support you the members and Clubs and we have built on the plan that IPDG Zig and his team started back in late 2021 - the Global Membership Approach (GMA). Our GMA Lead PDG Rob Royal will share more on the GMA. It is a way we as Clubs, can plan and look ahead, built on our successes, further grow our service and through that amazing service enable more like-minded people to join our organisation.

To support you, the members, our GLT PDG Megan Butler will again run ZOOM information sessions on the fourth Thursday of each month. These are your sessions, so please try to attend and provide ideas on what you would like covered. Along with providing information, our GST Andrew Stacey will provide service ideas and events you, as Clubs, can get involved in. Megan and Andrew will outline the details in their bulletin articles.

"IGNITE THE PASSION – COMMIT TO SERVICE" is my theme for this year. Let's share our passion to serve our communities, our passion in changing the world for the better, let's ignite that passion in our friends, the people we work with and meet, let's challenge them to serve their communities and help us 'Change the World'. Find out what the people in your community are passionate about and provide a way for them to follow that passion.

I challenge you to bring in more like-minded people to help us provide that service, enable them to feel the joy we do every time we serve our communities. Membership is important, but membership for the sake of numbers is NOT our goal". Membership is a way to achieve our service goals, to increase our service and impact in our local communities and to provide opportunities for others to serve and to be passionate about our communities. Let's also make sure we tell the world about our service stories, by recording our efforts, by the use of social media, radio and print.

Yes, we do need new and more members, but why do we need them?

To Serve Our Communities Better

We Lions are incredible at achieving goals, but it is not up to our International Directors, or District Governors or Zone Chairs, but up to each and everyone of us to ensure we achieve, and we will achieve if we all concentrate on just 2 clubs.

Your Club and my Club.

You concentrate on getting your club right and I will concentrate on getting my club right.

If we all do this we will get all our clubs heading in the right direction.

I alone cannot achieve all this service, or these goals, but in the words of our Immediate Past International President Brian Sheehan: "Together We Can – We Live, We Give We Serve as One. Because We know that together we are more. Together there are no limits."

I ask please, as we stand at the start of another amazing twelve months of Lions Service, think about how I can ensure my Club will be even stronger, how we can provide even better service to our communities. Commit to those thoughts and passions and let us grow and prosper together.

I wish each and every Lions and Club in our District all the best and much success for the next twelve months and beyond. I know you will do incredible service for your communities and take our district from strength to strength.

District C1 – Simply The Best  
DG Peter Korndorfer

# News From Athelstone & Rostrevor Lions Club

## Two made one through cooperation and good management.

How often has a small Lions Club thought it would be a good idea to consider merging with another nearby Lions Club to make one bigger and stronger club in its area? Has the thought of losing your individual identity put you off making the move? Have you wondered if the incumbent District Governor would be upset if he lost one club but saved one through a merger resulting in a much stronger and more efficient club?

Good points but not beyond happening.

Let me tell you that after a lot of discussion, working together on projects, having more than one Club attending joint Club meetings together and discussing, in a responsible manner whether or not two small clubs should become one by merging and having a stronger presence in its area. The outcome is a good result for each.

This Fellow Lions is exactly what the Lions Club of Athelstone Inc and the Lions Club of Rostrevor Inc did and from 29 May 2023, with the approval of Lions Clubs International and guided by District Governor Zig, the Lions Club of Rostrevor Inc and the Lions Club of Athelstone Inc merged and from that date its new entity name is the Lions Club of Athelstone and Rostrevor Incorporated. The new entity is a much stronger and resilient club than each was singularly and the merger was effected in the most friendly and responsible manner knowing that there are things yet to be finalised to have the new club set up with the legal requirements of the relevant legislative requirements resulting from the merger.

Special thanks for the preparatory work and guidance goes to District Governor Zig who helped and liaised with International to get the Certificate of Merger approved and the new Club Entity registered. Also special thanks to the Lions members of both clubs for their acceptance and embracing of the merger for without that nothing would have happened and each would keep going as before.

Congratulations to our inaugural President Cameron Wyers ably assisted by joint Secretary Lloyd Nelson and Treasurer Trevor Symonds. There is a wealth of experience in both former clubs which augers well for our future.

The Official Inauguration of the Lions Club of Athelstone and Rostrevor Inc was formalised at the "Handover" meeting on Monday 5th June 2023 and was attended by the the DG and his partner, our Zone Chairperson, Lions members, Lions partners, The Mayor of Campbelltown, Mayor and Lion Jill Whittaker and partner Lion Rob, and our Local Member of Parliament for Morialta, the Honorable John Gardner, who has been a long time supporter of both clubs. Unfortunately, our Lions member and Local Member of Parliament for Hartley, the Honorable Lion Vincent Tarzia, was unable to join us on this historic occasion.

The attached photographs show DG Zig presenting the Certificate of Approval for the merger and Incorporation of the new entity to President Cameron Wyers. The group photo from left to right, The Honorable John Gardner MP, DG Zig, President Cameron and Mayor Jill Whittaker.

# Plan a Sustainable Event

1

## Establish the Purpose & Objectives

- Clearly define the purpose and objects of the event.
- Include sustainability as a core value and goal of the event.

2

## Form a Sustainable Event Committee

- Create a committee dedicated to planning and implementing sustainable practices for the convention.
- Include members with expertise in event management, sustainability, and local community engagement.

3

## Virtual Tickets and Invitations

- Utilise digital platforms for ticketing, invitations, and event registration to minimise paper usage.
- Encourage attendees to use digital tickets and materials for the event.

4

## Hybrid Event

- Organise a hybrid event that combines in person and virtual elements.
- This will increase accessibility, widen the audience, and reduce travel-related emissions.
- Provide virtual participation options for those who cannot attend in person.

5

## Waste Reduction and Recycling

- Minimise waste by using reusable plates, cups, and cutlery instead of single-use items.
- Set up recycling stations throughout the event venue with clearly marked bins.
- Educate attendees and volunteers about proper waste separation and recycling practices.

6

## Local Procurement

- Source event equipment, supplies, and good locally to support the local community.
- Collaborate with local vendors and suppliers who prioritise sustainability.
- Promote local products and services to showcase the region's resources.

7

## Sustainable Suppliers

- Give preference to suppliers and vendors who follow

sustainable practices.

- Consider factors such as eco-friendly packaging, sustainable sourcing, and energy-efficient operations.

8

## Early Publicity on Sustainability

- Include sustainability messaging in event promotion and marketing materials.
- Highlight the efforts and initiatives taken by the volunteer group to create a sustainable event.
- Emphasise the positive impact attendees can have by participating in a sustainable event.

9

## Energy and Resource Conservation

- Optimise energy usage by utilising energy-efficient lighting and equipment.
- Encourage volunteers and attendees to conserve resources by turning off lights and reducing water usage.
- Consider using renewable energy sources for powering the event.

10

## Engage Attendees in Sustainability

- Organise educational sessions, workshops, or panel discussions on sustainable practices.
- Encourage attendees to consider the lifecycle of their possessions and make sustainable choices.
- Provide information on local sustainable initiatives and encourage volunteer involvement.

11

## Post-Event Evaluation

- Conduct a post-event evaluation to assess the success of sustainability efforts.
- Collect feedback from attendees and volunteers regarding sustainable practices implemented.
- Identify areas for improvement and integrate lessons learned into future conventions.

By incorporating these suggestions into the planning and execution of the Lions Volunteer Event, you can create an event that is not only successful but also contributes to a sustainable future.

Submitted by Lion Patrick Williams, C1 Environment Coordinator

## Club Charter Anniversaries

Each month, we will celebrate the anniversary of each club in our district.

**July 2023**

**Celebrating 62 years**  
City of Adelaide - 1 July 1961

# Lions Children of Courage

**T**he Lions Club of the City of Adelaide's Lions Children of Courage Awards celebrate 32 years of honouring and recognising amazing young people, alongside the Governor of South Australia, at Government House.

These Awards recognise the tremendous effort made by children living with a disability - physical and/or mental - their strength, courage and determination in overcoming their personal challenges. These Awards also recognise the love and dedication of the parents and guardians of these children for their total devotion in supporting their child's development and to reach their goals.

Each child nominated was presented with a special medallion by Her Excellency, the Honourable Frances Adamson AC Governor of South Australia, in the Ballroom at Government House on Monday, 5 June 2023.

The judges for the 2023 awards were Libby Kosmala OAM, Patricia Brougham AM and Neil Lillicrappe. We sincerely thank them for performing this task again this year, it certainly is not an easy one. Each nominated child is deserving.

This year, we received eleven (11) nominations from a range of organisations, with nominators including physiotherapists, speech therapists, occupational therapists, social workers and many more. Nominations came from across metropolitan Adelaide and regional parts of South Australia.

This year's award recipients included: Antony Abbraciavento, Dottie, Halle Bull, Imogen Martin, Joseph Levett, Lorcan, Louis Sultana, Mia Billett, Paighton Jonas, Rashad Rai and Syed Zulfiqar Musawi

This year's special award recipient was Antony Abbraciavento.

Once again, these awards would not be possible without the support of the organisations and special schools, and their staff that support children with disabilities. Thank you for your ongoing support for these awards.

Congratulations again to all of this year's award recipients, and their families.

We look forward to continuing these awards and holding our 33rd Lions Children of Courage Awards in 2024.

28 September	President Forum - how are you going in the role?
28 September	Treasurer Forum - how are you going in the role?
26 October	Club Branch - how to start one
23 November	Club Membership Approach update

## Lion Volunteers

In the heart of our vibrant community, please celebrate and commend the Lions volunteers for their dedication and remarkable accomplishments throughout this year. Their selflessness and unwavering commitment have brought immeasurable positive change, touching the lives of countless individuals in need. From organising impactful food drives and encouraging sustainable living, to providing invaluable support to local schools and communities. Their tireless efforts have left an indelible mark.

To all members of our community, we extend a heartfelt invitation to join your local Lions Club. By volunteering, you not only contribute to the betterment of our society but also open doors to new connections and friendships with like-minded individuals. The joy of serving together, united by a shared purpose, is an experience that enriches both the lives of those being helped and the volunteers themselves.

Step forward, lend a hand, and discover the immense fulfillment that comes from giving back to those who need it most.

Join the fun. Join now!

## Quick Update From Richmond Lions

Recently, the Richmond Lions Club presented Greg Patterson from Foodbank with a donation of \$5,000. In addition to this donation, the club also made a donation of \$5,000 to Cummins Abbatoirs for the processing of 100 head of sheep for mince meat for Foodbank.

## NATIONAL DIABETES WEEK 2023 9 - 15 JULY

**N**ational Diabetes Week is marked from July 9 - 15 and the event is all about raising awareness about diabetes, its impact on individuals and the community, and promoting strategies for prevention and management. This week-long campaign, organised by Diabetes Australia, focuses on bringing the community together and to highlight the importance of understanding diabetes.

The campaign also aims to provide a supportive environment for individuals and their families living with diabetes, highlighting the significance of self-care, regular monitoring of blood glucose levels, healthy eating habits, physical activity, and medication adherence.

With diabetes as a global cause of Lions International, Australian Lions Hearing Dogs is proud to join other organisations in providing solutions for people living with diabetes in Australia through our Medical Alert Dog program.

A Lions Diabetic Alert Dog is provided to eligible applicants living with diabetes to assist with detecting blood glucose level changes and various life-saving tasks in the home. You can read more about our Medical Alert Dog program and the role of a Diabetic Alert Dog here: <https://lionshearingdogs.com.au/medical-alert-dogs/>

## PR Trailer Bookings 2023/24

**T**he PR Trailer comes with all the PR materials you need, but you are welcome to utilise your club's own materials. We just ask that the trailer is returned in the same condition it was picked up.

You will need to organise with PDG Dean Noll or VDG Peter Korndorfer, pick up and drop off of the trailer. It is generally housed in Gawler, and the facility is not accessible on the

weekend. The trailer may also be stored at other locations depending on use. Please get in early and organise the pick up and drop off.

Please note that the trailer will need to be signed for when picking it up.

Bookings are below. Remember to plan, and book early.

Club	Dates Required	Event
Salisbury Lions Club	24 September 2023	Dogs Day Out
Stansbury Dalrymple Lions Club	29 September - 1 October 2023	Stansbury 150 Celebrations
Walleroo Lions Club	14 - 15 October 2023	Skin Cancer Screening
Gilles Plains Lions Club	1 - 3 December 2023	Skin Cancer Screening

The trailer will either be at the Lions Club of Gawler or The Lions Club of Elizabeth Playford.  
Contact VDG Peter Korndorfer on 0402 483 059 or [korndogg1866@gmail.com](mailto:korndogg1866@gmail.com) for more information.

## News from Peterborough Lions Club

Members were busy cooking in readiness for the lovely crowd that attended the Australia's Biggest Morning Tea held on Thursday 25th May 2023 from 10-12noon at the Senior Citizens Hall.

Peterborough Primary School students sung to the crowd first. Then, the St. Joseph's School Choir entertained the crowd with several songs too. It was also lovely to have the Pre-School Kindergarten children join us to watch the students singing. Afterwards, they all then enjoyed morning tea with us.

Alex French and Judy Higginson made deliveries to the business houses and schools for morning tea before the public joined us at the hall. A raffle was also organised. From this event, \$902.55 was raised and the Club then added \$200.45 to make the balance of \$1,103.00 going to the Cancer Council.

On Sunday 28th May, Vanessa Malycha, Debbie Boon and Judy Higginson attended the Club Forum Development Day in Stirling North and enjoyed the day, gaining a lot out of the day.

The Club recently donated \$150.00 each to the Cranio-Facial Foundation and the R.F.D.S. A donation of \$200.00 was given to the Lions Biggest Bbq for the ALCRRF.

Some members attended the District Council's 'Let's Plant Some Trees' meeting on Monday 5th June, and they will be joining in with the planting day to be held on Sunday 25th June from 11-1pm, with all community members invited to plant donated 'Trees for Life' trees around the town's drain area, which will later be developed into a walking trail area.

On Sunday 18th June, Judy

Higginson travelled to Stirling North to hand over 2 boxes of 'Trees for Life' trees to Whyalla landowners, which will be then later planted in the Clare area. Another 2 boxes were delivered to Cradock and will be planted on a Station. Each box contains 60 plants. Another 4 boxes will soon be delivered to Clare for an Emu Downs landowner. Thank you to Debbie Boon, Lyn & Terry Fowler, who helped with this project.

Vanessa attended the Lions Club of Port Pirie Handover on Saturday 17th June and had an enjoyable night. Four members are looking forward to attending the Lions Club of Rocky River Handover on Tuesday 27th June. The Club is looking forward to our Handover on Saturday 1st July and have been busy planning for it. A pooled luncheon for Club members & guests will be held the day after at Vanessa's house, instead of

our Lions Den, for a more social event.

Bingo in the Main Street will be cancelled during June-July. Alex and Debbie will attend a community meeting on Thursday 6 July for a 'Disasters & Emergencies' meeting.

The Lions Club of Peterborough & District Inc., are looking forward to seeing you at the C1 Lions District Convention in Peterborough on Friday 27-29 October, 2023!!

So, come & enjoy fun & fellowship with other Lions members from the C1 District – DON'T MISS OUT!

Whilst here enjoying the Convention, come & spend a week looking around & enjoying Peterborough & District's many varied attractions!! Various styles of accommodation are available, so book early!!

There is a very long list of Australian and International Awareness days/weeks/months that could inspire a service project.

This list is incomplete - there are many others.

For more International Days, visit [www.un.org](http://www.un.org)

For more National Days, visit [www.mentalhealthcommission.gov.au](http://www.mentalhealthcommission.gov.au)

# Websites vs Social media

**S**ocial media and websites are both important, for different reasons. They go hand-in-hand, and in today's society, it should not be one or the other.

## Social media

Social media is great for helping connect with your audience, building your brand and reputation, sharing your information, reaching new audiences and encouraging your audience to interact with you.

From Facebook and Twitter to Instagram and YouTube, there's a long list of social media platforms available. Majority of organisations/businesses/groups promote across multiple platforms to get the most benefit and coverage.

Social media is great, needs to be constantly updated (regular postings) and time put in to build your following.

Social media typically engages a 'younger' audience, however, when searching for information, this same audience has less patience and Google is their best friend.

## Websites

Websites help people find you online, promote your services/products online, establish credibility and trust, and provide key information about your organisation.

A website gives social media a foundation to build on. Social media is a great way to attract a following, promote activities and events, but your website is where the bulk of the information is. Your website doesn't need constant updating, only update when content needs a refresh or becomes out of date, add new photos or update downloadable information.

A website is a lot more versatile and enables unlimited features that are not available on social media e.g. search databases like Lions District 201 C1 have for their clubs and projects. There's greater control over the content, layout and structure with fewer limitations. On social media, you post things and then they get lost and it's not always easy to go back and find the post with the information you're after.

When someone searches for something, they tend to search via Google (or other search engines) not via social media. People search for what they already know on social media not when they're trying to find something for the first time.

Google is the world's #1 search engine. Websites rank well (and videos), whereas social media doesn't rank as well compared. When you want to search something, majority of people will go straight to Google. Google commands 94% of the search engine market in Oceania, and according to Prosperity Media, 93% of online experiences begin via a search engine.

Websites have a better user experience, in part because it's easier to locate information the user is looking for. You can't expect new followers on social media to search through all your posts to find information.

## The importance of Lions Clubs having a website

As Lions, we are constantly hearing about how important it is to promote ourselves ... having social media channels and a website is a major part of that in today's society. Not having a website puts you at a disadvantage to finding you and learning about you.

Lions is the best kept secret and without a website we'll stay that way. Potential members, and others, won't find you if there's nothing to find online when searching. It's no different to a business having a professional website, it can have a real impact, and if you don't have one, you'll be left behind.

*Republished from May 2023*

## Website Closure

Oz Clubhouse is about to be permanently shut down by Lions Australia (soon after 30 June, 2023).

If you would like to discuss your club's options further, as outlined by Lions Australia, and find the right solution for your club, please contact Petrea Stacey via [pr.c1@lions.org.au](mailto:pr.c1@lions.org.au)

# Port Augusta Service Project

Collaboration between the Lions Club of Port Augusta and the Port Augusta Council has seen a new amenities block installed in Lions Park, a very popular rest area for travellers heading through town and for locals alike.

The state-of-the-art toilet block, along with landscaped surroundings, is valued at over \$170,000, with our Club raising \$25,000 towards the project. There are two ambulant cubicles, specifically designed for individuals with limited mobility, one will be disability compliant. There is a convenient change table to cater for the needs of young children.

There is also a unisex cubicle. The old toilet block was well passed its use-by date. It was very satisfying, after two years of discussions, to finally see the new amenities block "open for business" on 30th June.

## For Sale

- ➔ Belshaw DR42 Donut Machine for sale.
- ➔ In full working order, requires 15amp power to operate.
- ➔ Holds 20L of cooking oil, a 20kg bag of donut mix makes approximately 650 donuts.
- ➔ Comes with owners and operators manuals.
- ➔ \$2,000 negotiable.
- ➔ Please contact Myles McClure, Port Augusta Lions Club, on 0427 796 689.

## Port Lincoln Lions Club

*A full trailer load of rubbish collected by the club in our annual cleanup day on Sunday 21st May.*

*It's nice to be important, but it's more important to be nice.*

*Even a stopped watch tells the right time twice a day.*

# Barossa Lions Club

This report is one of REFLECTION of what we as a Club have achieved over the past 12 months, along with REJOICING those achievements but more importantly that of the incoming president Gail Fleming, What an interesting year it has been, we lost our long reigning monarch while we cannot match her service (yet) we did recognise long serving members of Lions with Life Membership, Neville Andrews - 57 years, Stuart Jones & Joseph (Joe) Vikor - 53 years of service who join John Falland who are all very active members of the club & who have contributed 214 combined years of service. I am immensely proud of the way stalwarts of the club have embraced change and have actively contributed in the continuity of the Club. If we are not willing to embrace change (rejuvenate) we will ultimately go up our own preverbal and no longer exist.

Two new, and hopefully annual events, is an offsite meeting at Kapunda to recognise the contribution and the intrepid commitment of a couple members who make the journey twice a month to attend meetings - well done Maureen & Edith. The other is our birthday in November to celebrate the charter of our club, this should not be taken lightly as a club. We have spawned a number of sister clubs and we need to celebrate (rejoice once again) our forebearers.

With Covid restrictions lifted we were able to reinstate our exchange program with Morrinsville Lions Club, unfortunately we were not able to send a student, however we were privileged to be able to host Kyla Kerr who was shown the sites of our wonderful community, please consider a potential recipient for the next exchange. The Lions Cancer screening organised by Gail in October was a huge success, even if the weather wasn't kind to us. Thank you to Tom & Rose for the tarps to keep all & sundry dry. We have been able to donate a substantial amount of funds to various groups throughout the year as per the treasurers report, & as part of the President's allocation of funds, we have been able to sponsor a hearing puppy, which from my understanding the Club gets to name, so put your thinking cap on to come up with a name.

In closing, the above only scratches the surface of what the Club has been able to achieve over the past 12 months and I have been honoured to be able to preside over the club for this period. I welcome Gail into the position and am sure that she will uphold the integrity of the Club & have full support of the members. Lastly, do not forget that all of the committee chairpersons become vacant next Handover (June 2024) and please consider these positions on nomination night in February.

Thank You All Very Much.

Paul Sumsion  
President

# Signature Service Projects 2023/24

As all clubs, and most members, should know, service is at the heart of being a Lion and being in a Lion's Club. Our association's motto is: We Serve!

There are only 4 aspects that a Lions Club must follow and all clubs should be striving to demonstrate these. In no particular order the 4 aspects are:

- Be of good standing
- Protect the brand
- Hold regular meetings
- Have a signature service project

There are more specific details that make up these 4 aspects (which can be discussed at another time). All other aspects that can make a club such as reading out ethics and purposes at meetings, loyal toasts, what should be in a meeting's agenda, who to donate money to, etc are actually optional but can make a club's traditions or culture.

As having a signature service club is a must and a key to gaining new members to joining clubs, that brings me to my role and how I can work with your club. Some clubs already have a service project that they are well-known for throughout the district (or wider), many clubs have service projects and there are some clubs that do little service.

For DG Peter Korndorfer's year, I have the honour of being the District Global Services (GST) Team Coordinator. I can't wait to fulfill this role. My role as GST Coordinator is to assist all clubs with their service projects, be someone to talk to, thrash around new ideas to implement, assist with how to promote your projects and assist with reporting them on MyLCI and more.

Clubs that run service projects that are relevant, engaging, inspiring and serve the needs of their community are in the box seat to attracting new members and retain their current members. Service projects that are run by passionate members, that align with their interests and skill sets and, maybe, sometimes pushes their capabilities to learn new things will also attract new members to that club. Who wouldn't want to be apart that?

So, please make sure that your service projects, donations and fundraising activities are reviewed by your club, ensure they are relevant and that your members want to do them. Create a strategic plan to ensure the direction of your club is moving in a positive and motivating direction. Need any assistance, contact me anytime.

Andrew Stacey  
District GST Coordinator

# News From Clare Lions

Once again, the Lions Club of Clare District has had another bumper year.

Early in the year, our Second-hand Furniture Shed received well deserved recognition with a Premier's Award, a testament to the hard work of the many members and other volunteers who are involved in this project. The team of regular members who give their time and huge amount of energy to making this the success it is are to be commended. It is, of course, the major source of income for our club at present, which allows us to provide assistance to other individuals and organisations within our local community, to our national projects and foundations, and our international foundation.

The donation of furniture from the Clare Country Club was a major undertaking for us to collect and store. This took place over several different days and filled to overflowing the furniture shed... overflowing to Fred, Allan and Brian's sheds. We also experienced some flooding in the shed (twice), working bees were soon arranged to clean up and redirect the water away from the shed. Only a small amount of damage to furniture occurred.

We took on another major project this year, being the Clare Valley Community Kitchen, sponsoring the kitchen with a monthly contribution to the supply of food, and we gained the membership of Julie and Charles who are the mainstays of this project, putting in many hours to feed those in need of both food and friendship with the fortnightly lunches held at the BJ Long room. Several other members are also regulars, assisting with cooking and front of house. The Kitchen has been widely recognised throughout as a wonderful addition to our community. Congratulations to Jules and Charles for recognising the need.

A lot of our attention this year has been on assisting the homeless and hungry within this community.

Along with the Kitchen, we also became involved in food collection from Woolworths. This happens three times a week, and is distributed throughout our schools, childcare and through Uniting Families SA. We purchased tents and sleeping bags through SportsPower Clare, to give to those who have nowhere else to sleep at night, and have financed the purchase of food from supermarkets, and also did a run to Second Bite for a load of pantry items.

We have had dinners at the Clare Valley Aerodrome, with guest speaker, such as Kate Clements, regaling us with her flight from Scotland to Australia in the sixties; the girls who attended Operation Flinders, students who took their livestock to the Royal Adelaide Show, and Isaac Boylan, an exercise physiologist; and recently our local MP Penny Pratt. We have had the usual Pie Floater at Eldredge Wines, a Burger build at the RSL and Christmas at the Spalding Hotel. Also, many of us attended a joint dinner with Clare Rotary Club at the UPPside Restaurant at Penwortham.

The Christmas Pageant was once again a huge success, thanks to the committee led by Greg Gibbs and Ron Wurst. Many hours go into making this a spectacular event each year, enjoyed by the young and young at heart, something to be proud of.

Australia Day this year saw us not only assisting with the set-up and pack-up at Melrose Park and cooking breakfast, but we received an Australia Day Award for Active Citizenship. This award is for each and every member of our Club and it is proof that we are recognised throughout this community for the amazing amount we contribute.

In April, we hosted the Lions Skin Cancer Screening Unit for a 2 day free public screening. We opened booking about 3 weeks prior and were fully booked with a substantial waiting list. The weekend ran very smoothly, with many of our members contributing by taking the bookings, cooking lunches and morning tea for the screening team, and attending to the administration tasks involved.

The Gleeson Wetlands is an ongoing project that is supported by a small group of members and partners who are constantly there weeding, tidying, mulching and generally making it a great place for locals and tourists to visit. Glasses recycling is another of those projects that just happen quietly in the background and this year we have sent several thousand eyeglasses to be used in developing countries around the world.

New members bring new ideas and this year we have 8 new members - Peter and Pauline, Jo, Jools, Julie and Charles, Matt and Abby. I welcome them and hope they have a long association with Lions. VALE Graham Hore - our last remaining charter member - who passed away in March this year. Although not an active member for the past couple of years, Graham served this community for almost 55 years, an excellent achievement.

Finally, I would like to thank all of those who have contributed to our club over the past year. I have had great support from everyone and feel very privileged to have been President. Thank you especially to Dave Stoddart and Greg Pulford as Secretary and Treasurer, also to the other members of the Board for your advice and contribution. I should also thank my most patient husband Ken for being my biggest supporter and champion.

I wish Fred, with the support of Anne, all the best for the coming year and know that we are in good hands.

Yvonne Bradford  
President 2022/23

# End of an Era

The annual handover event of the Lions Club of Adelaide Hellenic took place on Saturday, 17 June 2023, at Cafe Va Bene, where the achievements of the club, and individual members, were celebrated.

This significant occasion also marked the conclusion of an era for Lion Evelyn Chefalachis, who had served as President for an impressive 15 years. The symbolic gong and gavel were passed on to Lion Greg Musarra, the newly elected President of the club.

We extend our heartfelt congratulations to Lion Evelyn for her outstanding 15-year tenure as President, as well as her remarkable 30-year contribution as a Lion. In recognition of her dedication, Past District Governor Tony Pederick OAM had the honour of presenting Evelyn with a prestigious Melvin Jones Fellow award on behalf of the club.

We also extend our congratulations to the newly appointed President, Lion Greg, and all the esteemed members of the Lions Club of Adelaide Hellenic for their ongoing commitment and service to the community. Here's to another fantastic year in 2023/24.

## From District CBL

**Dates for nominations and notices of motion for 201 C1 District Convention in October 2023.**

Closing Date: 31st July 2023

- Notices of Motion - Project Nature

Closing Date: 29th August 2023

- District Governor 2024/25
- First Vice District Governor 2024/25
- Second Vice District Governor 2024/25
- LMR Representative 2023 / 2026
- District Convention Host: 2025
- Notices of Motion of a Constitution / Bylaws or General Nature.

NOTE: Notices of Motion must be accompanied by a full explanation for circulation to Clubs for their information

Forms for Nominations are available on the District Website and are to reach cabinet Secretary Lion Sandy Royal and myself, strictly by the closing date.

# Lions Christmas Cake Program 2023

**W**elcome to another Lions Year. The Lions Christmas Cake and Pudding selling season is once again fast approaching, although conditions are a little different from last year. This will be the second season we sell Traditional Foods cakes and puddings. Please get your orders in early.

I have listed below some important information and dates for you.

## Order Discount Period - 1st July to 31st October 2023

Orders to be delivered and paid for during this period to receive the order discount. The last date an order can be placed is the 16th of October 2023 to allow order processing and delivery before the 31st of October 2023. **There are no exceptions to this rule.**

## Orders on Account - 1st July to 31st December 2023

Orders placed during this period without payment must be paid in full by **25th January 2024**. **There are no exceptions to this rule.**

Clubs will receive an invoice via email approx. 3 weeks after order placement. Invoices are sent to the email address as listed on the order form at the time of order placement.

**A Club meeting is not required to approve payment** as the club has already approved payment and **entered a credit agreement at the time of placing the order.** Please bring this to the attention of your Club Treasurer. Order cut off date for delivery before Christmas is **Friday 8th December 2023.**

## Order Forms

Order forms are two sided. Please read the instructions on the form carefully. Also, orders should not be handwritten.

## How do I get an order form?

Log onto the Australian website [www.lionsclubs.org.au](http://www.lionsclubs.org.au) - use the password previously provided, and complete the order

form. Save the form to your computer, email to Traditional Foods and they will send a return email confirming receipt of your order.

## Damaged Stock - Short Delivery

If you receive stock that is **damaged or short delivered**, report it **immediately** to Traditional Foods Customer Service on (03) 9793 7700 or email [lions@traditionalfoods.com.au](mailto:lions@traditionalfoods.com.au), and quote the delivery docket number. If possible, take a photo of the damaged stock and email both Traditional Foods and myself, along with a copy of the delivery note.

Please check all cartons on delivery and do not sign for delivery until you have done a carton count.

## Promotional Items

Promotional items are available for purchase from MD201 Club Supplies Online Store. This includes header cards.

Let us have a great year and please do not hesitate to contact me if you have any problems or concerns.

Yours in Lionism

John Chefalakis

District 201C1

Mint & Cake Chairperson

# Trailer for Sale

**A**fter many years of loyal service, the Salisbury Lions are selling their BBQ trailer. It comes with 2 months of registration and 5 full gas bottles plus some cooking pots and pans. Offers between \$300 and \$500 are encouraged especially with the 5 gas bottles.

Please contact Alex Coates at Salisbury Lions Club if you are interested: 0408 698 337 or [salisburylionssa@gmail.com](mailto:salisburylionssa@gmail.com)

Photo: President Rob and wife Ljubinka have returned from a trip to Europe. Whilst in Berlin, they met with fellow Lions. Their project is filling large cones with small items to give to children starting school.

## News Update From Burnside Lions Club

**W**ith winter upon us we expected a lesser number of customers at our June Bargain Centre Sale. Fortunately, the weather held off and we welcomed many new faces with income from the sale reaching \$1,850.

The club has decided to support a young woman from our community who has been successful in being chosen to represent Australia in the sport of archery. This is another case of young people reaching the pinnacle of their sport but having no government funding to assist them with expenses to travel overseas to compete-she will travel to Ireland, and we will follow her path with interest.

Our guest speakers this month were from The Kidney Foundation - where the meeting was held at the Kent Town Hotel.

Burnside Lions Bargain Centre currently has excess supplies of jigsaw puzzles and children's board games etc. If any club has an activity involving children, e.g., refugee groups support, then we would invite them to contact Rob and we can arrange to have these made available.

We also have excess stock of cutlery and crockery which other clubs may be able to utilise in some way, if so please call 0413 002 445.

We will welcome Thora, Jessica, and Dianne as new members at our Handover Dinner. These ladies have all been involved with the club through the Bargain Centre as volunteers and have decided now to join as members. We wish them well and thank them for their commitment.

Article submitted by Rob Crookall

### Spotlight: Barb Newman

Name: Barb Newman  
(Wallaroo)

How long have you been a Lion?  
5 years

Why did you join Lions?  
To be an active member of my community.

Current club position?  
Secretary and Marketing Chair

What Lions positions have you held previously?  
Secretary and Marketing Chair at club level

What's your favourite memory or experience in Lions?  
Playing the grumpy member at a training course in Adelaide.

Favourite quote:  
"You can have a happy life or a crappy life..."

Favourite movie:  
Rocky Horror Picture Show

Favourite book: The Chrysalids - it taught me a lot about prejudice at a very young age.

**Lions is not exclusive.  
Lions is INCLUSIVE!**

So, get on board!  
Have fun and make friends and help someone else with a hand up!

Become a Lion today.  
Don't Delay!  
You will not regret it!

# Children's Vision Screening Program

Statistics show that as many as 1 in 5 children suffer from an undiagnosed vision problem. Most children will accept vision problems and adapt to their poor sight. They rarely complain as they believe everyone sees the world like they do. Identifying and correcting issues early is paramount to a child's ongoing development.

The CVSP has been created by the Lions Eye Health Program - Australia (LEHP) in conjunction with technical partner Centre for Eye Health at the UNSW.

The CVSP uses four tools to detect potential vision issues in children:

- The Spot Vision Screener, a camera based system that can identify Nearsightedness (Myopia), Farsightedness (Hyperopia), Blurred Vision (Astigmatism), Unequal Refractive Power (Anisometropia), Eye Misalignment (Binocular Vision), Unequal Pupil Size (Anisocoria)
- Visual Acuity, Lea Symbols Chart used to determine the 'Sharpness' of vision at distance.
- Colour Vision, a standardised set of cards that display coloured numbers on different coloured backgrounds to test the child's ability to discriminate different colours.
- Depth Perception, wear polarising (3D) glasses, the child is asked if they can 'see' pictures "jumping off the page".

The use of these four tools and access being unrestricted by age makes the LEHP CVSP one of the most comprehensive screening programs available.

Any Lions Member or Volunteer can undertake the training to become a Vision Screener. The training consists of three steps.

## 1. Register for the training and complete the Online Training.

This is a short screen based interactive training module which will introduce the Trainee to the intent, methods and protocols of the Screening process. The training is self-paced with multi-choice questions at the end of each section that need to be answered correctly before the Trainee can proceed to the next section.

## 2. Attend a Face-to-Face training session.

These run for approximately one hour and consist of 'Hands-On' training with the four tools used in the screening as well as detailed discussion of the setup and administration of the screening process.

## 3. Participate in or observe a Screening session under the oversight of a qualified Vision Screener trainer.

On the completion of these three steps, the Trainee will be required to produce a current 'Working With Children Certificate' (WWCC) before being confirmed as a Qualified Screener.

Face-to-Face training is conducted on an 'As Required' basis. When there are sufficient Trainees who have completed the Online training, the relevant CVSP trainer will convene a training session at a mutually agreed time and venue.

Screening teams consist of six or more qualified screeners and a qualified Screening Facilitator. Screening teams can be and often are formed from multiple Lions Clubs.

Screenings can be carried out at schools, kindergartens, childcare centres, sporting clubs, Scouts and Girl Guides facilities, in effect anywhere that children gather.

The structure of the screening typically follows one of two possible formats:

### Planned Screenings

Usually used for school based screenings carried out during school hours. In this format Lions provides the school with the documentation to be distributed to the parents explaining the nature of the screening with provision for them to provide their permission for their child to participate in the screening.

The screening results for each child are then provided to the school for distribution to the parents.

### Walk-Up Screenings.

This method is suited to circumstances where the children to be screened and their parents are present at the time of the screening. Parents are advised of the nature of the screening and provide their permission prior to the child being screened. The results are provided directly to the parents upon completion of the screening.

Full details of the CVSP and access to the Screener training can be accessed from the LEHP website ([LEHP.org.au](http://LEHP.org.au)) or from Michael Neal, Mobile: 0400 246 803, Email: [michaelneal47@bigpond.com](mailto:michaelneal47@bigpond.com)

## Baby News!

Lauren and I are delighted to introduce Benjamin Thomas Lee Brug, our treasured baby boy!

Born 14 June 2023 at 9.27pm weighing 6.1 pounds and 47cm in length.

Mummy and Baby are doing well. Lauren was an absolute champion in labour. So proud of her.

Thanks to Dr Cocchiario, the team at Her Health and at Calvary North Adelaide Hospital for their exceptional care.

We can't wait to spend some time getting to know our newest family member!

Thanks, Beau  
Salisbury Lions Club
