

## NEWSLETTER

JULY 2024

**Our Communities  
Resilient | Healthy | Connected  
Onwards and Upwards**

## From DG Steve

Welcome to the new Lion year. This is the opportunity for many Lions members to take up one of the many club administration roles that are available. I would like to acknowledge those Lions members who have decided to take a rest and sit back and let other members have a go and for the lions members who put their hands up to continue the proud achievements of Lions.

Sitting here at the International Convention in Melbourne, where there are over 11,000 lions from around the world, is certainly inspirational. As you would expect, being at such an event, there is enormous comradery to enjoy. And why not? What we do, and what we have done, is truly amazing. As Lions, we do make a huge impact within our communities, both locally and internationally.

When listening to speakers, and in general discussion with other lion members from overseas, their and our issues all have common themes. We in C1 are not isolated in service, aging members and wanting to grow our clubs to provide additional services.

We need to offer an experience in service to younger potential Lions. Young people are interested in community service, not necessarily cooking BBQs. I have always said the younger generations are well informed and have a real affinity with what's happening in the world. Many don't like what they see and where we are heading, that shouldn't

be a surprise to any of us. We need to go out of our way and ask them what they want to do to make an impact, just as previous generations before them have.

What I got out of being at the International Convention and discussing lions in general is that we are not alone in our endeavours.

Cheers,  
*Steve Fawcett*

Lions District 201 C1

# District Convention Update

Planning is progressing and most of the major tasks are under control, with the finer details the next thing to tackle

## Accommodation Update

Accommodation could be difficult to obtain, depending on what conventioners require.

There are quite a few holiday houses & Air BnB to rent, but single guest accommodation is limited.

Please access the following websites for options.

<https://www.franklinharbour.sa.gov.au/tourism/accommodation>

<https://www.airbnb.com.au/cowell-australia/stays>

Some Cowell Lions members have expressed their willingness to billet conventioners in their homes.

For further information please contact the "Coast to Country @ Cowell" Chairman Allan Zerna on 0427 292 088 or [janalla@bigpond.com](mailto:janalla@bigpond.com).

If there is enough demand a courtesy bus could be available for those who stay at Port Gibbon, Lucky Bay or Cleve.

## Guest Speakers & Program

After the July Convention Committee meeting, the guest speakers & program should be close to finalisation.

## Welcome To Our New Lion Members

Welcome to the District C1 Lions Family.

**FABRÍCIO OLIVEIRA**  
INTERNATIONAL PRESIDENT  
2024-2025

## Breathing Life into Service

Ask Fabrício Oliveira about his native Brazil, and he'll tell you it's the lungs of the world. An evergreen canopy rimmed in turquoise shoreline. He's from a small municipality there, the son of fabric merchants with entrepreneurial vigor in their blood.

By age 18, Fabrício was already part of the family business. He would focus on his studies during the week and travel dutifully for work over the weekends. For such a young man, Fabrício was driven and focused on results.

"I've always done things early," he recalls with a smile.

At just 22 years old, the spirited entrepreneur became a happily married man. He and his wife Amariles had both grown up in the village of Catolé do Rocha, where, despite the region's tropical climate, Fabrício Oliveira was proving to be a man for all seasons.

He was already having professional success—he had a number of business deals under his belt and more on the table. He was experiencing civic success—he had received several appointments to public office. Yet, something was missing for Fabrício.

Until one evening in 1985.

At the time, Fabrício and Amariles were part of a group of friends who would gather on weekends for different social events. Some of these friends were already Lions members and before long, they asked the Oliveiras to join their local club.

"We couldn't say no," he admits. "These were our close friends. And I saw something special in Lions, and an opportunity to give back to the community that had been so good to me.

It was a gesture as simple as an invitation that brought Fabrício Oliveira and his wife to Lions, once and for all.

"So I became a Lion. And that's how everything started," Fabrício recalls.

The call had been answered. A commitment to service set in motion. Now, it was time for the man from Catolé do Rocha to take what he'd learned so far from life and apply it to a new kind of work. His work as a Lion.

Shape Our Future**

Lions Clubs International

# Golden Grove Road Mural

Golden Grove Lions Club has been working with The City of Tea Tree Gully to improve Lot 50, the open space near the Kingfisher Reserve and wetland. The Lions have paid for a mural on a shed which greatly improves the look of the blank corrugated wall. The artist was Marciano Williams-Arents who worked for over a week to paint the wall which cleverly blends in with the big gum trees behind the shed.

The mural also depicts a number of native insects and plants in a larger scale so they stand out. It looks particularly spectacular as you walk south on the creek-line path. The shed is visible from the road but not the mural.

Bees and butterflies in the mural:

- Australian Painted Lady – butterfly feeding on Button Everlasting and Common Everlasting, caterpillar feeding on foliage
- Wattle blue – butterfly feeding on wattle nectar, caterpillar feeding on foliage
- Southern Grass Dart – laying eggs on kangaroo grass
- Chequered Swallowtail – butterfly feeding on Tall Scurf-pea nectar, caterpillar feeding on foliage.
- Blue Banded Bee – collecting pollen from Black-anther Flax-lily
- Golden Pea Bee – collecting pollen from Slender Bitter Pea
- Leafcutter Bee – cutting a circle out of Native Lilac

The cost of this project was met by the Golden Grove Lions Club and Australian Lions Foundation. The club has been working with Sabine Koolen Technical Officer, Biodiversity, City of Tea Tree Gully. More changes to the area near the public toilets are in the pipeline and we will tell you more about them as they happen. There will be some interpretive signs explaining the developments and what some of the constructions represent.

Harry Webb  
Golden Grove Lions Club

# News From Torrens Valley

Over the past month Club members have been busy once again.

We held our first "Gum Boot Sale" at Gumeracha on a very cold Sunday morning, thank goodness for the bbq and hot tea & coffee!

The Club recently joined the Lions Eye Health Program and conducted a screening at Kersbrook Primary School with Gumeracha Primary booked in for after the school holidays. Continuing on with eye health, the Club is still collecting eye glasses, with containers placed in business within the district.

In the month of June, the club place baskets (baskets donated by Bunnings Modbury) to collect food and hygiene donations in the townships of Birdwood, Mt Torrens, Gumeracha, Inglewood, Mt Pleasant, Kersbrook, Cudlee Creek and Williamstown. The local schools were willing to assist as were businesses such as post offices and tavern. These donations, worth more than \$1,000, have been delivered to the local Community Pantry.

The June dinner meeting invited co-founder of Little Heroes, Chris McDermott, as guest speaker. Chris spoke on Little Heroes and Childhood Dementia. We had previously given a donation to this cause but on hearing of the work regarding Childhood dementia we gave another donation on the night.

On the coldest morning in the Adelaide Hills (well it felt like the coldest morning) 6 or so members were up before the sparrows to be at the Gumeracha Big Rocking Horse to support Lion Mel and her family host Sam Mac and the Sunrise show live. There we provided a free bacon and egg breakfast for attendees and crew. Great coverage for our patch in the Adelaide Hills.

## Club Charter Anniversaries

### July 2024

Each month, we will celebrate the anniversary of each club in our district.

Celebrating 63 years  
City of Adelaide - 1 July 1961

# MD Lions Convention in Darwin - Glenside Lions

## Lion Charlie's Account ...

I visited the booth promoting the hearing dogs and medical alert dogs and was pleased to learn that the people at the booth had heard about our mascot Leonie sponsored by Glenside Lions.

Although the Leos presentation was slick and impressive, I was more touched by another funded program called CaringKids which sends a large box of goodies to children aged 8 to 12 who have to take care of a disabled parent or sibling at home. The box of goodies is to encourage and appreciate them for their personal care and sacrifice for a family member.

The other thing that pulled a few heart strings for me was the stories from the five Leos finalists who seemed to suffer from mental and emotional challenges before finding their

full potential through Leos. If these bright, dedicated young people represent the tip of the iceberg, there must be a lot of mental health issues amongst the general youth population. Something our future services and funding can focus more on.

I did get to meet a few new friends from WA and NSW and hope to stay in touch with them.

Finally, it's good to learn that Glenside is doing better than the average club in terms of keeping and growing membership and in the activities we participate in.

Lion Charlie  
Glenside Lions Club

## There's a New Club in Town

**G**olden Grove Lions Club members are thrilled to announce that they have established a new Leo Club at Pedare Christian College this year. This follows on from the formation of a very successful Cubs Club at the school in 2021.

On Monday 17 June, we conducted an induction and installation ceremony in the school chapel. Our District Governor Peter Korndorfer officiated over this exciting event, and many Cabinet and Golden Grove Lions Club officers were in attendance to witness this historic occasion.

Peter told the audience that this is the first club of any kind to be formed in District C1 since 2015. No wonder that we, as Lions, were all very excited to be part of this event. On top of that, it has been a long time since a Leo Club was established in our District. Currently, there is only one other Leo Club which is located at Glenunga International High School.

Our president Graeme Pascoe spoke about the history and value of Leo Clubs, and Principal James Tamblyn emphasized the importance of service to others. The Leos were then inducted into the club, and this was followed by the installation of the club officers into their leadership roles. Afterwards, Leo President Jayden Weber accepted the framed charter certificate on behalf of the school and Club. Leo Advisor

Annette Slater made the closing remarks, thanking all parties involved for their wonderful support in the formation of this club. She also thanked the Stacey family for their initiative in establishing the first Cubs Club at Annesley Junior School, and then the second club at Pedare Christian College. Three of those Cubs have been instrumental in the formation of the Leo club. In closing, Annette spoke about the personal reward we all receive by giving service to others.

The official proceedings were followed by a meal in the college foyer, which was prepared by Golden Grove Club members. On a cold night, our soup, sausages, vegetarian burgers and hot chips were very warmly received by everyone. Homemade sweets were then served. Our guests enjoyed chatting and viewing the display about our Cub, Leo and parent club projects.

The night was a huge success, both as a celebration of the formation of our newest club and as a promotion of our wonderful Lions organisation. We would like to thank everyone who supported our club to run this memorable event.

Golden Grove Lions Club

# Introducing DG Steve

Lion Steve and Lion Anne-Marie were born and raised in Adelaide. They have spent the last 34 years living in country South Australia including 10 years in Mount Gambier. The family moved to Port Augusta in 2000 through Steve's employment. They have 2 children, Jessica and William, who both live in Port Augusta with their partners, Travis and Mel. They have also been blessed with 7 Grandkids, including Lexie, Adylyn, Chase and Lewis. Kiesha, Amber and Toby. They all affectionately call Steve "Grumpy".

Steve has a long-established history of service in his community, being a member of APEX then later joining the Port Augusta Lions Club where he and Anne-Marie have been members since 2016. At the District level, Steve has been a Zone Chairperson in 2019-2022 and Global Services Team Coordinator (GST) in 2020-2022. Anne-Marie is a health professional working with Pika Wiya Aboriginal Health Service. Anne-Marie is currently the Zone 8 Chairperson and Secretary of the Lions Club of Port Augusta for the last 3 years.

Steve has strong leadership skills, demonstrated by his work history and skills. He has an extensive background in training, education and community development. Starting as a fitter & turner, then toolmaker, Steve then joined TAFESA in the Mechanical Engineering School where Steve lectured then became an Educational Manager for Engineering, Mining, Civil and Geo Science programs. Steve has his own Aviation and Mechanical Maintenance business which demonstrates his organisational skills. Interests include community development, and, as such, has been an active charter member of the Australian Learning Communities Network

since 2001 including many years on the Executive and terms as Chairperson. From 1992–2017, Steve was involved with World Skills Australia (as a state participant in 1981), then Regional Judge, and National Judge and National Project Designer.

Steve holds the following qualifications:

- Associate Diploma - Mechanical Engineering (TAFE SA)
- Bachelor of Teaching - Education and Training of Adults (UNI SA)
- Bachelor of Education - Education and Training of Adults (UNI SA)
- Master of Education (RMIT)

He is an Alumni of the University of South Australia and the RMIT University.

He enjoys flying his own plane, when time permits.

# GMA Update - June 2024

The 2023-2024 Lions year is about to end, and unfortunately our district will probably go backwards by approximately 10 members. There are many reasons why we have gone backwards, some totally out of our control, but others are. All this means that we all, the GMA team and all clubs, must put in another big effort to reverse this trend. Here are a few of my reasons why we are not growing!

- Many clubs just do not see a problem, or “it’s not our problem, as we are going well”
- Many clubs do not have a membership growth plan.
- Many clubs have just not adapted their club to reflect the realities of today’s world.

This is not just a “numbers game”. With dropping member numbers and clubs we will find that:

- Clubs will not be able to perform the same level and type of services their community needs today because as their membership ages and numbers drop, their level of activities, must drop.
- Overhead costs (like insurance, cost for training, electricity etc), at club, district and multiple district levels will need to be shared by less people/clubs, so fees will increase.

I am sure none of us want that. So, what are we going to do about it? That’s the challenge for us all. Here are some of my ideas / suggestions for all clubs, large and small, to consider.

- First, and most importantly, we all need to acknowledge that there is a problem.
- Then we must take a serious look at our club and how it is performing and managed.
- Look at our local community, how it has changed and what are the needs as of today. Do our activities appeal to the members of our community and those we want to attract to our clubs?

What will the incoming GMA team be looking to achieve this year?

- The GMA team will first review the activities of the team over the past year to confirm what strategies and actions did not work, what did work and then readjust our plans accordingly.
- We will work with the GST Co-ordinator to remind clubs of our organisation's core service programs and that by ensuring that we undertake such activities within our communities we will lift the profile and awareness of Lions in our community.
- Remind all clubs that the GMA team members are here to help clubs develop and implement club growth plans and activities. You do not have to do it alone!
- We will be seeking input from all clubs on opportunities to start Club Branches in their community as a practical and realistic way to establish new clubs. To this end a discussion paper on why and how to establish a Club Branch will be distributed to all clubs in the near future.
- We will be asking clubs to have a strong focus on youth activities in their region, which include the involvement in Youth of the Year as well as the establishment of Leo Clubs. Not only do such activities have great outcomes for those involved now, we are also investing in Lions of the future.

Yes, it will be a challenge, and will require a lot of dedicated work, however isn’t our great organisation worth it? I believe so, and so does the GMA team. So, the important question is, do you and your club believe so? For the sake of our organisation’s future, I hope so.

PDG Rob Royal  
GMA Co-ordinator

The Lions Club of Tumby Bay & District are hands on in their community, cleaning up the local cemetery.

## Clean Up in Tumby Bay

It was all hands to rakes, shovels, forks and barrows at the Tumby Bay Council cemetery clean-up by Lions Club of Tumby Bay & District last week.

Lions members gathered to the cemetery to undertake the regular clean up of the grave sites, shelter and the walk way of the area.

Two large trailer loads of rubbish was collected for disposal and general tidy-up maintenance work was completed.

A spokesperson for Lions said, "This clean-up is part of the Lions Club of Tumby Bay's community service that is undertaken about four times a year. We have noticed a general decline in the state of some older grave sites and Lions will attempt to contact the families to prepare a program of work to restore these grave sites to close to their original condition."

The information kiosk included in the tidy-up is maintained by Tumby Lions and provides visitors with a plan of the cemetery with information on the names, dates and location of each plot.

Lions in Tumby Bay & District is focused on supporting local community projects and facilities while providing an overview of Lions International's Global Causes on the environment, childhood cancer, hunger, diabetes, and other pressing humanitarian needs to help address some of the biggest challenges facing humanity.

This working effort is another Lions job, well done!

# News from Peterborough

Members were saddened by the passing of our valued member, Lion Glenys Edmonds, who had been in Lions for 34 years. Glenys was the first female President of the club & contributed so much to the community.

Glenys' suggestion of a Lions Rose Garden at the cemetery when she was President, continues as an ongoing club project years later. Her punch drink was always a hit at the Lions Senior Citizens & Aged Pensioner's Christmas Dinner!

Her funeral on Friday 7 June packed out the local Town Hall, with many paying their respects. Deepest condolence to Laurie Edmonds, Bill & Shirley Dearlove & families. She will be sadly missed.

Our Club hosted the 'Australia's Biggest Morning Tea' for the Cancer Council on Friday 10 May 2024 at the Senior Citizen's Hall, with over 60 locals & tourists attending. This helped raise \$713.85 on the day. At our meeting, the Club decided to donate & top up the amount to \$1,000.00 to be sent to the Cancer Council.

At our dinner meeting on Tuesday, 21 May, we enjoyed listening to our guest speaker, our new District Council of Peterborough CEO, Mark Austin, who spoke on the importance of volunteers in the community and praised their work. Mark spoke on how Council would like to work with all community groups and volunteers. His comments were appreciated, as it was National Volunteer Week, 20-26 May 2024.

On Saturday 1 June, our Club put a team of 10 members in for the Peterborough Rodeo Club Trivia & Auction Night, which was a fun & very successful night, with our team the 'Wild Ones' coming equal first, until we had to play-off with another question. We ended up coming in 2nd, which we were very happy with. It was such a great night.

Judy Higginson (ongoing Secretary) & Vanessa Malycha (incoming Vice-President) attended the Club Development Training Day on Sunday 2 June in Port Pirie and joined in the training sessions for their positions. It was a very informative & successful day.

Members sold bingo tickets on Thursday, 6 June in the Main Street at Foodland. This was the last day that we will sell bingo tickets until after winter.

Members sold donuts on Saturday 22 June, on Don Ferguson Drive from 10-2pm, which was again popular.

At our dinner meeting on Tuesday, 18 June, President Julie Atkinson thanked all members for their support during the 3 years that she was President. Julie wished incoming President Ian Satterley a successful year. All Club members thanked Julie for all of her hard work during the 3 years. Well done Julie!!

Members continue to plan for our Handover to be held on Saturday 6 July at the Railway Hotel, whereby we celebrate 45 years!! On Sunday 7 July, members will meet at the Lions Den for our annual Luncheon.

# District C1 - Around The Clubs

# Promotional Banners

Our District GMA team has been creating and purchasing some promotional materials for clubs to use. Some clubs have asked about where to get them, so here are the details below:

## BANNER

2m x 1m vinyl banner with reinforced holes – purchased from Banners and Mash for \$121 incl GST  
Unit 5/10/12 Carsten Rd, Gepps Cross SA 5094  
Ph: 8132 2888

## PULLUP BANNER

Premium gloss poly 841mm x 2000m with silver case – purchased from Officeworks for \$240 incl GST

## LIONS TABLECLOTH

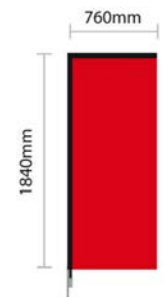

Purchased from Lions Australia shop for \$250 incl GST

## WING BANNER

Medium double-sided Shape 5 with flat metal base – purchased from Banners and Mash for \$192.50 incl GST

Our banner has the same design as the pullup banner on both sides. It works well at outside promo events. Bunnings has sandbags and sand for weighing the banner base down.

Petrea Stacey (District PR, Marketing & Communications) has created six eye-catching designs for clubs to use. Please contact her for copies of the files. If you want advise, do not hesitate to contact a member of our team.

## GMA Team

# PR Trailer Bookings 2024/25

# Jokes from Around C1

I recently called an old engineering buddy of mine and asked what he was working on these days.

He replied that he was working on "Aqua-thermal treatment of ceramics, aluminium and steel under a constrained environment."

I was impressed until, upon further enquiry, I learned that he was washing dishes with hot water under his wife's supervision.

## PICK UP LINES

Let's commit the perfect crime together. I'll steal your heart and you can steal mine.

Are you a florist? Because ever since I met you, my life has been rosy.

We may not be socks, but I know we'd make a good pair.

Are you a bank loan? Because you have my interest.
